As shadows lengthen and the stars appear, we gather for our camp fires at Council Rock. It is here that the heart of camp life glows as boys and men sit before the blazing fire, enjoy their games and stunts, the presentation of awards, and the final reading of the Grey and Maroon Camp score for the week.

A Message To Parents

George ("G.R.") Frank and his brother Raymond ("R.C.") Frank founded Camp Kawanhee in 1920 as a character building force for boys. Although the Frank brothers have died, their basic philosophies remain alive as a vital part of Kawanhee's spirit. The Kawanhee mottos "Fun With A Purpose", "Learn To Do By Doing", and "Finish What You Start" still serve today as motivating forces in the lives of Kawanhee campers and counselors.

The Directors of Camp Kawanhee believe that when a youngster starts for camp, three people from his home go to that camp, for just as surely as the boy is there in person, his mother and father are with him in spirit.

At Kawanhee your boy will be comfortably housed with boys his own age in a dry, sanitary cabin.

He will be fed the finest of nourishing foods and in quantities to satisfy the ravenous appetites of growing boys.

At the slightest sign of sickness, he will be under the care of a registered nurse who is in attendance throughout the season. Physicians are within thirty minutes drive of the camp.

Swimming, boating, canoeing, sailing, and skiing are all carefully supervised by qualified personnel. No boy is permitted to take out a boat by

himself until he has passed the necessary swimming and boating tests, and a beach guard is on duty to supervise boat sign-outs and check-ins.

He will be under the guidance of experienced men. There is one man for every five boys enrolled. A senior and junior counselor are assigned to each lodge. Boys are never left alone at night. One man is always on duty.

He will live for seven weeks in a climate famous for its invigorating air and sunshine, and will return to his home in the fall, healthy, rugged and brown.

Through encouragement to progress in various activities, he will grow in self-reliance, initiative, and perseverence.

If he is timid and shy, or a poor mixer, he will be encouraged in developing a higher degree of confidence as he reaches out to capture new goals of accomplishment.

Hundreds of cases can be cited where a boy's whole attitude and outlook were changed when he found something in which he could excel and in which he won recognition. Such experiences, day after day, build backbone and dependability during the early formative period of boyhood.

With new vision and understanding, he will return to his home in the fall, a boy of courage and bigger powers.

An Ideal Location

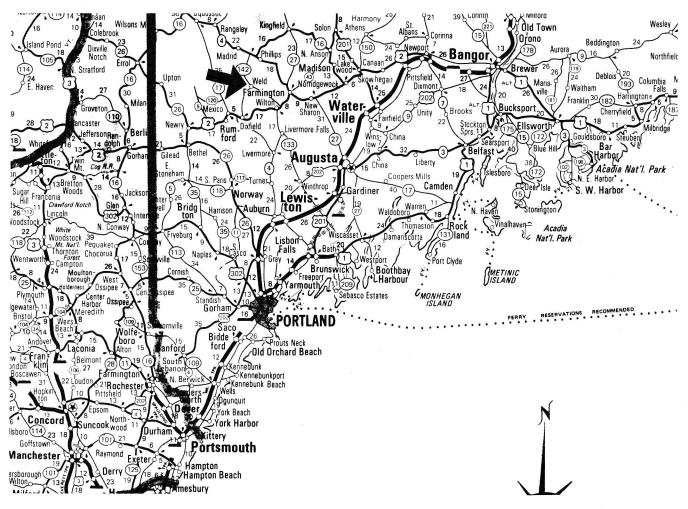

Safe, Healthy, and Thrilling for Growing Boys

Camp Kawanhee is located on the east shore of Webb Lake, at Weld, Maine—eighty-five miles north of Portland, and thirty miles south of the Rangely Lakes. It has a shore line of woods and sandy beaches. Early legend tells us that Chief Kawanhee and his braves lived here for many generations.

The exceptional location of the camp has been pronounced by men qualified to judge camp sites, as one of the finest natural settings for a boys' camp in the country. There is a protected cove and sandy beach for safe swimming, miles of pines and pointed firs, invigorating air, cool nights, and refreshing sleep. Neither word nor picture can do full justice to its delightful, well-adapted location.

Lake Webb is five miles long and two miles wide, and is completely surrounded by mountains. The water is clear and pure and never too cold for the early morning plunge. It averages between 72 and 78 degrees at the late morning swim period.

The surrounding country is wild and rugged and appeals to the adventurous spirit of growing boys. Just to run, to swim, to follow trails over lofty peaks, to spy on deer and moose as they come to the lake to drink, to investigate beaver dams, to sit by glowing camp fires at night, or lie in a sleeping bag under the stars and listen to strange noises of the deep woods—What a life! Such thrilling experiences make every boy become a bigger, better, and more self-reliant man.

Management

Walter Estabrook, Managing Director of Camp Kawanhee for the past six years, was a camper and counselor at Kawanhee for many years. A graduate of Wesleyan University, Middletown, Conn., he served in World War II as Overseas Athletic Director of a U.S. Naval Air Base. For the past 26 years, he has had extensive experience in Sales and Purchasing, and for the last 18 years he has been a Sales Representative for the Brown Steel Service Center, Columbus, Ohio. Mrs. Estabrook, a Home Economist, is Manager of Kawanhee Inn. Their three sons have all been campers and counselors at Kawanhee, and their daughter has been a camper and C.I.T. (Counselor-In-Training) at Camp Arcadia, Casco, Maine. The Estabrook family has been active in their church in Bexley, Ohio.

John Detrick, Assistant Director, has been a camper or counselor at Kawanhee for a total of thirteen years. He is a graduate of Ohio Wesleyan University, Delaware, Ohio. For the past fifteen years he has been Physics and Mathematics Master at an all-boys school—The Columbus Academy. Mrs. Detrick serves as Assistant Manager of Kawanhee Inn. Their three sons are enrolled at Kawanhee for the 1978 Season, and their daughter too has been a camper at Camp Arcadia.

Herbert Birch, Assistant Director, and Kawanhee's Eastern Representative, has been one of the camp's most loyal and enthusiastic supporters for over 30 years. His vast knowledge of "good camping" has contributed to Kawanhee's enviable reputation as one of the best camps in the New England area.

John Morr, Kawanhee's Director of Activities, is a recent graduate of the University of Wyoming, Laramie, Wyoming with a major in psychology. John has been a camper, junior counselor, and senior counselor for the past nine summers.

Food And Facilities

"We want the cook! We want the cook!" This familiar phrase is a frequent cheer in our dining hall, and is our campers' way of expressing appreciation for the delicious meals. We are most fortunate that Mrs. Ruth Boardman will return again in '78 for her fourth season as Head Chef. She will be ably assisted by Ginny Brutscher, Ass't. Chef, and Nancy van den Honert, Pastry Chef. Their basic philosophy is to plan well balanced menus which are both appetizing and nourishing for healthy, hungry campers. Boys who are fortunate to celebrate a birthday while in camp receive a delicious cake for their table. Wherever possible, we will continue the successful program started two summers ago by making the move away from processed, refined foods and sweet snacks, toward whole grain, nutritive foods.

Most of Kawanhee's buildings are of heavy log construction, roomy, rustic, and built to suit our specific needs. The sleeping lodges are nestled among the pines along the shores of the lake. They are safe, comfortable, and free from dampness in rainy weather. Each is equipped with comfortable cots and mattresses, and accomodates from seven to ten boys and two counselors.

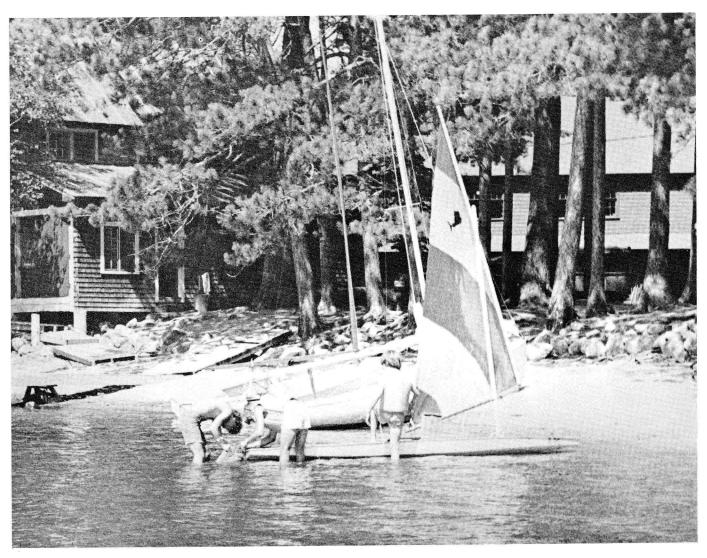

Conveniently located near the sleeping lodges are the new dining lodge, recreation building, wrestling building, nature building, archery supply cabin, a shop large enough to accommodate up to thirty-six boys and four instructors at one time, a scout and camperaft building, rifle and archery ranges, the camp hospital, boat houses, two toilet buildings with showers, and our camp laundry building.

Age Distribution And Level System

Jr. C—7, 8, 9 years, Jr. B—10 and 11 years, Jr. A—12 and 13 years, Senior 14 and 15 years, Master Camper—15 and 16 years.

Physical development and camping experience, along with age, are important factors in determining the proper group for a boy.

Kawanhee's program consists of some 20 activities, and all campers are required to report daily, Monday through Friday, to their four one-hour assigned activity periods. Attendance is compulsory, although participation is not demanded if a boy and his parents request exemption from a certain activity.

During the first couple of weeks at camp, boys are scheduled to attend all activities to become better acquainted with the entire program, and to develop new interests. Following the two-week introductory period, campers may sign-out from an assigned activity, and re-sign back into another activity of their choice with the approval of the Program Director.

The Achievement Level is the common unit for evaluating accomplishment at Kawanhee. Progress in each activity is divided into three levels with the first level purposely designed to be quite easy to allow a boy to discover if a particular activity interests him. Levels two and three are progressively more difficult. Each of the several age classifications has a different set of 1-2-3 level re-

quirements, so that a boy's level challenges will match his age group.

The stimulus to complete levels is enhanced through the honors which are presented at the Friday night campfires. Every boy needs recognition for his achievements, and it is a prized moment in a camper's life when he is asked to rise and stand before the campfire as his name is read for each level completed during the previous week. At this impressive ceremony, lodge groups form a huge circle around the big council fire. There is singing, games, and stunts, the presentation of awards, and the reading of the weekly camp log. Since each camper is a member of either the Maroon or Grey team, there is a tense silence the moment before the weekly team scores are announced-then mighty cheers led by the team captains.

As the embers glow and the stars appear we rise, face the west, and in the stillness of the woods, sing our good night song to the tune of taps.

"Day is gone—gone the sun—from the lake, From the hills, from the sky, All is well, safely rest— God is nigh"

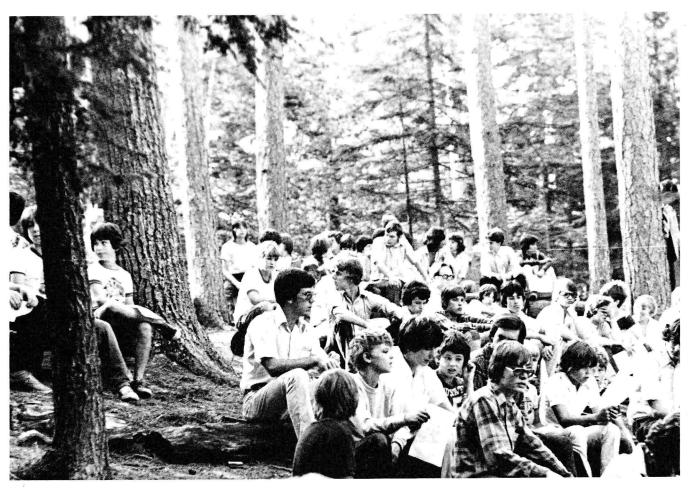

A Day at Kawanhee

A typical day (Monday through Friday) at Kawanhee starts with reveille at 7:15, and then a delicious breakfast following the flag-raising ceremony. Next, all campers share in the clean-up for lodge inspection, for which there is eager competition, as lodges winning seven inspections receive a special treat. Morning activities then follow in two periods-9:00 to 10:00 and 10:00 to 11:00, after which comes morning swim. In camp our main meal is dinner in the middle of the day, and that is followed by an hour's rest period—time enough to write a letter home, read, or take a nap. Afternoon activity periods are scheduled for 2:00 to 3:00 and 3:00 to 4:00. Free time 'til supper finds boys having fun with tetherball, fishing, or going to the library to read or play a game of checkers. Supper is at 5:30, and after our meal, boys may go sailing, canoeing, fishing, take part in a baseball or softball game, play "capture the flag", or another challenging game. At 7:30 all lodges gather in the Recreation Hall for movies, singing, stories, or camp shows.

On Saturdays special events are scheduled,

such as water meets, track meets, mountain climbs, Little-League games, soccer, or tennis matches. Certain activities, such as Shop, are scheduled to permit boys to work on projects. In the evening extra events, such as a talk by a Forest Ranger or a Senior Maine Guide, prove to be educational and fascinating for all hands.

Sundays at Kawanhee are spent quietly. Our religious life is non-sectarian. Lodge groups walk to council point where we assemble on the side of the hill facing beautiful Lake Webb, sing hymns, and listen to an inspirational talk by one of our chaplains or by one of our counselors. Catholic boys are taken to Mass at Wilton, twelve miles from camp. In the afternoon it is traditional for boys to hike into the town of Weld-they walk in lodge groups with their respective counselors in charge. Also, short mountain trips, sailing, tennis, canoeing, soccer, skiing, and other activities are supervised and open for selection. Six days a week, as well as on Sundays, there is an unobtrusive yet very positive religious influence felt throughout the whole program at Kawanhee.

Sunday Service

Sailing

Sailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

The Intermediate Program—Bosun and Second Mate—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, ship-shape condition, and basic Racing Procedures.

The Advanced Program-First Mate and Skip-

per—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance, splicing, sailing traditions, the proper handling of sloops, and an in-depth study of Racing Rules and Tactics. The coveted Racing Skipper award is presented to persons who have demonstrated outstanding skill, service, and performance.

The Racing Program encourages boys to compete in three types of regattas----Part One, **Team Racing** (weekly Grey and Maroon----Part Two, **Individual Racing**-the final regatta----Part Three, **Match Racing** in the Cape Cod Knockabouts. Any boy earning Second Mate, receives credit for Part One in Basic Sailing. Those earning First Mate, receive credit for Part Two, and those earning Skipper, receive credit for Part Three.

The highest honor of Sailing - the Skipper Award - is presented by Sailing Master, Tom Taylor.

The Skipper Award was earned by Mack after three summers of practice and study.

Basketball

Basketball appeals to all ages. Mosquito League winners Chum's Bums are shown on the right. In the Senior League the Long Johns defeated Watson's Wonders in the last seven seconds of a breathtaking drama.

Wrestling

WRESTLING—Many boys select wrestling as part of their daily program. They are trained in small groups. Those who are interested are matched, by weight, in the annual tournament, which is one of the highlights in the athletic program. Our new wrestling building is one of the finest in the state with a mat area of 30 by 30 feet. See page 36 for Ribbon Awards.

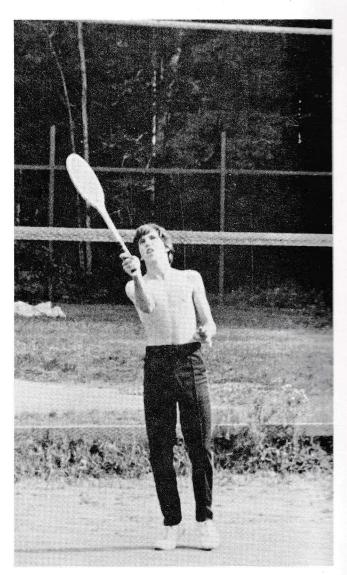

Tennis

Three counselors give their full time to coaching tennis. Three clay courts are occupied throughout the day. Special classes are organized for beginners. Singles and doubles tournaments are scheduled the last week of camp.

A happy tennis group with their instructors

Soccer

Interest in Soccer has risen with rapid acceleration over the past few summers. The expertise and enthusiasm of Spanish campers has contributed greatly to this new emphasis. In the accompanying photo, Tom Johnson, David Kindle, and Cam Bartlett close in on camper X (with hair over face). See page 36 for '77 Soccer awards.

Bass Rock Swimmers (swam ¾ mile distance)

Swimming

Kawanhee Cove, with its fine sandy beach and clear sparkling water, is unsurpassed as a safe and ideal setting for every conceivable type of fresh water sport.

The first two days of the season, each boy is classified as to his swimming ability. Boys working for their Basic Water Safety, Non-Swimmers and Advanced Beginners, who cannot swim 100 feet, receive individual instruction daily.

At these hours, several boys will swim the 1/8 mile cove, to be followed the next day with the 1/4 mile lake swim. The morning free-for-all swim, (just for fun), is at 11:30, and the afternoon swim is at 4:00 o'clock. If the day has been hot, a twilight "free-swim" is enjoyed by the entire camp.

Accredited Red Cross Guards are stationed on the docks during all free-swim periods. The Buddy System is followed, and no boy is permitted to enter the water until he has chosen his buddy. Each boy must pass swimming tests before he is privileged to use the boats. A Beach Guard is on duty to sign boats out, to check them back in, and to emphasize safe handling.

The Big Aquatic Meet of the week is held Saturday afternoon. This is the time when Greys and Maroons compete for honors. There is swimming, rowing, canoeing, water skiing, water polo, and sailing races. The competition is keen and exciting.

Under the auspices of the American Red Cross, Kawanhee conducts classes in Basic Water Safety Rescue. Following several weeks of practice, boys are tested and the following campers earned their B.L.S. (Basic Life Saving), a hard earned but highly valuable achievement!

Geoff Arthur, Peter Cano, Andrew Detrick, Ed Fleming, John Frey, Doug Fulmer, Juan Fuster, Buddy Godwin, Bob Harlow, Jay Huguley, Tod Oliva, Jeff Van Inwegen, Vance Van Inwegen, Andrew Wallace, Doug Walters.

A.L.S. (Advanced Life Saving) is for the older, more mature boys, and in '77 four campers won this fine honor. These boys (Wilson Cordova, Wynn Parrish, & Dave Yale in front and Ricardo Fuster, rear, center) are shown with their instructors, Peter von den Honert, holder of W.S.I. (Water Safety Instructor) and Tom Harrington, Advanced Life Saver.

A LITTLE ROUGH — BUT THRILLING

Kawanhee's 14-ft. Glastron ski boat with its 70 h.p. motor makes for thrilling experiences for all age skiers. Our instructors have had several summers experience, and patiently encourage the new learners. All skiers must wear life belts. The campers themselves voted skiing one of the five most popular activities in camp.

PADDLE WINNERS — '77
A Proud Moment in a Camper's Life

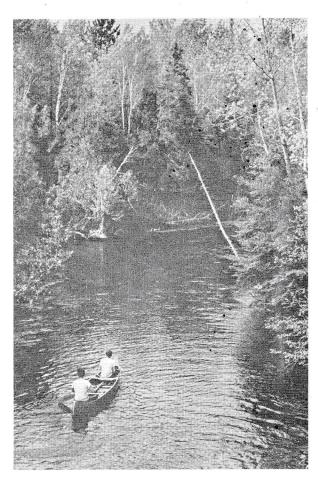

Canoeing

There is no activity in camp that surpasses the fun of canoeing on Lake Webb. Before using the canoes, each boy must pass swimming and canoe tests, and win his right to a paddle.

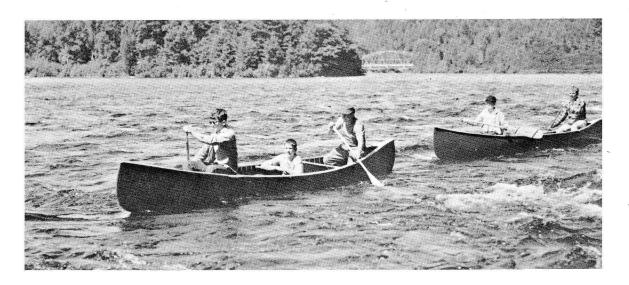

The camp furnishes paddles for each canoe but not for each individual boy. Those who prefer to have one of their own—with symbols of accomplishment painted on the blade, may purchase it, at cost, at the boathouse.

To win his "C", a boy must swim the Cove, one-eighth mile. If he swims the lake in front of the camp, one-quarter mile, he receives a grey and maroon bar painted at the top of the blade. After passing the advanced canoe test, two bars are added at the bottom. Basic Life Savers 12 to 16 yrs. of age, receive a B.L.S., between the top and bottom bars. Advanced Life Savers, 16 yrs of age and older, receive the A.L.S. between the bars.

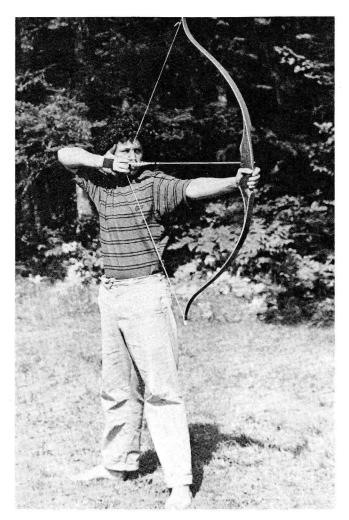

Jr. C's—boys 7, 8 and 9 years of age, who receive canoe privileges, must stay within the cove and in sight of the Beach Guard.

Jeff Sengelmann is pictured here showing the form which earned him the coveted "Robin Hood" award in '77.

Archery

In every American boy there lurks the urge and spirit of "Robin Hood", to pull a strong bow and send an arrow true to its mark.

The camp furnishes all equipment. There are the great six-foot bows, powerful enough to bring down a deer or the largest moose that roams the woods of Maine. Then there are the smaller bows and arrows such as any Indian would handle with pride.

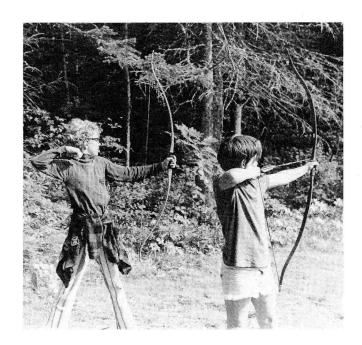

Under the regulations of the National Camp Archery Association, the following medals are awarded at the Saturday night Camp Fires.

Riflery

Several high medal marksmen are developed each year on Kawanhee's ten-point range. Over forty-one thousand rounds of ammunition were shot in '77. Every boy learns the correct and safe way to handle a gun. The camp furnishes guns although several boys prefer to bring their own to camp. Under the auspices of the National Rifle

Association, boys shoot for the following medals, which are awarded at the Saturday night Camp Fires:

- 1. Pro-Marksman 2. Marksman 3. Marksman 1 Class 4. Sharpshooter 5. Bars 1-2-3-4-5-6-7-8-9

Shopwork

Craftsmen of '77

Our shop is the busiest place in camp. On rainy days it is filled to capacity. Three experienced teachers of Industrial Arts devote their full time to the work. Boys are carefully guided in using power equipment.

Boats of all descriptions are being made, including 15—14 and 27 inch racing yachts, motor boats, aircraft carriers for Jr C's—Beautiful inlaid tables, hand carved trays, slalom skis made of laminated mahogany, and painted plaques, metal work in pewter, brass and copper, birch bark bird houses, rustic furniture, rifle racks, etc.—In the leather working section, belts, billfolds, key holders, with many of the pieces hand tooled with special designs, are in the process of completion. There's never a dull moment in the shop.

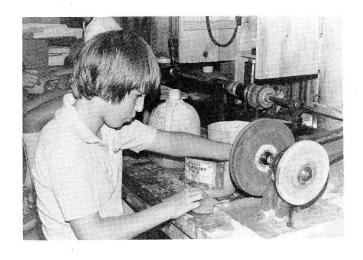

Kawanhee's Motto

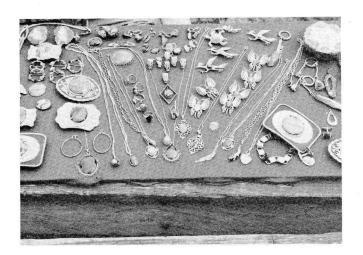

"Finish What You Start"

Learning From Nature

Kawanhee is unusually rich in natural beauty, with plant and animal life in abundance. "Learning by doing" is the Kawanhee way and nowhere in camp is this more observed than in the Nature department. Acquaintance with wild life is gained by caring for pets in the camp zoo, pursuing birds on trips afield, and observation of the beaver colony a short distance from the camp.

Overnight trips are made occasions for study of the stars, simplified by the "stellarium" in the Nature Museum which flashes familiar constellations later to be identified under the open sky.

Microscopic observations, study of ferns and fungi, moth and butterfly propagation, nature photography and other fields of original research voluntarily chosen, are open to boys who wish to become "Naturalists," the highest honor the department confers. Such activities aim to quicken appreciation, awaken interests and develop resources which will in many cases continue throughout the boy's life.

MINERAL MINING TRIPS—The splendid collection of minerals noted below, were mined at Newry, where the boys go to add to their rock collections. Each specimen was identified, carefully labeled and placed in a mineral box. Every boy has the thrill of finding beautiful green tourmalines and clear quartz crystals. The more fortunate may emerge with pieces of beryl, rose and smoky quartz, green, black, and pink tourmaline, or even amethyst.

THE LAPIDARY SHOP—The strange fascination that rocks and minerals possess for many boys is given added stimulus by the lapidary equipment which is a part of the Nature Department's expanding interest in geology and mineralogy. The equipment consists of diamond saws for slicing or cutting, horizontal metal disks for rough grinding, and a series of wood and metal wheels for polishing.

The Junior C Program

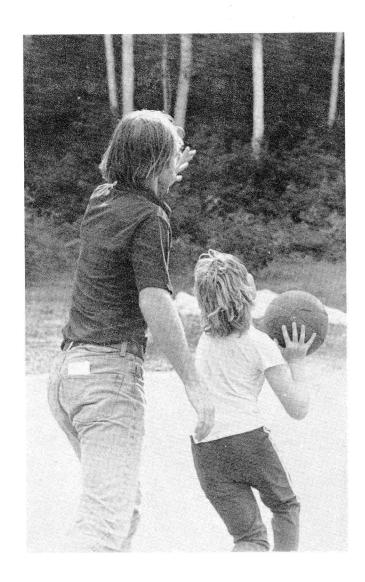

For Boys 7-8 and 9 Years of Age

Many parents who appreciate the value of mature leadership for their younger boys are ampliing them at Kawanhee. Perhaps at no other age does camp offer more glamour and appeal. The days are never quite long enough. They learn to live and play happily with boys their own age, develop self-confidence, resourcefulness, and a spirit of comradeship.

For the coming season there will be hours to play on the sandy beach and grow strong in the mountain air and sunshine; time to sail small boats and fly toy airplanes; to explore fields and woods under trained leaders and learn many of Nature's wonders. In the shop, they will enjoy boat building, metal and leather work.

Each boy will learn to fish and swim and row. Some will even swim the one-eighth mile across the cove, and the one-quarter mile across the lake, and receive the coveted paddle and use of cances in the cove. Best fun of all will be trips to the nearby mountains, or rowing across the lake to sleep in an Adirondack lean-to, and cooking over an open fire. Baseball, tennis, archery, range, skiing and aquaplaning, will be carefully taught under safe supervision.

Throughout the entire program the importance of adequate rest is emphasized. A quiet hour from 1:00 to 2:00 precedes the afternoon activities. Taps is at 9:00.

WINNERS OF J.M.G. AWARDS IN '77
Dave Evans and Tom Newbold
with instructors
Ralph Tice and Charles Ward

Campcraft — Junior Maine Guide

THE CAMPCRAFT program appeals to boys who enjoy the fun of camping out. Preparation for trips is an important part of the program—learning the safety rules in cooking over an open fire—how to make rain-proof shelters and comfortable bough beds—how to make and follow trails through the deep woods—how to fish, and the best bait to use.

THE JUNIOR MAINE GUIDE Program is of special interest to boys 14 yrs. and older. Under the coaching Counselors in the Campcraft Dept., they train in July before leaving for the testing area at Lake Mooselookmeguntic—about 50 miles from camp. They must select and develop their own campsite in virgin wilderness, where they remain for the four-day testing period.

The J.M.G. program was organized by the state under the direction of Registered Maine Guides.

BOYS FROM 12 to 15 camps compete each year. Candidates must pass the requirements in twenty separate tests, including axeman-

ship—canoeing and canoe repairing—wet-dry fire building—topographical mapping—personal shelters—reading and following the compass, first aid, and cooking. To win this coveted award in three seasons is an accomplishment of which any boy may well be proud. During the season of '77 Dave Evans and Tom Newbold completed the J.M.G. tests their second season. We congratulate these boys and their coaches, Ralph Tice, Dir. of Campcraft, and Charles Ward.

TRIP PROGRAM

From the days of Henry Thoreau, Maine has been one of the most favored regions for camping in the country. With its great stretches of unspoiled forests, its thousands of clear, sparkling lakes, its fine fishing and lofty mountains, it's the perfect answer to a boy who yearns for the opportunity to explore, to hike in the woods, to spy on God's creatures in the great out-of-doors. Every boy is invited to participate in Kawanhee's Tripping Program, and practically all campers are eager to accept the exciting challenges.

The following pages will acquaint you with our program of CANOE TRIPS, MOUNTAIN TRIPS, and SHORE TRIPS.

THE KENNEBEC RIVER TRIP—For the boys who are interested in an all-river trip, the 35-mile one-day cruise down the Kennebec is hard to beat. It is especially suitable for younger boys. There is plenty of wild country and good stretches of fast water to tempt the adventurous spirit of any boy.

The Soco is not a white-water river. It is sandy and shallow with no rapids, and is ideal for boys who may look forward to more strenuous trips in another year. We leave camp after breakfast, and return for supper the following day. The trip of 18 to 20 miles will be scheduled again in '78.

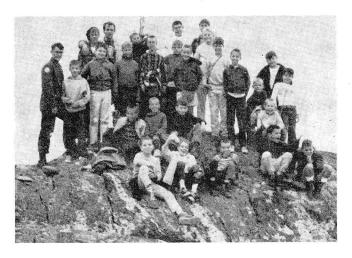

THE CHAIN-O-PONDS TRIP—A three-day trip for Jr. B's, and one of the most interesting trips out of Kawanhee. It is 85 miles from camp, and passes through a country of dense forests and rare scenic beauty. We reach the Ponds in the early afternoon and proceed at once to unload—paddle to our campsite, which is accessible only by water, and make camp for the night.

A highlight of the trip is the Horseshoe Stream, which flows into the Chain from Canada. It is navigable for nearly two miles.

THE SOCO RIVER TRIP—This over-night trip is of special interest for boys 10 years of age who have swum the lake and passed their canoe tests.

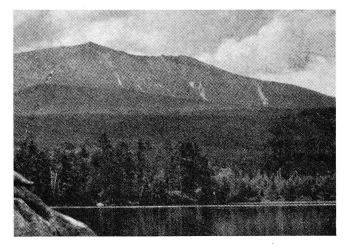

THE UPPER ANDROSCOGGIN RIVER TRIP—This thrilling two-day trip is limited to boys who have first taken the Kennebec River Trip. It's a white-water trip most of the way and tests the skill of advanced canoeists who must prove their skill in handling a canoe in fast water before they are permitted to take this trip. Lifebelts or vests are worn on all canoe trips.

THE OUTPOST CAMP TRIP ON SWIFT RIVER—The two and three-day trips to the Outpost Camp on Swift River are of special interest to boys in all groups. This is the trip that every healthy, normal boy dreams about, long before camp opens.

Mountain Trips

Good Training For Football

TUMBLEDOWN MOUNTAIN—Across from camp, at the end of the lake, rise the peaks of Tumbledown, the Jacksons, West, and white-topped Blueberry—climbed for the first time in '54 by Kawanhee boys, blazing a trail as they went. There's always a thrill on Tumbledown, from a crawl through "Fat Man's Misery" and the "Lemon Squeeze", to curling up in a sleeping bag near the summit on a moonlight night.

MT. KATAHDIN TRIP—There is no trip in New England that surpasses the one to Mt. Katahdin, Maine's highest mountain, and declared by experienced mountain climbers the most spectacular and beautiful elevation east of the Rockies. Thrusting is spruce-clad slopes and rocky summit a mile into the clouds, this giant of the East is the first spot in the United States to greet the morning sun.

The trip takes three days. Enroute to the mountain we stop at Old Town, to tour the famous Old Town Canoe Factory.

THE MT. WASHINGTON PRESIDENTIALS TRIP is about sixty miles away in New Hampshire, and covers a period of three days.

The first night is spent in the Madison Huts, tucked away 4,900 feet high between Mt. Madison and Mt. John Quincy Adams. The next day we begin the circuit of the Great Gulf, climbing Mt. Adams, Mt. Jefferson, Mt. Clay, and finally Mt. Washington.

The second night is spent in the Lake of the Clouds Hut on Washington, the highest spot in New England. On all sides stretch breath-taking views. There are higher mountains in the world but none in America has filled so large a place in popular favor as this majestic peak.

MT. BLUE—A short distance from camp — and easily climbed over a trail one and one-half miles in length.

BALD MOUNTAIN—This is a favorite trip for many of the younger boys in camp — especially those who wish to "train" for the more difficult climbs later in the seasons.

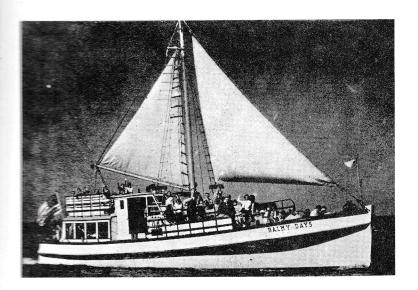

MT. BIGELOW—This trip of two days adds a touch of romance and history to the scenic beauties that are revealed from its summit. History tells us that Major Bigelow, a member of Benedict Arnold's expeditionary force that marched through the Maine wilderness to Quebec during the Revolutionary War, climbed this mountain, hoping to see the Canadian city from its top. It is 65 miles from camp.

Shore Trips

MONHEGN ISLAND TRIP—The three-day trip to Monhegan, for boys 10 years of age and older, has been so popular it has been necessary to schedule two trips each summer.

Monhegan is sixteen miles out from the mainland, at Boothbay Harbor, and abounds in history, romance and new adventure. Captain John Smith landed here in 1610.

We plan to visit Cathedral Woods, the Boars Head, the seagoing tug that went aground in '42, and also enjoy deep-sea fishing.

The Balmy Days

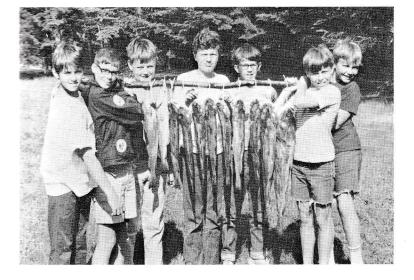

We leave Boothbay Harbor on the "Balmly Days". She has been our faithful transportation for the past 25 years. She's a trim little craft, and seaworthy in every respect. She is 60 feet in length, has two 225 H.P. diesel engines, automatic steerer, radio compass, depth recorder, radar, and radio telephone. Captain Bob Fish, a skillful skipper with over 30 years experience is in charge. He likes boys and boys like him. When it's not too tough, he lets them stand by him at the wheel.

Deep-Sea Fishing

There's fun, thrills and good fishing at Monhegan. You never know what the catch will be—cod, pollock, haddock, mackerel, or maybe a tuna. During the season of '77, over 500 pounds of cod and pollock were landed. All equipment is furnished by the skipper, including necessary bait.

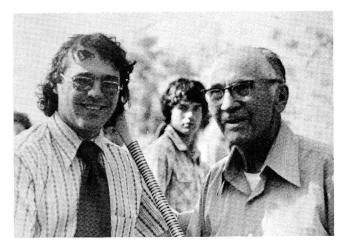

The season of '74 was the "Year of all Years" for a boy from Kawanhee, Jim Knepshield of Potomac, Md. who hooked a halibut weighing 281 lbs. The average halibut weighs 40 to 100 lbs. Jim's fish could very well be the record catch for rod, reel and 50 lb. line. Tom Taylor, and John Bockelmann, grasped the gaff and helped slide the fish into the stern of the boat. It is doubtful if this catch will ever be equalled in Kawanhee's future trips to Monhegan.

FREE TIME

Happiness Is...

Counselors Have Free Time Too!

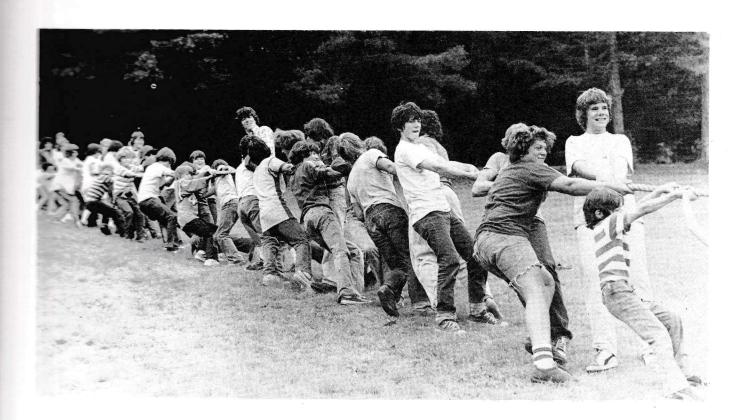

Relaxation and change of pace from our busy Kawanhee schedule is a part of our program for all campers. There are many options for a boy to choose. He may decide upon fishing some evening and pull in a couple of dozen white perch for his efforts and assure himself and friends of an extra delicious breakfast. John Bell, our Fishing Counselor, is ready to offer help to any boy wanting to learn angler secrets.

Perhaps a boy may elect to check the library & take out a book, or if he is ready for more physical activity, frisbee or tetherball are popular choices. In '77 the number one favorite, according to "Big John" Detrick was Volleyball—get-up games were invariably in progress in front of the Recreation Hall. Ping-Pong, Chess, and checkers are consistently in demand. Maybe just a stroll through camp with a friend will do the trick.

"A Traditional Maroon and Grey Tug of War"

The Greys and Maroons

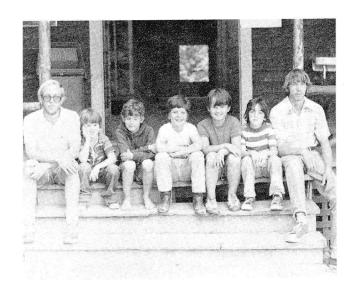

Jeff Sengelmann (left), Captain of Maroons Dave Yale (right), Captain of Greys

Much of the fun and enthusiasm at Kawanhee revolves around the Greys and Maroons—the two competing teams in camp. Every boy enrolled is included on one of the teams and endeavors to win as many points as possible for his team.

The interest and excitement increases as both groups gather for the Friday night camp fires. The names of those who have won special medals and passed achievement levels during the week are read. And then the big moment arrives. The score is announced.

During the hard-fought contest of '77, the Maroons finally emerged with 32,785 points, and the Greys with 29,929.

An Educator Tells of a Dad's Impressions of Kawanhee

By Dr. Rees Edgar Tulloss, Former President of Wittenberg University

- Tyrizater who has watched the interested face this sonin a Kawanhee campfire circle, or watched the head of a little swimmer making his way across the lake to qualify for water privileges, or bothed with fatherly pride upon the awards on a little indicating the passing of successive leads of achievement in various fields, knows with it is to appreciate the values of his son's summers at Kawanhee.

To me, far more significant than the rare beauty of its environment, its excellent physical equipment, its exhibitanting lake and mountain air, is the exception of Camp Kawanhee as a place of items.

Here is a camp where good times fill the hours, where every reasonable freedom is allowed, not as a privilege, but as a matter of right; but back of every phase of the whole well-rounded program is the conception of youthful activity ordered in such a way as to build character. What I have seen in the summertime growth of my own son and grandsons, what other parents have told me as to what Kawanhee has meant to their sons, justifies the statement that here is an effective influence in the development of worthy and enduring

qualities of personality. That in the end, is what makes a camp worthwhile.

If there were space for it, one would write of counselors chosen not only for their knowledge of some form of camp activity, but for their understanding of boy life and problems, their leadership ability, their personal worth and ideals; of junior counselors themselves in part a product of Kawanhee training; of the Sunday morning talks by the Camp Chaplain and his influence throughout the camp; of the moral tone and positive religious spirit of the camp as a whole; of the comments and confidences of sons revealing the learning of lessons of unselfishness, obedience, dependability, perseverance, confidence, courage, manliness.

Five hundred words allowed me to express appreciation, heartfelt gratitude, recognition of high ideals faithfully adhered to, of values of lifelong significance! Totally inadequate! To put it all in one sentence, Kawanhee must be placed along with home and church and school as agencies which have helped to shape rightly the ideals and attitudes of my son.

Kawanhee Inn for Parents

One-half Mile From Boys' Camp

Excellent accommodations are provided at Kawanhee Inn for parents who wish to visit their boys in camp. Many parents drive their boys to camp and remain to enjoy the cool refreshing air of early July weather. Others arrive by the middle of July, or a week early in August, and drive their boys home at the close of camp August 13.

INFORMAL, FRIENDLY AND INVITING—The atmosphere is relaxed and casual dress is appropriate for a restful vacation.

DELICIOUS FOOD—The popularity of Kawanhee Inn's dining room is due to the quiet surroundings. We specialize in family dining, natural and gourmet foods. There are shore dinners and an elaborate buffet Sunday nights.

RECREATION—There's good fishing, a sandy beach for safe swimming, tennis, boating, canoeing, sailing, mountain climbing, antiquing and a fine golf course only 20 minutes drive from the Inn.

THE INN OPENS June 15th and closes Labor Day. Some cabins are available with rates that include board and lodging, maid and cabin boy service. Efficiency cabins are also available at a weekly rate.
