# A Message To Parents

George ("G.R.") Frank and his brother Raymond ("R.C.") Frank founded Camp Kawanhee in 1920 as a character building force for boys. Their basic philosophies remain alive as a vital part of Kawanhee's spirit. The Kawanhee mottos "Fun With A Purpose", "Learn To Do By Doing", and "Finish What You Start" still serve today as motivating forces in the lives of Kawanhee campers and counselors.

The Directors of Camp Kawanhee believe that when a youngster starts for camp, three people from his home go to that camp, for just as surely as the boy is there in person, his mother and father are with him in spirit.

At Kawanhee your boy will be comfortably housed with boys his own age in a dry, sanitary cabin.

He will be fed the finest of nourishing foods and in quantities to satisfy the ravenous appetites of growing boys.

At the slightest sign of sickness, he will be under the care of a registered nurse who is in attendance through the season. Hospitals are within thirty minutes drive of the camp.

Swimming, boating, canoeing, sailing, kayaking, and skiing are all carefully supervised by qualified personnel. No boy is permitted to take out a boat by himself until he has passed the necessary swimming and boating

tests, and a beach guard is on duty to supervise boat sign-outs and check-ins.

He will be under the guidance of experienced men. There is one man for every five boys enrolled. A senior and junior counselor are assigned to each lodge. Boys are never left alone at night. One man is always on duty.

He will live for seven weeks in a climate famous for its invigorating air and sunshine, and will return to his home in the fall, healthy, rugged and brown.

Through encouragement to progress in various activities, he will grow in self-reliance, initiative, and perseverance.

If he is timid and shy, or a poor mixer, he will be encouraged in developing a higher degree of confidence as he reaches out to capture new goals of accomplishment.

Hundreds of cases can be cited where a boy's whole attitude and outlook were changed when he found something in which he could excel and in which he won recognition. Such experiences, day after day, build backbone and dependability during the early formative period of boyhood.

With new vision and understanding, he will return to his home in the fall, a boy of courage and bigger powers.

Chief Kawanhee challenges the campers to live up to their potential throughout their summer experiences. As shadows lengthen and the stars appear, we gather for our camp fires at Council Point. It is here that the heart of camp life glows as boys and men sit before the blazing fire, enjoying their games and stunts, the presentation of awards, and the reading of the Grey and Maroon Camp Score for the week.

# An Ideal Location

## Safe, Healthy, and Thrilling for Growing Boys

Camp Kawanhee is located on the east shore of Webb Lake, at Weld, Maine—eighty-five miles north of Portland, and thirty miles south of the Rangely Lakes. It has a shore line of woods and sandy beaches. Early legend tells us that Chief Kawanhee and his braves lived here for many generations.

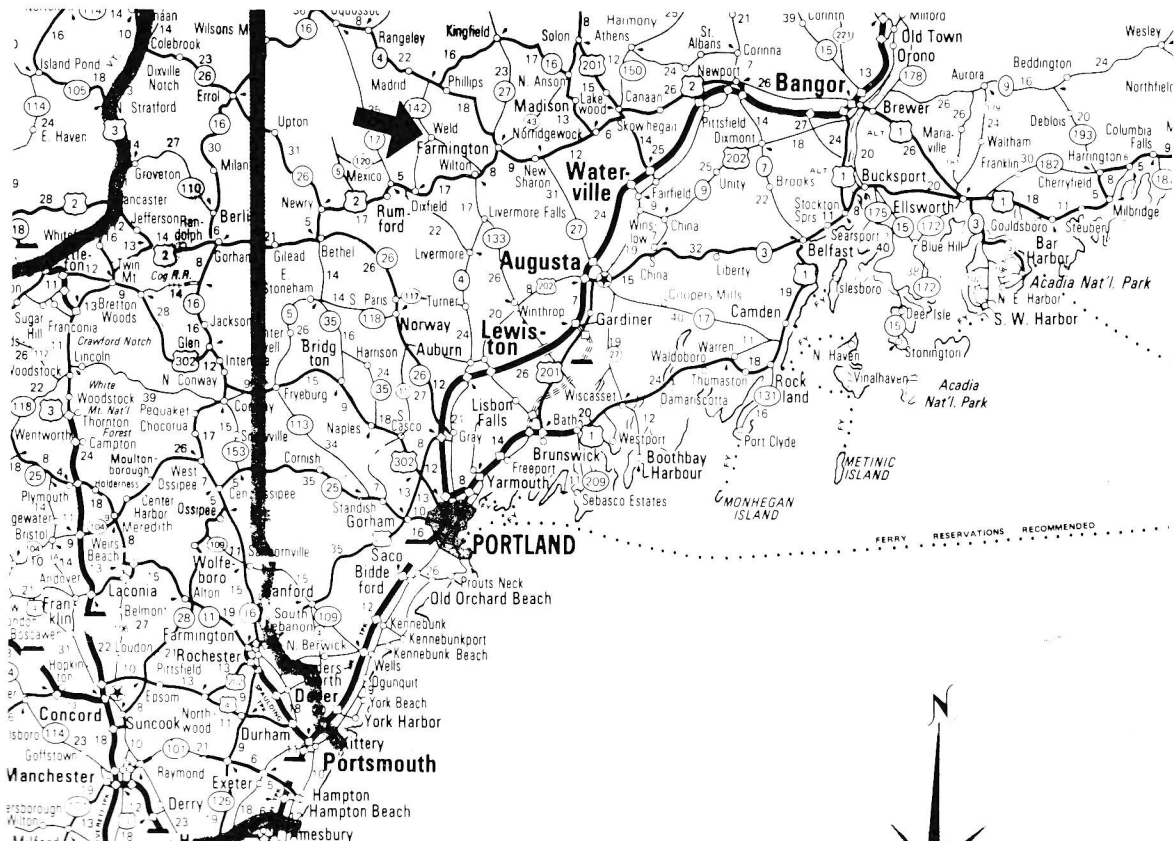

Weld was practically unknown until 1772 when hunters from the southern part of the state explored this section of the country. In passing through this valley, they discovered a pond about six miles long near which they found an old gun and several traps, and on a tree was cut the name of Thomas Webb. This name they gave to the lake. Around 1797, Webb Settlement came into existence. A few years later, the name of the settlement was changed to Weld in honor of Benjamin Weld, one of the first settlers.

The exceptional location of the camp has been pronounced by men qualified to judge camp sites, as one of the finest natural settings for a boys' camp in the coun-

try. There is a protected cove and sandy beach for safe swimming, miles of pines and pointed firs, invigorating air, cool nights, and refreshing sleep. Neither word nor picture can do full justice to its delightful, well-adapted location.

Lake Webb is five miles long and two miles wide, and is completely surrounded by mountains. The water is clear and pure and never too cold for the early morning plunge. It averages between 72 and 78 degrees at the late morning swim period.

The surrounding country is wild and rugged and appeals to the adventurous spirit of growing boys. Just to run, to swim, to follow trails over lofty peaks, to spy on deer and moose as they come to the lake to drink, to investigate beaver dams, to sit by glowing camp fires at night, or lie in a sleeping bag under the stars and listen to strange noises of the deep woods—What a life! Such thrilling experiences make every boy become a bigger better, and more self-reliant man.

# CAMP MANAGEMENT

Walter Estabrook, Managing Director of Camp Kawanhee for the past 16 years, is a former camper and counselor at Kawanhee. A graduate of Wesleyan University, Middletown, Conn., he served in World War II as overseas Athletic Director of a U.S. Naval Air Base. He has had extensive experience in Sales and Purchasing, and following 26 years of service with the Brown Steel Co., Columbus, Ohio, Mr. Estabrook is now retired to devote full time to Camp Kawanhee. The Estabrooks' three sons have all been campers and counselors at Kawanhee, and their daughter has been a counselor at Camp Kawanhee. The Estabrook family is active in their church in Bexley, Ohio.

Mr. Estabrook's wife, Jane Estabrook, Assistant Director, is a graduate of the University of Wisconsin, Stout College, with a major in Home Economics. She has had advanced work in Hospitality Management and Food Service. She served for several summers as Food Production Supervisor at Kawanhee. She is currently in charge of bookkeeping at Kawanhee.

Herbert Birch, Assistant Director, and Kawanhee's Eastern Sales Representative, has been one of the camp's most loyal and enthusiastic supporters for 45 years. His vast knowledge of "good camping" has contributed to Kawanhee's enviable reputation as one of the best camps in the New England area.

Steve Yale, Assistant Director, has been a camper or counselor at Kawanhee for a total of fourteen years. Following his graduation in Forestry from the University of Maine, Steve worked as a Forest Ranger in Colorado, and later as a YMCA Camp Director in Bath, Maine. During his Kawanhee career, he was Director of Wrestling for several seasons, and then Director of Tripping for two summers; his latest position at Kawanhee before assuming the Assistant Director assignment was Co-Director of Activities. Steve graduated from the University of San Francisco with a Masters Degree in Business Administration. He is currently a vice president of the Commercial Bank of San Francisco.

Our Activity Directors for 1988 were John Bell (right), and Mike ("OJ") Altmaier (left). John is a Kawanhee veteran of 15 summers, and is currently a teacher in Palm Beach Gardens, Florida. Mike, who has been with Kawanhee for the past 23 seasons, is a teacher at Bath, Maine, and in addition to teaching History, he is the Tennis Coach for his High School.

John Estabrook, M.D., Durham, N.H. (Emergency  
Medicine, Dover, N.H.)

Richard Estabrook, Brunswick, Maine (Attorney,  
Chief Advocate, Maine Dept. of Mental Health)

Walter Estabrook, Columbus, Ohio (Managing Director  
of Camp Kawanhee)

The Rev. Harold L. Myers, Columbus, Ohio  
(Presbyterian Minister)

Robert C. Pacios, Auburn, Maine (C.P.A.)

F.P. Schoedinger, III, Weare, NH (Software Engineer)

Kate Schoedinger, Weare, NH (Teacher)

Mark Standen, Freeport, Maine (Attorney)

Stephen Yale, San Francisco, CA (Business  
Consultant)

**DIRECTOR EMERITUS**—C.F. Bateman, Columbus,  
Ohio (Retired Industrial Arts Teacher)—51 Years  
of Service to Kawanhee

# Food And Facilities

"We want the cook! We want the cook!" This familiar phrase is a frequent cheer in our dining hall, and is our campers way of expressing appreciation for the delicious meals. Our basic philosophy is to plan well balanced menus which are both appetizing and nourishing for healthy, hungry campers. Boys who are fortunate to celebrate a birthday while in camp receive a delicious cake for their table.

Conveniently located near the sleeping lodges are the dining hall, recreation building, wrestling building, nature building, archery supply cabin, a shop large enough to accommodate up to thirty-six boys and four instructors at one time, a scout and campcraft building, rifle and archery ranges, the camp hospital, boat houses, the toilet building with showers and our camp laundry.

Most of Kawanhee's buildings are of heavy log construction, roomy, rustic, and built to suit our specific needs. The sleeping lodges are nestled among the pines along the shores of the lake. They are safe, comfortable, and free from dampness in rainy weather. Each is equipped with comfortable cots and mattresses, and accommodates from seven to ten boys and two counselors.

ASSISTANT CHEF VALORIE WOLSTENCROFT AND  
HEAD CHEF DAVID WOLSTENCROFT

"Thank you for such a great year at Kawanhee. I learned and experienced so much. I hope to come again next year and do lots more. Just like my last summer at Kawanhee.

Zayd Hammam

# Age Distribution and Level System

Jr. C—7, 8, 9 years, Jr. B—10 and 11 years, Jr. A—12 and 13 years, Senior 14 and 15 years, Master Camper—15 and 16 years.

Physical development and camping experience, along with age, are important factors in determining the proper group for a boy.

Kawanhee's program consists of some 20 activities, and all campers are required to report daily, Monday through Friday, to their four one-hour assigned activity periods. Attendance is compulsory, although participation is not demanded if a boy and his parents request exemption from a certain activity.

During the first couple of weeks at camp, boys are scheduled to attend all activities to become better acquainted with the entire program, and to develop new interests. Following the two-week introductory period, campers may sign-out from an assigned activity, and re-sign back into another activity of their choice with the approval of the Program Director.

The Achievement Level is the common unit for evaluating accomplishment at Kawanhee. Progress in each activity is divided into three levels with the first level purposely designed to be quite easy to allow a boy to discover if a particular activity interests him. Levels two and three are progressively more difficult. Each of

the several age classifications has a different set of 1-2-3 level requirements, so that a boy's level challenges will match his age group.

The stimulus to complete levels is enhanced through the honors which are presented at the Saturday night campfires. Every boy needs recognition for his achievements, and it is a prized moment in a camper's life when he is asked to rise and stand before the campfire as his name is read for each level completed during the previous week. At this impressive ceremony, lodge groups form a huge circle around the big council fire. There is singing, games, and stunts, the presentation of awards, and the reading of the weekly camp log. Since each camper is a member of either the Maroon or Grey team, there is a tense silence the moment before the weekly team scores are announced—then mighty cheers led by the team captains.

As the embers glow and the stars appear we rise, face the west, and in the stillness of the woods, sing our good night song to the tune of taps.

"Day is gone—gone from the sun—from the lake,  
From the hills, from the sky,  
All is well, safely rest—  
God is nigh"

# A Day at Kawanhee

A typical day (Monday through Friday) at Kawanhee starts with reveille at 7:00 a.m., and then a delicious breakfast following the flag-raising ceremony. Next, all campers share in the clean-up for lodge inspection, for which there is eager competition, as lodges winning seven inspections receive a special treat. Morning activities then follow in two periods—9:00 to 10:00 and 10:00 to 11:00, after which comes morning swim. In camp our main meal is dinner in the middle of the day, and that is followed by an hour's rest period—time enough to write a letter home, read, or take a nap. Afternoon activity periods are scheduled for 2:00 to 3:00 and 3:00 to 4:00. Free time 'til supper finds boys having fun with tetherball, fishing, or going to the library to read or play a game of checkers. Supper is at 5:30, and after our meal, boys may go sailing, canoeing, fishing, water skiing, take part in a baseball or softball game, play "capture the flag", or another challenging game. At 7:30 all lodges gather in the Recreation Hall for movies, singing, stories, or camp shows.

On Saturdays special events are scheduled, such as

water meets, track meets, mountain climbs, Little-League games, soccer, or tennis matches. Certain activities, such as Shop, are scheduled to permit boys to work on projects. In the evening extra events, such as a talk by a Forest Ranger or a Senior Maine Guide, prove to be educational and fascinating for all hands.

Sundays at Kawanhee are spent quietly. Our religious life is non-sectarian. Lodge groups walk to Council Point, where we assemble on the side of the hill facing beautiful Lake Webb, sing hymns, and listen to an inspirational talk by one of our chaplains or by one of our counselors. Catholic boys are taken to Mass at Dixfield, twelve miles from camp. In the afternoon it is traditional for boys to hike into the town of Weld—they walk in lodge groups with their respective counselors in charge. Also, short mountain trips, sailing, tennis, canoeing, soccer, skiing, and other activities are supervised and open for selection. Six days a week, as well as on Sundays, there is an unobtrusive yet very positive religious influence felt throughout the whole program at Kawanhee.

"I can't tell you how much Darron has benefitted from his experience at Camp Kawanhee. Not only did he have a summer filled with great opportunity and adventure, when he returned home he had grown in so many ways. His sense of self-confidence has enabled him to do better in his relationships and also his school work."

Tara and Steve Moore

# Sailing

Sailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

The Intermediate Program—**Bosun** and **Second Mate**—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, ship-shape condition, and basic Racing Procedures.

The Advanced Program—**First Mate** and **Skipper**—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance, splicing, sailing traditions, the proper handling of sloops, and an

in-depth study of Racing Rules and Tactics. The coveted **Racing Skipper** award is presented to persons who have demonstrated outstanding skill, service, and performance.

The Racing Program encourages boys to compete in three types of regattas—Part One, **Team Racing** (weekly) Grey and Maroon—Part Two, **Individual Racing**—the final regatta—Part Three, **Match Racing** in the Cape Cod Knockabouts. Any boy earning Second Mate, receives credit for Part One in Basic Sailing. Those earning First Mate, receive credit for Part Two, and those earning Skipper, receive credit for Part Three.

Due to popular demand, wind surfers, Sun Fish, and Sail Fish were added to the Kawanhee fleet. An exciting development was the complete renovation of the Sea Hawk and the Sea Gull, the two Cape Cod Knockabouts. This was professionally done by the Rangeley Boat Company in Rangeley, Maine.

# Sailing

Sailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

The Intermediate Program—**Bosun** and **Second Mate**—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, ship-shape condition, and basic Racing Procedures.

The Advanced Program—**First Mate** and **Skipper**—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance, splicing, sailing traditions, the proper handling of sloops, and an

in-depth study of Racing Rules and Tactics. The coveted **Racing Skipper** award is presented to persons who have demonstrated outstanding skill, service, and performance.

The Racing Program encourages boys to compete in three types of regattas—Part One, **Team Racing** (weekly) Grey and Maroon—Part Two, **Individual Racing**—the final regatta—Part Three, **Match Racing** in the Cape Cod Knockabouts. Any boy earning Second Mate, receives credit for Part One in Basic Sailing. Those earning First Mate, receive credit for Part Two, and those earning Skipper, receive credit for Part Three.

Due to popular demand, wind surfers, Sun Fish, and Sail Fish were added to the Kawanhee fleet. An exciting development was the complete renovation of the Sea Hawk and the Sea Gull, the two Cape Cod Knockabouts. This was professionally done by the Rangeley Boat Company in Rangeley, Maine.

WINNERS OF SENIOR LEAGUE

# Tennis

Coach Emil ten Broeke increased tennis popularity in '88.

Kawanhee is fortunate to have four clay courts in excellent condition, and according to the New England Tennis Court Company which constructed these courts four years ago, the courts are among the finest in the entire

state of Maine. Because of our top quality courts, and because of the excellent instruction from Emil ten Broeke, tennis popularity reached new highs in '88.

# Wrestling

**WRESTLING**—Many boys select wrestling as a part of their daily program. They are trained in small groups. Those who are interested are matched, by weight, in the annual tournament, which is one of the highlights in the athletic program. Our wrestling building is one of the

finest in the state with a mat area of 30 by 30 feet. See page 33 for Ribbon Awards.

Dan Keating, Wrestling Coach, interjected plenty of skill, interest, and enthusiasm into the wrestling program for '88.

WRESTLING TOURNAMENT CONTESTANTS

# Soccer

Interest in Soccer has risen with rapid acceleration over the past few summers. The expertise and enthusiasm of Spanish campers has contributed greatly to

this sport. See page 33 for '88 Soccer awards.  
Coach Doug Graham inspired keen competition and sharpened skills for all participating campers.

# Swimming

Kawanhee Cove, with its fine sandy beach and clear sparkling water, is unsurpassed as a safe and ideal setting for every conceivable type of fresh water sport.

The first two days of the season, each boy is classified as to his swimming ability. Boys working for their Basic Water Safety, Non-Swimmers and Advanced Beginners, who cannot swim 100 feet, receive individual instruction daily.

During swimming periods, several boys will swim the 1/8 mile cove, to be followed the next day with the 1/4 mile lake swim. The morning free-for-all swim, (just for fun), is at 11:30, and the afternoon swim is at 4:00 o'clock. If the day has been hot, a twilight "free-swim" is enjoyed by the entire camp.

**Accredited Red Cross Guards** are stationed on the docks during all swim periods. The Buddy System is followed, and no boy is permitted to enter the water until he has chosen his buddy. Each boy must pass swimming tests before he is privileged to use the boats. A Beach Guard is on duty to sign boats out, to check them back in, and to emphasize safe handling.

**The Big Aquatic Meet** of the week is held Saturday afternoon. This is the time when Greys and Maroons compete for honors. There is swimming, rowing, canoeing, water skiing, water polo, and sailing races. The competition is keen and exciting.

Under the auspices of the American Red Cross, Kawanhee conducts classes in Basic Water Safety Rescue. Following several weeks of practice, boys are tested and the campers shown in the below pictures earned B.L.S. (Basic Life Saving), or A.L.S. (Advanced Life Saving), difficult but highly valuable achievements!

# Kayaking

## KAYAKING CAPTURES KAWANHEE'S IMAGINATION

For the past five years, Kawanhee kayakers have been gracing the cove with their braces, wet exits, and Eskimo rolls. With the recent purchase of four "Perception" whitewater kayaks, bringing the total of boats to ten, Kawanhee kayaking has come into its own in '88. For the first time, kayaking has been regularly scheduled as an activity rather than serving merely as a free-time diversion and campers have responded with enthusiasm. For 1988, our Kayak Department was headed by Alan McEwan and Mark Gibson. Basic instruction includes preparation of the boat for use, forward and backward strokes, turns, and the essential wet exit (escaping from a capsized kayak). Intermediate skills consist of the kayak-over-kayak rescue, and the Eskimo rescue, sculling, the draw stroke, the slap brace and the sweep brace. When these skills have been mastered, campers are eligible to use kayaks on the lake when a beach guard is on duty. The more advanced kayakers will then be ready to tackle whitewater paddling and the Eskimo roll, a maneuver which enables a capsized kayaker to right his boat by using his paddle as a lever.

The kayak department is planning several excursions to New Hampshire's Upper Androscoggin River, which offers Class II and III whitewater. The river trips will be available to older campers, and will stress the use of eddies, ferrying, and paddling in mild and moderate rapids.

The boys are happy and healthy, and busy.  
They are motivated to improving their skills and  
inner strengths and abilities. Thank you so much.  
Louise and Jack Dillon  
Ridgewood, NJ

# Water Skiing

A LITTLE ROUGH — BUT THRILLING

Kawanhee's 16 ft. ski boat with its 135 h.p. motor makes for thrilling experiences for all age skiers. Our instructors have had several summers experience, and

patiently encourage the new learners. All skiers must wear life belts. The campers themselves voted skiing one of the most popular activities in camp.

## Boating & Canoeing

There is no activity in camp that surpasses the fun of canoeing on Lake Webb. Before using the canoes, each boy must pass swimming and canoe tests, and win his right to a paddle.

The camp furnishes paddles for each canoe but not for each individual boy. Those who prefer to have one of their own—with symbols of accomplishment painted on the blade, may purchase it, at cost, at the boathouse.

To win his "C", a boy must swim the Cove, one-eighth mile. If he swims the lake in front of the camp, one-

quarter mile, he receives a grey and maroon bar painted at the top of the blade. After passing the advanced canoe test, two bars are added at the bottom. Basic Life Savers 12 to 16 yrs. of age, receive a B.L.S., between the top and bottom bars. Advanced Life Savers, 16 yrs. of age and older, receive the A.L.S. between the bars.

Jr. C's—boys, 7, 8 and 9 years of age, who receive canoe privileges, must stay within the cove and in sight of the Beach Guard.

## War Canoes Again on Lake Webb

Over twenty years ago there was an extremely heavy accumulation of snow which covered the roof on Kawanhee's Recreation Hall where there were stored two War Canoes. The weight of the snow and ice broke through the roof and demolished these two canoes. An exciting addition for 1987 was the replacement of the War Canoes. The grand finale of every water meet at Kawanhee can once again be the Maroon-Grey Teams battling it out with 16 paddles flying, eight in each canoe, reviving a popular Kawanhee tradition.

The winning Grey "War Canoe" team getting ready for action.

# Archery

In every American boy there lurks the urge and spirit of "Robin Hood", to pull a strong bow and send an arrow true to its mark.

The camp furnishes all equipment. There are the great six-foot bows, powerful enough to bring down a deer or the largest moose that roams the woods of Maine. Then there are the smaller bows and arrows such as any Indian would handle with pride.

Under the regulations of the National Camp Archery Association, the following medals are awarded at the Saturday night Camp Fires.

- |                        |                                  |

SENIOR ROBIN HOODS  
NICK ELLIS & RICHARD LEWIS

# Riflery

Range Director Bruce Birch and his Assistants Mary Birch and Andy Zechiel put in many extra hours at our new rifle range to accommodate all of the eager marksmen. During the 1988 Season, over thirty thousand rounds of ammunition were shot. Every boy learns the correct and safe way to handle a gun. The camp furnishes guns although several boys prefer to bring their own to camp. Under the auspices of the National Rifle

Association, boys shoot for the following medals, and the awards are presented at the Saturday night Camp Fires:

1. Pro-Marksman 2. Marksman
3. Marksman 1st Class 4. Sharpshooter
5. BARS 1-2-3-4-5-6-7-8-9
6. Expert Rifleman 7. Distinguished Rifleman

EXPERT RIFLEMAN  
RANDY PRIOR

HIGH BAR WINNERS IN RANGE

1988 RANGE AWARD WINNERS

# Shopwork

Craftsmen of '88

Our shop is the busiest place in camp. On rainy days it is filled to capacity. Three experienced teachers of Industrial Arts devote their full time to the work. Boys are carefully guided in using power equipment.

Boats of all descriptions are being made, including 15-14 and 27 inch racing yachts, motor boats, aircraft carriers for Jr. C's—Beautiful inlaid tables, hand carved trays, slalom skis made of laminated mahogany, and painted plaques, metal work in pewter, brass and copper, birch bark bird houses, & rustic furniture. There's never a dull moment in the shop.

# Learning From Nature

Kawanhee is unusually rich in natural beauty, with plant and animal life in abundance. "Learning by doing" is the Kawanhee way and nowhere in camp is this more observed than in the Nature department. Acquaintance with wild life is gained by caring for pets in the camp, pursuing birds on trips afield, and observation of the beaver colony a short distance from the camp.

Overnight trips are made occasions for study of the stars, simplified by the "stellarium" in the Nature Museum which flashes familiar constellations later to be identified under the open sky.

Microscopic observations, study of ferns and fungi, moth and butterfly propagation, nature photography and other fields of original research voluntarily chosen, are open to boys who wish to become "Naturalists," the highest honor the department confers. Such activities aim to quicken appreciation, awaken interests and develop resources which will in many cases continue throughout the boy's life.

**MINERAL MINING TRIPS**—The splendid collection of minerals noted at right, were mined at Newry, where the boys go to add to their rock collections. Each specimen was identified, carefully labeled and placed in a mineral box. Every boy has the thrill of finding beautiful green tourmalines and clear quartz crystals. The more fortunate may emerge with pieces of beryl, rose and smoky quartz, green, black, and pink tourmaline, or even amethyst.

**THE LAPIDARY SHOP**—The strange fascination that rocks and minerals possess for many boys is given added stimulus by the lapidary equipment which is a part of the Nature Department's expanding interest in geology and mineralogy. The equipment consists of diamond saws for slicing or cutting, horizontal metal disks for rough grinding, and a series of wood and metal wheels for polishing.

# The Junior C Program

For Boys 7-8 and 9 Years of Age

Many parents who appreciate the value of mature leadership for their younger boys are enrolling them at Kawanhee. Perhaps at no other age does camp offer more glamour and appeal. The days are never quite long enough. They learn to live and play happily with boys their own age, develop self-confidence, resourcefulness, and a spirit of comradeship.

For the coming season there will be hours to play on the sandy beach and grow strong in the mountain air and sunshine; time to sail small boats and fly toy airplanes; to explore fields and woods under trained leaders and learn many of Nature's wonders. In the shop, they will enjoy boat building, metal and leather work.

Each boy will learn to fish, swim and row. Some will even swim the one-eighth mile across the cove, and the one-quarter mile across the lake, and receive the coveted paddle and use of canoes in the cove. Best fun of all will be trips to the nearby mountains, or rowing across the lake to sleep in an Adirondack lean-to and cooking over an open fire. Baseball, tennis, archery, range and skiing will be carefully taught under supervision.

Throughout the entire program the importance of adequate rest is emphasized. A quiet hour from 1:00 to 2:00 precedes the afternoon activities. Taps is at 9:00.

"Your Camp is a wonderful place!"

Patty Donahey

# Campcraft—Junior Maine Guide

**THE CAMPCRAFT** program appeals to boys who enjoy the fun of camping out. Preparation for trips is an important part of the program—learning the safety rules in cooking over an open fire—how to make rain-proof shelters and comfortable bough beds—how to make and follow trails through the deep woods—how to fish, and the best bait to use.

**THE JUNIOR MAINE GUIDE** program is of special interest to boys 14 yrs. and older. Under the coaching Counselors in the Campcraft Dept., they train in July before leaving for the testing area at Swans

Island—about 100 miles from camp. They must select and develop their own campsite in virgin wilderness, where they remain for the four-day testing period.

**BOYS FROM** 12 to 15 camps compete each year. Candidates must pass the requirements in twenty separate tests, including axemanship—canoeing and canoe repairing—wet-dry fire building—topographical mapping—personal shelters—reading and following the compass, first aid, and cooking. Winning this coveted award is accomplishment of which any boy may well be proud.

"Camp Kawanhee was an excellent experience. I attended for 11 seasons. Most important for me, I learned how to work with people and how to lead."  
Capt. Samuel F. Detrick  
U.S. Air Force

CAMPCRAFT BUILDING

# TRIP PROGRAM

MOUNT KATAHDIN

From the days of Henry Thoreau, Maine has been one of the most favored regions for camping in the country. With its great stretches of unspoiled forests, its thousands of clear, sparkling lakes, its fine fishing and lofty mountains, it's the perfect answer to a boy who yearns for the opportunity to explore, to hike in the woods, to spy on God's creatures in the great out-of-doors. Every boy is invited to participate in Kawanhee's Tripping Program, and practically all campers are eager to accept the exciting challenges.

The following pages will acquaint you with our program of CANOE TRIPS, MOUNTAIN TRIPS, and SHORE TRIPS.

**THE CHAIN-O-PONDS TRIP**—A three-day trip for Jr. B's, and one of the most interesting trips out of Kawanhee. It is 85 miles from camp, and passes through a country of dense forest and rare scenic beauty. We reach the Ponds in the early afternoon and proceed at once to unload—paddle to our campsite, which is accessible only by water, and make camp for the night.

A highlight of the trip is the Horseshoe Stream, which flows into the Chain from Canada. It is navigable for nearly two miles.

**THE SOCO RIVER TRIP**—This over-night trip is of special interest for boys 10 years of age who have swum the lake and passed their canoe tests. The Soco is not a white-water river. It is sandy and shallow with no rapids, and is ideal for boys who may look forward to more strenuous trips in another year. We leave camp after breakfast, and return for supper the following day. The trip of 18 to 20 miles will be scheduled again in '89.

**THE UPPER ANDROSCOGGIN RIVER TRIP**—This is a thrilling two-day trip! It's a white-water trip most of the

way and tests the skill of advanced canoeists who must prove their ability in handling a canoe in fast water before they are permitted to take this trip. Lifebelts or vests are worn on all canoe trips.

"The Kawanhee experience gave our four sons inner strength and integrity that they will carry with them forever."

Mr. & Mrs. David Altmaier  
Columbus, Ohio

# Shore Trips

**MONHEGAN ISLAND TRIP**—The three-day trip to Monhegan, for boys 10 years of age and older, has been so popular it has been necessary to schedule two trips each summer.

Monhegan is twelve miles out from the mainland, at Port Clyde, and abounds in history, romance and new adventure. Captain John Smith landed here in 1610.

We plan to visit Cathedral Woods, the Boars Head, the seagoing tug that went aground in '42, and also enjoy deep-sea fishing.

## The "Laura B"

We leave Port Clyde on the "Laura B". She's a trim little craft, and seaworthy in every respect. She is 60 feet in length, has two 225 H.P. diesel engines, automatic steerer, radio compass, depth recorder, radar, and radio telephone. Captain James Barstow, a skillful skipper with many years experience is in charge. He likes boys and boys like him. When it's not too rough, he lets them stand by him at the wheel.

## Deep-Sea Fishing

There's fun, thrills and good fishing at Monhegan. You never know what the catch will be—cod, pollock, haddock, mackerel, or maybe a tuna. All equipment is furnished by the skipper, including necessary bait.

For those boys who prefer to remain on the island and work with some of the local artists, arrangements have been made for the 1989 Monhegan trip to offer this alternative if boys wish to do water colors and receive art instruction instead of joining the deep-sea fishermen.

## Mountain Trips

### Good Training For Football

**TUMBLEDOWN MOUNTAIN**—Across from camp, at the end of the lake, rise the peaks of Tumbledown, the Jacksons, West, and white-topped Blueberry. There's always a thrill on Tumbledown, from a crawl through "Fat Man's Misery" and the "Lemon Squeeze", to curling up in a sleeping bag near the summit on a moonlight night.

**MT. KATAHDIN TRIP**—There is no trip in New England that surpasses the one to Mt. Katahdin, Maine's highest mountain, and declared by experienced mountain climbers *the most spectacular and beautiful elevation east of the Rockies*. Thrusting its spruce-clad slopes and rocky summit a mile into the clouds, this giant of the East is the first spot in the United States to greet the morning sun. Katahdin is a four-day trip.

**MT. BLUE**—A short distance from camp—and easily climbed over a trail one and one-half miles in length.

**BALD MOUNTAIN**—This is a favorite trip for many of the younger boys in camp—especially those who wish to "train" for the more difficult climbs later in the seasons.

**OLD SPECK**—Maine's second highest mountain. About 60 miles from camp, a rugged climb with a breath-taking view from the tower on top.

PRINTS MADE FROM  
WOODEN BLOCKS

## Whitewater Rafting Trip

In 1988 for the sixth time, Camp Kawanee offered boys who are excellent swimmers and 14 or over in age the opportunity to participate in a whitewater rafting trip down the Kennebec River. Tripping Counselors Dan Webster, Tom Welsh and Diana Figliomeni headed up a group of 20 older campers. They reported spectacular scenery, a hearty steak lunch, and tons of whitewater. They all got a taste of big water and tremendous waves. Professional whitewater personnel accompanied and guided the group. This trip will be scheduled again in '89 only with special permission from parents. It is an extra charge one-day trip.

Thanks again for the guidance and wisdom you share with our sons.

Gerry Mullen

# FREE TIME

Relaxation and change of pace from our busy Kawanhee schedule is a part of our program for all campers. There are many options for a boy to choose. He may decide upon fishing some evening and pull in a couple dozen white perch for his efforts and assure himself and friends of an extra delicious breakfast. Our Fishing Counselor is ready to offer help to any boy wanting to learn angler secrets.

Perhaps a boy may elect to check the library & take out a book, or challenge a buddy to a game of pingpong, chess or checkers. If he's ready for more physical activity, he'll enter into one of the frisbee, tetherball, or volleyball games invariably in progress in front of the Recreation Hall. Get-up games of softball also are popular. Maybe just a stroll through camp with a friend will do the trick.

TUTORING IS AVAILABLE AT CAMP KAWANHEE

THREE GENERATIONS OF KAWANHEEANS -  
T.D. GRILEY III (TREY), II & I

# “A Traditional Maroon and Grey Tug of War”

## The Greys and Maroons

Much of the fun and enthusiasm at Kawanhee revolves around the Greys and Maroons—the two competing teams in camp. Every boy enrolled is included on one of the teams and endeavors to win as many points as possible for his team.

The interest and excitement increases as both groups gather for the Saturday night camp fires. The names of those who have won special medals and passed achievement levels during the week are read. Then the big moment arrives. The score is announced.

In 1988 the team scores jockeyed back and forth right up until the last moment. Scorekeeper “B.A.” Altmaier provided plenty of suspense until the final score was announced. It was close with the Maroons 48,104 points to the Greys 45,228. The most important factor was not the final official score, but it was the spirit, the fun, and how much both teams learned throughout the season.

Left: Jeff Stroman, Captain of the Maroons. Right: Gregg Mullen, Captain of the Greys.

**We congratulate the boys who won 600  
or more points during the season.**

# Rates

## \*All-Inclusive—For Scheduled Camp Activities

**Full Tuition**—Boys 7 to 15 years .....\$2,635.00

**Two or More Members of the Same Family**—Deduct \$100.00 each boy

**Master Campers**—15 and 16 years .....\$2,335.00  
With previous camp training

**Junior Counselors**—16 and 17 years  
First year with previous camp training .....\$1,935.00

The tuition is payable \$150.00 with the application and the balance by June 15th. By special arrangement, the balance may be paid in equal payments by June 15th and August 1st. Special arrangements may be made upon request.

**Incidentals and Spending Money**—\$100.00 is deposited with the camp for each boy's weekly allowance and provides for such incidentals as stationery, stamps, fishing equipment, candy, camera and flashlight supplies, haircuts, toilet articles, canoe and ping-pong paddles, the weekly Wigwam, range and shop supplies, tennis balls, etc. At the end of the season, any remaining cash balance will be mailed to parents, or a charge made if the deposit is exceeded.

**Tutoring**—We are able to handle all grade and high school subjects. The rate is \$11.00 per hour. Please notify the Directors before camp opens if tutoring is desired. Boys should bring books and recommendations from their teachers.

## Special Information

**Camp Program**—The complete program as outlined in this booklet, will be followed insofar as it is physically possible. However, emergencies arising beyond our control may necessitate minor changes.

**Visiting Days for Parents**—Parents are invited to visit camp at any time with the exception of the daily rest period, from 1:00 to 2:00 o'clock. Those vacationing at the Inn may attend the Water Sports program, Athletic Meets, Camp Shows, Camp Fires, Camp Movies and the Sunday Church Services.

**The Mail—Telephone and Telegraph Address**—Camp Kawanhee, Weld, Maine 04285—Phone 207-585-2210.

**Trip Schedule to Camp—Sunday June 25th**—Boys from the Columbus area will fly to Portland, Maine, and then charter bus to camp. Boys from the New York City — New Jersey area will also fly to Portland, Maine, June 25th and meet with the Ohio and other groups for the drive by charter bus into camp. All travel groups will meet for supper in camp.

**Letters Home**—Each boy must write a letter home each Sunday. No letter, no supper, is understood by every boy in camp.

**Girls' Camps**—Over the past few years, many Camp Kawanhee families have been well pleased with the camp experiences of their daughters at Camp Arcadia, Casco, Maine. If interested for your daughter, please write directly to Mrs. John F. Fritts, Pleasantville Road, New Vernon, N.J. 07976 (201-538-5409), and mention that your son is enrolled at Camp Kawanhee. We also recommend Camp Runoia at Belgrade Lakes, ME 04918. Contact Mr. and Mrs. Phil Cobb at 207-495-2228.

## Kawanhee Inn for Parents

One-half Mile From Boys' Camp

Excellent accommodations are provided at **Kawanhee Inn** for parents who wish to visit their boys in camp. Many parents drive their boys to camp and remain to enjoy the cool refreshing air of early July weather. Others arrive by the middle of July, or a week early in August, and drive their boys home at the close of camp August 13th.

**INFORMAL, FRIENDLY AND INVITING**—The atmosphere is relaxed and casual dress is appropriate for a restful vacation.

**RECREATION**—There's good fishing, a sandy beach for safe swimming, tennis, boating, canoeing, sailing, mountain climbing, antiquing and a fine golf course only 20 minutes drive from the Inn.

**THE INN OPENS** Mid-June and closes Labor Day. Some cabins are available with rates that include board and lodging, maid and cabin boy services. Efficiency cabins are also available at a weekly rate. Boats and outboard motors may be rented by the day, week, or season. Those desiring detailed information should contact Marti Strunk in Farmington, Maine, phone 207-778-4306 from 9:00 a.m. to 5:00 p.m.

We were thrilled with Scott's Kawanhee experiences. He grew in confidence, eagerness to try new things and doing so in a relaxed way. I've never seen him happier. George and I deeply appreciate the healthy environment you create at Kawanhee and are looking forward to next year, too!

Elaine Hayden Hairston

*Hi Phil:  
Best wishes for '89!  
Walter & Jane  
N*

January, 1989

Dear Friends of Camp Kawanhee:

We are glad to enclose a copy of our 1989 catalog. If you know of a prospective camper, please pass along the catalog. We have learned that "word of mouth" is by far the best approach to achieving a full enrollment. Last summer 153 boys received the benefits of the Kawanhee experience, and this was an all-time high for enrollment. Included in the total were two boys on full scholarship, and eight were partially assisted. These young men were carefully selected based upon character and upon family financial status. All of these boys adjusted well, made good records, and proved to be a positive force in contributing to the total camp spirit.

For 1989 our Foundation Board has authorized the sponsoring of another two full scholarships and several partial ones. We are grateful for your previous donations, and hope that you will again wish to make a tax deductible contribution. Please make out your check to Camp Kawanhee Foundation, and mail right to Weld, Maine 04285. Thanks so much for your continued support.

Sincerely,

Camp Kawanhee Foundation Board of Directors

Walter Estabrook, Trustee

Jane Estabrook

Richard Estabrook

The Rev. Judith Hoffhine

The Rev. Harold Myers

Robert Ryder

Stephen Yale

P.S. Like a good many of the top quality successful camps, Camp Kawanhee now has a videotape to tell its story. If you would like to receive a copy, please drop me a note and I'll mail a tape--no charge. (Walter Estabrook, 415 South Drexel Avenue, Columbus, OH 43209)
