Maroons Comeback Again; Lead by 84 Points

In wrestling, swimming, baseball and basketball contests, as well as in all activities except Nature and Shop, the Maroon team outscored the Greys last week and overcame their lead of 654 points. The score, after six weeks of activity, is Maroons 12,219; Greys 12,135 — a difference of only 84 points.

This announcement at Saturday night's campfire marked the last time that the score will be officially known until the banquet on the final day of the season. Thus, while the lead is "nothing," relative to the total score, it did provide the Maroons with a needed lift and showed them what can be done by working.

The largest single item in the scoring was the Swimming report which accounted for seventy-five levels and 2,855 points. In this activity the Maroons lead the Greys by 245 points.

Yet, it was not by "racking-up" in a single area, but with consistent effort in all activities that the Maroons came back. Indeed, it wasn't until Saturday's Basketball and Baseball contests were over, that the six week leader was finally determined.

In the remaining two weeks the total scores will probably double, so that the final outcome will remain "anyone's guess" until the waning hours of the season.

Campers Conquer Kennebec Via Canoes

This year's second Kennebec River Canoe trip will long be remembered by fifteen boys and six counselors. All told, we paddled close to forty miles and had the experience of portaging around a huge log jam as well as pulling our way through another.

John Fulda was in charge, with Stew Randall, Charlie Berry, Kim Kaiser, and Tom Patton as assistants. "Ole" Bates got a bit under the weather, so he didn't paddle down river with us.

We put in at the forks beyond Bingham, at around two p.m. and took out at the public landing on Wyman Pond about 7:30 that evening.

Our first encounter with fast water occurred shortly after we rounded the bend after putting in. This was a new experience for many of the younger lads and they handled themselves quite well.

As we went on down river, we saw a beautiful Bald Eagle which seemed to add an extra flavor to the trip.

Shortly after this we came upon our first log jam and realized we were stuck after plowing through about a quarter of the way. One of the smaller senior counselors leaned over the bow of his canoe and pushed the logs aside and pulled the canoe through for the extent of the jam.

We decided that we would portage the next jam, and our expectations were fulfilled about six miles later. We hoisted the canoes up the side of an almost perpendicular cliff, and carried them close to a mile and a half before putting in on the other side of the jam.

We decided to camp at the public landing, and there were no complaints about not enough paddling, fast water, or miles covered.

For some reason, the food tasted excellent to everyone that night and it wasn't long before everyone was fast asleep.

Next morning we had crisp bacon, as many fried eggs as we wanted and plenty of pancakes and hot chocolate before paddling on down to Solon where we ended the trip.

My compliments go to every boy on the trip. I have never enjoyed a finer trip myself, and am sure that the boys had a wonderful experience and good time.

STEW RANDALL

The boys on the first trip were: B. Doyle, B. Brush, J. Estabrook, C. Dawes, D. Alford, J. Duffey, R. Kanzenbach, Tom Taylor, R. Dorn, D. Delvalle, B. Birch, S. Brady, R. Hoover, E. Melcher, R. Miller, P. Moss.

The second trip included: M. Meserole, O. Colt, S. Ruhle, J. Meldrum, M. Halsted, B. Leiper, T. Patton, C. Hoffine, F. Ball, J. Staker.

B. R. Basketball Idled By Illness

Due to the illness of several key players and the muddy court conditions, the scheduled contests in Babe Ruth Basketball were not played this week. The games between the

Winnows and Piercers, and the Winnows and Bashers, have been rescheduled and the results, as well as the final standings, will appear in the next issue.

If the undefeated Winnows win either of their two remaining games they will be league champions, but the Piercers, who lost to them only by a single point in a double overtime in their last encounter, would like to at least spoil the Winnows perfect record.

Maroons Sweep Wrestling Matches

In the final Monday evening wrestling match of the season the Maroons scored their first victory but it was an overwhelming one. They trounced the Greys 90 to 15.

The first match had Chip Button waging a losing battle against Wally Whitmyre. Wally jumped to an early lead and held it throughout the match. The final score was six to two.

The second bout brought together Carlos Romero and Clark Myers. Clark jumped to an early lead of five to zero and looked like the winner through the first two periods of the match. In the third period Carlos flew into action and scored six points. The final score was 8 to 7.

Jim Proctor and Hank O'Neil battled back and forth for two periods. Both boys showed outstanding ability. The match ended in a victory for Hank when he pinned Jim in the final seconds of the middle period.

Giants Lose First Game; W. S. Beats Mets

The fifth week of action in the Kawanhee Little League resulted in the Stingrays handing the undefeated Giants their first setback. The Mets also fell victim to a spirited White Sox team in the other contest of the week. The standings are as follows:

	W	L	Pct.
Black Giants	5	1	.833
Green Stingrays	5	2	.600
Blue White Sox	2	4	.333
Red Mets	1	4	.200

The Mets regained their coveted cellar position by a 1/2 game last Monday night as the Blue White Sox put on the season's finest hitting demonstration in support of Hank O'Neil's fine one-hit pitching performance.

In the third inning, Mike Standen's heads-up base running produced the White Sox first tally, as he slid in under the relay from left on O'Neil's single. In the next inning Alan Bishop and Tom Fontaine hit back-to-back singles and came home ahead of John Engel as Meldrum replaced Sherwood for the Mets and had trouble getting the ball over the plate.

Roy Miller tripled to lead off the last of fourth, and eventually scored on a fielders choice, but the Mets could not muster the necessary hits for a comeback and once again became the league cellar dwellers.

White Sox	0	0	1	3	4	8	1
Mets	0	0	0	1	1	1	1

On Wednesday night the Green Stingrays upset the Black Giants to hand them their first defeat of the season. The Rays finally climbed above the .500 mark as Frankie Viejo hurled the victory.

Winnie Watson started for the Giants, but was soon replaced by Freddie Viejo. Each pitching staff only allowed a single hit. The Rays rallied for two runs in the top of the first inning on walks and heads-up base running.

With the exception of the Giant rally in the top of the Fourth, the rest of the game resembled a pro contest as both Frankie and Freddie achieved six strike-outs. The Giant threat came in the last inning with one out. Bruce Cox was hit by a pitch and scored as Freddie Viejo and Bill Stafford reached base. Then with the bases loaded, Frankie Viejo bore down and struck out the next two batters.

Giants Clinch Tie For Little League Pennant

Win Watson's double with two outs in the bottom of the sixth inning scored Mike Reed from second base and provided the winning tally as the Black Giants of Sonny Dargusch defeated Dave Roth's Green Stingrays 3 to 2 and clinched at least a tie for the Little League Championship.

This game, which was played on Monday August 12, featured another Viejo duel as Frankie pitched no hit ball for the Stingrays and Freddie allowed only two hits in their respective five inning stints.

According to Kawanhee Little League rules one player can pitch only a total of five innings, so in the top of the sixth, Tom Borghi replaced Freddie for the Blacks and was greeted by Frankie Viejo's lead-off triple. Borghi settled down quickly, however, to retire the side and leave Frankie stranded.

In the bottom of the inning, Mike Meserole replaced Frankie on the mound and after one out walked Reed. Then, as Meserole was striking out Proctor, Reed stole second. With two out, Watson stroked a line drive into left center to score Reed and end the contest.

The Giants are now 6-1 and the Stingrays 3-3. If the Giants were to lose their two remaining games, and the Stingrays to win all of theirs, this would produce a tie for first place. But considering their dominance of league play until this point, it appears that the Giants are this year's Little League Champs.

Maroons Edge Greys 43-40 In Basketball

Paced by the clutch foul-shooting of Fernando Viejo, a plucky Maroon basketball team withstood a fourth quarter rally by the Grey team for a 43-40 win in Saturday afternoon's contest. Viejo canned four straight free throws in the waning minutes of the game when it appeared that a determined Grey offense, led by Lee Perry's eleven fourth period points, would overcome the Maroon lead.

The Maroons approached the final stanza with a comfortable 35-18 lead, built largely on a rebounding superiority that led to easy baskets for center Dave Pearson. Occasional outside shots by Viejo kept the Grey defense from collapsing for better rebounding positions.

The first quarter was played rather cautiously, and after the Greys scored first, the Maroons opened a 10-4 margin. The second quarter found the Maroons in high gear as they scored 18 points to provide a 28-10 halftime margin.

Action was slow again in the third quarter as the Greys outscored the Maroons by a single point, 8-7. But early in the fourth quarter the pace quickened and the Greys opened up a successful running game. Led by Perry, Robin Wells, and Sonny Dargusch the Greys chipped away at the apparently insurmountable lead to a point where they were behind 37-34. The lead was then cut to a single basket at 40-38. But forced to fight the clock, the Greys fouled Viejo who scored four of his team's last six points

from the foul line. A last minute bucket by Perry accounted for the final tally of 43-40.

Viejo's twenty-one points were high for the game and he was ably supported by Pearson's 13 tallies. Bruce Beal added seven points. Lee Perry carried the Grey attack with seventeen points, while Terry Studebaker scored eight and Wells and Dargusch had six points apiece.

Maroons Win Basketball Contest 6-1

Heads-up baserunning, two home runs and fine pitching highlighted the Maroon effort in Saturday's Junior A baseball game, as Freddie Viejo went all the way in hurling the Maroons to a 6 to 1 victory.

The Grey contingent played spiritless ball and was virtually out of the game from the beginning. And although losing hurler Tom Borghi gave up only four hits, sloppy fielding led to the Grey downfall.

Leading the Maroon attack were the Viejo twins, Frankie and Freddie, as the former hit a Borghi fast ball over the left fielder's head in the first inning for a home run, and the latter followed suit in the fifth inning.

The remainder of the Maroon runs came in the second and fourth innings when Hank O'Neil stole home for one run and wild throws on attempted steals accounted for the others.

The lone Grey tally came in the top of the fourth when Win Watson walked, stole second and third, and then scored on Alan Bishop's sacrifice fly.

Greys Lose Swim Meet By Single Point

The Sunday afternoon watermeet started off slowly perhaps because of the lack of sun and warmth, but probably because of the lack of teams. The traditional pre-meet strategy meetings held up the aquathon. With a capacity crowd on hand, the teams felt that they owed the on-lookers some excitement.

In the Junior B Tug-O-War, the Maroons found that their opponents had no intention of pulling anyone's leg, but rather the line to which they were so attached. Weight and muscle did the trick for the Grey team.

For the first time this year, diving was included. Although some of the participants reminded the spectators of Bill Taylor, Hank O'Neil brought back memories of Bill Keating with some of his dives.

To cap the afternoon's show, eight of the older, stronger, and more spirited campers each swam 100 yards. The Grey foursome won the event, but only in vain. The final score: Maroons 65, Greys 64.

Seniors Wallop Juniors 17-8 In Softball

Once again the Junior counselors asked the Senior Counselors to bat first in their weekly softball contest, and once again the Seniors acquiesced and then proceeded to hit the ball by them, through them and over them until lead-off batter Gene Cayten's three run homer brought the first inning run total to eleven. Then the Juniors, who had left supper early to get in some extra practice, produced their variety of the big inning, four runs, and after that both sides scored intermittently as they completed the obviously one-sided game.

Other big hitters for the Seniors were Dan Sebastian and Fred Buel while Norm Gillespie continued to sparkle afiel as he relayed a perfect strike from short left field to cut down Bruce Beal's at the plate on his attempted home run.

Somewhat unfortunately the Juniors were "up" for this game and while they did try to come back in subsequent innings, the Seniors charmed first inning explosion proved to be too much of a barrier for them to overcome.

It is possible for two more "games" to be played before the end of the camp season and if a miracle should occur next Saturday the competition would not be over until the final week. But in all honesty, any hopes of a Junior counselor victory must be properly labeled as "illusions of grandeur" and, indeed, it seems that the Seniors' string of winning seasons is safe for another summer.

Dean Miller Offers Guides to Life's Decisions

At last Sunday's morning service in the Recreation Hall Dean Miller instructed the congregation to use three guide posts in dealing with decisions for their lives. He suggested: Follow that inner guidance and do the best you know; Follow the right path as you have seen it before you; and put the question "What would my most respected friend think of this act of mine?"

He summed up his sermon by saying that: only if we follow what we believe to be the right path can we maintain our self-respect.

Dave Angerer sang "Thanks Be To Thee" and was accompanied on the piano by his brother Bob. This week, Geoff Herreman read the Dean's prayer.

A Note About The Wigwam

This is the last regular edition of the *Wigwam*. The activities of the final two weeks as well as the final score of the Maroon-Grey competition and the individual awards will be reported in a special issue which will not be published until after the close of camp. This date of publication is due to the fact that while achievement levels will be announced at next Saturday's campfire, the team scores and the results of the camp tournaments will not be known until the banquet on Saturday, August 24.
