Maroons Take Lead Away from Greys

The Maroons hopped over the Greys and landed well in the lead in the second accounting of the season's score. The totals announced by Del Tracy at the campfire of Saturday, July 17, were: Maroons 1960; Greys 1660.

The vigor of the Maroon cheer, which rocked the rafters of the Rec Hall, indicated that this score was to the satisfaction of the Captain, Nelson Lancione, and his team. They were trailing by 126 points the previous Saturday. Determined not to be behind at the next campfire, they not only wiped out the deficit, but piled up a 300 point lead as well.

Mike Meserole and the Greys acknowledged the triumph with all good grace, but did so in the determined expectation of having their turn on top again next Saturday.

The Maroons put in their good licks all along the line in the course of the week. They had the edge in four of the six departments reporting levels at the campfire. The largest gain was in the Shop with 280 points to the Greys 170 points. Other gains were: Sailing 215 to 135; Nature 165 to 60 and Boating 30 to 15. The Greys managed to assert a small superiority in Athletics, 30 to 15 and in Wrestling, 90 to 75. The Campcraft Department announced that trip points were holding up some 900 points in levels. This could be a decisive factor as to which team is in the lead next week. You can be sure that both captains will look into the matter and make certain that his men get that trip point "pronto".

Rain Forces Campfire Indoors

Due to a steady rainfall Saturday afternoon, the campfire was held in the Rec Hall. However, the spirit of the day was the same — everyone eager to find out the current score.

Before the various levels were read, the audience was entertained by the "Kawanhee Troubadours", Al Duncan, Leddy Baxter, Dave Hoch, Tom Taylor and Larry Pray. Dave and Leddy led the singing while Tom and Larry provided the guitar accompaniment assisted by Al and his imported "tub bass". We are not quite sure from where it is imported, but all indications point to a 1915 laundromat. It consists of a broken canoe paddle, a string and a wash tub. When you have such talent, who needs a master's bass fiddle.

The campers enjoyed singing such classics as: "One Finger - One Thumb", "Paul and Silas", "Empty Pocket Blues", and "This Land". After an animated rendition of "Repeat After Me" by Al Duncan, the camp awards were announced for the week.

Kawanhee Inn

When you think of Camp Kawanhee you think of the
 boys, the staff, the cooks, and the facilities of the camp, but
 all too little attention is given to the parents who provide
 for all this. However, this is not the case with Mrs. George
 Frank, who is Resident Manager of Kawanhee Inn. I feel
 that special recognition should be given to her since she is
 in no small degree responsible for the success which the
 Boys' Camp and Kawanhee Inn have enjoyed over these
 many years.

Under her efficient management as dietitian at the
 Camp and Resident Manager and dietitian at the Inn, she
 has won the coveted recognition and appreciation from boys
 at the camp and parents at the Inn, for the delicious and

well-balanced meals served under her supervision. Her
 training and experience as a dietitian assures you of the
 most delicious meal possible, whether you fancy a lobster,
 a juicy steak, or a New England boiled dinner. Not only
 must she plan the menus, she must see that the staff is
 supervised, the rooms and cabins in ship-shape, and the
 supplies sufficient for the needs of the Inn. With all this
 responsibility, she still has time to give you that cheerful
 smile, a firm handshake, and a sincere welcome. She strives
 to make the Inn a "home away from home" for the parents
 when they come to visit their boys.

It is interesting to note that the Inn, with its 14 rooms
 and 9 motel cottages, was built especially to accommodate
 parents who wish to visit their boys during the camp sea-
 son. Hundreds of parents and friends have enjoyed its
 homey and refined atmosphere. In fact, many parents
 whose boys have long since outgrown the camp, continue
 to return to the Inn for their vacations each summer.

Mr. and Mrs. Frank arrived the first week in June to
 prepare for the opening of the Inn and the Camp. Their
 plans now are to remain until the last of September to
 enjoy the delightful fall coloring.

Mrs. Frank is ably assisted at the Inn by Mrs. Celia
 Powel, of Englewood, New Jersey, Assistant Manager, Gen-
 eral Hostess, and Secretary. Because of her long experience
 at the Inn as a former cottage guest and secretary, and her
 host of friends who have learned to love the Inn, she has
 contributed in many ways to the success which the Inn en-
 joys today. Mrs. Rosemary Hartley, of Englewood, will
 assist her during the season.

Mrs. Sue Weld, of Dixfield, Maine, served as head
 chef at the Camp for six years before joining the staff at
 the Inn, where she has served for the past seven years in
 the capacity as head chef. She is ably assisted by Harriett
 Mitchell, Charlotte Hutchinson, and Erma Coolidge. Other
 members of the staff are Alice Wilbur, Susan Tracy, George,
 Richard and Frank Gorham, Bruce Weld, John Bickford,
 Jim Karvell, Raymond Convery and Willard Huey.

Kawanhee Invades Monhegan Island

This past week two trips departed for Monhegan Island
 for sight-seeing and deep-sea fishing.

The first trip left camp Monday, July 12, under the
 supervision of "Bates", Herb Lorentzen, Phil Bills, and
 Nelson Lancione. The campers making the trip included
 Mike Altmaier, George Brenholts, Paul Doege, Jackson
 Doege, Gordon Gray, Jon Hively, Jed Hoffman, Eddie
 Jenkins, Bob Lancione, Larry Licht, Tim McKee, Peter
 Nichoff, Pete Neilson, Dave Smith, Scott Tracy, Frank
 Watson, and Bill Williams.

The supervisors for the second trip that left camp
 Wednesday, July 14, were John Fulda, Dave Hoch, Dick
 Bittenbender and Tom Taylor. "Bates" remained on the
 island to supervise both trips. The campers on the second
 trip were Bryan Albyn, David Allan, Bruce Andre, Paul
 Bennett, Chip Button, John Carrick, Rich Estabrook, Rick
 Fisher, Kurt Feick, Duncan Hill, Tom Heer, Bill Johnson,
 David Kaplan, Robert Neary, David Romig, Rocky Smith,
 Andy Williams and Randy Ziegler.

The trip to the island was made on the *Balmy Days*,
 a 60-foot excursion boat. The weather for the entire trip
 was clear and bright. The boys made their campsite by
 the Monhegan Lighthouse which was erected in 1824. Their
 meals were provided by the Trailing Yew in the village a
 short distance away.

Mr. Stanley, owner of a fishing boat, took the boys deep-sea fishing for pollock and cod. Jed Hoffman caught the largest cod, a 20-pounder; David Allan caught the largest pollock. The most popular activity on the island was fishing from the wharf with drop-lines. Here the campers caught everything from flounder to sea-robins. Bob Lancione managed to snag a sea gull by the foot; however, it is now considered "the one that got away."

During one of their many hikes touring the area, the boys were permitted to talk with Ray Phillips, the famed Hermit. He let them explore his "split-six-level" home. Some of the campers were fortunate enough to be included in a promotional film being made by the State of Maine.

On their return to Boothbay, the boys were delighted to find the Windjammer celebration going on. The harbor was crowded with ships of every description, from the Three-Masted Victory Chimes to small outboard motor boats.

The boys arrived back in camp before taps, a little more seaworthy, a slight bit weary, but all very happy.

First Mineral Trip in the Big Truck

The first mineral trip of the season left camp Wednesday, July 14, under the supervision of Forrest Dexter and Franny Posluszny. Their destination was Black Mountain near Andover, Maine, in search of pink tourmaline, purple lepidolite, smoky quartz, clevelandite, zinwaldite, and some of the largest muscovite mica flakes that can be obtained in the New England area. We also obtained the rubelated lepidolite, most of which in collections throughout the country, comes from Black Mountain.

Bruce Andre, Robert Altmaier, John Bacon, Dale Bonnie, Paul Bennett, Rich Estabrook, Steve Fink, Mike Harrison, Bob Heintz, Bruce Leiper, Roy Miller, Paul Myers, Don McBride, Harold Slocum, Rich Whitmyre, Andy Williams and Robert Ziegler made the trip.

They also visited the McCrillis' "Yankee Gems" store where they bought tumbled gems or samples that they were unable to find on their trip. On the way back through Byron Gap we stopped at the Kawanhee outpost camp on Swift River to collect graphite, staurolite schist and red granite. The latter will be cut into slabs and polished by some of the boys.

Little League

GEMS BLIND ROGUES

The second week in the K. L. L. (Kawanhee Little League) shaped what looks to be a real pennant chase between the Green Gems and the Rogues of Red.

The two clubs met head on July 12, the Gems coming out on top 5-0. Southpaw twirler, Craig Wolcott, upped his league leading strikeout total to 19 in two outings—while thumbing his second whitewash.

After a scoreless first frame, the Gems broke into the scoring column on a double by hard-hitting shortstop, Hank Hiser, who tallied on a passed ball. With the Rogues failing to mount an offensive attack in the bottom of the second, the Greenies exploded for three runs to ice the contest.

With Andy Williams and Mike Crane aboard, left fielder Steve Trautman, lined a single to center for his initial RBI of the season. Pitcher Wolcott followed with a fielder's choice that retired Crane. Hiser laid into Red starter, Mark Standen's next pitch for a triple; knocking in two and making the score 4-0.

Standen broke up Wolcott's bid for a no-hitter with a sharp single to left in the bottom of the fourth, but somebody left the Rogue bats in the refrigerator 'cause nothing else happened. Scoring once more in the fifth, the Gems completed their satisfying victory and had first place to themselves.

Sky's the Limit!

Even though the 4th was twelve days earlier, Friday the 16th ushered in the biggest fireworks display in recent Kawanhee history. The muscular Rogues of Red destroyed the Widows of Black, 15-1. Clockwise spinner Leigh Perkins chalked up his second win, while walking one and whiffing three, with Mark Standen continuing to crush league twirling—going 3 for 3 and maintaining his sizzling 1,000 batting clip.

With Gary Goodman scoring on rookie, hot-corner man, Tom Scott's error, the Widows scored their only run and led for five minutes. A thirteen-run, Rogue rally followed.

Perkins led off with a double. Standen followed with the same. Bob Smith, Clark Myers, Bob Litwak, Rich Caraboolad, and Pete Lamb continued the fireworks with walks. Perkins then again came up and looped one to left. With the bases full and a 5-0 line, Standen unloaded a 2-2 pitch into the left field bleachers for a grand slam, the second Rogue clean sweep of the year. Tom Scott emptied a single into center scoring Rob Smith later in the same inning. The Reds were not through as yet, however. Rob Litwak dumped a single to right with two aboard and all tallied.

A frenzied Widow "nine" could do nothing in the second frame, but the Rogues wanted more. With two down, Perkins singled and scampered to third. Standen came through with his third hit of the outing, singling to center and knocking home his fifth RBI of the day. He also stoked his way to third and was singled in by Bob Smith.

The battle-crazed Blackies loaded the bags in the top of the third and final inning, but could not tally off pitcher Perkins.

Babe Ruth League

Monday, July 12, Del Tracy announced that a baseball league would be formed for the older boys in camp. However, at their first meeting, they decided to play softball instead of hard ball. This league is for boys 13 years through 16 years of age. The captains were chosen and they proceeded to choose their teams. Eager to get an early start, the captains held practice for the next two days. The first game was Thursday, July 15. The names of the teams have yet to be decided, but the captains and their teams are:

Captain: Roy Miller.

Players: Rennie Brown, John Carrick, Dennis Goodman, Mike Harrison, Pete Hoffman, Mike Meserole, Chick Myers, Bob Lancione, Jim Proctor, Harold Slocum, Tom Soyster, Scott Tracy.

Captain: Rick Davis.

Players: Bob Altmaier, Eric Bender, George Brenholts, Jim Davis, Steve Fink, Gordon Gray, Bob Heintz, Charles Kellenberger, Bruce Leiper, Tom Phillips, Tom Ruhle, Bob Zechiel, Paul Myers.

Captain: Tom Borghi.

Players: Mike Altmaier, John Bacon, Paul A. Bennett, Dale Bonnie, Tom Brush, Bob Germain, Jed Hoffman, Eddie Jenkins, Larry Licht, Tim McKee, Tom Steenland, Rick Whitmyre, Randy Ziegler.

Borghi's Team Upsets Miller's Team

In the initial Babe Ruth fracas pitted the two strong contenders in a close contest. Tom Borghi's team defeated Roy Miller's team, 4-3, behind the pitching of Jed Hoffman and hitting of captain Borghi and Paul Bennett.

After a scoreless first and second frame, the players of Borghi's team tallied for four runs. With one on, Bennett tripled to right then scored with Rick Whitmyre on Borghi's double to left. He scored on John Bacon's sharp two bagger.

The Millers were feeling mighty low at this point. The fifth inning brought relief with three runs. With Mike Meserole on first, Pete Hoffman lined a double to right scoring the first baseman. Captain Miller followed by scoring Hoffman. With Miller on third, Jim Proctor singled and ended the scoring. That was all the scoring for the game. In the final two innings the Millers vainly attempted to take the lead but couldn't.

Kawanhee Welcomes Visitors

Kawanhee is always happy to have parents visit the camp and see their boys in action. This past week the Camp was happy to welcome:

Mr. and Mrs. Jeremiah Kaplan, of Westport, Connecticut, who visited with their son Dave of the Beaver Lodge.

Mr. and Mrs. Bradley Coley, of New York City, who visited with his son Brad of the Eagle Lodge.

Mr. and Mrs. Lloyd Pray, of Littleton, Colorado, who visited with their sons, Ken and Larry. Ken is in the Beaver Lodge and Larry is the Senior Cadet Counselor in the Deer Lodge.

Mr. H. P. Nichoff, of Gahanna, Ohio, who visited with his two sons, Peter, in the Lynx Lodge, and Chris, in the Pole Cat Lodge.

Mr. and Mrs. Bill Myers, from Chatham, New Jersey, who visited with their son Clark, of the Beaver Lodge. Clark has been a camper at Kawanhee for several seasons.

Mr. and Mrs. Walter Estabrook and daughter Kati, are spending the month of July at the Inn. Their three boys are enrolled in camp: Jimmy, in the Panther Lodge, Richy in the Wild Cat Lodge, and John, a Junior Counselor in the Hawk Lodge.

Kawanhee is also pleased to welcome Joe Sheppard of Columbus, Ohio. Joe was a former camper and counselor, as well as his brother Ross, and his father Dr. Charles Sheppard.

Sunday Service, July 17

The Sunday service was forced indoors due to the rain. Del Tracy conducted the service, his topic being "Sincerity". Sincerity not only to yourself, but to your parents, to others, to our Nation and to our God. He used "The Sermon on the Mount", taken from Matthew, as the scripture. "The Square" by Charles Brower was read to emphasize these points.

PRAYER:

"O God, the King Eternal, who dividest the day from the darkness and turnest the shadow of night into mornings: drive far from us all wrong desires, incline our hearts to keep thy law, and guide our feet into the way of peace; that having done thy will with cheerfulness while it was day, we may, when the night cometh, rejoice to give thee thanks. Bless all who worship thee, from the rising of the sun unto the going down of the same. Of thy goodness give us, with thy love inspire us, by thy spirit guide us, by thy power protect us, in thy mercy receive us, now and always." Amen.

Sunday evening vespers was the finest of the season. The singing far excelled anything heard previously. Raymond Frank led the boys and counselors in "Lonesome Valley", "Have you got Religion", and "God of Our Fathers."

Doug Allan, Bruce Bennett, Charles Jackson, Fred Trayser, Frank Weeks and Carlos Zapata, of the Falcon Lodge, sang "Kum Ba Yah."

Larry Pray played a guitar solo of the early nineteenth century with an encore of "Talkin' Blues."

Mr. Dexter showed slides of the camp area that were taken this past December. The boys enjoyed seeing their lodges covered with snow and the lake frozen solid. It is as beautiful in the winter as it is in the summer.

A movie of the World's Fair concluded the evening, and a week full of activity.
