Grey Grandeur Gaining

The Greys continued on their merry way, steadily widening the gap between their total and that of their rivals. At the campfire of Saturday, August 1, Del Tracy reported the score to date as: Greys, 9608; Maroons, 7828. The Greys had added another 1020 points to their advantage to expand it to 1780. The figure is impressive, but still by no means conclusive, for bigger leads than that could be wiped out in the final week's deluge of points. With this in mind, a certain eminent Maroon could take the philosophic point of view that at present the Greys are running next to last, while the Maroons are up there in second place. Would you care to comment on this matter, Bill!

The "garbage men" had another successful sports week. The big Grey team once again copped the aqua-olympics. The spirited water polo match handed the Greys a 106 to 66 advantage.

Of course, it was the level work that made the difference. For the second week Athletics held the most points—2220, and was distributed 790 worth to the Maroons and 1430 to the Greys. Isn't it helpful, Sonny, to have such an athlete as Scott on your side? The Greys also gained points in Shop, Sailing, Boating, and Nature. The remnants of the Maroon spirit could only be seen in Wrestling, Tennis, and Campcraft.

Swimming Achievements

Marty Truax, aquatics director at Kawanhee, reports that this week the waterfront was a very active place. Several American Red Cross tests were passed as well as many Kawanhee achievement levels.

Seven boys obtained National Red Cross Junior Life Saving recognition. Marty Truax and his assistant Jim Freed said they had confidence that anyone of these boys would know what to do in any water emergency and that all of them did outstanding work during the course. They are: Charles Bittenbender, Douglas Dennett, Phil Green, Robert Neary, Harold Schmidt, Scott Tracy, and John van Arsdale. Others are expected to meet the requirements at the end of the week. Al Brenholt, a member of the swimming department was awarded his Senior Life Saving and Instructors Aide.

The other boys passing Red Cross Swimming classifications were: Milton Zapata, Beginner; Advanced Beginner, Charles Cookman, Frank Erickson, Chris Watson, Charles Wight and Craig Wolcott; Intermediate, Frank Erickson, and Richard Stowe.

THE WIGWAM

This newsletter is published weekly during the months of July and August for a total of eight issues. It has two main objectives: to furnish each camper with a record of his activities and accomplishments throughout the summer; and to supply families and friends with a comprehensive account of what happens in Camp Kawanhee. The staff centers around a try-editorship.

Chain-of-Ponds

Many feel that Kawanhees's regular canoe trip, Chain-of-Ponds, is its most beautiful "back to nature" excursion. This week two groups left for the northern forests. The first group, leaving Monday, consisted of Bates, Herb Lorenzen, Marty Seefer, Fred Ball, and all of Birch and Beaver Lodges. The second group left Wednesday with John Fulda, Fred Heer, Tom Peers, Dick Bittenbender, Mark Halsted, and all of Hawk and Deer Lodges. The groups travel Route 27 north past the last town and on through 25 miles of virtually uninhabited timber in Woburn, Quebec, Canada. Lumber trucks and a few hardy campers are the only traffic to be seen on the road. We pass what seems to be endless lakes and then Bates bounces off on a dirt road. We have eaten sandwiches on the road and are ready for the hamburgers prepared by the master woodsmen, our trip leaders. After supper the boys, canoes, and counselors head down from the lake we are on to a seemingly endless river (no one has ever found the next lake) called the Horse-shoe River. This stream, full of turns and their accompanying sand bars, winds about four miles in a quarter mile square area. The boys learn to fight the current and predict where the sand bars would have formed. But pure muscle is the only way around a beaver dam we encounter. The second day, Tuesday or Thursday depending on the trip, the boys paddle the six aluminum canoes up lake, and through a small channel to the next lake, across that and on to the next, etc. The second trip was not able to get as far as the first did because of high winds and no packed

Accompanying the graves is a lone sachem who just completed a year of medical school at New York Medical College. Gene Cayten spent the first half of the summer at Englewood Hospital working in the laboratory. He is back for his sixth summer working in the Campcraft Department. Next fall he will head back to medical school.

The tournament last year featured ribbons for the winners, pictures of the winners and the runners-up, and special awards at the final campfire. Once again "The Most Outstanding Wrestler" and the "Most Improved Wrestler" will be awarded at the Banquet.

Saturday Swim Meet

Again the Greys have maintained their perfect record in the Saturday afternoon aquatic competitions by defeating the Maroons 81-66. Saturday's meet was a conglomeration of both the regular events and several new and exciting races. These ingenious events, devised by Director of Aquatics Martin Truax, were as follows: an inverted breast-stroke race, a treasure hunt, and a yardstick race. These events, plus the other races, created an entertaining and suspenseful aquathon. More important than the entertainment this meet provided, however, was the competitive spirit and sportsmanship it instilled in the contestants. During the course of the swimming meet, there were incidents which tested the sportsmanship of many boys and aroused the team members to work to their fullest capacity.

Of the ten events, Senior Water Polo, Over-and-Under Canoe Race Relay, the Treasure Hunt, and the Yardstick Race were the most exciting. All the other contests served to demonstrate the true competitive spirit of Camp Kawan-heck, especially the water polo and the regular swimming races.

The aquatic meet was not decided until the final event of competition, Senior Water Polo. In that struggle, an inspired team of Greys, led by Al Brenholts, Bruce Birch, and Captain Sonny Dargusch, trounced the Maroons in a battle royal, 3-0.

High point men in the aqua-olympics were Mike Crane, Bob Lancione, and Nels Lancione, in that order.

Sunday Sermon

Edward Chase read this week's scripture lesson and Gene Cayten read the Dean's prayer which follows. The Dean spoke on the subject of "Am I My Brothers' Keeper?"

Our Father and Our God!

Help us to be sincere and true in our gratitude, and in the way we live. May our influence on our friends be finer than it has been — if they follow in our footsteps we would like to be worthy guides. Make us as reliable and as constant in our association — as the gravity that holds the stars of heaven in their places.

Please make us want to be builders, and not destroyers: — Influences for good at Kawanhee, and not for evil. And

help us to be brave enough to stand up for the hard right way against the easy wrong, even if we stand alone.

Forbid, O God, that we be satisfied to be a nobody; help us to grow, day by day, toward the men of integrity that Thy perfect plans call for.

And forgive us when we feel content with being little runts instead of full-grown, Godly men.

In Christ's name. Amen.

Little League

As the Kawanhee Little League passed the half season mark, the Green Goliaths hold sole possession of first place with the Black Giants one game out. The Goliaths reached the peak with a 3-2 win over the Blue Colt 45's. They did it on the pitching arm of rookie sensation Craig Wolcott. Craig, in route to his second win of the season, whiffed eleven while walking only four. Things looked bad for the Greens with the 45's scoring two runs in the first inning on runs by Boo-Boo Crane and Jock Cumberland. Things stayed that way for the next three innings. The fireworks started in the fourth with two hits and three runs. Mark Standen, Jim Proctor, and Charlie Brady scored for the Goliaths. Proctor's run is particularly noteworthy. After being walked, he proceeded to steal his way around the bases. Such speed, wow! The Colt 45's couldn't recover and lost the outing by one run.

Babe Ruth League

The third phase of the Kawanhee Babe Ruth League took shape this past week. Football graced the Webb Lake shore with Leiper's Lumbermen stomping Meserole's Mets 58-18. The Lumbermen, in turn, were slaughtered by Doyle's Bombas 41-14. After their win in softball against Doyle, Mez's Mets appeared to be on a hot streak. Things after that turned out bad. Leiper's team, powered by Mark Halsted's blocking, Dan Saunder's running, and Win Watson's catching, made the Mets look like the Jets! After this triumphant victory, the Lumbermen faced a tough Bombas squad and fainted. What seemed a spirited defensive battle (14-8 at halftime) turned into a runaway romp with Nelson Lancione and John Estabrook nailing the "door of Defeat" shut with fine play. The highlights of the second game featured Bruce Leiper and Bill Doyle, the two captains, in some "fistic fun." Leiper won on a split decision.
