A Message To Parents

George ("G.R.") Frank and his brother Raymond ("R.C.") Frank founded Camp Kawanhee in 1920 as a character building force for boys. Their basic philosophies remain alive as a vital part of Kawanhee's spirit. The Kawanhee mottos "Fun With A Purpose", "Learn To Do By Doing", and "Finish What You Start" still serve today as motivating forces in the lives of Kawanhee campers and counselors.

The Directors of Camp Kawanhee believe that when a youngster starts for camp, three people from his home go to that camp, for just as surely as the boy is there in person, his mother and father are with him in spirit.

At Kawanhee your boy will be comfortably housed with boys his own age in a dry, sanitary cabin.

He will be fed the finest of nourishing foods and in quantities to satisfy the ravenous appetites of growing boys.

At the slightest sign of sickness, he will be under the care of a registered nurse who is in attendance through the season. Hospitals are within thirty minutes drive of the camp.

Swimming, boating, canoeing, sailing, kayaking, and skiing are all carefully supervised by qualified personnel. No boy is permitted to take out a boat by himself until he has passed the

necessary swimming and boating tests, and a beach guard is on duty to supervise boat sign-outs and check-ins.

He will be under the guidance of experienced men. There is one man for every five boys enrolled. A senior and junior counselor are assigned to each lodge. Boys are never left alone at night. One man is always on duty.

He will live for seven weeks in a climate famous for its invigorating air and sunshine, and will return to his home in the fall, healthy, rugged and brown.

Through encouragement to progress in various activities, he will grow in self-reliance, initiative, and perseverance.

If he is timid and shy, or a poor mixer, he will be encouraged in developing a higher degree of confidence as he reaches out to capture new goals of accomplishment.

Hundreds of cases can be cited where a boy's whole attitude and outlook were changed when he found something in which he could excel and in which he won recognition. Such experiences, day after day, build backbone and dependability during the early formative period of boyhood.

With new vision and understanding, he will return to his home in the fall, a boy of courage and bigger powers.

Chief Kawanhee challenges the campers to live up to their potential throughout their summer experiences. As shadows lengthen and the stars appear, we gather for our camp fires at Council Point. It is here that the heart of camp life glows as boys and men sit before the blazing fire, enjoying their games and stunts, the presentation of awards, and the reading of the Grey and Maroon Camp Score for the week.

An Ideal Location

Safe, Healthy, and Thrilling for Growing Boys

Camp Kawanhee is located on the east shore of Webb Lake, at Weld, Maine—eighty-five miles north of Portland, and thirty miles south of the Rangely Lakes. It has a shore line of woods and sandy beaches. Early legend tells us that Chief Kawanhee and his braves lived here for many generations.

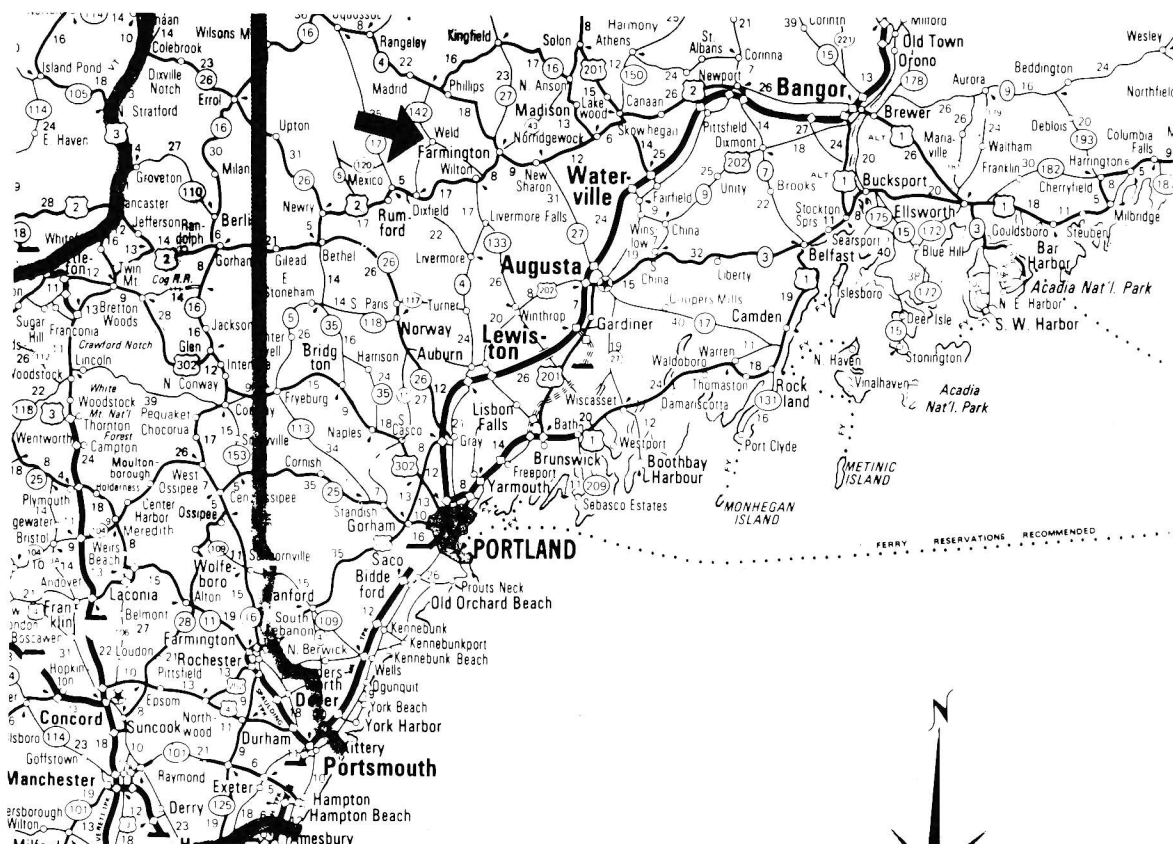

Weld was practically unknown until 1772 when hunters from the southern part of the state explored this section of the country. In passing through this valley, they discovered a pond about six miles long near which they found an old gun and several traps, and on a tree was cut the name of Thomas Webb. This name they gave to the lake. Around 1797, Webb Settlement came into existence. A few years later, the name of the settlement was changed to Weld in honor of Benjamin Weld, one of the first settlers.

The exceptional location of the camp has been pronounced by men qualified to judge camp sites, as one of the finest

natural settings for a boys' camp in the country. There is a protected cove and sandy beach for safe swimming, miles of pines and pointed firs, invigorating air, cool nights, and refreshing sleep. Neither word nor picture can do full justice to its delightful, well-adapted location.

Lake Webb is six miles long and two miles wide, and is completely surrounded by mountains. The water is clear and pure and never too cold for the early morning plunge. It averages between 72 and 78 degrees at the late morning swim period.

The surrounding country is wild and rugged and appeals to the adventurous spirit of growing boys. Just to run, to swim, to follow trails over lofty peaks, to spy on deer and moose as they come to the lake to drink, to investigate beaver dams, to sit by glowing camp fires at night, or lie in a sleeping bag under the stars and listen to strange noises of the deep woods—What a life! Such thrilling experiences make every boy become a bigger better, and more self-reliant man.

CAMP MANAGEMENT

Walter Estabrook, Managing Director of Camp Kawanhee for the past 20 years, is a former camper and counselor at Kawanhee. A graduate of Wesleyan University, Middletown, Conn., he served in World War II as overseas Athletic Director of a U.S. Naval Air Base. He has had extensive experience in Sales and Purchasing, and following 26 years of service with the Brown Steel Co., Columbus, Ohio, Mr. Estabrook is now retired to devote full time to Camp Kawanhee. The Estabrooks' three sons have all been campers and counselors at Kawanhee, and their daughter has been a counselor at Camp Kawanhee. The Estabrook family is active in their church in Bexley, Ohio.

Mr. Estabrook's wife, Jane Estabrook, Assistant Director, is a graduate of the University of Wisconsin, Stout College, with a major in Home Economics. She has had advanced work in Hospitality Management and Food Service. She served for several summers as Food Production Supervisor at Kawanhee. She is currently in charge of bookkeeping at Kawanhee.

Herbert Birch, Assistant Director, and Kawanhee's Eastern Sales Representative, has been one of the camp's most loyal and enthusiastic supporters for 48 years. His vast knowledge of "good camping" has contributed to Kawanhee's enviable reputation as one of the best camps in the New England area.

Steve Yale, Assistant Director, has been a camper or counselor at Kawanhee for a total of sixteen years. Following his graduation in Forestry from the University of Maine, Steve worked as a Forest Ranger in Colorado, and later as a YMCA Camp Director in Bath, Maine. During his Kawanhee career, Steve has been Director of Wrestling, Director of Tripping and Co-Director of Activities. Steve graduated from the University of San Francisco with a Masters Degree in Business Administration. He is currently a Financial Consultant in Tahoe City, California.

Our Activity Directors for 1992 were Mark Nelson (left), and Mike ("O.J.") Altmaier (right). Mark is a Kawanhee veteran of 8 seasons, and has served as Director of Campcraft two summers, and as Director of Water Skiing four summers; he will be returning in '93 for his third season as Co-Director of Activities along with Mike (O.J.) Altmaier who has been a camper or counselor at Kawanhee for 26 years. Mike is a teacher and coach at his school in Bath, Maine.

Food And Facilities

“We want the cook! We want the cook!” This familiar phrase is a frequent cheer in our dining hall, and is our campers way of expressing appreciation for the delicious meals. Our basic philosophy is to plan well balanced menus which are both appetizing and nourishing for healthy, hungry campers. Boys who are fortunate to celebrate a birthday while in camp receive a delicious cake for their table. Mike Lalley, our head chef, is a teacher and football trainer at the Pingry School in New Jersey. Everyone thanks Mike for the marvelous meals! Many thanks also to Zetta Wojcik who selected our fine kitchen staff this past season. Each one is on his or her honor roll in school or college. We list their names as follows: Odessa Deffenbaugh, Temple, ME; Chris Dyke, Dixfield, ME; Celeste Mosher, Wilton, ME; Jennifer Scucci, New Vineyard, ME; Adrienne Thompson, Farmington, ME; Erin Thompson, Farmington, ME; Hilary Wojcik, Dryden, ME; Jennifer Wojcik, Dryden, ME; and Josh Wojcik, Dryden, ME.

Conveniently located near the sleeping lodges are the dining hall, recreation building, wrestling building, nature building, archery supply cabin, a shop large enough to accommodate up to thirty-six boys and four instructors at one time, a scout and campcraft building, rifle and archery ranges, the camp hospital, boat houses, the toilet building with showers and our camp laundry.

Most of Kawanhee's buildings are of heavy log construction, roomy, rustic, and built to suit our specific needs. The sleeping lodges are nestled among the pines along the shores of the lake. They are safe, comfortable, and free from dampness in rainy weather. Each is equipped with comfortable cots and mattresses, and accommodates from seven to ten boys and two counselors.

Abbott Lodge was built in the spring of 1990 and ready for occupancy when camp opened. We are very grateful to the Abbott family for their generous gift towards the total cost. The building provides living quarters for married staff members with young children, and is in memory of a very happy and spirited former camper, Charles Abbott, who lost his life in an auto accident in California in February of 1989.

Age Distribution and Level System

Jr. C—7, 8, 9 years, Jr. B—10 and 11 years, Jr. A—12 and 13 years, Senior 14 and 15 years, Master Camper—15 and 16 years.

Physical development and camping experience, along with age, are important factors in determining the proper group for a boy.

Kawanhee's program consists of some 20 activities, and all campers are required to report daily, Monday through Friday, to their four one-hour assigned activity periods. Attendance is compulsory, although participation is not demanded if a boy and his parents request exemption from a certain activity.

During the first couple of weeks at camp, boys are scheduled to attend all activities to become better acquainted with the entire program, and to develop new interests. Following the two-week introductory period, campers may sign-out from an assigned activity, and resign back into another activity of their choice with the approval of the Program Director.

The Achievement Level is the common unit for evaluating accomplishment at Kawanhee. Progress in each activity is divided into three levels with the first level purposely designed

to be quite easy to allow a boy to discover if a particular activity interests him. Levels two and three are progressively more difficult. Each of the several age classifications has a different set of 1-2-3 level requirements, so that a boy's level challenges will match his age group.

The stimulus to complete levels is enhanced through the honors which are presented at the Saturday night campfires. Every boy needs recognition for his achievements, and it is a prized moment in a camper's life when he is asked to rise and stand before the campfire as his name is read for each level completed during the previous week. At this impressive ceremony, lodge groups form a huge circle around the big council fire. There is singing, games, and stunts, the presentation of awards, and the reading of the weekly camp log. Since each camper is a member of either the Maroon or Grey team, there is a tense silence the moment before the weekly team scores are announced—then mighty cheers led by the team captains.

As the embers glow and the stars appear we rise, face the west, and in the stillness of the woods, sing our good night song to the tune of taps.

"Day is gone—gone from the sun—from the lake,
From the hills, from the sky,
All is well, safely rest—
God is nigh"

A Day at Kawanhee

A typical day (Monday through Friday) at Kawanhee starts with reveille at 7:00 a.m., and then a delicious breakfast following the flag-raising ceremony. Next, all campers share in the clean-up for lodge inspection, for which there is eager competition, as lodges winning seven inspections receive a special treat. Morning activities then follow in two periods—9:00 to 10:00 and 10:00 to 11:00, after which comes morning swim. The noon meal is followed by an hour's rest period—time enough to write a letter home, read, or take a nap. Afternoon activity periods are scheduled for 2:00 to 3:00 and 3:00 to 4:00. Free time 'til supper finds boys having fun with tetherball, fishing, or going to the library to read or play a game of checkers. Supper is at 5:30, and after our meal, boys may go sailing, canoeing, fishing, water skiing, take part in a baseball or softball game, play "capture the flag", or another challenging game. At 7:30 all lodges gather in the Recreation Hall for movies, singing, stories, or camp shows.

On Saturdays special events are scheduled, such as water meets, track meets, mountain climbs, Little-League games, soccer, or tennis matches. Certain activities, such as Shop, are scheduled to permit boys to work on projects. In the evening extra events, such as a talk by a Forest Ranger or a Senior Maine Guide, prove to be educational and fascinating for all hands.

Sundays at Kawanhee are spent quietly. Our religious life is non-sectarian. Lodge groups walk to Council Point, where we assemble on the side of the hill facing beautiful Lake Webb, sing hymns, and listen to an inspirational talk by one of our chaplains or by one of our counselors. Catholic boys are taken to Mass at Dixfield, twelve miles from camp. In the afternoon it is traditional for boys to hike into the town of Weld—they walk in lodge groups with their respective counselors in charge. Also, short mountain trips, sailing, tennis, canoeing, soccer, skiing, and other activities are supervised and open for selection. Six days a week, as well as on Sundays, there is an unobtrusive yet very positive religious influence felt throughout the whole program at Kawanhee.

Carlos came back again very happy and pleased with his stay at camp. Camp Kawanhee has become a second home for Carlos. He really loves being there with his friends, enjoying a certain amount of independence, and feeling self-sufficient — he is already making plans to go back next summer.

Sailing

Sailing has long been a major activity at Kawanhee. Many boys who return year after year consider it the most interesting activity in Camp. "Sign-ups" for Sailing are always filled.

The Beginning Sailing Program—the **Novice** and **Crew** ratings—introduces the new sailor to basic safety requirements, common sailing terms and knots and the practical procedures which acquaint him with the thrills of sailing yet to come.

The Intermediate Program—**Bosun** and **Second Mate**—teaches the emergency procedures and responsibilities of the skipper; Sailing Theory and Rules of the Road; and practical procedures including getting under weigh, setting sails, tacking, landing, furling sails, shipshape condition, and basic Racing Procedures.

The Advanced Program—**First Mate** and **Skipper**—challenges a boy with advanced sailing terms, theory, navigation, yacht design, boat maintenance, splicing, sailing traditions, the proper handling of sloops, and an in-depth study of Racing

Rules and Tactics. The coveted **Racing Skipper** award is presented to persons who have demonstrated outstanding skill, service, and performance.

The Racing Program encourages boys to compete in three types of regattas—Part One, **Team Racing** (weekly) Grey and Maroon—Part Two, **Individual Racing**—the final regatta—Part Three, **Match Racing** in the Cape Cod Knockabouts. Any boy earning Second Mate, receives credit for Part One in Basic Sailing. Those earning First Mate, receive credit for Part Two, and those earning Skipper, receive credit for Part Three.

Due to popular demand, wind surfers, Sun Fish, and Sail Fish were added to the Kawanhee fleet. An exciting development was the complete renovation of the Sea Hawk and the Sea Gull, the two Cape Cod Knockabouts. Under the enthusiastic and talented leadership of sailing director Erik Muther, sailing popularity reached new highs in '92.

Tennis Coaching Staff 1992

Kawanhee is fortunate to have four clay courts in excellent condition, and according to the New England Tennis Court Company which constructed these courts seven years ago, the courts are among the finest in the entire state of Maine. Because of our top quality courts, and because of the excellent instruction from our coaches, tennis popularity reached new highs in '92.

Wrestling

WRESTLING—Many boys select wrestling as a part of their daily program. They are trained in small groups. Those who are interested are matched, by weight, in the annual tournament, which is one of the highlights in the athletic program. Our wrestling building is one of the finest in the state with a mat area of 30 by 30 feet. See page 33 for Ribbon Awards.

Dan Keating, Andy Brown and Tim Horton, Wrestling Coaches, interjected plenty of skill, interest, and enthusiasm into the wrestling program for '92.

Volleyball

Volleyball continued to skyrocket in '92. Diana Yale, Amber Ramsay and Chad Hollenbaugh interjected a contagious spirit into the '92 program so that volleyball was voted by campers and staff as one of the top five most popular activities at Kawanee.

Swimming

Kawanhee Cove, with its fine sandy beach and clear sparkling water, is unsurpassed as a safe and ideal setting for every conceivable type of fresh water sport.

The first two days of the season, each boy is classified as to his swimming ability. Boys working for their Basic Water Safety, Non-Swimmers and Advanced Beginners, who cannot swim 100 feet, receive individual instruction daily.

During swimming periods, several boys will swim the 1/8 mile cove, to be followed the next day with the 1/4 mile lake swim. The morning free-for-all swim, (just for fun), is at 11:30, and the afternoon swim is at 4:00 o'clock. If the day has been hot, a twilight "free-swim" is enjoyed by the entire camp.

Accredited **Red Cross Guards** are stationed on the docks during all swim periods. The Buddy System is followed, and no boy is permitted to enter the water until he has chosen his buddy. Each boy must pass swimming tests before he is privileged to use the boats. A Beach Guard is on duty to sign boats out, to check them back in, and to emphasize safe handling.

The **Big Aquatic Meet** of the week is held Saturday afternoon. This is the time when Greys and Maroons compete for honors. There is swimming, rowing, canoeing, water skiing, water polo, and sailing races. The competition is keen and exciting.

Under the auspices of the American Red Cross, Kawanhee conducts classes in Basic Water Safety Rescue. Following several weeks of practice, boys are tested and the campers shown in the below pictures earned B.L.S. (Basic Life Saving), or Lifeguard Training, difficult but highly valuable achievements!

Kayaking

KAYAKING CAPTURES KAWANHEE'S IMAGINATION

For the past nine years, Kawanhee kayakers have been gracing the cove with their braces, wet exits, and Eskimo rolls. With the purchase of four "Perception" whitewater kayaks, bringing the total of boats to ten, Kawanhee kayaking has come into its own in '92. Kayaking is regularly scheduled as an activity rather than serving merely as a freetime diversion and campers have responded with enthusiasm. For 1992, our Kayak Department was headed by Mark Gibson, who was ably assisted by Jeff Baumann and Rik Papa. Basic instruction includes preparation of the boat for use, forward and backward strokes, turns, and the essential wet exit (escaping from a capsized kayak). Intermediate skills consist of the kayak-over-

kayak rescue, and the Eskimo rescue, sculling, the draw stroke, the slap brace and the sweep brace. When these skills have been mastered, campers are eligible to use kayaks on the lake when a beach guard is on duty. The more advanced kayakers will then be ready to tackle whitewater paddling and the Eskimo roll, a maneuver which enables a capsized kayaker to right his boat by using his paddle as a lever.

The kayak department is planning several excursions to New Hampshire's Upper Androscoggin River, which offers Class II and III whitewater. The river trips will be available to older campers, and will stress the use of eddies, ferrying, and paddling in mild and moderate rapids.

Water Skiing

A LITTLE ROUGH — BUT THRILLING

Kawanhee's 16 ft. ski boat with its 135 h.p. motor makes for thrilling experiences for all age skiers. Our instructors have had several summers experience, and patiently encourage the new learners. All skiers must wear life belts. The campers themselves voted skiing one of the most popular activities in camp.

Boating & Canoeing

There is no activity in camp that surpasses the fun of canoeing on Lake Webb. Before using the canoes, each boy must pass swimming and canoe tests, and win his right to a paddle.

The camp furnishes paddles for each canoe but not for each individual boy. Those who prefer to have one of their own—with symbols of accomplishment painted on the blade, may purchase it, at cost, at the boathouse.

To win his "C", a boy must swim the Cove, one-eighth mile. If he swims the lake in front of the camp, one-quarter mile, he receives a grey and maroon bar painted at the top of the blade. After passing the advanced canoe test, two bars are added at the bottom. Basic Life Savers 12 to 16 yrs. of age, receive a B.L.S., between the top and bottom bars. Advanced Life Savers, 16 yrs. of age and older, receive the A.L.S. between the bars.

Jr. C's—boys, 7, 8 and 9 years of age, who receive canoe privileges, must stay within the cove and in sight of the Beach Guard.

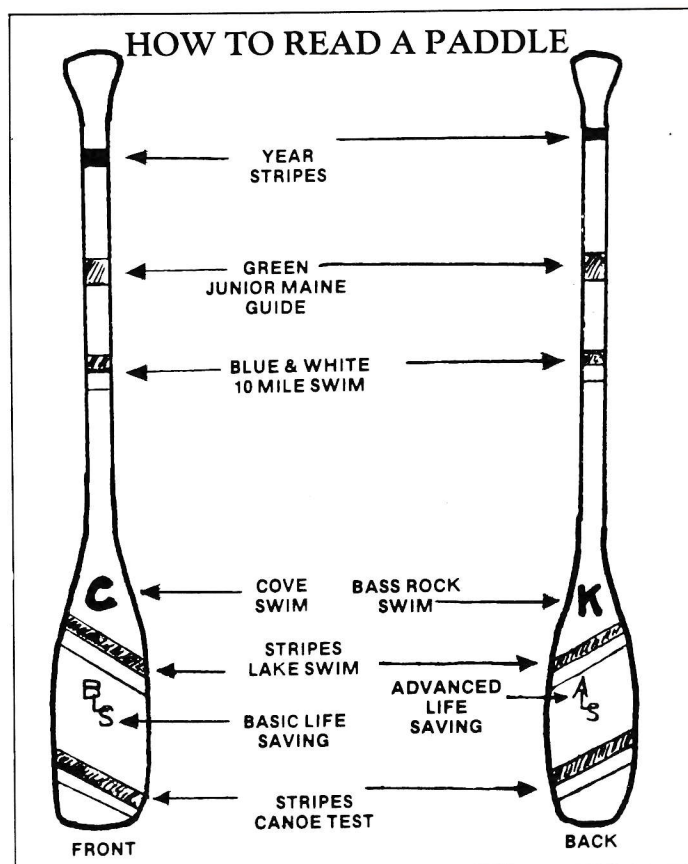

Edward Watson working on his canoe test.

War Canoes on Lake Webb

The grand finale of every Water Meet at Kawanhee is the exciting Maroon-Grey War Canoe Race!

The boys are happy and healthy, and busy. They are motivated to improving their skills and inner strengths and abilities. Thank you so much.

Louise and Jack Dillon
Ridgewood, NJ

Archery

In every American boy there lurks the urge and spirit of "Robin Hood", to pull a strong bow and send an arrow true to its mark.

The camp furnishes all equipment. There are the great six-foot bows, powerful enough to bring down a deer or the largest moose that roams the woods of Maine. Then there are the smaller bows and arrows such as any Indian would handle with pride.

Under the regulations of the National Camp Archery Association, the following medals are awarded at the Saturday night Camp Fires.

Riflery

Range Director Bruce Birch and his Assistants Mary Birch and Randy Prior put in many extra hours at our rifle range to accommodate all of the eager marksmen. During the 1992 Season, over thirty thousand rounds of ammunition were shot. Every boy learns the correct and safe way to handle a gun. The camp furnishes guns although several boys prefer to bring their own to camp. Under the auspices of the National

Rifle Association, boys shoot for the following medals, and the awards are presented at the Saturday night Camp Fires:

1. Pro-Marksman 2. Marksman
3. Marksman 1st Class 4. Sharpshooter
5. BARS 1-2-3-4-5-6-7-8-9
6. Expert Rifleman 7. Distinguished Rifleman

1992 Beginner Shooters

1992 High Bar Shooters

Mary Birch achieved "Expert Rifleman" in 1992.

Kawanhee Shop

Craftsmen of '92

Our shop is one of the busiest activities in camp with at least two Industrial Arts teachers and two assistants working full time with the campers. Between fifty and seventy-five project choices are on display from which campers may make a selection. Some of the more popular projects include: 15 and 27 inch sailboats, small replica paddles, airplanes,

boats, cars, trucks, inlaid and slab tables, wood carvings, bird houses and feeders; also choices in metal working and plaster.

There's never a dull moment in the shop where our philosophy is "learn by doing" and "finish what you start," which encourages RESPONSIBILITY, known in the shop as "THE BIG R".

Learning From Nature

Kawanhee is unusually rich in natural beauty, with plant and animal life in abundance. "Learning by doing" is the Kawanhee way and nowhere in camp is this more observed than in the Nature department. Acquaintance with wild life is gained by caring for pets in the camp, pursuing birds on trips afield, and observation of the beaver colony a short distance from the camp.

Overnight trips are made occasions for study of the stars, simplified by the "stellarium" in the Nature Museum which flashes familiar constellations later to be identified under the open sky.

Microscopic observations, study of ferns and fungi, moth and butterfly propagation, nature photography and other fields of original research voluntarily chosen, are open to boys who wish to become "Naturalists," the highest honor the department confers. Such activities aim to quicken appreciation, awaken interests and develop resources which will in many cases continue throughout the boy's life.

MINERAL MINING TRIPS—A splendid collection of

minerals was mined at Newry, where the boys go to add to their rock collections. Each specimen was identified, carefully labeled and placed in a mineral box. Every boy has the thrill of finding beautiful green tourmalines and clear quartz crystals. The more fortunate may emerge with pieces of beryl, rose and smoky quartz, green, black, and pink tourmaline, or even amethyst.

THE LAPIDARY SHOP—The strange fascination that rocks and minerals possess for many boys is given added stimulus by the lapidary equipment which is a part of the Nature Department's expanding interest in geology and mineralogy. The equipment consists of diamond saws for slicing or cutting, horizontal metal disks for rough grinding, and a series of wood and metal wheels for polishing.

The Junior C Program

For Boys 7-8 and 9 Years of Age

Many parents who appreciate the value of mature leadership for their younger boys are enrolling them at Kawanee. Perhaps at no other age does camp offer more glamour and appeal. The days are never quite long enough. They learn to live and play happily with boys their own age, develop self-confidence, resourcefulness, and a spirit of comradeship.

For the coming season there will be hours to play on the sandy beach and grow strong in the mountain air and sunshine; time to sail small boats and fly toy airplanes; to explore fields and woods under trained leaders and learn many of Nature's wonders. In the shop, they will enjoy boat building, metal and leather work.

Each boy will learn to fish, swim and row. Some will even swim the one-eighth mile across the cove, and the one-quarter mile across the lake, and receive the coveted paddle and use of canoes in the cove. Best fun of all will be trips to the nearby mountains, or rowing across the lake to sleep in an Adirondack lean-to and cooking over an open fire. Baseball, tennis, archery, range and skiing will be carefully taught under supervision.

Throughout the entire program the importance of adequate rest is emphasized. A quiet hour from 1:00 to 2:00 precedes the afternoon activities. Taps is at 9:00.

Campcraft—Junior Maine Guide

THE CAMPCRAFT program appeals to boys who enjoy the fun of camping out. Preparation for trips is an important part of the program—learning the safety rules in cooking over an open fire—how to make rainproof shelters and comfortable bough beds—how to make and follow trails through the deep woods—how to fish, and the best bait to use.

THE JUNIOR MAINE GUIDE program is of special interest to boys 14 yrs. and older. Under the coaching Counselors in the Campcraft Dept., they train in July before leaving for the testing area at Swan Island—about 70 miles from camp. They must select and develop their own campsite in virgin wilderness, where they remain for the four-day testing period.

BOYS FROM 12 to 15 camps compete each year. Candidates must pass the requirements in twenty separate tests, including use of the axe—canoeing and canoe repairing—wet-dry fire building—topographical mapping—personal shelters—reading and following the compass, first aid, and cooking. Winning this coveted award is an accomplishment of which any boy may well be proud.

JUNIOR MAINE GUIDE WINNER ADAM RAMSAY

"Camp Kawanhee was an excellent experience. I attended for 11 seasons. Most important for me, I learned how to work with people and how to lead."

TRIP PROGRAM

MOUNT KATAHDIN

From the days of Henry Thoreau, Maine has been one of the most favored regions for camping in the country. With its great stretches of unspoiled forests, its thousands of clear, sparkling lakes, its fine fishing and lofty mountains, it's the perfect answer to a boy who yearns for the opportunity to explore, to hike in the woods, to spy on God's creatures in the great out-of-doors. Every boy is invited to participate in Kawanhee's Tripping Program, and practically all campers are eager to accept the exciting challenges.

The following pages will acquaint you with our program of CANOE TRIPS, MOUNTAIN TRIPS, and SHORE TRIPS.

THE LAKE FLAGSTAFF TRIP—This is an exciting two-day trip for older campers. Following a drive of about an hour and a half, we paddle for 11 miles and then camp out overnight on an island in Lake Flagstaff. By popular demand, this trip is again being scheduled for '93.

THE UPPER ANDROSCOGGIN RIVER TRIP—This is a thrilling two-day trip! It's a white-water trip most of the way and tests the skill of advanced canoeists who must prove their ability in handling a canoe in fast water before they are permitted to take this trip. Lifebelts or vests are worn on all canoe trips.

"The Kawanhee experience gave our four sons inner strength and integrity that they will carry with them forever."

Mr. & Mrs. David Altmaier

Boys receiving instructions before sailing for Monhegan.

Shore Trips

MONHEGAN ISLAND TRIP—The three-day trip to Monhegan, for boys 10 years of age and older, has been so popular it has been necessary to schedule two trips each summer.

Monhegan is twelve miles out from the mainland at Port Clyde, and abounds in history, romance and new adventure. Captain John Smith landed here in 1610.

We plan to visit Cathedral Woods, the Boars Head, the sea-going tug that went aground in '42, and also enjoy deep-sea fishing.

The "Laura B"

We leave Port Clyde on the "Laura B". She's a trim little craft, and seaworthy in every respect. She is 60 feet in length, has two 225 H.P. diesel engines, automatic steerer, radio compass, depth recorder, radar, and radio telephone. Captain James Barstow, a skillful skipper with many years experience is in charge. He likes boys and boys like him. When it's not too rough, he lets them stand by him at the wheel.

Deep-Sea Fishing

There's fun, thrills and good fishing at Monhegan. You never know what the catch will be—cod, pollock, haddock, mackerel, or maybe a tuna. All equipment is furnished by the skipper, including necessary bait.

For those boys who prefer to remain on the island and work with some of the local artists, arrangements have been made for the 1993 Monhegan trip to offer this alternative if boys wish to do water colors and receive art instruction instead of joining the deep-sea fishermen.

Mountain Trips

Good Training For Football

TUMBLEDOWN MOUNTAIN—Across from camp, at the end of the lake, rise the peaks of Tumbledown, the Jacksons, West, and white-topped Blueberry. There's always a thrill on Tumbledown, from a crawl through "Fat Man's Misery" and the "Lemon Squeeze", to curling up in a sleeping bag near the summit on a moonlight night.

MT. KATAHDIN TRIP—There is no trip in New England that surpasses the one to Mt. Katahdin, Maine's highest mountain, and declared by experienced mountain climbers *the most spectacular and beautiful elevation east of the Rockies*. Thrusting its spruce-clad slopes and rocky summit a mile into the clouds, this giant of the East is the first spot in the United States to greet the morning sun. Katahdin is a four-day trip.

MT. BLUE—A short distance from camp—and easily climbed over a trail one and one-half miles in length.

BALD MOUNTAIN—This is a favorite trip for many of the younger boys in camp—especially those who wish to "train" for the more difficult climbs later in the seasons.

Whitewater Rafting Trip

In 1992 for the tenth time, Camp Kawanee offered boys who are excellent swimmers and 14 or over in age the opportunity to participate in a whitewater rafting trip down the Kennebec River. Tripping Counselors Dan Webster, Alan Spencer and Chris Stahl headed up a group of 40 older campers. They reported spectacular scenery, a hearty steak lunch, and tons of whitewater. They all got a taste of big water and tremendous waves. Professional whitewater personnel accompanied and guided the group. This trip will be scheduled again in '93 only with special permission from parents. It is an extra charge one-day trip.

FREE TIME

Relaxation and change of pace from our busy Kawanhee schedule is a part of our program for all campers. There are many options for a boy to choose. He may decide upon fishing some evening and pull in a couple dozen white perch for his efforts and assure himself and friends of an extra delicious breakfast. Our Fishing Counselor is ready to offer help to any boy wanting to learn angler secrets.

Perhaps a boy may elect to check the library & take out a book, or challenge a buddy to a game of pingpong, chess or checkers. If he's ready for more physical activity, he'll enter into one of the frisbee, tetherball, or volleyball games invariably in progress in front of the Recreation Hall. Get-up games of softball also are popular. Maybe just a stroll through camp with a friend will do the trick.

TUTORING IS AVAILABLE AT CAMP KAWANHEE

COMPHER FAMILY HAS FOUR CAPTAINS!

Many amazing and wonderful things happen at Camp Kawanhee each year. One tradition started in 1986 when Chuck Compher, Jr. was chosen as the Maroon Captain. Chuck is the first son of a former captain to also serve as a captain. Chuck Compher, Sr. was the Maroon Captain in 1963. This tradition continued in 1991 when Chuck Sr.'s second son, Robert, was chosen as the Maroon Captain and again this year when Mike Compher was picked to be the Grey Captain. This is the first time in Kawanhee history that four people from the same family have been Team Captains at Kawanhee. This never happened before even though many second and third generation campers have come to Kawanhee. Chuck Sr. and his wife, Barbara, are very proud of their sons. It is a real honor to be a team captain at Kawanhee, and the experience gained is extremely beneficial to prepare for the many challenges life has to offer.

"A Traditional Maroon and Grey Tug of War"

The Greys and Maroons

Much of the fun and enthusiasm at Kawanhee revolves around the Greys and Maroons—the two competing teams in camp. Every boy enrolled is included on one of the teams and endeavors to win as many points as possible for his team.

The interest and excitement increases as both groups gather for the Saturday night camp fires. The names of those who have won special medals and passed achievement levels during the week are read. Then the big moment arrives. The score is announced.

In 1992 the Maroons were ahead a few days before the end of the season, but the final week the Greys pulled much closer so that no one really knew the outcome until Scorekeeper "B.A." Altmaier announced the final tally of 58,074 for the Maroons and 60,281 for the Greys. The most important factor was not the final official score, but it was the spirit, the fun, and how much both teams learned throughout the season.

PLAQUE ACHIEVEMENTS

Finishing a Kawanhee Plaque means completing the three levels in each of the fifteen activities in a camper's age bracket. These divisions are Junior C, Junior B, Junior A, and Senior. Junior C includes Eagle, Falcon, and Panther lodges. Junior B includes Pinetree, Deer, Hawk, Birch, and Beaver lodges. Junior A includes Moose, Lynx, and Wildcat lodges. Senior includes Bear, Loon, Crow, and Badger lodges. Usually a Kawanhee camper takes several summers to complete a plaque. Nine boys finished their Plaques this 1992 season. The spotlight shines brightly on these exemplary campers for their commendable achievements:

For 1993, a limited number of boys will be accepted on a 4-week basis with an option to remain for the full 7-week program. Tuition for the 4-week period is \$2,400.00 plus the incidental charges.

The tuition is payable \$200.00 with the application and the balance by June 15th. By special arrangement, the balance may be paid in equal payments by June 15th and August 1st. Special arrangements may be made upon request.

Incidentals and Spending Money—\$150.00 is deposited with the camp for each boy's weekly allowance and provides for such incidentals as stationery, stamps, fishing equipment, candy, camera and flashlight supplies, haircuts, toilet articles, canoe and ping-pong paddles, the weekly Wigwam, range and shop supplies, tennis balls, etc. At the end of the season, any remaining cash balance will be mailed to parents, or a charge made if the deposit is exceeded.

Tutoring—We are able to handle all grade and high school subjects. The rate is \$15.00 per hour. Please notify the Directors before camp opens if tutoring is desired. Boys should bring books and recommendations from their teachers.

Special Information

Camp Program—The complete program as outlined in this booklet, will be followed insofar as it is physically possible. However, emergencies arising beyond our control may necessitate minor changes.

Visiting Days for Parents—Parents are invited to visit camp at any time with the exception of the daily rest period, from 1:00 to 2:00 o'clock. Those vacationing at the Inn may attend the Water Sports program, Athletic Meets, Camp Shows, Camp Fires, Camp Movies and the Sunday Church Services.

The Mail—Telephone and Telegraph Address—Camp Kawanhee, R.R. 1, Box 120, Weld, Maine 04285—Phone 207-585-2210.

Trip Schedule to Camp—Sunday June 15th—Boys from the Columbus area will fly to Portland, Maine, and then bus to camp. Boys from the New York City — New Jersey area will also fly to Portland, Maine, June 15th and meet with the Ohio and other groups for the drive by bus into camp. All travel groups will meet for supper in camp.

Letters Home—Each boy must write a letter home each Sunday. No letter, no supper, is understood by every boy in camp.

Girls' Camps—Over the past few years, many Camp Kawanhee families have been well pleased with the camp experiences of their daughters at Camp Arcadia, Casco, Maine. If interested for your daughter, please write directly to Mrs. John F. Fritts, Pleasantville Road, New Vernon, N.J. 07976 (201-538-5409), and mention that your son is enrolled at Camp Kawanhee. We also recommend Camp Runoia at Belgrade Lakes, ME 04918. Contact Mr. and Mrs. Phil Cobb at 207-495-2228.

Kawanhee Inn for Parents

One-half Mile From Boys' Camp

Excellent accommodations are provided at **Kawanhee Inn** for parents who wish to visit their boys in camp. Many parents drive their boys to camp and remain to enjoy the cool refreshing air of early July weather. Others arrive by the middle of July, or a week early in August, and drive their boys home at the close of camp August 15th.

INFORMAL, FRIENDLY AND INVITING—The atmosphere is relaxed and casual dress is appropriate for a restful vacation.

RECREATION—There's good fishing, a sandy beach for safe swimming, tennis, boating, canoeing, sailing, mountain climbing, antiques and a fine golf course only 20 minutes drive from the Inn.

THE INN OPENS Mid-June and closes Labor Day. Some cabins are available with rates that include board and lodging, maid and cabin boy services. Efficiency cabins are also available at a weekly rate. Boats and outboard motors may be rented by the day, week, or season. Those desiring detailed information should contact Marti Strunk in Farmington, Maine, phone 207-778-4306 from 9:00 a.m. to 5:00 p.m.

One mile from camp, the Lake Webb house Bed & Breakfast offers comfortable "country-casual" accommodations and full country breakfasts.

For more information and reservations call Fred and Cheryl England at (207) 585-2479 or write The Lake Webb House B & B, P.O. Box 127, Rt. 142, Weld, ME. 04285.

CAMP KAWANHEE

Travel, Clothing and Equipment Information

GENERAL DIRECTIONS

Personal Outfit—No expensive special uniform is required. Clothing which a boy would customarily wear at home during the summer proves quite satisfactory. **For general daily wear, each boy should be equipped with the following:**

- 8 Cotton "T" Shirts
- 4 Pairs Shorts—(gym or athletic shorts)
- 5 Pairs Bluejeans or Khaki Pants

Mark all Clothes with woven name tapes or with a good grade of indelible ink, including clothing worn to camp. Place adhesive tape in shoes and mark plainly. (Unclaimed clothing is given to local charity at end of summer.)

Shipping Baggage—Information will be mailed the last of May relative to shipping trunks and duffel bags to camp via The Greyhound Bus Co. or U.P.S.

Trunks, or Foot Lockers not over 14 inches high are preferred. They are kept under cots. List the contents and post on inside of lid.

Two Trunk Keys should be provided—one to be retained by the boy and the other tagged with his name and mailed to the camp or handed to the directors at the station or airport on the day of departure.

ABSOLUTELY NO STEREOS ALLOWED. (Walkman is permitted).

APPLICATION

Camp Kawanhee — 1993

Full Season — June 27th to August 15th

Application Fee, \$200.00

I wish to enter my son in CAMP KAWANHEE for the season of 1993. Enclosed find the application fee of \$200.00 to be applied on the tuition.

In case of dismissal when deemed necessary in the interest of the camp, or departure, on account of voluntary withdrawal, there will be no refund of camp fees for the time reserved. If, however, unforeseen circumstances, such as sickness or accident, make it necessary for a camper to withdraw entirely from camp before the expiration of the term for which he is enrolled, one half of the unused camp tuition will be refunded. There will be no reduction in tuition for slight delays in entrance or departures. Please type or print.
