## FIRST WATER SPORT CAPTURED BY GREY

## MAROON AND GREYS CLASH FOR 14<sup>th</sup> TIME

SCORE CLOSE-115-108

Captain Johnson quite jubilant over victory! His team scored 115 points to the 108 points of Captain Jack Havighurst's capable Maroons. The sensation of the meet was the war-canoe race. The great Maroon crew paddled its way to an exciting victory over the stubborn Greys.

John Taussig, the "Man Mountain" of camp, could not quite find his way to the finish line in the one man bow canoe race.

The star swimmer for the Maroons was Tom DeVoe. He garnered ten points in the Senior swimming events.

Baker Bryant held the crowd spellbound with his sensational diving. Christner, the man (?) from Yale, supplied the comedy.

The thrill of the novelty events was the jockey race. Ridden by that famous jockey, Sonny Bisbee, Johnny Marble started out ahead and was not approached at any time during the race.

The fans thought that it was a put-up affair, but the WIGWAM

## DARK ROOM AGAIN IN USE

Under the direction of James V. Warren, son of the camp doctor, the practise of Kawanhee-developed films has been renewed. The dark room, which for the past few years has been used for Morse's Melodians' instruments, has now been turned back into a dark room. It is now being used extensively for photographic purposes.

Jim Warren is willing to teach any fellows who are really interested, to develop their own pictures.

## CRANING CAMPERS CHEER CHOPPERS

A very enjoyable program was planned for last Tuesday night's campfire at the Point. Two men from Weld, Peleg White and Ike Libby, gave a wood-chopping exhibition.

## CLOSE COMPETITION

### FORESEEN

Competition has begun! The Greys, under the able leader, Bunny-Boy Johnson, have started the big race. And right up next to them--neck to neck, in fact--are Jack Havighurst's Maroons. Mr. Havighurst feels that his team has a slight edge in swimming and baseball, while he believes that as far as war-canoe competition is concerned, the two teams are about equal.

"I think we have an excellent chance of winning," said Jack when asked by a WIGWAM reporter.

But the two captains do not agree.

Bunny Johnson stated to the press on Tuesday, as follows:

"The Greys will come through on top this year!"

He went on to say that his team will excel in track, inasmuch as he has Norman Carter and Billy Cook for the Juniors, while Pete Neidig is excellent for distance running.

Of course, these forecasts were made (Con't on page two)

A newspaper published weekly at Camp Kawanhee, Weld, Maine

## Editorial

The object of this newspaper is to bring the news from far and wide to this camp. We feel that even though it is small it will satisfy everyone from Bill Altman to Jeff Chapman.

Much time was spent to edit and print this paper so that it could be ready by Friday, July 12. It was written and put to press during the spare time of the editors.

We wish to acknowledge the assistance of Messers Frank, Mrs. Altman and others, too numerous to mention. Without their help, this masterpiece could not have become a reality.

In addition, we take this opportunity to thank our readers immensely for the splendid response which we feel certain is soon to follow.
