THE WIGWAM

This newsletter is published weekly during the months of July and August for a total of eight issues. It has two main objectives: to furnish each camper with a record of his activities and accomplishments throughout the summer; and to supply families and friends with a comprehensive account of what hap-pens in Camp Kawanhee. The staff centers around a try-editorship.

SEASON CLOSURES WITH BIG BANQUET AND AWARDS CEREMONY

The long anticipated banquet and awards ceremony put the lid on the season Monday, August 24th. At 1:00 P.M. the big banquet was served in a dining hall which looked remarkably festive thanks to the evergreen and bunchberry decorations of Mrs. Bateman, Mrs. Miller, Mr. Birch, David Roth, and the Beaver Lodge. The feast served by Bea, Emma, and their assistants more than matched the holiday air of the occasion — fruit cup, turkey, stuffing, etc., etc., right on through to ice cream and cake, each piece individually iced with a "K".

The whole camp, with many guests, reconvened in the Recreation Hall at 3:00 P.M. for the program of awards. George Frank opened the ceremony by calling on Dean Miller for a few remarks. The Dean opened on a serious note, as he spoke of the continuity of Kawanhee and Kawanhee names, and John Nowold introduced the year's two very popular captains, Sonny Dargusch and Bill Lawrence. With that, the body addressed itself to the business of the day — plaques, cups, ribbons, awards, — and, paced by Raymond Frank's "Read 'em right off, read 'em right off!", cheered and clapped its way briskly through a generous list to arrive in record time at the climatic moment when Del Tracy, number by misleading number, pinned the final Maroon-Grey score to banner. The great cheer and the annual dunking of Bill Lawrence which greeted this revelation was a fitting end for the big summer of 1964.

Maroon Comeback Paved Victory

This summer's Maroon-Grey competition was remarkable in the fact that each team scored points in big rallies. Retracing the year's contest, it is easy to see that Grey captain Sonny Dargusch had visions of glory, as he built up a strong advantage of close to 2000 points by mid-season. Then in the fifth week the Maroon boom was lowered to the tune of gaining their complete deficit with ten points to spare. The next week saw a large number of points scored, but without serious damage to either team. Then the closing surge was colored Maroon, and the final score did not even show much of the tension involved. Neither captain could be sure of victory at the banquet. After Del Tracy's crafty manipulations at the figuring board, the season of 1964 was to merit Bill Lawrence's hard work and fine team with the tally: Maroons, 29,412; Greys, 27,245.

This score was the second largest in camp history, trailing the 1960 tally somewhat. Even though Camp Kawanhee's enrollment was at record level, this proves that every boy worked hard and accomplished his tasks. Several factors might be cited in the Grey squad that would have prevented the final Maroon surge. The Maroons picked up 300 bonus points in Lifesaving, were aided by the impossibility of water meets in the last weeks, and sent only one-sixth as many boys to the infirmary in the last two weeks.

But far greater credit for victory is due to the high point winners for the Maroon team. High honors went to Beaver Lodge member David Alexander who completed J. L. S., his Junior B plaque in two years, and numerous levels and scouting achievements in the two months of the season. Then came the Maroon captain Bill Lawrence who set a fine example for his squad with a total of 1015, ten less points than David Alexander's 1025.

The other high point winners were:

All-Stars Stone Goliaths

On Aug. 21, the little league All-Stars maintained tradition by squelching the first place Green Goliaths by a score of 10-4. The All-Star team is made up of the best players from the three other Little League teams and is pitted against the league champions who this year are Bill Lawrence's Green Goliaths. The league champions have always, save once, come out second best in the contest and this year's game proved to be no exception.

The fine pitching of Lindsay Valk, the leagues most valuable, and the batting and fielding of short stop-catch-and-pitch Jock Cumberland paved the stars to victory for coach Sonny Dargusch.

The first inning proved totally disastrous for the Goliaths. Given the starting nod by Manager Lawrence, rookie south-paw Craig Wolcott took the hill for the Greens. He pitched well, but after a while discovered he had no team behind him. Seven errors produced 10 runs, 9 unearned. As the game progressed the Greens got four runs in the bottom of the sixth and last inning when star pitcher Valk developed arm trouble. It looked like the game might be a real cliff-hanger, but Jock Cumberland relieved the ailing lefty and put out the fire. Pitcher Valk also received the most valuable player of the game. He is the only hurler to foil the Goliaths "Big Four" (Mark Standen, Chas. Brady, Bob Grosh, and league leading batter Scott Brubaker) 'en route to his one-hitter.

The All-star game ended the season in the Kawanhee Little League. Athletic Director Del Tracy extends his thanks to the coaches and players of both leagues, to all the umpires and referees, and to MIKE MESEROLE, the official scorer for the summer, for all the co-operation, and hopes for an even better season next year!!

A Farewell to Chief Kawanhee

On Council Point Chief Kawanhee bade his ceremonial farewell to the campers of 1964 Monday evening, August 24th. In the windy twilight, the lodges filed into the ring to stand in silence, as in prompt response to the three traditional calls, Ed Chase made his dignified entrance as the chief. The Sachems gathered to read their message to next summer's campers and buried the scroll by the fire. In ringing tones, the chief then spoke of all that Kawanhee boys and men bear away in their hearts and minds from the summer's work and play and, in token of this sharing of experience, commanded the lodge leaders to take flame from the central fire and to light the circle of smaller fires. As these fires blazed brightly, campers and counselors faced the sacred fire of brotherhood in a symbolic movement of departure and, joining hands, stood quietly to hear the chief's blessing and the strains of *Taps* echoing through the darkening forests.

The Sachem's message read as follows:

"Straight words from Kawanhee campers of 1964 to Kawanhee campers of 1965:

Welcome to a new camping season at Kawanhee. We hope you have a great time, as we have had.

Work hard for your team — and you'll get the most out of camp.

Play fair — show good sportsmanship — and you can have as much fun whether you win or lose.

Try to make new friends as you adjust to camp life.

Keep Kawanhee the great place it has always been.

And remember — the more you put into camp, the more you'll get out of it.

Keep smiling all you can.

Get along with others in your lodge and in the whole camp.

Treasure and love the traditions of Kawanhee. It's you who will make Kawanhee the camp it might be. Kawanhee can make a boy — but boys have to make Kawanhee.

Do better than we have done in living up to Kawanhee mottoes and ideals.

And have a lot of fun!"

Signed the Sachems of 1964 — Craig Wolcott, Bill Doyle, Charles Brady, Phil Volk, Scott Pace, Jon Hively, John Van Arsdale, Mike Crane, Mike Meserole, Tom Heer, Doug Gest, Tim Williams, John Carrick, Tom Ruhle, and Greg Bishop. Head Sachem — Ross Miller.

A Word of Thanks

When many people have worked hard and faithfully on a project it is difficult for one to properly and adequately thank the other. This summer's Wigwam has been made possible through the combined efforts of several people who have been generously assisted by many others. All these people deserve the gratitude of those who enjoyed this summer's newsletter.

The two to whom I owe the greatest thanks are Tom Saunders and Tim Hirsch. These are the men who helped me to fulfill our goal as a "try-editorship". They are the ones who stayed with me until two or three in the morning to see that each paper bore the Kawanhee seal of approval. They are the ones who wrote the articles no one else would or could write. They are the ones to whom the success of the Wigwam was dependent.

Several other helpers who continually and willingly volunteered their services were our backbone in times of discouragement. Included in this list go thanks to Franny Posluzny, Terry-Joe Shaw, and Laird Smith, who are responsible for much of the typing. I would also like to commend Ed Chase and Marty Truax on their fine supplementary articles. Our loyal sports writer was Mike Meserole, who also served as head scorer in many of the sports he wrote on. And finally there was the humor of Al Brenholts, who always kept the "hot wire" between our office and that of our over-seers sizzling.

Of course we all owe a great deal of gratitude to Cam Scarlett, who, in his many years of wonderful work on this paper left our group with a tradition and heritage unequalled in camp papers. His ideals and those of his predecessors, such as Ned Seibert and Normal Gillespie, gave us the outline for our paper and the spirit to see that the columns were completed.

Now, as the Wigwam reaches its last paragraph for the 1964 season, I would like to speak on behalf of my comrades in expressing thanks to those mentioned and a special thanks to the Frank brothers for giving us this fine opportunity.

Yours truly,

David C. Roth
