Greys Regain Lead

It was a Grey week all around. The weather alternated between rain and drizzle, while clouds dominated the skies. And white caps on the lake and a stiff breeze through the Pines foreshadowed Saturday's campfire.

On Monday night, the Greys won their third consecutive Wrestling match 60 to 25. And the most significant omen—the Greys won their first water meet on Saturday afternoon 83 to 44.

Thus, the announced score of Maroons 6955, Greys 7609 was not unexpected. But what was unexpected was the almost complete dominance of the Greys in the activities. Only in Shop did the Maroons outscore their opponents.

This lead of 654 points is relatively small, and considering the anticipated activity in the weeks ahead will certainly not be decisive. And, according to the veteran scorekeeper, "The Maroons have yet to earn their share of second and third levels."

The competition is by no means over, but the industry evidenced by the Grey team cannot be ignored. In Athletics they earned 1005 points to the Maroons 795. In Nature they outscored the Maroons 275 to 80. And in Boating and Sailing the combined difference was 195 points.

Due to the weather, activity in Swimming was minimal and the boys were unable to complete their levels. However, fresh from his Rotary Club appearance, Ted Barclay says, "There will be a lot of Swimming levels this week."

Allan and Whitmyre Lead Camp Scoring

David Allan of the Eagle Lodge and Walt Whitmyre of the Falcon lodge have each earned 395 points after five weeks of activity and are the individual scoring leaders in the camp activities.

Both of these boys are first year campers at Kawanhee and before the summer's end, could possibly fill their Junior C plaques, and earn an additional 200 points. To do so they have to complete three levels in five activities.

Close behind these leaders is Doug Reed of the Falcon lodge with 360 points. Scott Leiper of the Eagle lodge and Pete Albertsen of the Pole Cate Lodge are next in line with 330 points.

Nineteen Enjoy Presidential Climb

Andy (Hemmingway) Doyle has been joined by an old friend and colleague, Alan (Pyle) Bishop, and both of them are responsible for the following account of the Mt. Washington trip which took place this past week on Thursday, Friday and Saturday.

This trip, which is the high point of the Kawanhee hiking season, usually includes scaling the peaks of the other four peaks of the Presidential Range, but due to inclement weather i.e. rain, this trip was cut short.

After a good night's sleep, seventeen enthusiastic campers headed by John Fulda and Dave Hoak left for an exciting trip to Mt. Washington.

We left camp at 9:00 o'clock in the morning and after a two hour drive arrived in Gorham, a town in New Hampshire, where we bought some candy.

After a fifteen minute stop there we proceeded on to Mt. Washington, another half-hour's drive away. At arriving there we unloaded the truck and started up Tuckerman's Ravine.

The trail wasn't too interesting at first, but after a few hours walk we hit the open and soon were climbing over rocks and steep hills.

After a few minutes in the open we came to a small patch of snow where we had a ferocious snow-ball fight. After the snow-ball fight we proceeded to a more difficult trail.

We soon came to the "Lake of the Clouds" Hut where we had a delicious supper and were to spend the night.

After dinner we climbed Mt. Monroe, which took us about fifteen minutes.

During our stay at the Hut we met several boys from other camps. One of the more interesting of our new friends was J. C. Crawford, the "flogg it" man.

In the morning J. C. and his boys bid us a fond farewell and as he says "went boppin' up the mountain." Also in the morning disaster hit us — Bad Weather!

But after an unusually good breakfast we decided to climb to the summit in spite of the bad weather.

After about an hour and half's walk we arrived at the summit "soaked"! There we stayed for three hours and dried off our wet clothes. Some of us who had money brought some souvenirs and candy.

Because of the bad weather we did not go on to the other Presidentials which we had hoped to climb.

At 1:00 that afternoon we set off down the trail in the rain. After about four and a half hours of discouraging hiking over rocks and through the woods, a muddy soaking bunch of campers arrived at Pinkham Notch, a lodge at the bottom, where we spent the night.

In the morning Bates came and picked us up and drove us back to camp. Our good deed for the day consisted of pulling a car from the ditch alongside the road with the help of a tow truck.

Summing it all up, despite all the torments, we all had a great time.

ALAN BISHOP AND ANDY DOYLE

The boys who went on the Mt. Washington trip were: A. Doyle, J. Proctor, B. Himmelright, D. Waters, A. Bishop, B. Cox, J. Abbott, P. Moss, R. Friedeman, B. Brush, R. Kanzenbach, F. Ball, C. Hoffine, L. Smith, C. Weld, S. Dargusch and D. Pearson.

A Counselor's Prayer

*Put me in touch with the heart of a Boy,
Let me study his doubts and fears;
Let me try to show him the Way of Life,
And help him avoid its tears.*

*For the heart of the Boy, in its buoyancy,
Is one that is pure and free;
So, put me in touch with the heart of the Boy,
The heart of the Man-to-Be.*

Campers Search For Soaked Minerals

In "ideal" conditions seventeen boys and Fred Buel accompanied Forrest Dexter in quest of minerals last Friday. A steady rainfall made it possible for the "mineralogists" to discover specimens of a much higher quality than are normally available because the rain not only cleans the stones but also washes them from the earth.

Although well equipped with "wet-weather gear" most of the searchers were soaked to the skin and thus had to forego the usual stop at Perham's Mineral Store. But the stones collected by the boys themselves were of such quality that the stop was neither missed nor necessary.

Those boys who went on this most successful of mineral trips were: P. Alexander, B. Andre, J. Bou, D. Bonnie, D. Kaplan, T. McKee, D. Saunders, R. Estabrook, T. Ruhle, S. Pace, M. Reed, R. Whitmyer, J. Engel, R. Sherwood, R. Thayer, T. Borghi and J. Hively.

Winnows Win In Overtime; Remain Undefeated

In a double overtime Wells' Winnows beat Pearson's Piercers to remain undefeated and assure themselves of at least a tie for the league championship.

In this contest, which was continued from last week, the score was thirty-nine all at the end of the regulation time. In the first overtime period of three minutes, both teams played carefully and each scored four points. In the second overtime, the Winnows took the lead on Robin Wells' field goal, but Dave Pearson put in a rebound to tie the score.

Then, in the final minute, Wells put his team ahead to stay as he scored on a jump shot and then with a free throw. With a single second remaining, Lee Perry hit with a twenty-five foot set shot to bring the difference to a single point, but the steady defense and team play of the Winnows had prevailed over the superior height of the Piercers.

After the double overtime, the Winnows continued their winning ways as they defeated Beal's Bashers 35 to 22 in Tuesday's regularly scheduled contest. The first half of this game featured ball control and as a result the difference was never more than five points and the score at the half was 15 to 12 with the Winnows ahead.

In the third quarter, however, the Bashers scored only two points and the Winnows pulled away and then coasted to victory. Leading the balanced Winnow scoring was Chuck Compher with twelve points, while Dave Roth's ten points was high for the Bashers.

With Capt. Pearson and Sonny Dargusch on top of Mt. Washington, Lee Perry and Ross Shepherd played to the tune of "I Only Have Eyes For You" and led the Piercers to a 36 to 34 win over the Bashers, on Thursday night.

Hank O'Neil of the Winnows filled in for the Piercers and actually got to touch the ball three times in this shooting match. And Jim Duffey scored eight points in the third quarter, to keep the Bashers in the game, and then as a reward spent the final quarter on the bench.

During the final thirty seconds the Bashers took approximately six shots, but all of them failed to provide the two points necessary to tie the score. High man in the scoring columns was Perry with nineteen points, while Shepherd added a dozen tallies. Bruce Beal had ten points to lead his team in scoring.

Greys Continue To Dominate Wrestling

The third evening of Kawanhee wrestling opened last Monday with a bout between Billy "The Dogface Bulldog" Dargusch and Martin Foss. Billy leaped to an early lead when he turned a takedown into a near pin for a total of five points. In the second period, he lengthened his advantage by scoring an escape, holding his now enraged opponent at bay for the rest of the minute. Martin, now working with everything he had, made his bid in the last period, reversing Billy and trying to force him to his back for the much needed points; however, Billy remained strong and Martin could not knock him from his knees.

The second bout featured Phil "Peat" Moss and Bob "Mighty Mouse" Friedeman. Phil took the lead with a first period takedown, riding his man for the rest of the minute. He struck again in the second period, scoring an escape, thus increasing his lead to 3-0. Bob attempted to regain the lost ground with an escape in the third minute, but he was unable to budge the sturdy Phil from his feet.

In the last match, Bill Neidig faced Mike Saunders. A spectator was heard to classify this match as "brains vs. brawn". For Mike was obviously heavier and stronger, and Bill had worked for several years on the renowned and dreaded Haverford School wrestling team. The outcome of the match was a comfortable victory for Mike, because, as soon became evident, he possessed a great deal of the "brains" himself. The first period went scoreless, but Mike worked a quick reversal and near pin in the second, gaining a 5-0 lead. Despite all Bill's efforts, Mike rode him, keeping him in trouble for the rest of the match. The final score of the meet: Greys 60, Maroons 25.

Giants Sweep Two; Lead By 2½

After a week's rest, the Black Giants were active last week as they met the Blue White Sox and the Red Mets. Dargusch's men proceeded to stretch their lead 2½ games over the nearest contender:

	W	L	Pct.
Black Giants	5	0	1.000
Green Stingrays	2	2	.500
Red Mets	1	3	.250
Blue White Sox	1	4	.200

The Monday night contest between the Blacks and Reds was not decided until the last out was made. The Mets were able to drive in a run each inning as Miller and Whitmyer picked up R.B.I.'s. But the Black Giant's charmed second inning resulted in five runs. Meldrum went the full distance for the Mets and Watson, recently brought up from the New Canaan farm club, received the victory but was replaced by Freddie Viejo in the last inning.

Black	0	5	0	5	1	3
Red	1	1	1	3	2	1

Again the second inning proved to be the decisive factor as the Blue White Sox challenged the Giants on Wednesday night. Freddie Viejo foiled the Sox with his no-hit pitching and the Black team claimed their second shut-out. Only two of the Giant's starting line-up failed to score in the top of the second, as the Giants scored seven un-earned runs. The Sox' pitcher, Alan Bishop, gave up home runs to Win Watson and Bruce Cox.

Greys Take First Water Victory

At long last the strength of the Grey's swimming team along with the hopes and prayers of their captain, proved to be too much for the Maroon mermen. It had to happen — the score: Greys 83, Maroons 44.

The Junior C One Length Balloon Race started the afternoon off with a bang. Each contestant blew his balloon up, popped it, and then made his way across the docks. The winner was jet-propelled Doug Reed.

The Lighted Candle Race was blown out for lack of candles but was exchanged for a one length Junior B Freestyle race which was won by Tony MacDonald.

Of special interest were the Junior A Clothing Relay, which is somewhat similar to the Pajama Relay; and the Senior Canoe-bobbing.

Once again there was a Junior-Senior Counselor water-polo game. This time, however, the J. Cs were seriously handicapped by the absence of several stalwarts, and fell into the ranks of once-beaten. Three straight goals were

made despite the valiant efforts of the remaining Junior Counselors.

The Summary of events:

Junior C One Length Balloon Race: 1) D. Reed (G), 2) C. Wight (M), 3) C. Button (G), 4) P. Stewart (M), 5) G. Bishop (M).

Junior B Freestyle Relay: 1) Greys (P. Albertsen, D. Cox, B. Dargusch, T. Dargusch)

Junior A Freestyle Relay: 1) Greys (B. Cox, A. Doyle, R. Miller, M. Messerole)

Senior Freestyle Relay: 1) Maroons (B. Barnes, C. Compher, B. Beal, J. Staker)

Junior A Swamped Canoe Race: 1) J. Abbott, H. O'Neil, (M), 2) R. Thayer, M. Melcher (G), 3) B. Heintz, R. Whitmyre (G).

The Dean's Prayer

Each Sunday, Dean Miller composes a prayer appropriate to his sermon and has some one read it during the service. This past Sunday Ross Shepherd read the following prayer and Dean spoke about the instrumental value and costs of friendship.

Our God and Father!

Sometimes we seem to stand alone, and our friends seem far away, beyond our reach. And we get lonely. Help us to be more friendly toward others — and so, give us friends.

Make our lodges better, because we are there.

Keep our minds clear, and our lips clean. Help us to be an influence for good — on the athletic field, tennis court, and everywhere we are. We would like to grow straight and upright, toward the stars. Help us to be gentlemen — God's noblemen — in all we do.

Make us trustworthy — as reliable as this universe which thou hast created: — as worthy of being trusted as Jesus is.

In His name we pray.

Amen.

Seniors Even Softball Series With 7-4 Win

Behind steady pitching and with flawless fielding the Senior counselors initiated their drive to gain their rightful position of superiority with a 7 to 4 victory over the Junior Counselors et. al. last Saturday night. The victory was the Seniors' second in the series and it evened their season record at 2-2.

In the top of the first the Seniors sent eleven men to the plate as they scored seven times before letting the Juniors leave the field. Then behind the sometimes brilliant pitching of Del Tracy they settled down to finish out the remaining six innings of the contest.

The Seniors had other scoring opportunities, but some not so brilliant base running cut them short.

The Juniors did put a few hits back-to-back in the fourth inning to dent the scoring column, but generally speaking their efforts were to little avail as the Seniors coasted to victory.

With only a few playing dates remaining, next week's contest may well be the decisive game in determining whether the Juniors will find the upset they have so long been searching for.
