Assistant Director Herbert Birch 210 Engle Street Tenafly, New Jersey 07670 Phone 201-569-8159

A Message To Parents

eorge ("G.R.") Frank and his brother Raymond ("R.C.") Frank founded Camp Kawanhee in 1920 as a character building force for boys. Their basic philosophies remain alive as a vital part of Kawanhee's spirit. The Kawanhee mottos "Fun With A Purpose", "Learn To Do By Doing", and "Finish What You Start" still serve today as motivating forces in the lives of Kawanhee campers and counselors.

The Directors of Camp Kawanhee believe that when a youngster starts for camp, three people from his home go to that camp, for just as surely as the boy is there in person, his mother and father are with him in spirit.

At Kawanhee your boy will be comfortably housed with boys his own age in a dry, sanitary cabin.

He will be fed the finest of nourishing foods and in quantities to satisfy the ravenous appetites of growing boys.

At the slightest sign of sickness, he will be under the care of a registered nurse who is in attendance through the season. Hospitals are within thirty minutes drive of the camp.

Swimming, boating, canoeing, sailing, kayaking, and skiing are all carefully supervised by qualified personnel. No boy is permitted to take out a boat by himself until he has passed the

necessary swimming and boating tests, and a beach guard is on duty to supervise boat sign-outs and check-ins.

He will be under the guidance of experienced men. There is one man for every four boys enrolled. A senior and junior counselor are assigned to each lodge. Boys are never left alone at night. One man is always on duty.

He will live for seven weeks in a climate famous for its invigorating air and sunshine, and will return to his home in the fall, healthy, rugged and brown.

Through encouragement to progress in various activities, he will grow in self -reliance, initiative, and perseverance.

If he is timid and shy, or a poor mixer, he will be encouraged in developing a higher degree of confidence as he reaches out to capture new goals of accomplishment.

Hundreds of cases can be cited where a boy's whole attitude and outlook were changed when he found something in which he could excel and in which he won recognition. Such experiences, day after day, build backbone and dependability during the early formative period of boyhood.

With new vision and understanding, he will return to his home in the fall, a boy of courage and bigger powers.

Chief Kawanhee challenges the campers to live up to their potential throughout their summer experiences. As shadows lengthen and the stars appear, we gather for our camp fires at Council Point. It is here that the heart of camp life glows as boys and men sit before the blazing fire, enjoying their games and stunts, the presentation of awards, and the reading of the Grey and Maroon Camp Score for the week.

An Ideal Location

Safe, Healthy, and Thrilling for Growing Boys

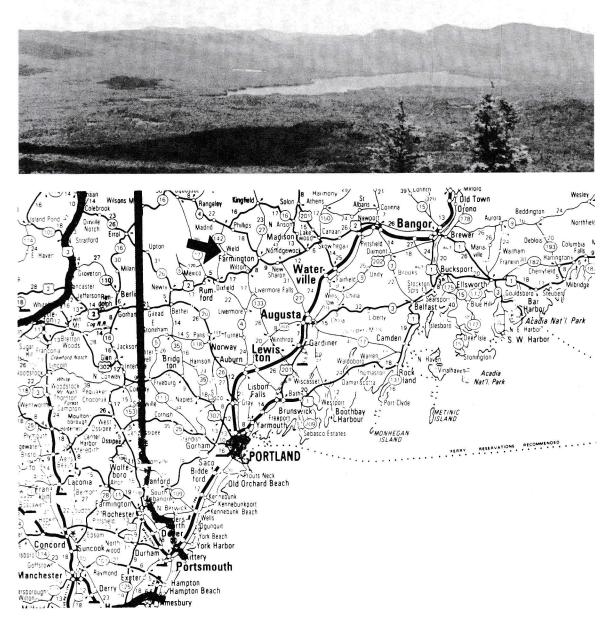

amp Kawanhee is located on the east shore of Webb Lake, at Weld, Maine—eighty-five miles north of Portland,—and thirty miles south of the Rangely Lakes. It has a shore line of woods and sandy beaches. Early legend tells us that Chief Kawanhee and his braves lived here for many generations.

Weld was practically unknown until 1772 when hunters from the southern part of the state explored this section of the country. In passing through this valley, they discovered a pond about six miles long near which they found an old gun and several traps, and on a tree was cut the name of Thomas Webb. This name they gave to the lake. Around 1797, Webb Settlement came into existence. A few years later, the name of the settlement was changed to Weld in honor of Benjamin Weld, one of the first settlers.

The exceptional location of the camp has been pronounced by men qualified to judge camp sites, as one of the finest natural settings for a boys' camp in the country. There is a protected cove and sandy beach for safe swimming, miles of pines and pointed firs, invigorating air, cool nights, and refreshing sleep. Neither word nor picture can do full justice to its delightful, well-adapted location.

Lake Webb is six miles long and two miles wide, and is completely surrounded by mountains. The water is clear and pure and never too cold for the early morning plunge. It averages between 72 and 78 degrees at the late morning swim period.

The surrounding country is wild and rugged and appeals to the adventurous spirit of growing boys. Just to run, to swim, to follow trails over lofty peaks, to spy on deer and moose as they come to the lake to drink, to investigate beaver dams, to sit by glowing camp fires at night, or lie in a sleeping bag under the stars and listen to strange noises of the deep woods—What a life! Such thrilling experiences make every boy become a bigger, better, and more self-reliant man.

CAMP MANAGEMENT

alter Estabrook, Managing Director of Camp Kawanhee for the past 23 years, is a former camper and counselor at Kawanhee. A graduate of Wesleyan University, Middletown, Conn., he served in World War II as overseas Athletic Director of a U.S. Naval Air Base. He has had extensive experience in Sales and Purchasing, and following 26 years of service with the Brown Steel Co., Columbus, Ohio, Mr. Estabrook is now retired to devote full time to Camp Kawanhee. The Estabrooks' three sons have all been campers and counselors at Kawanhee, and their daughter has been a counselor at Camp Kawanhee, and in 1993, 1994, and 1995 she was the Camp Mother. The Estabrook family is active in their church in Bexley, Ohio.

Mr. Estabrook's wife, Jane Estabrook, Assistant Director, is a graduate of the University of Wisconsin, Stout College, with a major in Home Economics. She has had advanced work in Hospitality Management and Food Service. She served for several summers as Food Production Supervisor at Kawanhee. She is currently in charge of bookkeeping at Kawanhee.

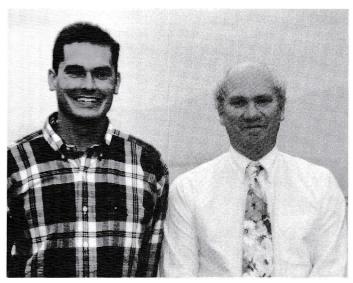

Herbert Birch, Assistant Director, and Kawanhee's Eastern Sales Representative, has been one of the camp's most loyal and enthusiastic supporters for 51 years. His vast knowledge of "good camping" has contributed to Kawanhee's enviable reputation as one of the best camps in the New England area.

Our Activity Directors for 1995 were Mark Nelson (left), and Mike Altmaier (right). Mark is a Kawanhee veteran of 11 seasons, and has served as Director

Herbert Birch

of Campcraft two summers, and as Director of Water Skiing four summers; he will be returning in '96 for his fifth season as Co-Director of Activities along with Mike Altmaier who has been a camper or counselor at Kawanhee for 29 years. Mike is a teacher and coach at his school in Bath, Maine.

Directors of Activities - left to right Mark Nelson and Michael Altmaier

It was a pleasure to meet so many of your quality staff and campers. You are wonderful people, and we are inspired by the positive energy of Kawanhee.

> Mary Bowman Tipp City, Ohio

Food and Facilities

e want the cook! We want the cook!" This familiar phrase is a frequent cheer in our dining hall, and is our campers way of expressing appreciation for the delicious meals. Our basic philosophy is to plan well balanced menus which are both appetizing and nourishing for healthy, hungry campers. Boys who are fortunate to celebrate a birthday while in camp receive a delicious cake for their table. Chris Adams, our head chef, is a graduate of the Johnson and Wales Culinary Arts School. Everyone thanks Chris for the marvelous meals! Many thanks also to Zetta Wojcik who selected our fine kitchen and laundry staff this past season. Each one is on his or her honor roll in school or college and all live in Maine. We list their names as follows: Dana Chin, Genevieve Harper, Ben Lively, Trine Nielson, Julie Pratt, Amanda Ring, Jake Roberts, and Adrienne Thompson.

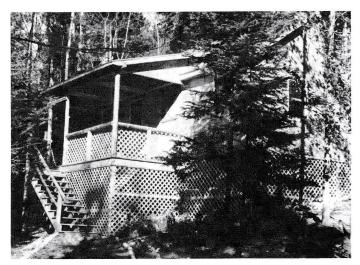

Conveniently located near the sleeping lodges are the dining hall, recreation building, wrestling building, nature building, archery supply cabin, a shop large enough to accommodate up to thirty-six boys and four instructors at one time,

Kitchen and Laundry Staff

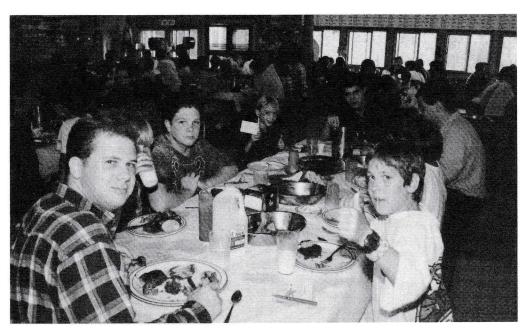

a scout and camperaft building, rifle and archery ranges, the camp hospital, boat houses, the toilet building with showers and our camp laundry.

Most of Kawanhee's buildings are of heavy log construction, roomy, rustic, and built to suit our specific needs. The sleeping lodges are nestled among the pines along the shores of the lake. They are safe, comfortable, and free from dampness in rainy weather. Each is equipped with comfortable cots and mattresses, and accommodates from seven to ten boys and two counselors.

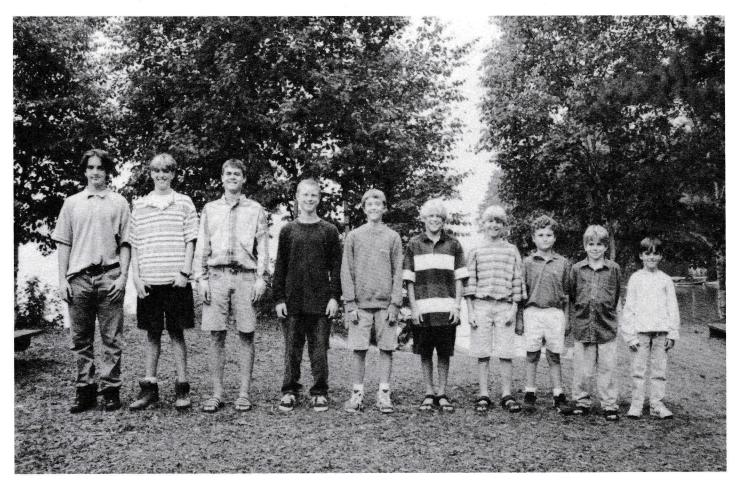

Abbott Lodge

Abbott Lodge was built in the spring of 1990 and ready for occupancy when camp opened. We are very grateful to the Abbott family for their generous gift towards the total cost. The building provides living quarters for married staff members with young children, and is in memory of a very happy and spirited former camper, Charles Abbott, who lost his life in an auto accident in California in February of 1989.

Age Distribution and Level System

Jr. C-7, 8, 9 years, Jr. B-10 and 11 years, Jr. A-12 and 13 years, Senior 14 and 15 years, Master Camper-15 and 16 years.

Physical development and camping experience, along with age, are important factors in determining the proper group for a boy.

Kawanhee's program consists of some 20 activities, and all campers are required to report daily, Monday through Friday, to their four one-hour assigned activity periods. Attendance is compulsory, although participation is not demanded if a boy and his parents request exemption from a certain activity.

During the first three weeks at camp, boys are scheduled to attend all activities to become better acquainted with the entire program, and to develop new interests. Following the three-week introductory period, campers may sign-out from an assigned activity, and resign back into another activity of their choice with the approval of the Program Director.

The Achievement Level is the common unit for evaluating accomplishment at Kawanhee. Progress in each activity is divided into three levels with the first level purposely designed to be quite easy to allow a boy to discover if a particular activity

interests him. Levels two and three are progressively more difficult. Each of the several age classifications has a different set of 1-2-3 level requirements, so that a boy's level challenges will match his age group.

The stimulus to complete levels is enhanced through the honors which are presented at the Saturday night campfires. Every boy needs recognition for his achievements, and it is a prized moment in a camper's life when he is asked to rise and stand before the campfire as his name is read for each level completed during the previous week. At this impressive ceremony, lodge groups form a huge circle around the big council fire. There is singing, games, and stunts, the presentation of awards, and the reading of the weekly camp log. Since each camper is a member of either the Maroon or Grey team, there is a tense silence the moment before the weekly team scores are announced—then mighty cheers led by the team captains.

As the embers glow and the stars appear we rise, face the west, and in the stillness of the woods, sing our good night song to the tune of taps.

"Day is gone—gone from the sun—from the lake,
From the hills, from the sky,
All is well, safely rest—
God is nigh"

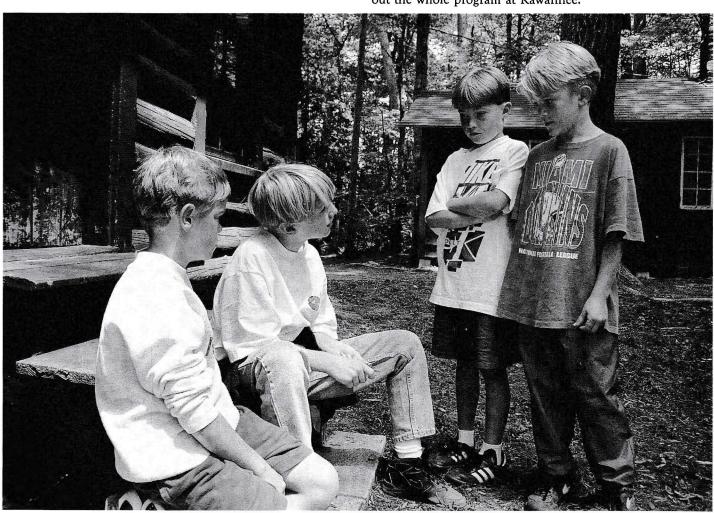

A Day at Kawanhee

typical day (Monday through Friday) at Kawanhee starts with reveille at 7:00 a.m., and then a delicious breakfast following the flag-raising ceremony. Next, all campers share in the clean-up for lodge inspection, for which there is eager competition, as lodges winning seven inspections receive a special treat. Morning activities then follow in two periods-9:00 to 10:00 and 10:00 to 11:00, after which comes morning swim. The noon meal is followed by an hour's rest period-time enough to write a letter home, read, or take a nap. Afternoon activity periods are scheduled for 2:00 to 3:00 and 3:00 to 4:00. Free time 'til supper finds boys having fun with tetherball, fishing, or going to the library to read or play a game of checkers. Supper is at 5:30, and after our meal, boys may go sailing, canoeing, fishing, water skiing, take part in a baseball or softball game, play "capture the flag", or another challenging game. At 7:30 all lodges gather in the Recreation Hall for movies, singing, stories, or camp shows.

On Saturdays special events are scheduled, such as water

meets, track meets, mountain climbs, Little League games, soccer, or tennis matches. Certain activities, such as Shop, are scheduled to permit boys to work on projects. In the evening extra events, such as a talk by a Forest Ranger or a Senior Maine Guide, prove to be educational and fascinating for all hands.

Sundays at Kawanhee are spent quietly. Our religious life is non-sectarian. Lodge groups walk to Council Point, where we assemble on the side of the hill facing beautiful Lake Webb, sing hymns, and listen to an inspirational talk by one of our chaplains or by one of our counselors. Catholic boys are taken to Mass at Dixfield, twelve miles from camp. In the afternoon it is traditional for boys to hike into the town of Weld—they walk in lodge groups with their respective counselors in charge. Also, short mountain trips, sailing, tennis, canoeing, soccer, skiing, and other activities are supervised and open for selection. Six days a week, as well as on Sundays, there is an unobtrusive yet very positive religious influence felt throughout the whole program at Kawanhee.

We were so very pleased with Jake and his camping experience. Kawanhee's physical plant lends itself to wonderful things with the gorgeous lake, mountains and tall trees. We thank you for taking such good care of our son and compliment you on running such a clean, smooth, happy business. Thank you so much.

Pat & John Kaplan Abington, Pennsylvania

Sailing

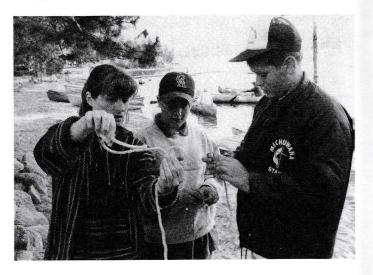

S ailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

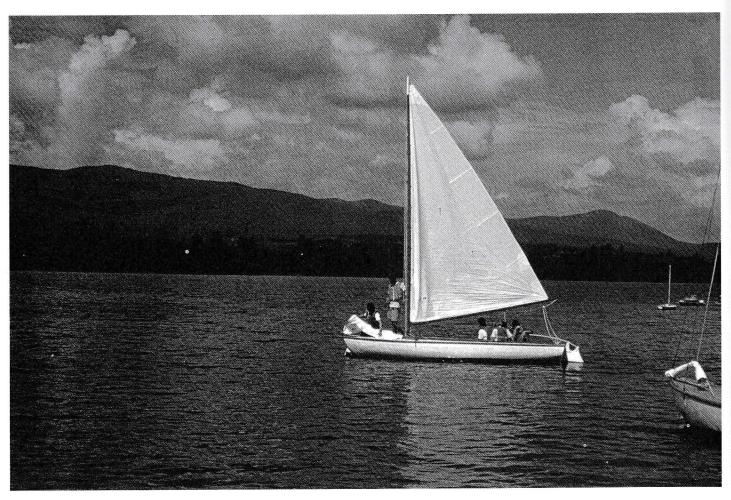

The Intermediate Program—Bosun and Second Mate—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, shipshape condition, and basic Racing Procedures.

The Advanced Program—**First Mate** and **Skipper**—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance, splicing, sailing traditions, the proper handling of sloops, and an in-depth study of Racing Rules and Tactics. The coveted **Racing Skipper** award is presented to persons who have demonstrated outstanding skill, service, and performance.

Following several informal practice races, sailors may sign up for the racing program which encourages boys to compete in two types of regattas—Part One, **Team Racing**—Grey and Maroon—Part Two, **Individual Racing**—the final regatta. Any boy earning Second Mate, receives credit for Part One in Basic

Sailing. Those earning First Mate, receive credit for Part Two. Due to popular demand, wind surfers. Sun Fish, and Sail Fish were added to the Kawanhee fleet. An exciting development was the complete renovation of the Sea Hawk and the Sea Gull, the two Cape Cod Knockabouts. Under the enthusiastic and talented leadership of sailing director Mike Compher and his able assistants Warren Fish and Kelly Ann Lewald, sailing popularity reached new highs in '95.

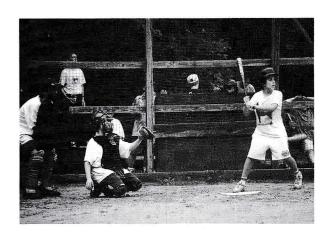

Baseball & Softball

Hank Aaron League Softball Champions Nice

Coaches Pete Belskis, 20 years as Athletic Director at Camp Kawanhee, and his assistants Andy Hromyak and Russ Jessen.

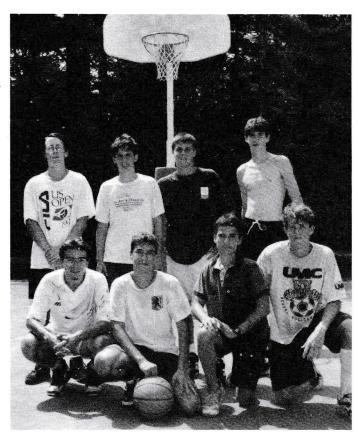

Kawanhee Little League Champions Brown Sox

Kawanhee Little League Runner-up Pink Blue Jays

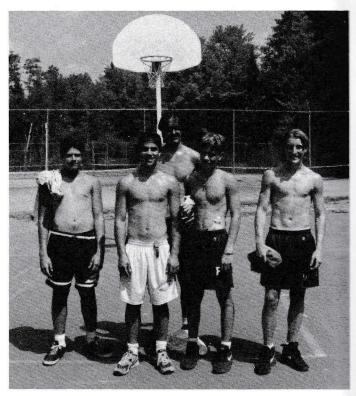

Basketball

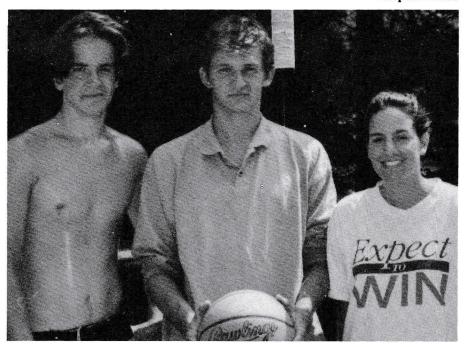

Herb Birch Senior League Champions Lizzie Heads

Basketball boosters enjoyed another great season on the hard surface, all weather outdoor court. The enthusiasm of Coaches Bernie Gehret, Simon Doolittle, and Diana Belskis rubbed off on all ages to make for another successful and spirited summer.

Herb Birch Senior League Runner-up Pumpkin Heads

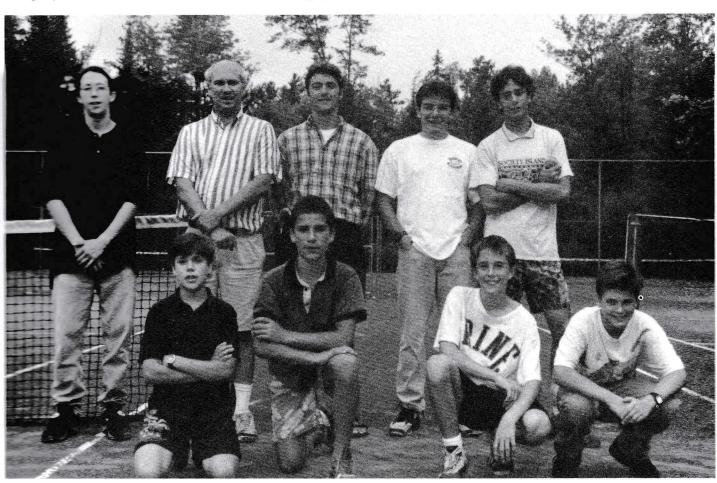

Basketball Staff Bernie Gehret, Simon Doolittle, Diana Belskis

Tennis

Coaches Mike Altmaier, Peter Cartei, Matt Rothman, and Mike Altman greatly increased tennis popularity in '95.

Kawanhee is fortunate to have four clay courts in excellent condition, and according to the New England Tennis Court Company which constructed these courts nine years ago, the courts are among the finest in the entire state of Maine. Because of our top quality courts, and because of the excellent instruction from our coaches, tennis popularity reached new highs in '95.

1995 Tennis Team
1st Row: Jose Gonzalez, Nacho Prieto, Jamie Strawbridge, Enrique Amerigo.
2nd Row: Bill Burbine, Mike Altmaier, S.C., Mike Altman, S.C., Peter Cartei, Diego Garrigues.

Wrestling

Many boys select wrestling as a part of their daily program. They are trained in small groups. Those who are interested are matched, by weight, in the annual tournament, which is one of the highlights in the athletic program. Our wrestling building is one of the finest in the state with a mat area of 30 by 30 feet. See page 33 for Ribbon Awards.

Tim Horton and Ted DeVoe, Wrestling Coaches, interjected plenty of skill, interest, and enthusiasm into the wrestling program for '95.

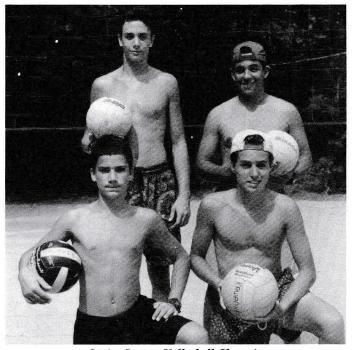

Wrestling Tournament Winners and Finalists

Volleyball

Volleyball is popular with everyone—campers and staff. Chad Hollenbaugh and Alan Michalak interjected a contagious spirit into the '95 program.

Senior League Volleyball Champions 1st Row: Nacho Prieto, Eduardo Lucas. 2nd Row: Diego Garrigues, Gonzalo de Armas

Junior A Volleyball Champions Efram Palmer, Victor Acevedo, Danny Kim.

Junior League Volleyball Champions Jose Marcial, John Kelly, Daniel Alvarez.

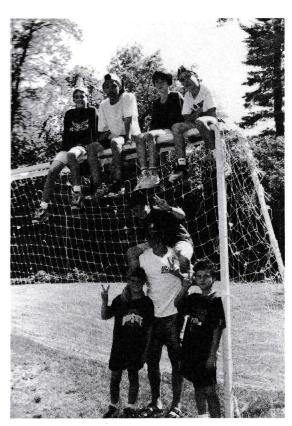

Soccer

The expertise and enthusiasm of Spanish greatly to this sport. See page 37 for

Miles Jacobo Calderon, Gustavo Stieglitz, competition and sharpened skills

Senior League Runner-up

Pee Wee League Champions

Senior League Champions

Pee Wee League Runner-up

Thank you so much for the fourth wonderful summer Peter had at Kawanhee. He seems so comfortable there, and you and your terrific group of counselors make that possible. Peter is already talking about what he will work on next summer.

> Jessie Kelly Brooklyn, N.Y.

Swimming

The Kawanhee cove, with its fine sandy beach and clear sparkling water, is unsurpassed as a safe and ideal setting for every conceivable type of fresh water sport.

During the first day of camp each boy takes a swimming test. Some will do the Lake Swim, a distance of 1/4 mile. Some may swim across the cove, a distance of 100 yards, and some will swim between the docks, a distance of 100 feet. Boys who cannot comfortably swim 100 feet are given daily instruction until they can.

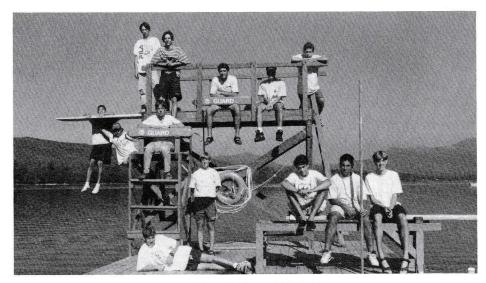

During swim periods, all boys receive instruction geared to their individual swimming ability. The camp uses the American Red Cross Swimming Levels in its swimming program. The morning free swim is at 11:00, and the afternoon swim is at 4:00. If the day has been hot, an evening free swim will be enjoyed by all.

Fully accredited lifeguards are stationed on the docks any time boys are in the water. The buddy system is followed, and no boy is allowed into the water until he has a buddy. Each boy must pass both swimming and boating tests before he is allowed the privilege of using the boats. A Beach Guard is on duty to monitor all boating activities, and to emphasize safety.

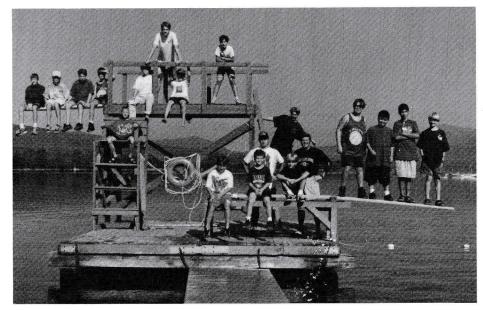

Other swimming activities include the popular Ten Mile Swim, where boys swim laps in order to complete ten miles by the end of the summer, and the special Bass Rock Swim, a distance of 3/4 of a mile. The big Aquatic Meet is held on a Saturday afternoon, and is a time when Greys and Maroons compete for honors. There are swimming and boating events, and the competition is keen and exciting.

Kawanhee also conducts Red Cross classes in Basic Rescue and Water Safety (BLS) for boys 11 years and older, and Lifeguard Training (LGT) for boys 15 years and older. Graduates of the LGT class become certified lifeguards, a difficult but worthwhile achievement!

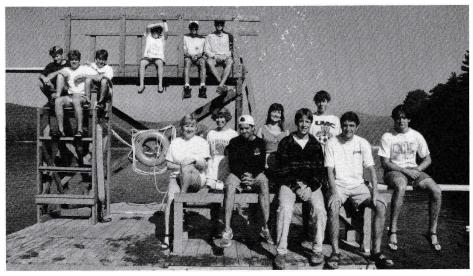

Dr. Peter van den Honert who has been Kawanhee's Waterfront Director for 21 years and his excellent staff are to be commended for operating a superior waterfront program! His staff included Kris Simanek, Scott Hairston, and Enrique Pons.

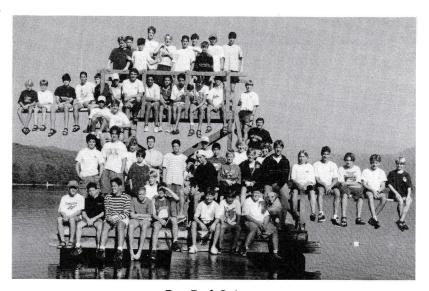

Red Cross Lifeguard Training

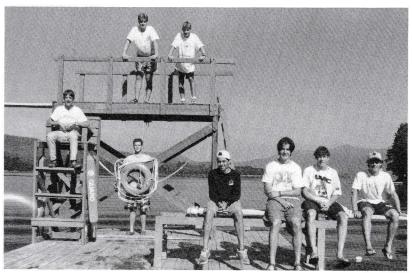

Basic Lifesaving

Ten Mile Swim

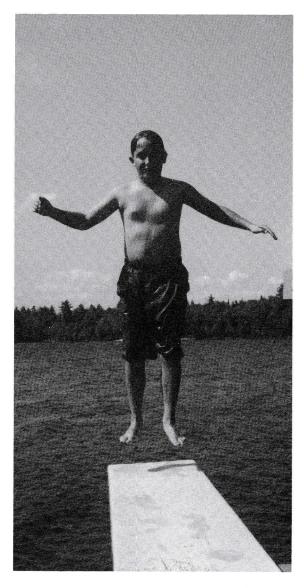

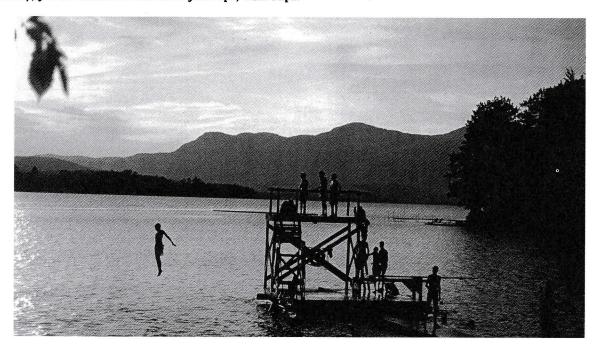

Bass Rock Swimmers

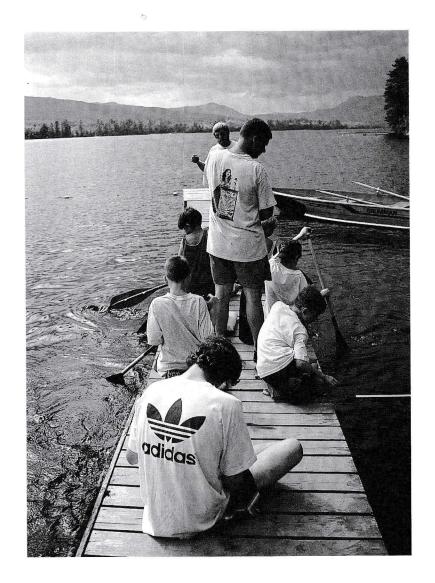

Lake Webb Six Mile Swim
(At one time)

1st Row: Adam Cook, Jason Roth, Efrem Palmer, Inigo Oyarzabal, Adam
Ramsay, Jacobo Calderon. 2nd Row: Jim Papa, Tom Papa.

Boating & Canoeing

There is no activity in camp that surpasses the fun of canoeing on Lake Webb. Before using the canoes, each boy must pass swimming and canoe tests, and win his right to a paddle.

The camp furnishes paddles for each canoe but not for each individual boy. Those who prefer to have one of their own—with symbols of accomplishment painted on the blade, may purchase it, at cost, at the boathouse.

To win his "C", a boy must swim the Cove, one-eighth mile. If he swims the lake in front of the camp, one-quarter mile, he receives a grey and maroon bar painted at the top of the blade. After passing the advanced canoe test, two bars are added at the bottom. Basic Life Savers 12 to 16 yrs. of age, receive a B.L.S., between the top and bottom bars. Advanced Life Savers, 16 yrs. of age and older, receive the A.L.S. between the bars.

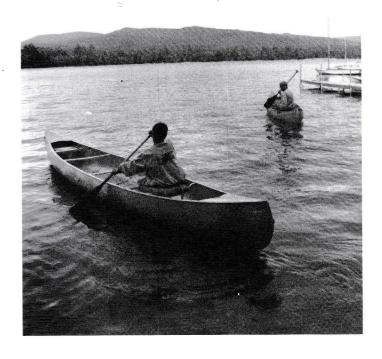

Jr. C's-boys, 7, 8 and 9 years of age, who receive canoe privileges, must stay within the cove and in sight of the Beach Guard.

Congratulations to Director Ted Simanek and his two able Asst. Directors Jason Roth and Ben Findley for a highly successful season!

Once again, we would like to express our sincere appreciation for the wonderful camp season that Chad experienced this past summer. We are convinced that Kawanhee has an indescribable magic, (we've tried to put it into words, yet to no avail!) that is carefully woven throughout the staff and campers alike. Kawanhee is an environment where Chad is relaxed, challenged, educated, nurtured and having fun all at once! We just can't imagine what life would be like without Kawanhee in the summertime.

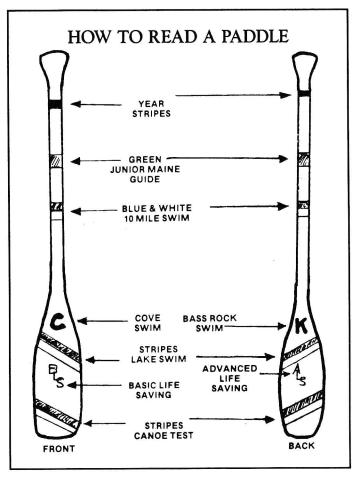

Ron and Jean Guthrie Durham, New Hampshire

War Canoes on Lake Webb

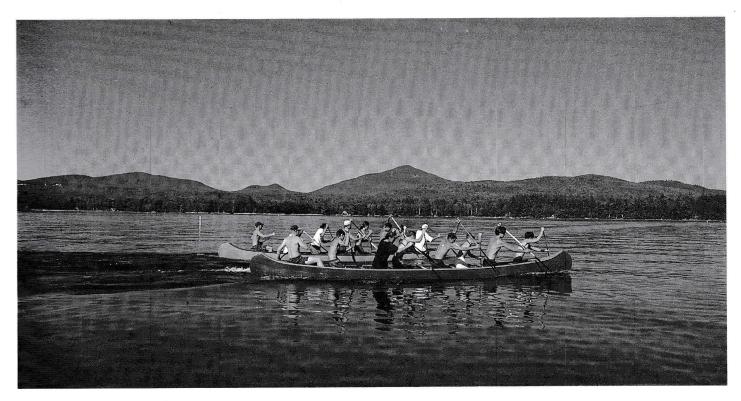

The grand finale of every Water Meet at Kawanhee is the exciting Maroon-Grey War Canoe Race!

Nate had a great time and we were very impressed with the Camp Kawanhee experience.

Nate will be back for '96 - see you next year.

Jeff Duncan
Keller, Texas

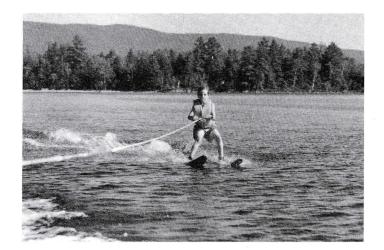

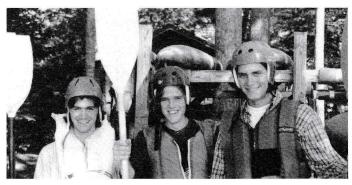

Kayaking

KAYAKING CAPTURES KAWANHEE'S IMAGINATION

F or the past ten years, Kawanhee kayakers have been gracing the cove with their braces, wet exits, and Eskimo rolls. With the purchase of four "Perception', whitewater kayaks, bringing the total of boats to twelve, Kawanhee kayaking popularity continued to rise. For 1995, our Kayak Department was headed by Scott Barnes, who was ably assisted by Mike Schuller and Robbie Hunter. Basic instruction includes preparation of the boat for use, forward and backward strokes, turns, and the essential wet exit (escaping from a capsized kayak). Intermediate skills consist of the kayak-overkayak rescue, and the Eskimo rescue, sculling, the draw stroke, the slap brace and the sweep brace. When these skills have been mastered, campers are eligible to use kayaks on the lake when a beach guard is on duty. The more advanced kayakers will then be ready to tackle whitewater paddling and the Eskimo roll, a maneuver which enables a capsized kayaker to right his boat by using his paddle as a lever.

The kayak department is planning several excursions to New Hampshire's Upper Androscoggin River, which offers Class II and III whitewater. The river trips will be available to older campers, and will stress the use of eddies, ferrying, and paddling in mild and moderate rapids.

Kayaking Staff Scott Barnes, Robbie Hunter, and Mike Schuller.

Water Skiing A LITTLE ROUGH - BUT THRILLING

Kawanhee's 16 ft. ski boat with its 135 h.p. motor makes for thrilling experiences for all age skiers. Our instructors have had several summers experience, and patiently encourage the new learners. All skiers must wear life belts. The campers themselves voted skiing one of the most popular activities in camp. Thanks to leaders Ferd Schoedinger, Todd Worthington, and Adam Ramsay for a great season.

Archery

any a boy has at one time or another dreamed of shooting a bow. At Kawanhee, those dreams become reality at the Archery Range, where boys receive expert instruction in the use of recurve bows. There is a bow for every age level and degree of strength, and each bow is equipped with a sight to help the camper achieve a high degree of success.

At Kawanhee boys are given the opportunity to earn Camp Archery Association medals, and National Archery Association patches, in addition to the prestigious Kawanhee Robin Hood awards. Campers are also given the opportunity to shoot competitively in tournaments both at Kawanhee and with other camps. Kawanhee has achieved impressive results in tournaments, and has placed second in the state of Maine for the past two years. As a result, Archery continues to be one of the most popular activities in camp.

Under the regulations of the National Camp Archery Association, the following medals are awarded at the Saturday night Camp Fires.

- 1. Ir. Yeoman Pin
- 2. Jr. Yeoman Arrow
- 3. Yeoman Pin
- 4. Jr. Bowman Pin
- 5. Jr. Bowman Arrow

Olympic Robin Hood Kurt Courson Darren Belskis

Riflery

Range Directors D.J. Cram, Rupert Wetherilt, and Jim Estabrook put in many extra hours at our rifle range to accommodate all of the eager marksmen. During the 1995 Season, over thirty thousand rounds of ammunition were shot. Every boy learns the correct and safe way to handle a gun. The camp furnishes guns although several boys prefer to bring their own to camp. Under the auspices of the National Rifle Association, boys shoot for the following medals, and the awards are presented at the Saturday night Camp Fires:

- 1. Pro Marksman
- 2. Marksman
- 3. Marksman 1st Class 4 Sharpshooter 5. BARS 1-2-3-4-5-6-7-8-9
- 6. Expert Rifleman
- 7. Distinguished Rifleman

1995 High Bar Shooters

Expert Rifleman D.J. Cram, Jim Estabrook, Rupert Wetherilt.

Thanks to you and all your great staff for providing Marc with so many opportunities to grow and learn by doing, and develop in so many ways. Each day we hear more and more!He has grown in confidence and ability and is so looking forward to next summer already.

Barbara and Claude van den Broeck France

Kawanhee Shop

Craftsmen of '95

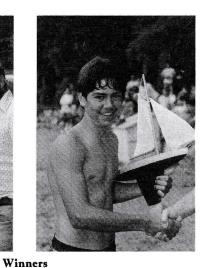

Our shop is one of the busiest activities in camp with at least two Industrial Arts teachers and two assistants working full time with the campers. Between fifty and seventy-five project choices are on display from which campers may make a selection. Some of the more popular projects include: 15 and 27 inch sailboats, small replica paddles, airplanes, boats, cars, trucks, inlaid and slab tables, wood carvings, bird houses and feeders; also choices in metal working and plaster.

There's never a dull moment in the shop where our philosophy is "learn by doing" and "finish what you start," which encourages RESPONSIBILITY, known in the shop as "THE BIG R". Co-Directors of Shop Herb and Brian Birch were very ably assisted by Jackie Hanlon and Rev. Wayne Shontz.

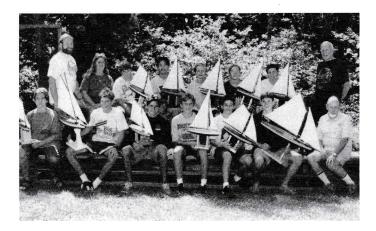

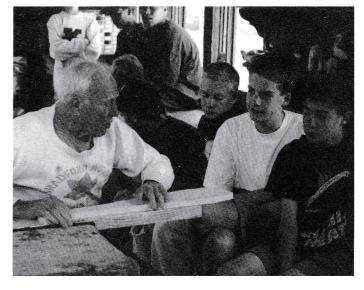

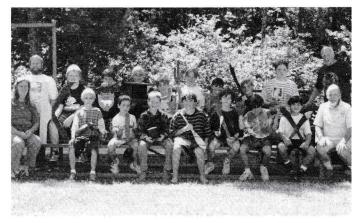

Small Boat Efrem Palmer

Learning From Nature

awanhee is unusually rich in natural beauty, with plant and animal life in abundance. "Learning by doing" is the Kawanhee way and nowhere in camp is this more observed than in the Nature department. Acquaintance with wild life is gained by caring for pets in the camp, pursuing birds on trips afield, and observation of the beaver colony a short distance from the camp.

Overnight trips are made occasions for study of the stars, simplified by the "stellarium" in the Nature Museum which flashes familiar constellations later to be identified under the open sky.

Microscopic observations, study of ferns and fungi, moth and butterfly propagation, nature photography and other fields of original research voluntarily chosen, are open to boys who wish to become "Naturalists," the highest honor the department confers. Such activities aim to quicken appreciation, awaken interests and develop resources which will in many cases continue throughout the boy's life.

MINERAL MINING TRIPS—A splendid collection of minerals was mined at Newry, where the boys go to add to

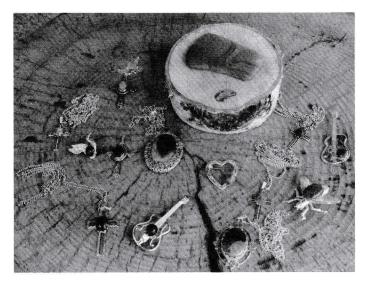

their rock collections. Each specimen was identified, carefully labeled and placed in a mineral box. Every boy has the thrill of finding beautiful green tourmalines and clear quartz crystals. The more fortunate may emerge with pieces of beryl, rose and smoky quartz, green, black, and pink tourmaline, or even amethyst.

THE LAPIDARY SHOP—The strange fascination that rocks and minerals possess for many boys is given added stimulus by the lapidary equipment which is a part of the Nature Department's expanding interest in geology and mineralogy. The equipment consists of diamond saws for slicing or cutting, horizontal metal disks for rough grinding, and a series of wood and metal wheels for polishing. Special thanks to Nature Directors Dotty Jones Estabrook, Kara Simanek and Ted Simanek for conducting such a popular program in '95!

Tim had another wonderful summer with you at Kawanhee. We continue to marvel at what a great job you and your staff do of bringing out the best.

Patty Johnston Bangor, Maine

The Junior C Program

For Boys 7, 8 and 9 Years of Age

Any parents who appreciate the value of mature leadership for their younger boys are enrolling them at Kawanhee. Perhaps at no other age does camp offer more glamour and appeal. The days are never quite long enough. They learn to live and play happily with boys their own age, develop self-confidence, resourcefulness, and a spirit of comradeship.

For the coming season there will be hours to play on the sandy beach and grow strong in the mountain air and sunshine; time to sail small boats and fly toy airplanes; to explore fields and woods under trained leaders and learn many of Nature's wonders. In the shop, they will enjoy boat building, metal and leather work.

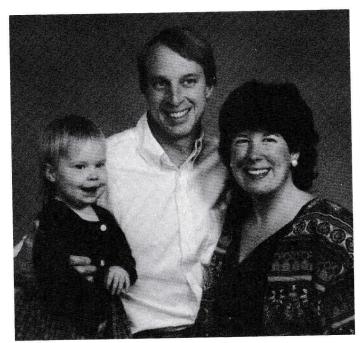

Each boy will learn to fish, swim and row. Some will even swim the one-eighth mile across the cove, and the one-quarter mile across the lake, and receive the coveted paddle and use of canoes in the cove. Best fun of all will be trips to the nearby mountains, or rowing across the lake to sleep in an Adirondack lean-to and cooking over an open fire. Baseball, tennis, archery, range and skiing will be carefully taught under supervision.

Throughout the entire program the importance of adequate rest is emphasized. A quiet hour from 1:00 to 2:00 precedes the afternoon activities. Taps is at 9:00.

Director of Facilities Management

We were most fortunate to have Ferd Schoedinger, husband of the Camp Mother, available for this challenging assignment. In addition to serving as Co-Director of Water Skiing, Ferd, who is a computer engineer, was available for maintaining and programming Kawanhee's several computers. Also, as the Director of Facilities Management, along with Tom Wojcik, Maintenance Director, Ferd shared responsibility for the maintenance and repair of all equipment, buildings, and activities in the entire camp. Fortunately, Ferd is blessed with plenty of skill in mechanical and electrical areas. His expertise proved to be very valuable throughout the summer, and his special emphasis on requiring cleanliness in all activities and buildings helped all achieve a very clean camp in '95.

Ferd Schoedinger, Director of Facilities Management, and Katie Schoedinger, Camp Mother with daughter, Liza.

Camp Mother's Cabin

One of the many contributing factors towards a successful 1995 Season was that the Camp Mother's duties were assigned to her and defined as full-time responsibilities. Her basic objective was to provide a healthy Comfort Level for boys living away from home, especially those campers away for the first time. Katie Schoedinger did a super job of providing just the right amount of "TLC" and humor. During the first week of camp she made herself available to go right to program activities with those boys who needed extra encouragement. Throughout the summer she and her husband, Ferd Schoedinger made it a point to eat meals with the different lodge groups, share conversation, and add to the camaraderie. At tattoo time when the boys get ready to go to bed, Katie was prepared, if necessary, to go into the younger lodges to make sure that each boy was happy, say good night, and provide a hug. Being a good listener was a big part of her job, and boys would often stop by to sit on the porch just to chat for a few minutes. On such occasions, Katie took the opportunity, if needed, to suggest a change of clothes or a shower. Occasionally, there was a cheerful fire built by Jim Papa or Kris Hamwi outside the Camp Mother's cabin so that boys could make donuts before time to go to bed. Special programs, such as "Christmas in July". "Mr. Kawanhee Night", camp skits, or game nights also become a part of the Camp Mother's contribution. Additionally, she made sure that each lodge counselor had access to good books for reading to their lodge groups prior to going to sleep at night. The Camp Mother helps contribute towards each boy's general attitude, and she is a big factor in helping to add to the total spirit of the camp.

Campcraft-Junior Maine Guide

THE CAMPCRAFT program appeals to boys who enjoy the fun of camping out. Preparation for trips is an important part of the program—learning the safety rules in cooking over an open fire—how to make rainproof shelters and comfortable bough beds—how to make and follow trails through the deep woods—how to fish, and the best bait to use.

THE JUNIOR MAINE GUIDE program is of special interest to boys 14 yrs. and older. Under the coaching Counselors in the Campcraft Dept., they train in July before leaving for the testing area at Swan Island—about 70 miles from camp. They must select and develop their own campsite in virgin wilderness, where they remain for the four-day testing period.

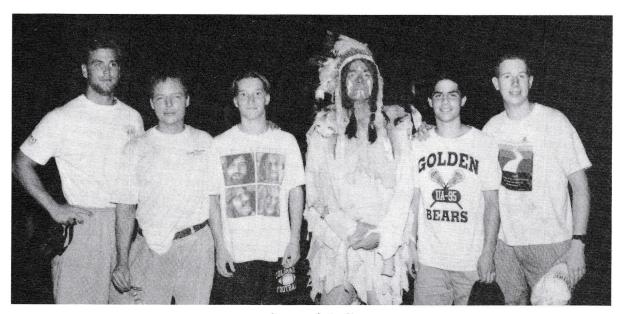

BOYS FROM 12 to 15 camps compete each year. Candidates must pass the requirements in twenty separate tests, including use of the axe-canoeing and canoe repairing-wetdry fire building-topographical mapping-personal shelters-reading and following the compass, first aid, and cooking. Winning this coveted award is an accomplishment of which any boy may well be proud. Usually, two summers of preparation for J.M.G. are needed. Con-

gratulations to Adam Cook for successfully completing the difficult requirements in one season!

Junior Maine Guide Adam Cook

Campcraft Staff
Jamie Miller, John Bell, Brian Huntington, Chief Kawanhee, Kevin Bonasera, Travis Hatley.

FREE TIME

Relaxation and change of pace from our busy Kawanhee schedule is a part of our program for all campers. There are many options for a boy to choose. He may decide upon fishing some evening and pull in a couple dozen white perch for his efforts and assure himself and friends of an extra delicious breakfast. Our Fishing Counselor is ready to offer help to any boy wanting to learn angler secrets.

Perhaps a boy may elect to check the library & take out a book, or challenge a buddy to a game of pingpong, chess or checkers. If he's ready for more physical activity, he'll enter into one of the frisbee, tetherball, or volleyball games invariably in progress. Get-up games of softball also are popular. Maybe just a stroll through camp with a friend will do the trick.

Tutoring is available at Camp Kawanhee.

The C.I.T. Program

Kawanhee is fortunate to have many former campers who have elected to become counselors, and each season we promote several young men to Senior Counselor status after they have successfully completed both the C.I.T. (Counselor-In-Training) program, and the additional challenge of serving as a J.C. (Junior Counselor). In 1995 the primary emphasis of the C.I.T. training was to focus on learning how to teach others, and how to improve communication skills. These valuable experiences provide each participant with the necessary tools to apply not only in a camp environment, but in situations throughout life.

The J.C. Program

This summer Kawanhee's J.C.'s (Junior Counselors) were given the opportunity to participate in what was termed the "J.C. Program", while making the transition from camper to counselor. The purpose of the project was to assist J.C.'s in establishing networks with other counselors and offer a variety of options to choose during Days Off and Nights Out.

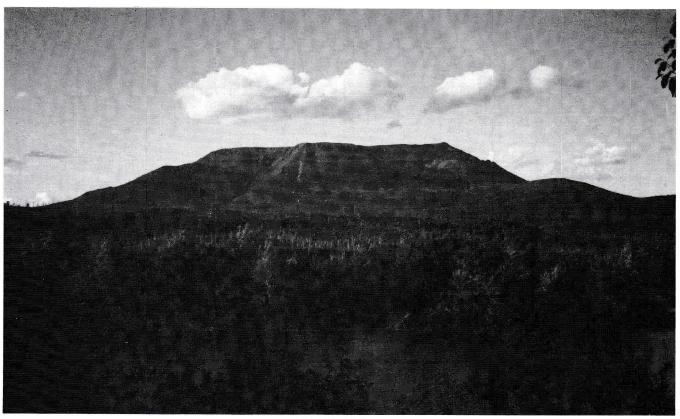

A counselor room equipped with television and VCR was provided and many J.C.'s participated in supervised days off. The day off trips included: visits to Freeport shopping; Old Orchard Beach and Old Port in Portland; Quincy Market and Harvard Square in Boston; and several visits to Auburn and Farmington for movies and McDonalds.

Each J.C. was asked to select a "mentor" Senior Counselor—someone he especially admired and respected, and a person to whom the J.C. could go for advice and direction. At the end of the season each J.C. had improved his leadership abilities, and his motivational skills.

Bradley had an absolutely wonderful summer. We are so pleased with his camp experience. You have a fabulous camp. Thank you, and we'll see you next summer.

Carolyn Comfort Paris, France

TRIP PROGRAM

Mt. Katahdin

From the days of Henry Thoreau, Maine has been one of the most favored regions for camping in the country. With its great stretches of unspoiled forests, its thousands of clear, sparkling lakes, its fine fishing and lofty mountains, it's the perfect answer to a boy who yearns for the opportunity to explore, to hike in the woods, to spy on God's creatures in the great out-of-doors. Every boy is invited to participate in Kawanhee's Tripping Program, and practically all campers are eager to accept the exciting challenges.

The following pages will acquaint you with our program of SURVIVAL TRIPS, CANOE TRIPS, MOUNTAIN TRIPS, and SHORE TRIPS.

Survival Trips

Mountain Man Program

This club was started in '93. 13 boys demonstrated great interest in trips and completed a number of requirements ranging from knots to outdoor knowledge, making them the first "Kawanhee Mountain Men". 150 team points are also awarded to each Mountain Man.

In 1994 a second level was added, Mountain Man II. Available only to those who are already Mountain Men, this rigorous achievement, worth 250 team points, was reached by only 3 boys.

In 1995 there was a 3rd and final level added to the Kawanhee Mountain Man Club.

Wilderness Trips

In the summer of '95 about 30 boys participated in one of the several "Wilderness Survival" classes taught by Trip Director Dan Webster. During these 1/2 day classes, boys learned how to help ensure their own survival in an emergency situation by learning to: always alert people of their whereabouts and return time, to S.T.O.P. when unsure of their surroundings (ask your boy if he knows what S.T.O.P. stands for), how to purify water, the international distress signal, and how to build a survival shelter. Upon his return home from Kawanhee your boy may begin putting together his own "survival kit" to keep handy at all times.

Kawanhee Mountain Men

Shore Trips

Sea Kayaking Island Hopping in Casco Bay

This three day trip will be offered for the first time in 1996 for boys 12 years of age and older, who have developed advanced kayaking skills. The trip will begin on Peak's Island in Casco Bay and will be professionally guided by Maine Island Kayak Co. The experience will focus on navigation, understanding the weather and tides and decision making on the open ocean. We will camp overnight on various uninhabited islands and enjoy the birds and marine wildlife native to this area.

Monhegan Island Trip

The three-day trip to Monhegan, for boys 10 years of age and older, has been so popular it has been necessary to schedule two trips each summer.

Monhegan is twelve miles out from the mainland at Port Clyde, and abounds in history, romance and new adventure. Captain John Smith landed here in 1610.

We plan to visit Cathedral Woods, the Boars Head, the sea-going tug that went aground in '42, and also enjoy deep-sea fishing.

The "Laura B"

We leave Port Clyde on the "Laura B". She's a trim little craft, and seaworthy in every respect. She is 60 feet in length, has two 225 H.P. diesel engines, automatic steerer, radio compass, depth recorder,

radar, and radio telephone. Captain James Barstow, a skillful skipper with many years experience is in charge. He likes boys and boys like him. When it's not too rough, he let's them stand by him at the wheel.

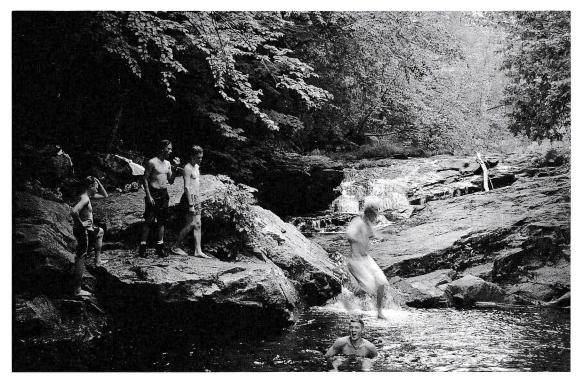

Deep-Sea Fishing

There's fun, thrills and good fishing at Monhegan. You never know what the catch will be—cod, pollock, haddock, mackerel, or maybe a tuna. All equipment is furnished by the skipper, including necessary bait.

For those boys who prefer to remain on the island and work with some of the local artists, arrangements have been made for the 1996 Monhegan trip to offer this alternative if boys wish to do water colors and receive art instruction instead of joining the deep-sea fishermen.

Tripping Counselors John Conant, Dan Webster, Al Spencer, Tim Johnston

Mountain Trips

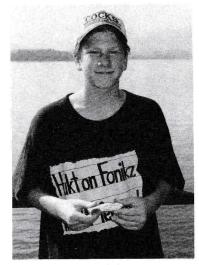

Good Training For Football

Tumbledown Mountain

Across from camp, at the end of the lake, rise the peaks of Tumbledown, the Jacksons, West, and white-topped Blueberry. There's always a thrill on Tumbledown, from a crawl through "Fat Man's Misery", and the "Lemon Squeeze", to curling up in a sleeping bag near the summit on a moonlight night.

Mt. Katahdin Trip

There is no trip in New England that surpasses the one to Mt. Katahdin, Maine's highest mountain, and declared by experienced mountain climbers the most spectacular and beautiful elevation east of the Rockies. Thrusting its spruce-clad slopes and rocky summit a mile into the clouds, this giant of the East is the first spot in the United States to greet the morning sun. Katahdin is a four-day trip.

Tripper of the Year Jake Kaplan

Mt. Blue

A short distance from camp—and easily climbed over a trail one and one-half miles in length.

Bald Mountain

This is a favorite trip for many of the younger boys in campespecially those who wish to "train" for the more difficult climbs later in the season.

Whitewater Rafting Trip

In 1995 for the thirteenth time, Camp Kawanhee offered boys who are excellent swimmers and 14 or over in age the opportunity to participate in a whitewater rafting trip down the Kennebec River. Tripping Counselors Dan Webster, Alan Spencer and John Conant headed up a group of 40 older campers. They reported spectacular scenery, a hearty steak lunch, and tons of whitewater. They all got a taste of big water and tremendous waves. Professional whitewater personnel accompanied and guided the group. This trip will be scheduled again in '96 only with special permission from parents. It is an extra charge one-day trip.

"A Traditional Maroon and Grey Tug of War"

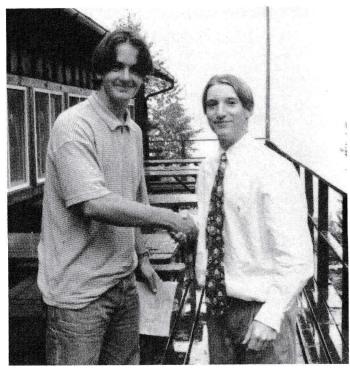

The Greys and Maroons

M uch of the fun and enthusiasm at Kawanhee revolves around the Greys and Maroons—the two competing teams in camp. Every boy enrolled is included on one of the teams and endeavors to win as many points as possible for his team.

The interest and excitement increases as both groups gather for the Saturday night camp fires. The names of those who have won special medals and passed achievement levels during the week are read. Then the big moment arrives. The score is announced.

In 1995 the race was very close until the final week of camp when the Greys jumped ahead. No one really knew the outcome until Scorekeeper "B.A." Altmaier announced the final tally of 54,696 for the Greys and 51,225 for the Maroons. The most important factor was not the final official score, but it was the spirit, the fun, and how much both teams learned throughout the season.

Left to Right: Inigo Oyarzabal, Captain of the Maroons, and Brian Huntington, Captain of the Greys.

LODGES 1995

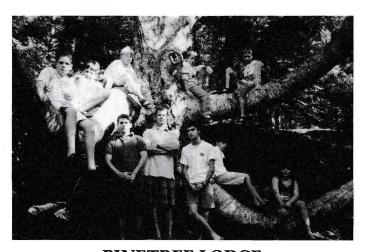

FALCON LODGE

1st Row: Chad Hollenbaugh, S.C. 2nd Row: Ryan Davis, Jose Marcial, John Kelly, Mike Altman, S.C., Alex Smith, Shawn Danahey, Joe Barrows.

2nd Row: Pete Belskis, Adam Ramsay Bill Burbine, Carlos Morales,
David Slocum, YoYo Werhahn.

PLAQUE ACHIEVEMENTS

Finishing a Kawanhee Plaque means completing the three levels in each of the fifteen activities in a camper's age bracket. These divisions are Junior C, Junior B, Junior A, and Senior. Junior C includes Falcon and Panther Lodges. Junior B includes Pinetree, Hawk, Deer and Birch Lodges. Junior A includes Beaver, Moose, Lynx and Wildcat Lodges. Senior includes Bear, Loon, Crow, and Badger Lodges. Usually, a Kawanhee camper takes several summers to complete a plaque. Twelve boys finished their plaques this summer.

COMPLETED PLAQUES

C Division
Jeffrey Abbott
Adam Barnes
John Casto
Bradley Comfort
Ross Hamilton
Scott Hamilton
Ian Lawson

B Division
Spencer Aldrich
(finished 1 year)
Nate Duncan
Josh Purcell
David Slocum

Senior Division

Tom Papa (Only a few campers have finished this Division in the last 20 years)

Matthew had a wonderful time at camp! He is looking forward to next summer.

Gretchen Latowsky Reading, Massachusetts

Special Recognition - 1995

SACHEMS

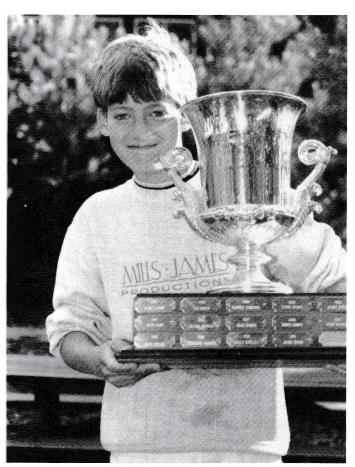

THE CHOSEN FEW

The Sachems are the "Chosen Few"! To be a Sachem at the two Ceremonial Campfires is an honor not to be taken lightly. The Sachem is elected or chosen to represent his lodge group by his counselors and lodgemates at these two great gatherings-the first one is at the beginning of the season for the Coming of Chief Kawanhee and the second is at the end of the season—the Going of the Chief. These important elected campers sit with the Head Sachem to write the ideals of Camp Kawanhee for the boys to follow during the summer of '96. This message is then read at the closing campfire for Chief Kawanhee's approval and buried at the fire site to be read to the Kawanhee Braves by the '96 Sachems at the Coming of the Chief in the beginning of the season of '96. This elected group plays a big part in the carrying on of the Kawanhee traditions started 75 years ago. The content of their message includes such statements as "Be a good sport whether winning or losing", "Follow the Golden Rule", "Be honest with yourself", "Respect the environment", "Follow the directions of your leaders", and many others. Sachems of the '95 season were:

1st Row: Head Sachem Herb Birch, Crow Lodge - Tim Donahey, Beaver Lodge - Ben Porter, Bear Lodge - Brad Comfort, Moose Lodge - David Slocum, Lynx Lodge - Danny Kim, Deer Lodge - Spencer Aldrich, Falcon Lodge - Jose Marcial, Hawk Lodge - Forbes Rigsby, Panther Lodge - Joey Barrows, Birch Lodge - Jim Wallingford. 2nd Row: Badger Lodge - Carlos Morales, Pinetree Lodge - Scott Hamilton, Chief Kawanhee, Loon Lodge - Kool Studebaker, Wildcat Lodge - Johannes Werhahn.

Rates

For Scheduled Camp Activities

MasterCampers-15 and 16 years \$3,485.00

With previous camp training

Junior Counselors-16 and 17 years

First year with previous camp training \$3,085.00

For 1995, a limited number of boys will be accepted on a 4-week basis with an option to remain for the full 7-week program. Tuition for the 4-week period is \$2,800.00 plus the Incidental charges.

The tuition is payable \$350.00 with the application and the balance by June 15th. By special arrangement, the balance may be paid in equal payments by June 15th and August 1st.

Special arrangements may be made upon request.

Incidentals and Spending Money—\$ 150.00 is deposited with the camp for each boy's weekly allowance and provides for such incidentals as stationery, stamps, fishing equipment, candy, camera and flashlight supplies, haircuts, toilet articles, canoe and ping-pong paddles, the Wigwam, range and shop supplies, tennis balls, etc. At the end of the season, any remaining cash balance will be mailed to parents, or a charge made if the deposit is exceeded.

Tutoring—We are able to handle all grade and high school subjects. The rate is \$15.00 per hour. Please notify the Directors before camp opens if tutoring is desired. Boys should bring books and recommendations from their teachers.

Special Information

Camp Program—The complete program as outlined in this booklet, will be followed insofar as it is physically possible. However, emergencies arising beyond our control may necessitate minor changes.

Visiting Days for Parents-After the first week, parents are invited to visit camp at any time with the exception of the daily rest period, from 1:00 to 2:00 o'clock. Those vacationing at the Inn may attend the Water Sports program, Athletic Meets, Camp Shows, Camp Fires, Camp Movies and the Sunday Church Services.

The Mail-Telephone and Telegraph Address-Camp Kawanhee, R.R. 1, Box 120, Weld, Maine 04285-Phone 207-585-2210, (FAX 207-585-2620).

Trip Schedule to Camp—Saturday June 22nd—Boys from the Columbus area will fly to Portland, Maine, and then bus to camp. Boys from the New York City - New Jersey area will also fly to Portland, Maine, June 22nd and meet with the Ohio and other groups for the drive by bus into camp. All travel groups will meet for supper in camp.

Letters Home—Each boy must write a letter home each Sunday. No letter, no supper, is understood by every boy in camp. Girls' Camps—Over the past few years, many Camp Ka-

wanhee families have been well pleased with the camp experiences of their daughters at Camp Arcadia, Casco, Maine. If interested for your daughter, please write directly to Mrs. John F. Fritts, Pleasantville Road, New Vernon, N.J. 07976 (201-538-5409), and mention that your son is enrolled at Camp Kawanhee. We also recommend Camp Runoia at Belgrade Lakes, ME 04918. Contact Mr. and Mrs. Phil Cobb at 207-495-2228.

Kawanhee Inn for Parents

One-half Mile From Boys' Camp

Excellent accommodations are provided at Kawanhee Inn for parents who wish to visit their boys in camp. Many parents drive their boys to camp and remain to enjoy the cool refreshing air of early July weather. Others arrive by the middle of July, or a week early in August, and drive their boys home at the close of camp August 11th.

INFORMAL, FRIENDLY AND INVITING-The atmosphere is relaxed and casual dress is appropriate for a restful

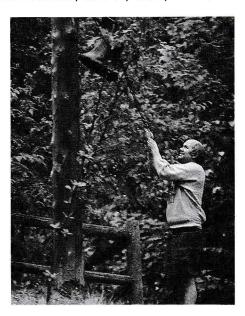

vacation.

RECREATION—There's good fishing, a sandy beach for safe swimming, tennis, boating, canoeing, sailing, mountain climbing, antiquing and a fine golf course only 20 minutes drive from the Inn.

THE INN OPENS Mid-June and closes Labor Day. Some cabins are available with rates that include board and lodging, maid and cabin boy services. Efficiency cabins are also available at a weekly rate. Boats and outboard motors may be rented by the day, week, or season. Those desiring detailed information should contact Marti Strunk in Farmington, Maine, phone 207-778-4306 from 9:00 a.m. to 5:00 p.m. weekdays.

One mile from camp, the **LAKE WEBB HOUSE** Bed & Breakfast offers comfortable "country-casual" accommodations and full country breakfasts.

For more information and reservations call Fred and Cheryl England at (207) 585-2479 or write The Lake Webb House B & B, P.O. Box 127, Rt. 142, Weld, ME 04285.

Camp Kawanhee - 1996

Full Season – June 22nd to August 11th Application Fee, \$350.00

I wish to enter my son in CAMP KAWANHEE for the season of 1996. Enclosed find the application fee of \$350.00 to be applied on the tuition.

In case of dismissal when deemed necessary in the interest of the camp, or departure, on account of voluntary withdrawal, there will be no refund of camp fees for the time reserved. If, however, unforeseen circumstances, such as sickness or accident, make it necessary for a camper to withdraw entirely from camp before the expiration of the term for which he is enrolled, one half of the unused camp tuition will be refunded. There will be no reduction in tuition for slight delays in entrance or departures.

(Please type or print.)
