

1985

CAMP KAWANHEE

for Boys

A Message To Parents

George ("G.R.") Frank and his brother Raymond ("R.C.") Frank founded Camp Kawanhee in 1920 as a character building force for boys. Their basic philosophies remain alive as a vital part of Kawanhee's spirit. The Kawanhee mottos "Fun With A Purpose", "Learn To Do By Doing", and "Finish What You Start" still serve today as motivating forces in the lives of Kawanhee campers and counselors.

The Directors of Camp Kawanhee believe that when a youngster starts for camp, three people from his home go to that camp, for just as surely as the boy is there in person, his mother and father are with him in spirit.

At Kawanhee your boy will be comfortably housed with boys his own age in a dry, sanitary cabin.

He will be fed the finest of nourishing foods and in quantities to satisfy the ravenous appetites of growing boys.

At the slightest sign of sickness, he will be under the care of a registered nurse who is in attendance through the season. Hospitals are within thirty minutes drive of the camp.

Swimming, boating, canoeing, sailing, and skiing are all carefully supervised by qualified personnel. No boy is permitted to take out a boat by himself until he has passed the necessary swimming and boating tests, and

a beach guard is on duty to supervise boat sign-outs and check-ins.

He will be under the guidance of experienced men. There is one man for every five boys enrolled. A senior and junior counselor are assigned to each lodge. Boys are never left alone at night. One man is always on duty.

He will live for seven weeks in a climate famous for its invigorating air and sunshine, and will return to his home in the fall, healthy, rugged and brown.

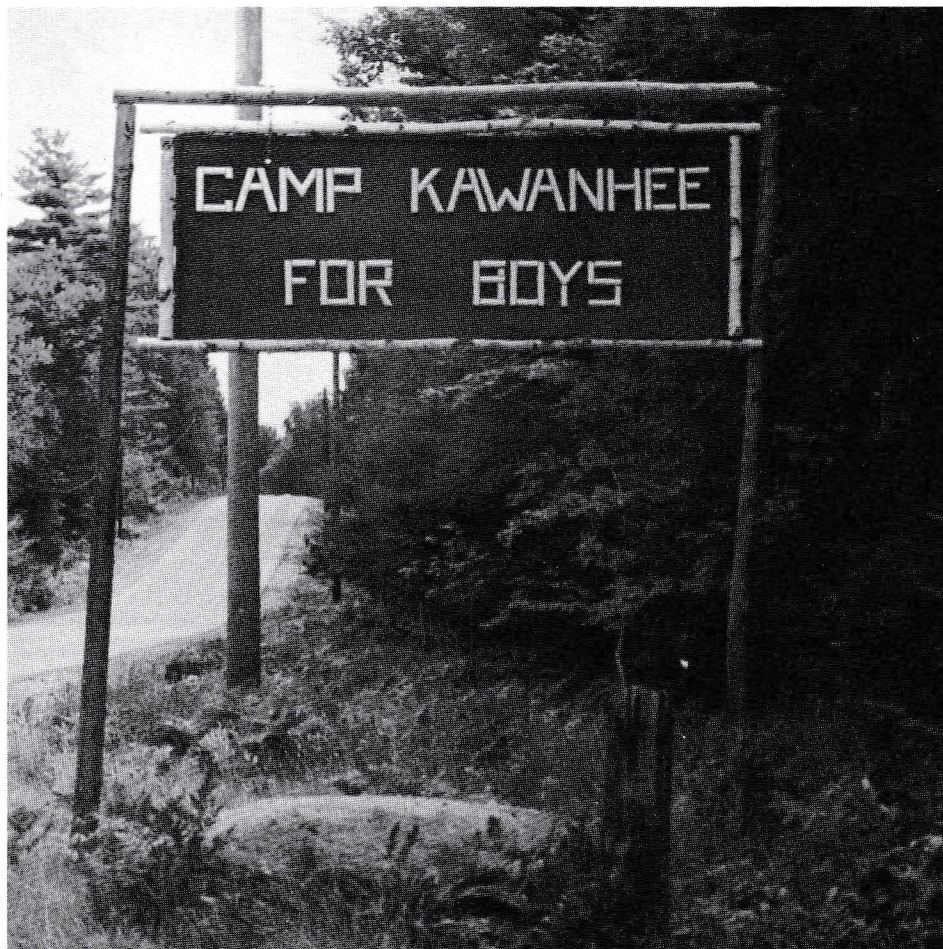

Through encouragement to progress in various activities, he will grow in self-reliance, initiative, and perseverance.

If he is timid and shy, or a poor mixer, he will be encouraged in developing a higher degree of confidence as he reaches out to capture new goals of accomplishment.

Hundreds of cases can be cited where a boy's whole attitude and outlook were changed when he found something in which he could excel and in which he won recognition. Such experiences, day after day, build backbone and dependability during the early formative period of boyhood.

With new vision and understanding, he will return to his home in the fall, a boy of courage and bigger powers.

Season 1985

From June 23rd to August 11th

Junior C — Junior B — Junior A and Senior Divisions
For Boys 7 to 15 Years

SIXTY-FIFTH SEASON

(Kawanhee celebrated its Golden Anniversary in 1970)

Managing Director

Tenafly, New Jersey 07670
Phone 201-569-8159

Chief Kawanhee challenges the campers to live up to their potential throughout their summer experiences. As shadows lengthen and the stars appear, we gather for our camp fires at Council Point. It is here that the heart of camp life glows as boys and men sit before the blazing fire, enjoying their games and stunts, the presentation of awards, and the reading of the Grey and Maroon Camp Score for the week.

An Ideal Location

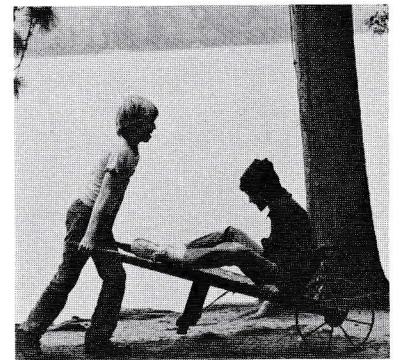

Safe, Healthy, and Thrilling for Growing Boys

Camp Kawanhee is located on the east shore of Webb Lake, at Weld, Maine—eighty-five miles north of Portland, and thirty miles south of the Rangely Lakes. It has a shore line of woods and sandy beaches. Early legend tells us that Chief Kawanhee and his braves lived here for many generations.

The exceptional location of the camp has been pronounced by men qualified to judge camp sites, as one of the finest natural settings for a boys' camp in the country. There is a protected cove and sandy beach for safe swimming, miles of pines and pointed firs, invigorating air, cool nights, and refreshing sleep. Neither word nor picture can do full justice to its delightful, well-adapted location.

Lake Webb is five miles long and two miles wide, and is completely surrounded by mountains. The water is clear and pure and never too cold for the early morning plunge. It averages between 72 and 78 degrees at the late morning swim period.

The surrounding country is wild and rugged and appeals to the adventurous spirit of growing boys. Just to run, to swim, to follow trails over lofty peaks, to spy on deer and moose as they come to the lake to drink, to investigate beaver dams, to sit by glowing camp fires at night, or lie in a sleeping bag under the stars and listen to strange noises of the deep woods—What a life! Such thrilling experiences make every boy become a bigger, better, and more self-reliant man.

Camp Staff 1984

LODGE COUNSELORS—'84

Michael ("O.J.") Altmaier, Deer Lodge . . . *Tennis Director*
History Teacher and Tennis Coach, Bath, Maine
Charlie Ballenger, Hawk Lodge *Sailing Instructor*
Student, Indiana University
John Bell, Badger Lodge *Co-Director of Tripping & Fishing*
Student, University of Maine

Madrid, Spain

CAMP MANAGEMENT

Walter Estabrook, Managing Director of Camp Kawanhee for the past 12 years, is a former camper and counselor at Kawanhee. A graduate of Wesleyan University, Middletown, Conn., he served in World War II as overseas Athletic Director of a U.S. Naval Air Base. He has had extensive experience in Sales and Purchasing, and following 26 years of service with the Brown Steel Co., Columbus, Ohio, Mr. Estabrook recently retired to devote full time to Camp Kawanhee. The Estabrooks' three sons have all been campers and counselors at Kawanhee, and their daughter has been a counselor at Camp Kawanhee. The Estabrook family is active in their church in Bexley, Ohio.

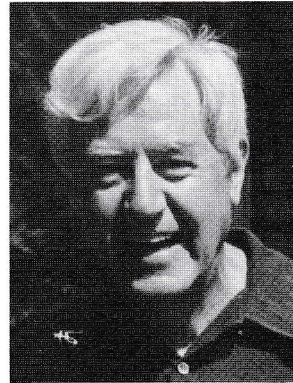

Mr. Estabrook's wife, Jane Estabrook, Assistant Director, is a graduate of the University of Wisconsin, Stout College, with a major in Home Economics. She has had advanced work in Hospitality Management and Food Service. She served for several summers as Food Production Supervisor at Kawanhee. She is currently in charge of bookkeeping at Kawanhee.

Herbert Birch, Assistant Director, and Kawanhee's Eastern Sales Representative, has been one of the camp's most loyal and enthusiastic supporters for 41 years. His vast knowledge of "good camping" has contributed to Kawanhee's enviable reputation as one of the best camps in the New England area.

John Detrick, Assistant Director, has been a camper or counselor at Kawanhee for a total of 17 years. He is a graduate of Ohio Wesleyan University, Delaware, Ohio. For the past 20 years he has been Physics and Mathematics Master at an all-boys school—The Columbus Academy. Mr. Detrick's three sons have been campers and counselors at Kawanhee, and two of them will be on our 1985 staff.

Steve Yale, Co-Director of Activities, has been a camper or counselor at Kawanhee for 12 years. For several summers he was Director of Wrestling at Kawanhee, and then he served as Director of Kawanhee's Tripping Department for two seasons. In 1982 Steve was Program Director of the YMCA in Bath, Maine and Director of that organization's summer camp. A graduate of the University of Maine at Orino, Steve is currently working for his Masters of Business Administration as a Grad Student at the University of San Francisco in California.

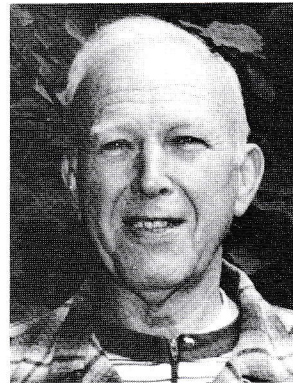

Mark Standen, Co-Director of Activities, has been a part of the Kawanhee family for 15 seasons as camper or counselor. He too, like Steve Yale, at various times in his Kawanhee career, was Director of Wrestling and Co-Director of the Tripping Department. Also, Mark heads up our Kayaking program. After serving as a high school teacher and coach for 9 years, Mark has enrolled in the University of Maine Law School for the fall of 1984. He and his wife Liz and daughter Mary live in Freeport, Maine.

Food And Facilities

"We want the cook! We want the cook!" This familiar phrase is a frequent cheer in our dining hall, and is our campers' way of expressing appreciation for the delicious meals. Our basic philosophy is to plan well balanced menus which are both appetizing and nourishing for healthy, hungry campers. Boys who are fortunate to celebrate a birthday while in camp receive a delicious cake for their table. Wherever possible, we will continue the successful program started five summers ago by making the move away from processed, refined foods and sweet snacks, toward whole grain, nutritive foods.

Conveniently located near the sleeping lodges are the dining hall, recreation building, wrestling building,

nature building, archery supply cabin, a shop large enough to accommodate up to thirty-six boys and four instructors at one time, a scout and campcraft building, rifle and archery ranges, the camp hospital, boat houses, the toilet building with showers and our camp laundry.

Most of Kawanhee's buildings are of heavy log construction, roomy, rustic, and built to suit our specific needs. The sleeping lodges are nestled among the pines along the shores of the lake. They are safe, comfortable, and free from dampness in rainy weather. Each is equipped with comfortable cots and mattresses, and accommodates from seven to ten boys and two counselors.

"There is no experience in my life
that could match my days at Kawanhee...."

Fred W. Hoster
Former Director of Special Services
Dallas Cowboys
Dallas, Texas

Age Distribution and Level System

Jr. C—7, 8, 9 years, Jr. B—10 and 11 years, Jr. A—12 and 13 years, Senior 14 and 15 years, Master Camper—15 and 16 years.

Physical development and camping experience, along with age, are important factors in determining the proper group for a boy.

Kawanhee's program consists of some 20 activities, and all campers are required to report daily, Monday through Friday, to their four one-hour assigned activity periods. Attendance is compulsory, although participation is not demanded if a boy and his parents request exemption from a certain activity.

During the first couple of weeks at camp, boys are scheduled to attend all activities to become better acquainted with the entire program, and to develop new interests. Following the two-week introductory period, campers may sign-out from an assigned activity, and resign back into another activity of their choice with the approval of the Program Director.

The Achievement Level is the common unit for evaluating accomplishment at Kawanhee. Progress in each activity is divided into three levels with the first level purposely designed to be quite easy to allow a boy to discover if a particular activity interests him. Levels two and three are progressively more difficult. Each of

the several age classifications has a different set of 1-2-3 level requirements, so that a boy's level challenges will match his age group.

The stimulus to complete levels is enhanced through the honors which are presented at the Saturday night campfires. Every boy needs recognition for his achievements, and it is a prized moment in a camper's life when he is asked to rise and stand before the campfire as his name is read for each level completed during the previous week. At this impressive ceremony, lodge groups form a huge circle around the big council fire. There is singing, games, and stunts, the presentation of awards, and the reading of the weekly camp log. Since each camper is a member of either the Maroon or Grey team, there is a tense silence the moment before the weekly team scores are announced—then mighty cheers led by the team captains.

As the embers glow and the stars appear we rise, face the west, and in the stillness of the woods, sing our good night song to the tune of taps.

"Day is gone—gone the sun—from the lake,
From the hills, from the sky,
All is well, safely rest—
God is nigh"

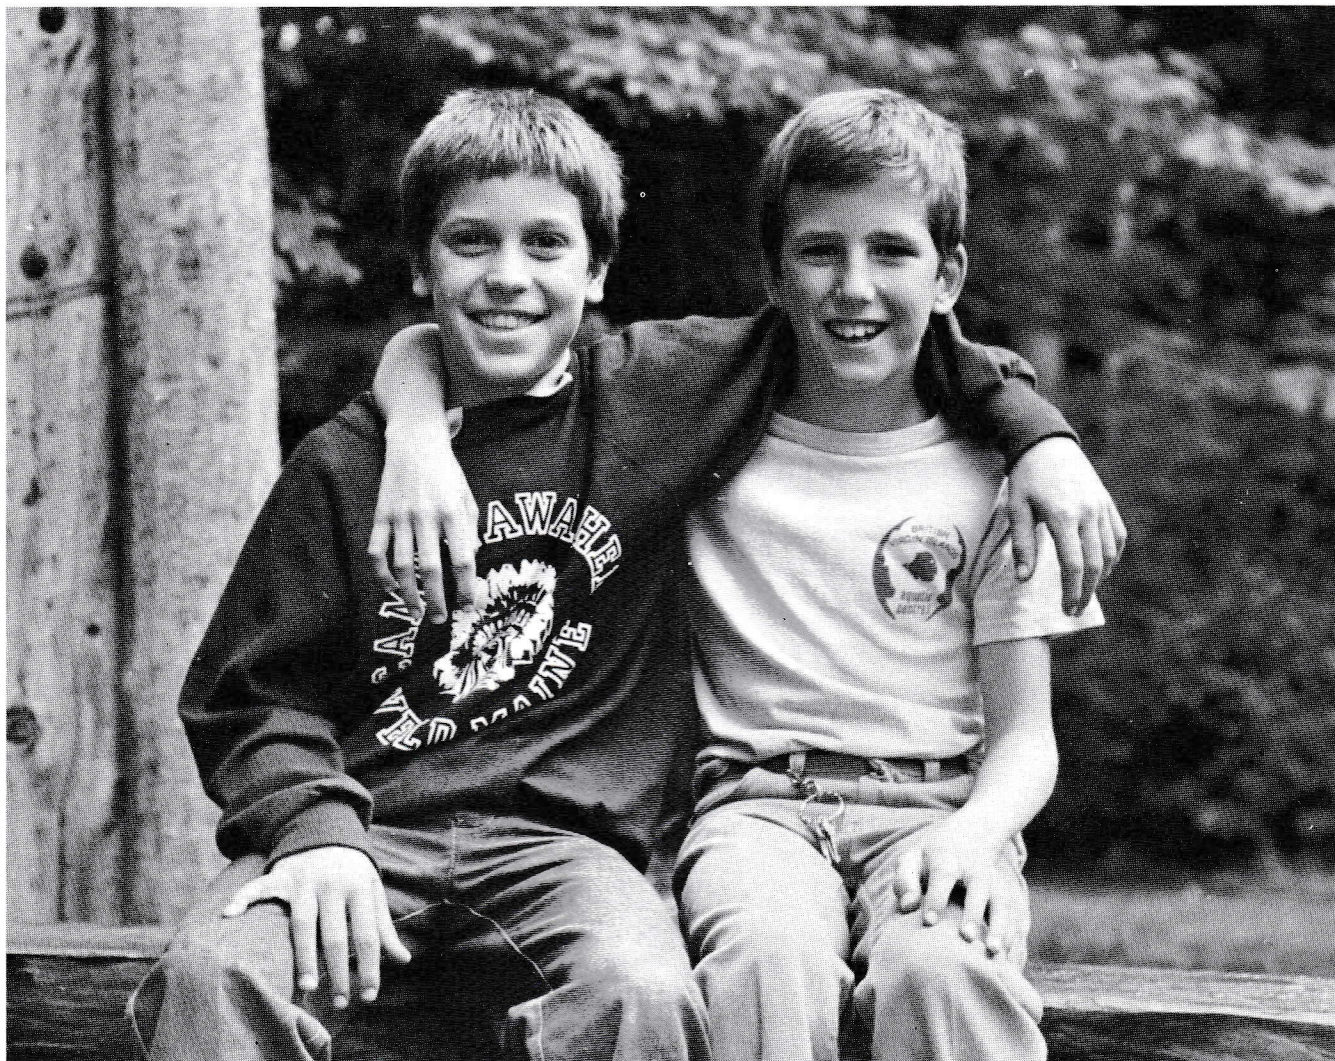

A Day at Kawanhee

A typical day (Monday through Friday) at Kawanhee starts with reveille at 7:15, and then a delicious breakfast following the flag-raising ceremony. Next, all campers share in the clean-up for lodge inspection, for which there is eager competition, as lodges winning seven inspections receive a special treat. Morning activities then follow in two periods—9:00 to 10:00 and 10:00 to 11:00, after which comes morning swim. In camp our main meal is dinner in the middle of the day, and that is followed by an hour's rest period—time enough to write a letter home, read, or take a nap. Afternoon activity periods are scheduled for 2:00 to 3:00 and 3:00 to 4:00. Free time 'til supper finds boys having fun with tetherball, fishing, or going to the library to read or play a game of checkers. Supper is at 5:30, and after our meal, boys may go sailing, canoeing, fishing, take part in a baseball or softball game, play "capture the flag", or another challenging game. At 7:30 all lodges gather in the Recreation Hall for movies, singing, stories, or camp shows.

On Saturdays special events are scheduled, such as

water meets, track meets, mountain climbs, Little-League games, soccer, or tennis matches. Certain activities, such as Shop, are scheduled to permit boys to work on projects. In the evening extra events, such as a talk by a Forest Ranger or a Senior Maine Guide, prove to be educational and fascinating for all hands.

Sundays at Kawanhee are spent quietly. Our religious life is non-sectarian. Lodge groups walk to council point where we assemble on the side of the hill facing beautiful Lake Webb, sing hymns, and listen to an inspirational talk by one of our chaplains or by one of our counselors. Catholic boys are taken to Mass at Wilton, twelve miles from camp. In the afternoon it is traditional for boys to hike into the town of Weld—they walk in lodge groups with their respective counselors in charge. Also, short mountain trips, sailing, tennis, canoeing, soccer, skiing, and other activities are supervised and open for selection. Six days a week, as well as on Sundays, there is an unobtrusive yet very positive religious influence felt throughout the whole program at Kawanhee.

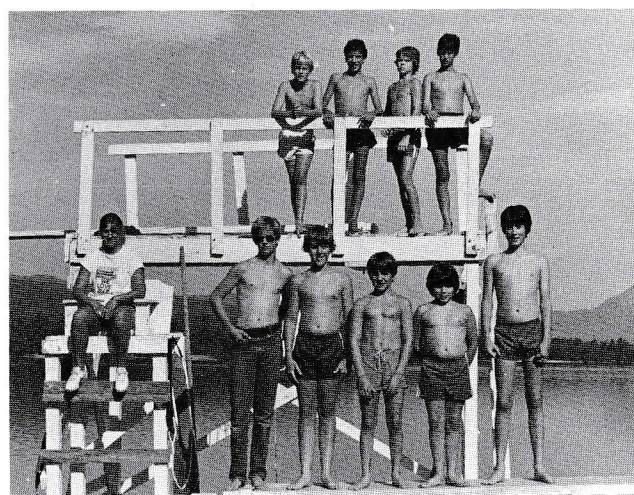

Sailing

"As a single parent, I appreciate very much the fact that the boys can experience the comradeship between counselors and campers at Kawanhee. It has been a valuable experience for both boys. Regards."

Ros Gibson
Moorestown, N.J.

Sailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

The Intermediate Program—**Bosun** and **Second Mate**—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, ship-shape condition, and basic Racing Procedures.

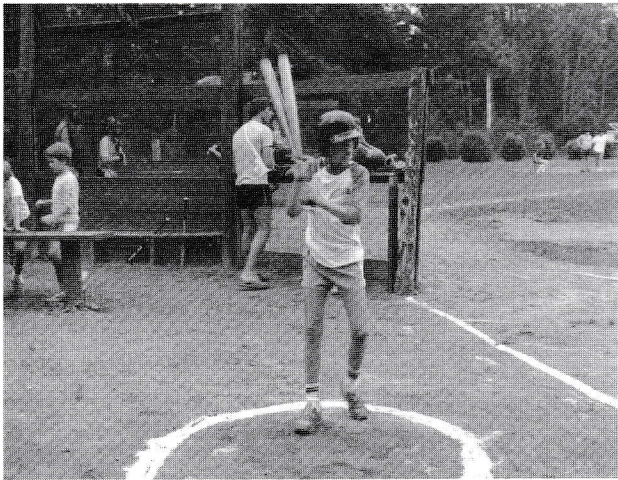

The Advanced Program—**First Mate** and **Skipper**—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance,

splicing, sailing traditions, the proper handling of sloops, and an in-depth study of Racing Rules and Tactics. The coveted **Racing Skipper** award is presented to persons who have demonstrated outstanding skill, service, and performance.

The Racing Program encourages boys to compete in three types of regattas—Part One, **Team Racing** (weekly Grey and Maroon)—Part Two, **Individual Racing**—the final regatta—Part Three, **Match Racing** in the Cape Cod Knockabouts. Any boy earning Second Mate, receives credit for Part One in Basic Sailing. Those earning First Mate, receive credit for Part Two, and those earning Skipper, receive credit for Part Three.

An exciting addition to the Kawanhee fleet in 1984 was the purchase of two Wind Surfers. These proved to be very popular and more boys than ever before signed up for Sailing so they could enjoy the challenge of wind surfing.

Basketball

1984 witnessed the advent of Kawanhee's new 2-1/2" blacktop hard-surface Basketball Court. Basketball Coach Jamie Robinson reported that Basketball enthu-

siasm and participation have doubled over previous seasons because of the new installation.

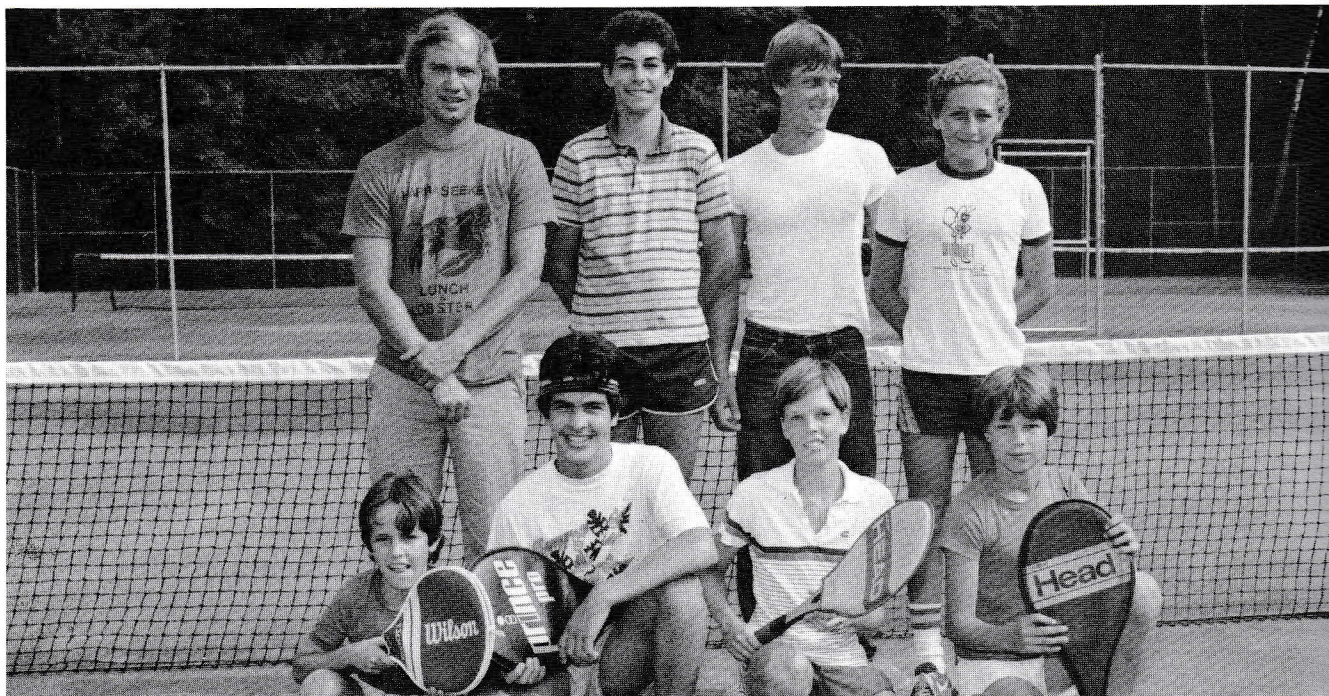

Tennis

Coach "O.J." Altmaier and his staff increase tennis popularity each year.

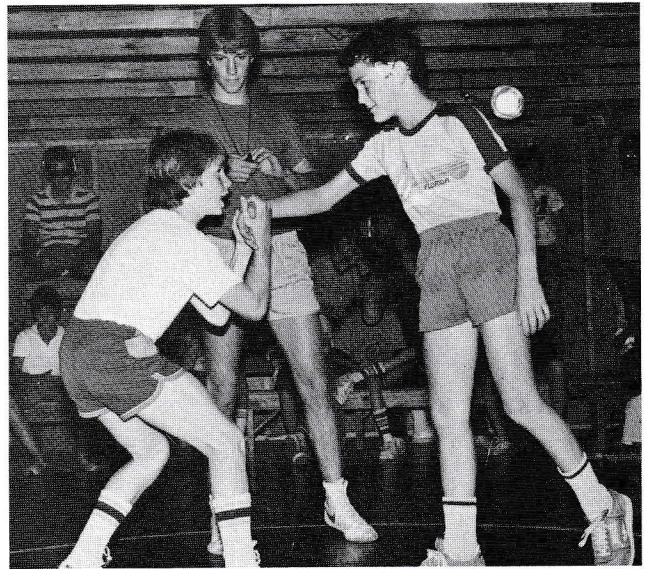

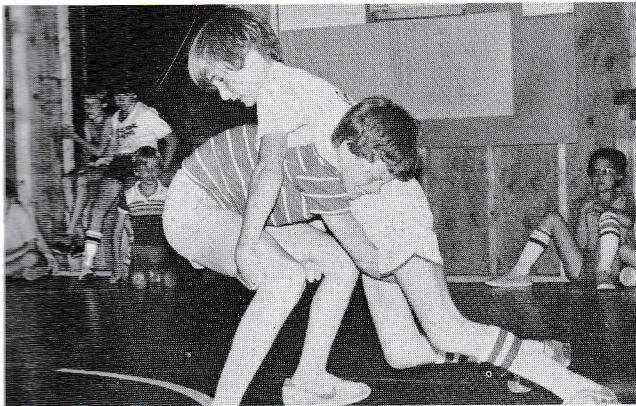

Kawanhee's fourth new clay tennis court was put into action at the start of the 1984 Season, and with four full courts operating regularly, interest and enthusiasm were at an all time high. Coaches "O.J." Altmaier and Gordon Starr proudly escorted their teams to the Maine camp tournament at Camp Wekeela, and we are happy

to announce that Kawanhee won second place in both Singles and Doubles. As we had anticipated, tennis popularity hit a new high at Kawanhee in '84 thanks to the beautiful new facility which has been described by the New England Tennis Court Company as one of the finest quality set of courts in the state of Maine.

Wrestling

WRESTLING—Many boys select wrestling as part of their daily program. They are trained in small groups. Those who are interested are matched, by weight, in the annual tournament, which is one of the highlights in the athletic program. Our wrestling building is one of the finest in the state with a mat area of 30 by 30 feet. See page 33 for Ribbon Awards.

1984 Wrestling Winners

Soccer

Interest in Soccer has risen with rapid acceleration over the past few summers. The expertise and enthusiasm of Spanish campers has contributed greatly to this sport. See page 33 for '84 Soccer awards.

Junior League Champs

"I feel Mark is being offered an experience of a lifetime."

Judge and Mrs. Valore

Senior League Champs

Swimming

Kawanhee Cove, with its fine sandy beach and clear sparkling water, is unsurpassed as a safe and ideal setting for every conceivable type of fresh water sport.

The first two days of the season, each boy is classified as to his swimming ability. Boys working for their Basic Water Safety, Non-Swimmers and Advanced Beginners, who cannot swim 100 feet, receive individual instruction daily.

During swimming periods, several boys will swim the 1/8 mile cove, to be followed the next day with the 1/4 mile lake swim. The morning free-for-all swim, (just for fun), is at 11:30, and the afternoon swim is at 4:00 o'clock. If the day has been hot, a twilight "free-swim" is enjoyed by the entire camp.

Accredited Red Cross Guards are stationed on the docks during all free-swim periods. The Buddy System

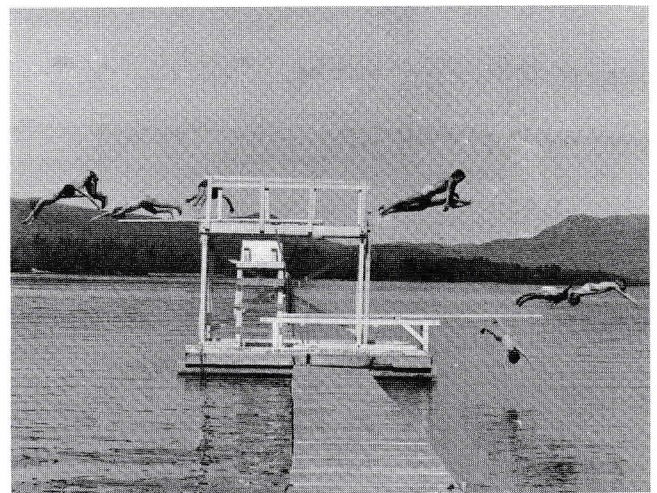

is followed, and no boy is permitted to enter the water until he has chosen his buddy. Each boy must pass swimming tests before he is privileged to use the boats. A Beach Guard is on duty to sign boats out, to check them back in, and to emphasize safe handling.

The Big Aquatic Meet of the week is held Saturday afternoon. This is the time when Greys and Maroons compete for honors. There is swimming, rowing, canoeing, water skiing, water polo, and sailing races. The competition is keen and exciting.

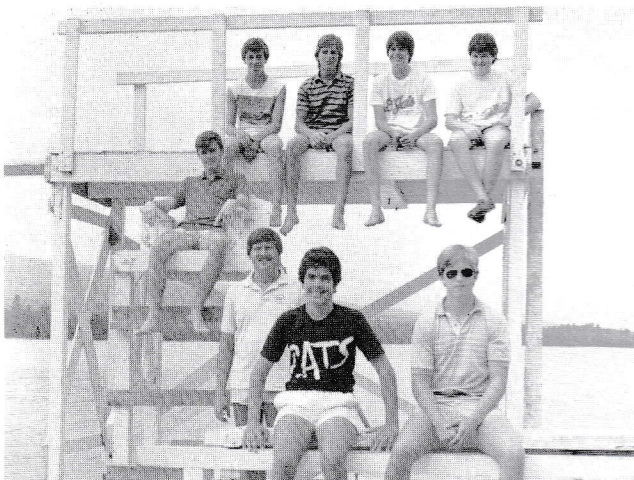

Under the auspices of the American Red Cross, Kawanhee conducts classes in Basic Water Safety Rescue. Following several weeks of practice, boys are tested and the campers shown in the below pictures earned their B.L.S. (Basic Life Saving), a difficult but highly valuable achievement!

Basic Life Saving (B.L.S.)

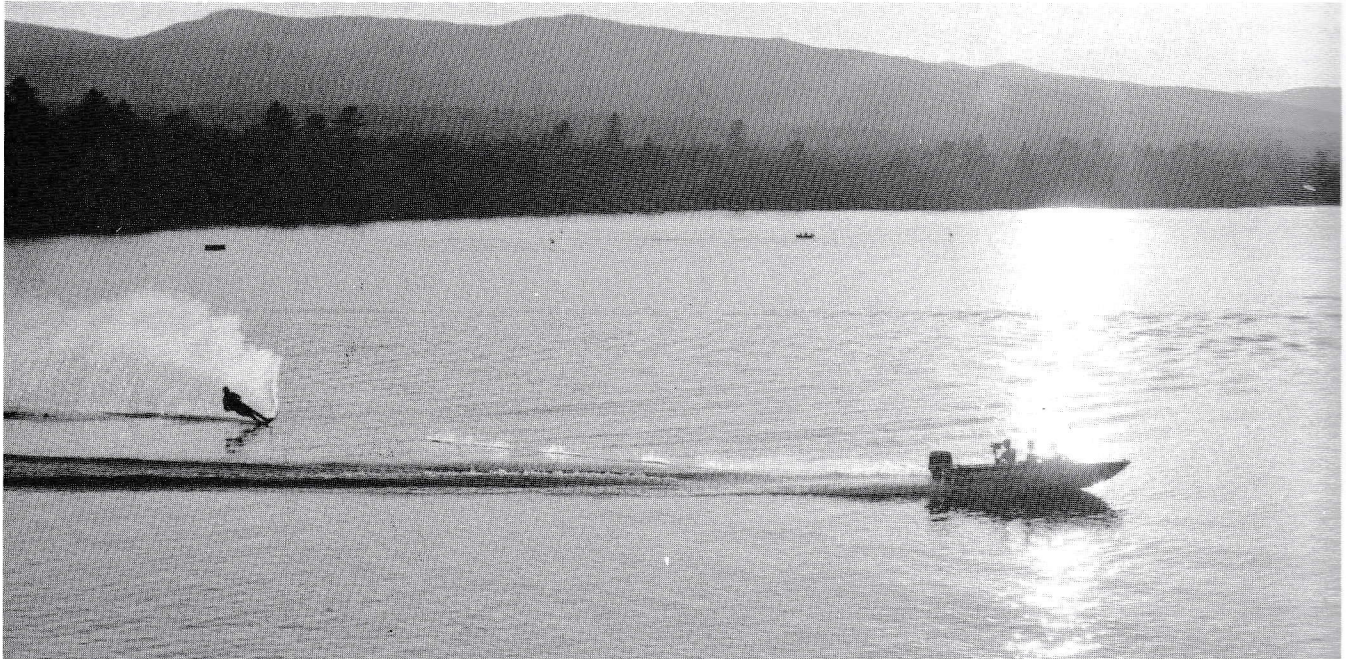

Bass Rock Swimmers: Borja Arteaga, Derek Barnes, Scott Barnes, Marc Banasik, David Bloomfield, Alex Brito, Chuck Compher, Andy Coward, Jason Eldred, Bryan Evans, Owen Feeney, Al Fuster, Ned Gerhold, Fernando Guasch, Mark Hoffman, Andrew Iverson, Jason Krumm, Michael Lacqua, Jamie MacPeak, Matt Miller, Patrick Moran, Gregg Mullen, Jim Norian, Miquel Olazabal, Peter Roberts, Javier Santos, Peter Sengelmann, Rob Studebaker, Mark Valore, Ross Whiting, Pedro Zapata.

A.L.S. (Advanced Life Saving)

10 Mile Swim: Inigo Ballestero, Alex Brito, Andy Coward, Hung Dang (16 miles), Art Eldred, Jason Eldred, Carlos Fuhrmeister, Edwardo Fuhrmeister, Al Fuster (65 miles), Brian Gibson, Fernando Guasch (40 miles), Andrew Iverson, Jason Krum, Miguel Olazabal, Jose Otero, Miguel Perez (12 miles), Jamie Pobil (13 miles), Peter Roberts, Rob Studebaker, Mark Valore.

Water Skiing

"Javier cannot stop talking about all the fun and how much he enjoyed his summer camp."
Mr. & Mrs. Santos

A LITTLE ROUGH — BUT THRILLING

Kawanhee's 14-ft. Glastron ski boat with its 70 h.p. motor makes for thrilling experiences for all age skiers. Our instructors have had several summers experience, and patiently encourage the new learners. All skiers must wear life belts. The campers themselves voted skiing one of the five most popular activities in camp.

Boating & Canoeing

There is no activity in camp that surpasses the fun of canoeing on Lake Webb. Before using the canoes, each boy must pass swimming and canoe tests, and win his right to a paddle.

The camp furnishes paddles for each canoe but not for each individual boy. Those who prefer to have one of their own—with symbols of accomplishment painted on the blade, may purchase it, at cost, at the boathouse.

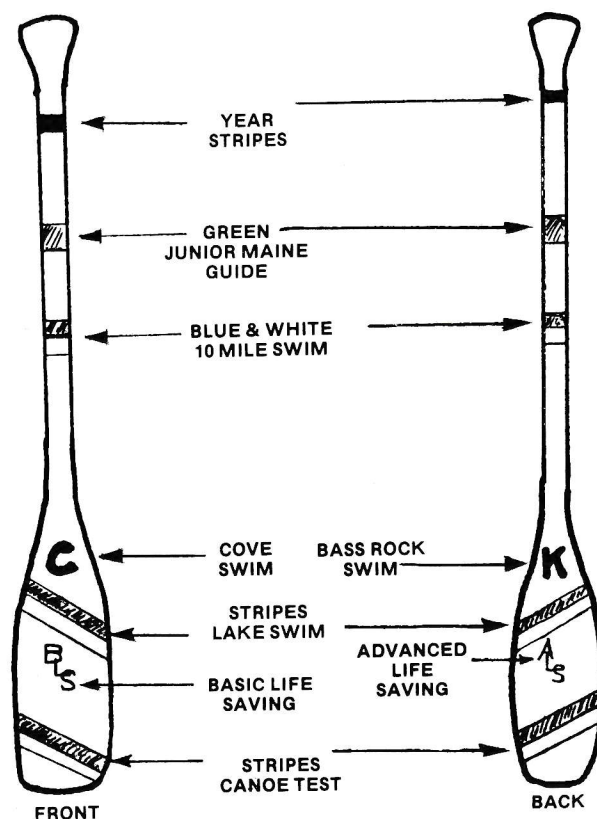

To win his "C", a boy must swim the Cove, one-eighth mile. If he swims the lake in front of the camp, one-quarter mile, he receives a grey and maroon bar painted at the top of the blade. After passing the advanced canoe test, two bars are added at the bottom. Basic Life Savers 12 to 16 yrs. of age, receive a B.L.S., between the top and bottom bars. Advanced Life Savers, 16 yrs. of age and older, receive the A.L.S. between the bars.

Jr. C's—boys, 7, 8 and 9 years of age, who receive canoe privileges, must stay within the cove and in sight of the Beach Guard.

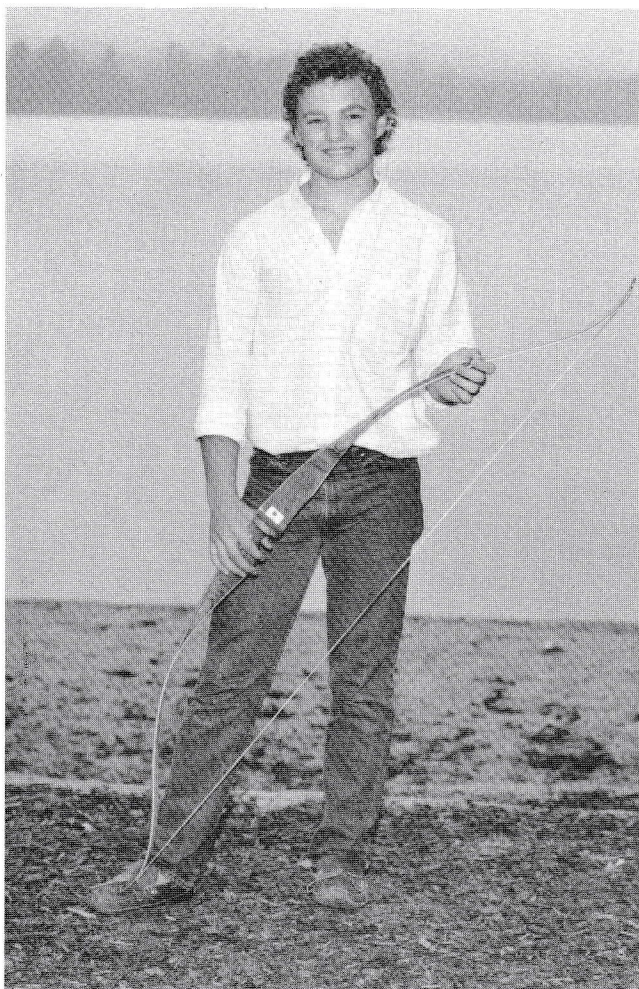

Due to the enthusiasm and knowledge of Mark Standen, Co-Director of activities, kayaking was especially popular in '84.

HOW TO READ A PADDLE

Winner of Robin Hood Award: Bob Banasik

We congratulate Bob Banasik for winning his Robin Hood Award, the highest honor in Archery. Congratulations are due also to John Vines for achieving his Robin Hood trophy, although John was not available to have his picture included.

"We were very impressed with your staff and their relationships with each camper. We couldn't help but notice how each counselor went out of his way to make each camper feel special."

Kathy & Skip Osborn

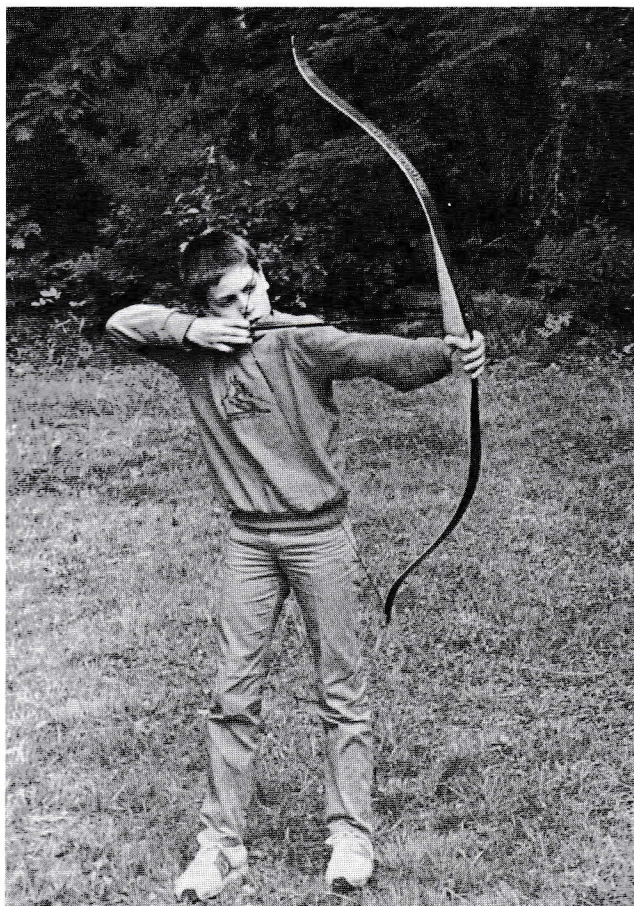

Archery

In every American boy there lurks the urge and spirit of "Robin Hood", to pull a strong bow and send an arrow true to its mark.

The camp furnishes all equipment. There are the great six-foot bows, powerful enough to bring down a deer or the largest moose that roams the woods of Maine. Then there are the smaller bows and arrows such as any Indian would handle with pride.

Under the regulations of the National Camp Archery Association, the following medals are awarded at the Saturday night Camp Fires.

- | | |
|------------------------|-----------------------------|
| 1. Jr. Yeoman Pin | 10. Archer 1st Rank |
| 2. Jr. Yeoman Arrow | 11. Archer Sharpshooter |
| 3. Yeoman Pin | 12. Silver Bow Pin |
| 4. Jr. Bowman Pin | 13. Silver Bow 1st Rank |
| 5. Jr. Bowman Arrow | 14. Silver Bow Sharpshooter |
| 6. Bowman Pin | 15. American Archer And |
| 7. Bowman 1st Rank | "Robin Hood"—Special |
| 8. Bowman Sharpshooter | Camp Trophy |
| 9. Archer Pin | |

Riflery

Range Director Bruce Birch and his Assistant Andy Shahan were elated to start the Season of '84 with a brand new Rifle Range. It was modeled after the old range with improvements, such as allowing for 12 instead of 10 marksmen to participate at the same time. During the 1984 Season, over thirty thousand rounds of ammunition were shot. Every boy learns the correct and safe way to handle a gun. The camp furnishes guns although several boys prefer to bring their own to camp. Under the auspices of the National Rifle Association, boys shoot for the following medals, and the awards are presented at the Saturday night Camp Fires:

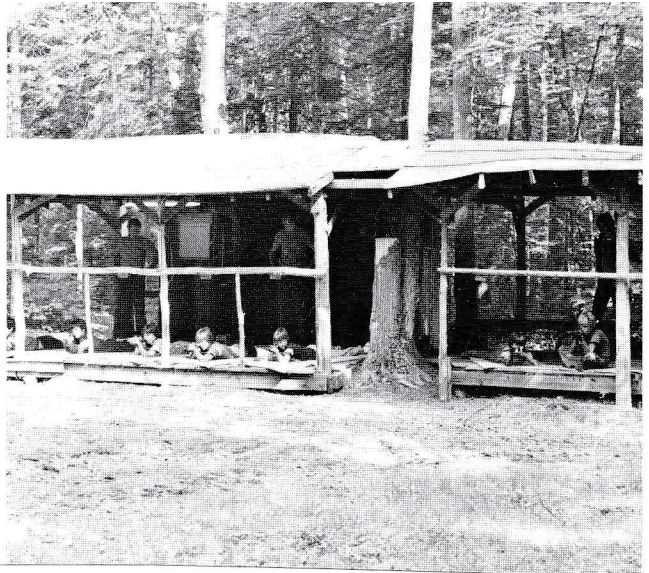

1. Pro-Marksman 2. Marksman
3. Marksman 1st Class 4. Sharpshooter
5. BARS 1-2-3-4-5-6-7-8-9
6. Expert Rifleman 7. Distinguished Rifleman

"Gregg enjoyed his summer at Kawanhee. Again he returned home a happy, confident, more self-disciplined boy - clearly a reflection of your judicious blend of warmth, structure & discipline. We are pleased with Gregg's growth."

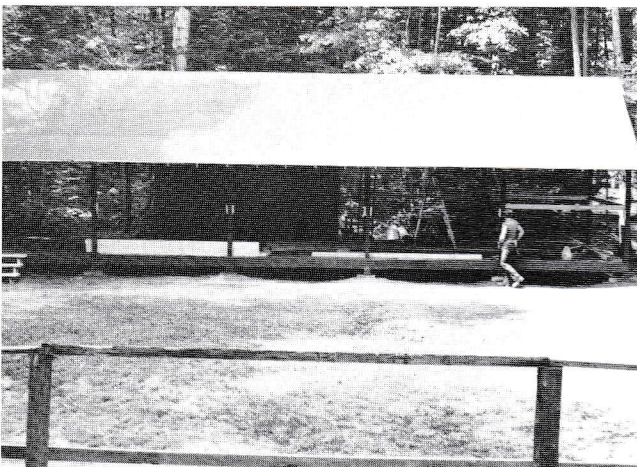

Geraldine Hayes Mullen
Scarsdale, N.Y.

Beginning Shooters

THE OLD RANGE

THE NEW RANGE

Shopwork

Craftsmen of '84

Our shop is the busiest place in camp. On rainy days it is filled to capacity. Three experienced teachers of Industrial Arts devote their full time to the work. Boys are carefully guided in using power equipment.

Boats of all descriptions are being made, including 15-14 and 27 inch racing yachts, motor boats, aircraft carriers for Jr C's—Beautiful inlaid tables, hand carved trays, slalom skis made of laminated mahogany, and painted plaques, metal work in pewter, brass and copper, birch bark bird houses, & rustic furniture. There's never a dull moment in the shop.

Learning From Nature

Kawanhee is unusually rich in natural beauty, with plant and animal life in abundance. "Learning by doing" is the Kawanhee way and nowhere is this more observed than in the Nature department. Acquaintance with wild life is gained by caring for pets in the camp zoo, pursuing birds on trips afield, and observation of the beaver colony a short distance from the camp.

Overnight trips are made occasions for study of the stars, simplified by the "stellarium" in the Nature Museum which flashes familiar constellations later to be identified under the open sky.

Microscopic observations, study of ferns and fungi, moth and butterfly propagation, nature photography and other fields of original research voluntarily chosen, are open to boys who wish to become "Naturalists," the highest honor the department confers. Such activities aim to quicken appreciation, awaken interests and develop resources which will in many cases continue throughout the boy's life.

MINERAL MINING TRIPS—The splendid collection of minerals noted below, were mined at Newry, where the boys go to add to their rock collections. Each specimen was identified, carefully labeled and placed in a mineral box. Every boy has the thrill of finding beautiful green tourmalines and clear quartz crystals. The more fortunate may emerge with pieces of beryl, rose and smoky quartz, green, black, and pink tourmaline, or even amethyst.

THE LAPIDARY SHOP—The strange fascination that rocks and minerals possess for many boys is given added stimulus by the lapidary equipment which is a part of the Nature Department's expanding interest in geology and mineralogy. The equipment consists of diamond saws for slicing or cutting, horizontal metal disks for rough grinding, and a series of wood and metal wheels for polishing.

The Junior C Program

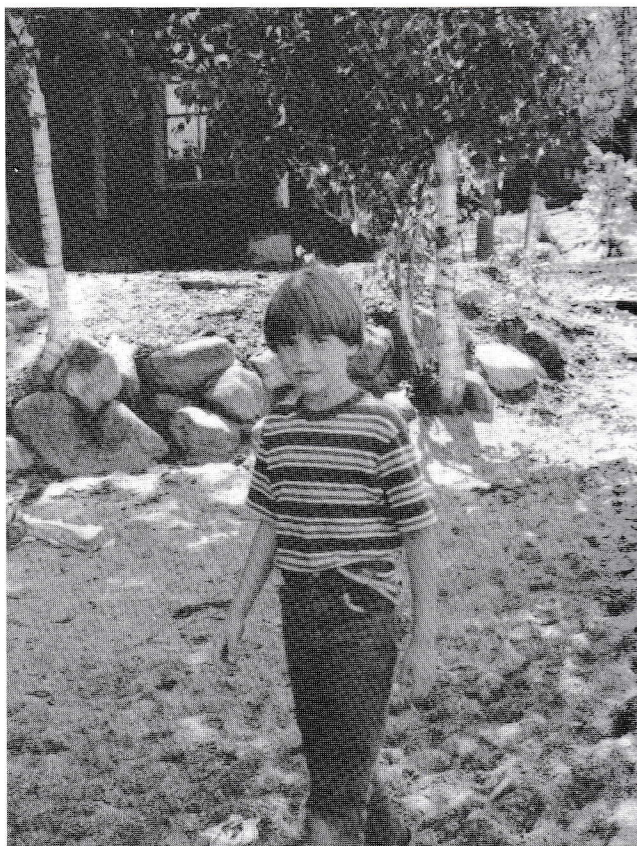

For Boys 7-8 and 9 Years of Age

Many parents who appreciate the value of mature leadership for their younger boys are enrolling them at Kawanhee. Perhaps at no other age does camp offer more glamour and appeal. The days are never quite long enough. They learn to live and play happily with boys their own age, develop self-confidence, resourcefulness, and a spirit of comradeship.

For the coming season there will be hours to play on the sandy beach and grow strong in the mountain air and sunshine; time to sail small boats and fly toy airplanes; to explore fields and woods under trained leaders and learn many of Nature's wonders. In the shop, they will enjoy boat building, metal and leather work.

Each boy will learn to fish, swim and row. Some will even swim the one-eight mile across the cove, and the one-quarter mile across the lake, and receive the coveted paddle and use of canoes in the cove. Best fun of all will be trips to the nearby mountains, or rowing across the lake to sleep in an Adirondack lean-to and cooking over an open fire. Baseball, tennis, archery, range and skiing will be carefully taught under supervision.

Throughout the entire program the importance of adequate rest is emphasized. A quiet hour from 1:00 to 2:00 precedes the afternoon activities. Taps is at 9:00.

Campcraft — Junior Maine Guide

"The Kawanhee experience gave our four sons inner strength and integrity that they will carry with them forever."

Mr. and Mrs. David Altmaier
Columbus, Ohio

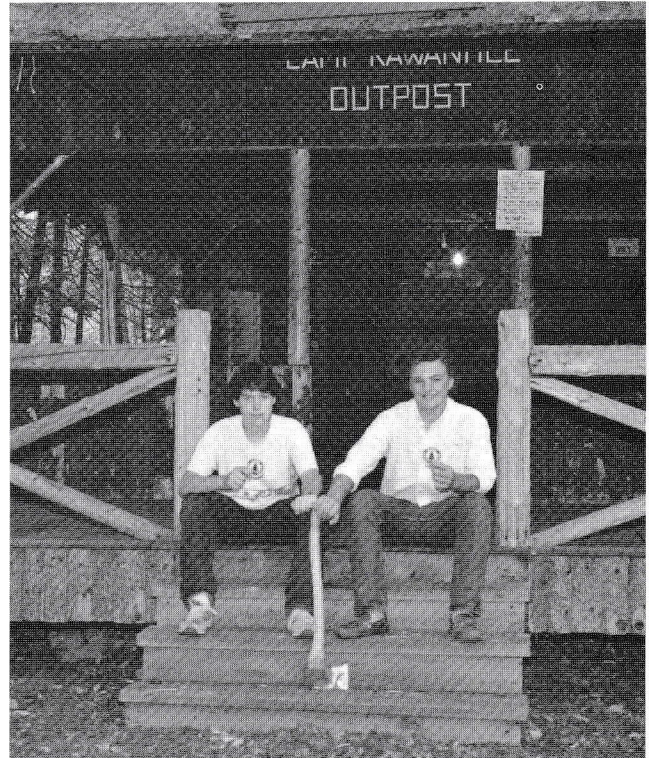

"Your camp is a wonderful place!"

Patty Donahey

THE CAMPCRAFT program appeals to boys who enjoy the fun of camping out. Preparation for trips is an important part of the program—learning the safety rules in cooking over an open fire—how to make rain-proof shelters and comfortable bough beds—how to make and follow trails through the deep woods—how to fish, and the best bait to use.

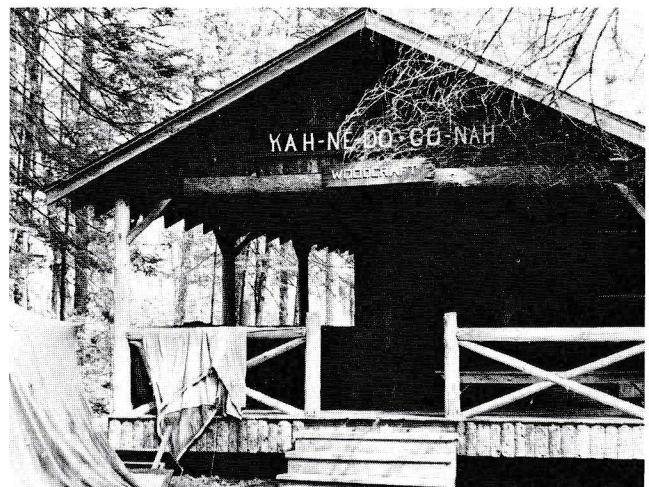

THE JUNIOR MAINE GUIDE Program is of special interest to boys 14 yrs. and older. Under the coaching Counselors in the Campcraft Dept., they train in July before leaving for the testing area at Denmark—about 50 miles from camp. They must select and develop their own campsite in virgin wilderness, where they remain for the four-day testing period.

BOYS FROM 12 to 15 camps compete each year. Candidates must pass the requirements in twenty separate tests, including axemanship—canoeing and canoe repairing—wet-dry fire building—topographical mapping—personal shelters—reading and following the compass, first aid, and cooking. Winning this coveted award is an accomplishment of which any boy may well be proud. During the season of '84, Bob Banasik and Jamie Sanford earned J.M.G. Our congratulations go to Bob and Jamie, and to Drew Detrick and Jim Ottley, Campcraft Directors.

NEW JUNIOR MAINE GUIDES

Jamie Sanford & Bob Banasik

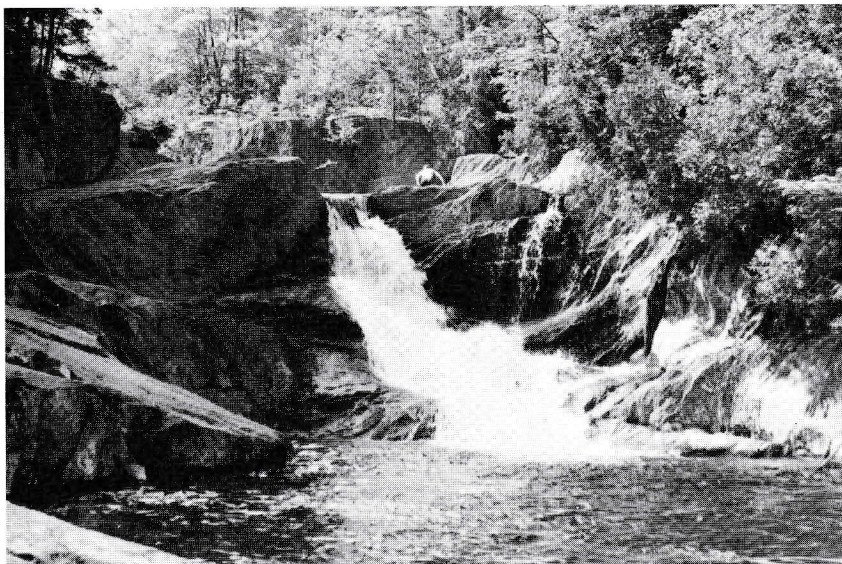

CAMPCRAFT BUILDING

"Camp Kawanhee was an excellent experience. I attended for 11 seasons. Most important for me, I learned how to work with people and how to lead."

Samuel F. Detrick
U.S. Air Force Academy

TRIP PROGRAM

One of the most fascinating spots in Maine is Coos Canyon. Here campers swim & play in the swirling waters which form natural "bath tubs" where one can relax and then swim in the invigorating clear mountain streams.

From the days of Henry Thoreau, Maine has been one of the most favored regions for camping in the country. With its great stretches of unspoiled forests, its thousands of clear, sparkling lakes, its fine fishing and lofty mountains, it's the perfect answer to a boy who yearns for the opportunity to explore, to hike in the woods, to spy on God's creatures in the great outdoors. Every boy is invited to participate in Kawanhee's Tripping Program, and practically all campers are eager to accept the exciting challenges.

The following pages will acquaint you with our program of CANOE TRIPS, MOUNTAIN TRIPS, and SHORE TRIPS.

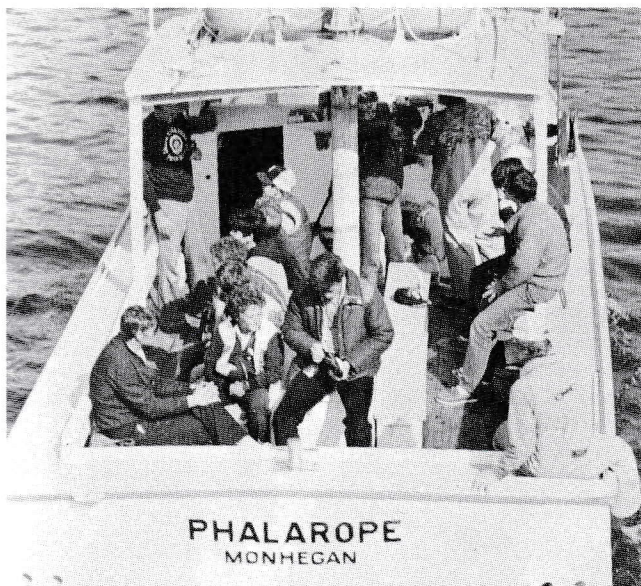

THE CHAIN-O-PONDS TRIP—A three-day trip for Jr. B's, and one of the most interesting trips out of Kawanhee. It is 85 miles from camp, and passes through a country of dense forests and rare scenic beauty. We reach the Ponds in the early afternoon and proceed at once to unload—paddle to our campsite, which is accessible only by water, and make camp for the night.

A highlight of the trip is the Horseshoe Stream, which flows into the Chain from Canada. It is navigable for nearly two miles.

THE SOCO RIVER TRIP—This over-night trip is of special interest for boys 10 years of age who have swum the lake and passed their canoe tests. The Soco is not a white-water river. It is sandy and shallow with no rapids, and is ideal for boys who may look forward to more strenuous trips in another year. We leave camp after breakfast, and return for supper the following day. The trip of 18 to 20 miles will be scheduled again in '85.

THE UPPER ANDROSCOGGIN RIVER TRIP—This is a thrilling two-day trip! It's a white-water trip most of the way and tests the skill of advanced canoeists who must prove their ability in handling a canoe in fast water before they are permitted to take this trip. Lifebelts or vests are worn on all canoe trips.

Shore Trips

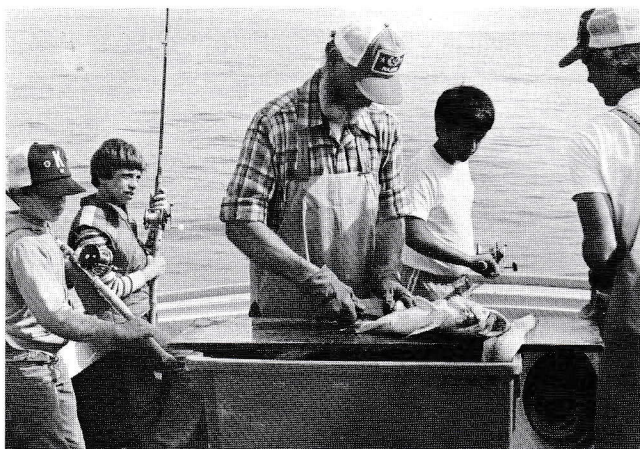

MONHEGAN ISLAND TRIP—The three-day trip to Monhegan, for boys 10 years of age and older, has been so popular it has been necessary to schedule two trips each summer.

Monhegan is twelve miles out from the mainland, at Port Clyde, and abounds in history, romance and new adventure. Captain John Smith landed here in 1610.

We plan to visit Cathedral Woods, the Boars Head, the seagoing tug that went aground in '42, and also enjoy deep-sea fishing.

The "Laura B"

We leave Port Clyde on the "Laura B". She's a trim little craft, and seaworthy in every respect. She is 60 feet in length, has two 225 H.P. diesel engines, automatic steerer, radio compass, depth recorder, radar, and radio telephone. Captain James Barstow, a skillful skipper with many years experience is in charge. He likes boys and boys like him. When it's not too rough, he lets them stand by him at the wheel.

Deep-Sea Fishing

There's fun, thrills and good fishing at Monhegan. You never know what the catch will be—cod, pollock, haddock, mackerel, or maybe a tuna. All equipment is furnished by the skipper, including necessary bait.

For those boys who prefer to remain on the island and work with some of the local artists, arrangements have been made for the 1985 Monhegan trip to offer this alternative if boys wish to do water colors and receive art instruction instead of joining the deep-sea fishermen.

Mountain Trips

Good Training For Football

TUMBLEDOWN MOUNTAIN—Across from camp, at the end of the lake, rise the peaks of Tumbledown, the Jacksons, West, and white-topped Blueberry. There's always a thrill on Tumbledown, from a crawl through "Fat Man's Misery" and the "Lemon Squeeze", to curling up in a sleeping bag near the summit on a moonlight night.

MT. KATAHDIN TRIP—There is no trip in New England that surpasses the one to Mt. Katahdin, Maine's highest mountain, and declared by experienced mountain climbers *the most spectacular and beautiful elevation east of the Rockies*. Thrusting its spruce-clad slopes and rocky summit a mile into the clouds, this giant of the East is the first spot in the United States to greet the morning sun. Katahdin is a three-day trip.

THE MT. WASHINGTON PRESIDENTIALS TRIP is about sixty miles away in New Hampshire, and covers a period of three days.

The first night is spent in the Madison Huts, tucked away 4,900 feet high between Mt. Madison and Mt. John Quincy Adams. The next day we begin the circuit of the Great Gulf, climbing Mt. Adams, Mt. Jefferson, Mt. Clay, and finally Mt. Washington.

The second night is spent in the Lake of the Clouds Hut on Washington, the highest spot in New England. On all sides stretch breath-taking views. There are higher mountains in the world but none in America has filled so large a place in popular favor as this majestic peak.

MT. BLUE—A short distance from camp—and easily climbed over a trail one and one-half miles in length.

BALD MOUNTAIN—This is a favorite trip for many of the younger boys in camp—especially those who wish to "train" for the more difficult climbs later in the seasons.

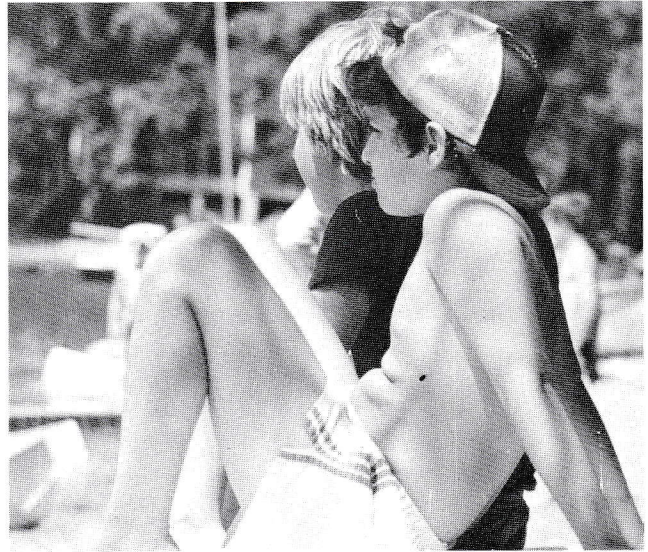

Whitewater Rafting Trip

In 1984 for the second time Camp Kawanhee offered boys who are excellent swimmers and 14 or over in age the opportunity to participate in a whitewater rafting trip down the Kennebec River. Tripping Counselors John Bell and John Starr headed up a group of 20 older campers. They reported spectacular scenery, a hearty steak lunch, and tons of whitewater. They all got a taste of big water and tremendous waves. Professional whitewater personnel accompanied and guided the group. This trip will be scheduled again in '85 only with special written permission from parents. It is an extra charge one-day trip.

FREE TIME

Relaxation and change of pace from our busy Kawanhee schedule is a part of our program for all campers. There are many options for a boy to choose. He may decide upon fishing some evening and pull in a couple of dozen white perch for his efforts and assure himself and friends of an extra delicious breakfast. Our Fishing Counselor is ready to offer help to any boy wanting to learn angler secrets.

Perhaps a boy may elect to check the library & take out a book, or challenge a buddy to a game of ping-pong, chess or checkers. If he's ready for more physical activity, he'll enter into one of the frisbee, tetherball, or volleyball games invariably in progress in front of the Recreation Hall. Get-up games of softball also are popular. Maybe just a stroll through camp with a friend will do the trick.

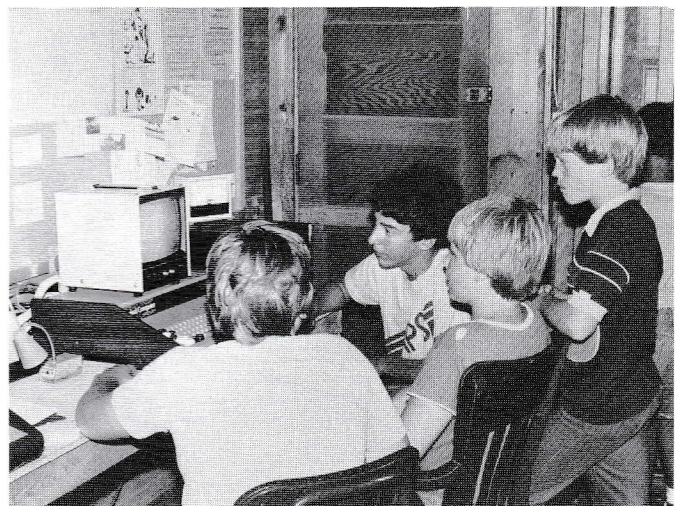

COMPUTER FUN & INSTRUCTION

One of the most popular free time activities proved to be learning about Kawanhee's computer.

John Detrick, Physics, Math and Computer Instructor at the Columbus Academy will lead our 1985 Program.

Many boys enjoy computer games such as "Break-out", "Target", or "Adventure". These games help improve a boy's manual dexterity along with eye-hand-coordination. Since most schools now as well as colleges have computers the Kawanhee campers that participate should have a fine head start in the beginning computer programming instruction.

“A Traditional Maroon and Grey Tug of War”

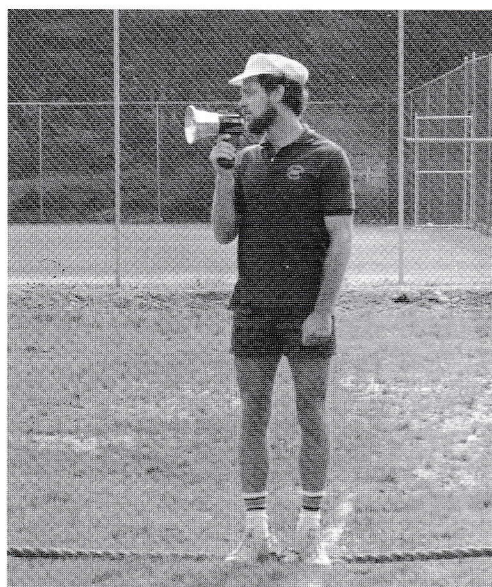

The Greys and Maroons

Much of the fun and enthusiasm at Kawanee revolves around the Greys and Maroons—the two competing teams in camp. Every boy enrolled is included on one of the teams and endeavors to win as many points as possible for his team.

The interest and excitement increases as both groups gather for the Saturday night camp fires. The names of those who have won special medals and passed achievement levels during the week are read. Then the big moment arrives. The score is announced.

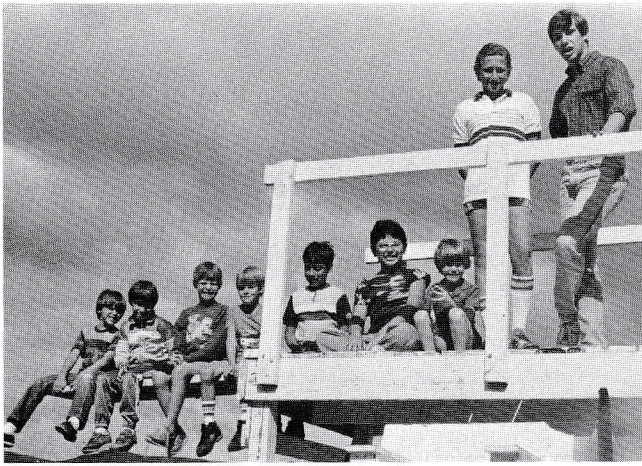

In 1984 the final score was very close with the Greys coming on strong the last couple of weeks and accumulating 39,309 total points for the season to 39,077 for the Maroons. The most important factor was not the final official score, but it was the spirit, the fun, and how much both teams learned throughout the season.

Steve Yale, Director of Activities, referees Tug of War contest

Andy Coward (left), Captain of the Maroons;
Al Fuster (right), Captain of the Greys

We congratulate the boys who won 400 or more points during the season.

Rates

*All-Inclusive—For Scheduled Camp Activities

Full Tuition—Boys 7 to 15 years\$2,185.00

Two or More Members of the Same Family— Deduct \$100.00 each boy

Master Campers—15 and 16 years\$1,885.00
With previous camp training

Junior Counselors—16 and 17 years
First year with previous camp training\$1,485.00

The tuition is payable \$150.00 with the application and the balance by June 15th. By special arrangement, the balance may be paid in equal payments by June 15th and August 1st. Special arrangements may be made upon request.

Incidentals and Spending Money—\$100.00 is deposited with the camp for each boy's weekly allowance and provides for such incidentals as stationery, stamps, fishing equipment, candy, camera and flashlight supplies, haircuts, toilet articles, canoe and ping-pong paddles, the weekly Wigwam, range and shop supplies, tennis balls, etc. At the end of the season, any remaining cash balance will be mailed to parents, or a charge made if the deposit is exceeded.

Tutoring—We are able to handle all grade and high school subjects. The rate is \$8.50 per hour. Please notify the Directors before camp opens if tutoring is desired. Boys should bring books and recommendations from their teachers.

Special Information

Camp Program—The complete program as outlined in this booklet, will be followed insofar as it is physically possible. However, emergencies arising beyond our control may necessitate minor changes.

Visiting Days for Parents—Parents are invited to visit camp at any time with the exception of the daily rest period, from 1:00 to 2:00 o'clock. Those vacationing at the Inn may attend the Water Sports program, Athletic Meets, Camp Shows, Camp Fires, Camp Movies and the Sunday Church Services.

The Mail—Telephone and Telegraph Address—Camp Kawanhee, Weld, Maine 04285—Phone 207-585-2210.

Trip Schedule to Camp—Sunday June 23rd—Boys from the Columbus area will fly to Portland, Maine, and then charter bus to camp. Boys from the New York City — New Jersey area will also fly to Portland, Maine, June 23rd and meet with the Ohio and other groups for the drive by charter bus into camp. All travel groups will meet for supper in camp.

Letters Home—Each boy must write a letter home each Sunday. No letter, no supper, is understood by every boy in camp.

Girls' Camps—Over the past few years, many Camp Kawanhee families have been well pleased with the camp experiences of their daughters at Camp Arcadia, Casco, Maine. If interested for your daughter, please contact either the Kawanhee Directors for an Arcadia catalog, or write directly to Mrs. John F. Fritts, Pleasantville Road, New Vernon, N.J. 07976 (201-538-5409), and mention that your son is enrolled at Camp Kawanhee. We also recommend Camp Runoia at Bgrade Lakes, ME 04918. Contact Mr. and Mrs. Phil Cobb at 207-495-2228.

Chuck Compher sounds taps at bedtime.

Kawanhee Inn for Parents

One-half Mile From Boys' Camp

Excellent accommodations are provided at **Kawanhee Inn** for parents who wish to visit their boys in camp. Many parents drive their boys to camp and remain to enjoy the cool refreshing air of early July weather. Others arrive by the middle of July, or a week early in August, and drive their boys home at the close of camp August 11th.

INFORMAL, FRIENDLY AND INVITING—The atmosphere is relaxed and casual dress is appropriate for a restful vacation.

RECREATION—There's good fishing, a sandy beach for safe swimming, tennis, boating, canoeing, sailing, mountain climbing, antiquing and a fine golf course only 20 minutes drive from the Inn.

THE INN OPENS Mid-June and closes Labor Day. Some cabins are available with rates that include board and lodging, maid and cabin boy service. Efficiency cabins are also available at a weekly rate. Boats and outboard motors may be rented by the day, week, or season. Those desiring detailed information should contact Marti Strunk in Farmington, Maine, phone 207-778-4306 from 9:00 a.m. to 5:00 p.m.
