Davis and Miller Head 1966 Teams

The perennial Maroon-Grey rivalry started rolling again on Thursday, July 7th, when the camp lined up in front of the Rec Hall to hear the captains announce the campers they had chosen for the summer's battle for points. The Captains had been introduced to the boys earlier in the week, but the boys were eager to learn if they were to be a Maroon or a Grey this season.

The new Captain of the Maroons is Rich Davis, while Roy Miller leads this year's Greys. Both captains are Junior Counselors with Kawanhee experience to their credit.

The only clue presently available to the scoring potential of the new teams might be found in the list of last summer's high-point winners. On this basis, both teams are even—both teams having twenty-six high point winners to their credit. However, accumulating the points earned by these high point winners, the Maroons have a slight lead of 845 points. The Greys captured, Hank Hiser, who topped the whole camp last year with 1125 points. On the other hand, the Maroons landed John Carrick, who ranked fourth with 895 points. The second and third place winners did not return to camp this year.

The points of last year are history now, of course, and each team must start anew. With two dynamic captains as we have this year, the score might be even closer than that of 1965—if possible. The score was just 15 points difference to the Grey's advantage. Over the years of competition, the Maroons have had the edge, scoring twenty-two victories to twenty for the Greys, and one tie. What team will claim the victory in 1966? That will be the answer both captains will be trying to answer for the next seven weeks.

Greys Win A Water Meet

Roy Miller, the Grey's captain, determined to prove that the Greys could win a water meet, led his team to victory in the first water meet of the season, Saturday, July 11th. Roy remembers, all too well, how the Grey team was rolled over like a tidal wave in every watermeet of last season. The Grey team has one distinct advantage in their favor this season and that is that they can hear their leader, loud and clear, when he is encouraging them to swim faster. A megaphone, he doesn't need.

The Junior C, Ping pong race, proved that Brad Coley and Clint Newbold are the two windiest members of their teams by placing first and second respectively. Paul Doege, of the Greys, won the one-lap backstroke race with Frank Erickson, of the Maroons, making it a close second. The Junior A, one-lap backstroke was the closest race of the meet. Bill Kientz (G) touched the dock a split second before Bob Vockel (M) who tallied for second place. Phil Drake (G) led the one-lap freestyle all the way, tallying fifteen feet or so before second place winner, Stan McCleave (M). Rex Coons (M) led by two lengths over Paul Doege (G) in the two-lap Junior B freestyle. The Senior freestyle relay showed experienced skill in all the swimmers. Steve

Grubbs, on the fourth lap, reached the dock just a few feet before Bob Lancione, to tally first for the Greys. Mike Crane tallied first for the Maroons in the two-lap breaststroke with Tony MacDonald of the Greys close behind for second. Nick Gill of the Greys, and Scott Paterson of the Maroons had a close race for third and fourth respectively. The Junior C freestyle gave Stony Hinds a little difficulty. Stony, almost big enough to see, started the first lap in great style. He made just one mistake. Each time that he needed to take a breath, he not only stopped swimming, he stood on the bottom to take that breath. Naturally, he lost a little ground, and his competitor, Blake Paterson left him a little behind. When a "fella" has to breathe, he has to breathe, says Stony. Raub Smith was still standing on the docks waiting to swim the last lap for his team when Frank Weeks touched the other dock to give the Greys the victory. However, Raub, to fulfill the Kawanhee motto "Always finish what you start", showed excellent form as he swam the last lap of the relay. Jim Estabrook gave the Greys a half-lap lead, which they held all the way, to win the Jr. B. freestyle relay. The Junior A Medley Relay was an easy win for the Greys as Tony MacDonald gave Mike Wolfe a two-thirds lap lead as he swam the last lap of the relay. The Senior Medley Relay furnished the excitement of the meet. It was a close race all the way. Scott Tracy (G) tallied a couple of feet before Andy Williams in the backstroke; Rich Davis (M) and Randy Schwartz (G) were neck-and-neck in the breaststroke; Steve Grubbs (G) and Bob Lancione (M) were very close together, with Steve touching a split second before Bob; this left the decision up to Roy Miller (G) and Tim McKee (M) to finish in the freestyle, with Roy, the Grey's captain finishing first. The final score was Greys 76; Maroons 58, in one of the smoothest watermeets Kawanhee has seen.

Campfire and Awards

The Saturday evening campfire of July 8th opened in the council ring with some spirited singing under the stimulus of Bruce McInnes and Dave Hoch. However, the first song rated only a "class Two" applause, as some of the boys didn't know the Amherst Fight Song and were not singing loudly enough. However, had the Ohio State or Yale fight song been sung, the applause would have been rated as "class one". With the singing of "the Happy Wanderer" the fortissimo increased.

Mr. Birch pitted the Bear and the Wildcat Lodges against one another with a nail-driving relay. Each camper had to drive the nail completely into a piece of wood before passing the hammer on to the next camper. The nurse was standing by in case the hammer missed the nail and hit the fingers, but her services were not needed. The Bear Lodge, with David Lancione, red hat and all, as anchor man, hit the last blow to bring home the Bears. The Bears and the Crows were matched next in a block-balancing relay, with the Crows coming out on top. David and his red hat, riding tail again, failed to match powers with his brother, Bob, of the Crows. Five campers from the Crows and the five Badgers exhibited a show of muscles in a tug of war, with the Crows winning two out of three attempts. Scott Tracy, of the Crows, and Steve Fink, of the Badgers, the anchor men, the last to be pulled over the line, were in need of an early shower this night. Dave Bittenbender told the story of "The Mail Order Bride."

The following list of awards completed the Saturday evening campfire.

Little League Teams Chosen

The Little League program at Kawanhee began its 10th season with the choosing of the team captains and the team members July 1st. The weather was excellent, the ball diamond was in perfect condition, the new equipment had arrived, and the campers had arrived, so Del Tracy could see no need of waiting. He boldly announced on the first day of camp "Let's play ball!" Every boy 9 through 12, interested in playing baseball, was placed on a team. The teams and their captains are as follows:

LOCAL 57 RED RIOTS

Manager: Mike Meserole.

Players: Doug Allan, Bruce Bennett, Danny Blum, Doug Brockie, Al Drewes, Leif Erickson, Nick Gill, Gordon Glidden, Pete Haines, Mike Hall, Scott Sartorius, John Sisson, Mike Standen, John White.

JOLLY GREEN GIANTS

Manager: Gordon Gray.

Players: David Allan, Luis Benitez, Carlos Capacete, Richard Caraboolad, Jim Estabrook, Herb Erf, Dick Fisher, Seth Kallman, Scott Leiper, Clinton Newbold, George Oliva, Blake Paterson, Rocky Smith, Eugene Tresenfeld.

BLACK BUZZARDS

Manager: Charles Kellenberger.

Players: Jose Benitez, Paul Bennett, Chip Button, Brad Coley, Rex Coons, Paul Doege, Duncan Hill, Hank Hiser, Charles Jackson, Bob Marx, Scott Paterson, Steve Sweeney, Barney White, Tim Williams.

BLUE LIGHTS

Manager: Frank Watson.

Ass't. Manager: Steve Fink.

Players: Jack Abbott, Phil Drake, Kurt Feick, Stony Hinds, Pete Lamb, Bill McElwain, Chris Schaeffer, Mark Sengelmann, Tom Scott, Craig Wolcott, Keith Wolcott, Frank Weeks, Carlos Zapata.

Lights Out

After three straight cancellations, the opening game of the 1966 KLL season finally opened with the Local 57 Red Riots meeting the Blue Lights. In a run-a-way, the Riots routed the error-ridden Lights and star pitcher, Craig Wolcott, 6-0.

Wolcott, last year's most valuable player, was noticeably off his '65 form and although yielding only one hit in four innings, he was hit well by the Riots. Local twirler, Mike Standen, also flipped a one-hitter, but was supported by a flawless defense.

The Riots opened the first inning with three unearned runs. Twice the ball was knocked back to pitcher Wolcott, who booted both chances. Pete Haines, Mike Standen, and John White tallied for the Reds. After a scoreless second frame, Local 57 came back for three more runs with White hitting home Standen, and Nick Gill, singling in White. Gill later scored after stealing second and third.

With one away in the Blue third, shortstop, Kurt Feick, singled sharply to right with Tom Scott and Craig Wolcott to follow. Standen, calling on that something extra, struck both of them out. A scoreless fourth brought the game to a close.

Mount Tumbledown First Mountain Trip

Tumbledown Mountain, Chief Kawanhee's own mountain, was the first trip of the 1966 season. The Beaver, Moose and Lynx Lodges made the trip supervised by Dave Roth, Bob Neary, Steve Fink, and John Fulda. They

reached the summit just in time to see a storm approaching from the west, so an early descent was made. The storm was considerate and waited until the boys reached the bottom before it hit the area.

The boys making the trip were Dan Blaylock, Brett Clark, Pete Lamb, Bob Marx, Charles Robbins, Mike Standen, Gene Tresenfeld, John White, Ernest Sepulveda, Preston Crabill, Billy Kientz, Dana Lisle, David Clough, Bob Vockel, Jackson Doege, Tom Scott, Bob Larrabee, Mark Standen, Mike Blaine, Mike Crane, Bill Williams, Mike Wolfe, Andy Kauffman, Bill Proctor, Tony MacDonald and Andy Somerville.

For Parents — A Renewed Request!

THE DIRECTORS wish to ask the co-operation of Kawanhee parents in the matter affecting the health and morale of the camp. The package problem creates several regrettable situations.

The majority of the packages usually contain candy and other sweets. Such packages will soon scuttle the camp's plans for a balanced diet. Provisions are made for the supervision of sweets in reasonable quantities, but, when every boy has a box to pass around, the arrangements are in vain. Knowing that all parents have the most immediate interest of all in the successful operation of the camp program, the Directors are asking that packages be limited to birthday treats.

Well-Seasoned Counselors On Senior Staff

Kawanhee initiated its forty-sixth season Thursday, June 30th, in the Webb Lake Valley which was sporting a well-groomed camp for the enjoyment of some one hundred-forty campers and fifty-seven, well-chosen staff members. The camp which Mr. George and Raymond Frank had assembled at the end of their winter of planning and preparation, proved to be nudging at the seams of capacity.

Most ponderable component of this staff is the group of twenty-four Senior Counselors returning to Kawanhee from past seasons; ranging from 34 years to 5 years service to the camp. The fact that their vast reserves of experience and loyalty are once more available, assures a success for the 1966's eight weeks.

A camp with forty-five successful seasons to its credit must have a firm foundation. This foundation was formed with the idea that camp is to have a purpose and the boys are to learn while they have fun. This concept of a good camp was started by "Ma" Frank in the 1920's, when the camp was starting its first season. This same purpose is being carried on by her sons, George and Raymond, as they begin the forty-sixth season of Camp Kawanhee.

George and Raymond have a never-ending desire to help young people. George was principal of McGuffey School in Columbus, Ohio, before his retirement. A position that he served so successfully that he is still remembered affectionately by all. Raymond was Director of Youth Activities at the First Presbyterian Church, Englewood, New Jersey, before his retirement. A position in which he was able to help many young people find the right road. With the vast experience that they have accumulated with young people, the objectives they have in mind, the qualified staff which they provide, the never-ceasing energy which they, themselves, provide, and the excellent facilities that they provide, one need not wonder why Kawanhee is a good place for a boy to live, work and play.

"GR" supervises the Junior side of camp which includes the Eagle, Falcon, Panther, Polecat, Pine Tree, Hawk and Deer Lodges. He inspects the lodges daily and helps with any problems that might arise. He is responsible for the Aquatics, Sailing, Boating, Skiing, Shop, Range, Archery and Fishing Departments to see that they function properly. He is also in charge of the Achievement Levels and Awards, the dining hall and the food. He must also see that Kawanhee Inn is supervised.

"RC" has the supervision of the Senior side of camp which includes the Birch, Beaver, Moose, Lynx, Wildcat, Bear, Crow's Nest and Badger Lodges. He supervises the Athletics, Nature, Campcraft, Scouting, Junior Maine Guides and Dramatics Departments as well as the evening programs and the campfires. He also supervises the Scout Board of Review.

So you see, the Frank brothers do not just own the camp, they work the camp as well.

One of the most energetic members of the camp staff is the camp mother, Mrs. Raymond Frank, affectionately known as "Franny". Franny and Raymond moved to their cabin on Pine Point early in June to oversee the preparation of the camp for the summer. Within a short time after the arrival of the campers, Franny had accomplished her annual miracle of letting each and every boy know that she was their "mother away from home" and that she has a warm and genuine interest in all that he is doing.

Director of Activities

Top man on the totem pole of the Kawanhee counselors is John Nowold, known as "Pop" by the campers. He returns to Kawanhee for his eighteenth season of service to the camp. He assumes the post of Director of Activities and general clearing house for all of the complications of the Kawanhee program. John teaches physical education at Mohawk Jr. High School, Columbus, Ohio, a position he has held for forty-two years. He has two energetic grandsons in camp this season, Bruce and Paul Bennett, who consider "Pop" the greatest — Don't we all!

Aquatics

KING BOYD will head the Swimming Department for his first season at Kawanhee. He resides in Winnetka, Illinois, and is doing graduate work at Miami University, Oxford, Ohio. His major, physical education, is no surprise since he has had fifteen years of competitive swimming; won four letters in high school athletics and four letters in athletics while a student at Ohio Wesleyan University, Delaware, Ohio. He was captain of the 1965-66 swimming team at Ohio Wesleyan. King will be the Senior Counselor in the Wildcat Lodge this season.

TIM BELL, the loudest, most energetic softball player Kawanhee has seen for many years, comes to camp for his first season to assist in the swimming department. His hometown is Buenos Aires, Argentina. Tom is a student at Ohio Wesleyan University, Delaware, Ohio, majoring in economics and romance languages. He made the All-Star Team in soccer in the National Collegiate Athletic Association (N.C.A.A.) in 1965. He will pass this skill on to the campers as he will give instruction in soccer when he is not busy on the waterfront. He is the Senior Counselor of the Polecat Lodge.

ROY MILLER, from Tenafly, New Jersey, comes to Kawanhee for his third year. He will be the Junior Coun-

selor in the Hawk Lodge and will assist on the waterfront. He is a junior at Tenaflly High School, Tenaflly, New Jersey, where he lettered in varsity track. He was also a member of the hockey team and the swim team at the Englewood Field Club. Roy is an Eagle Scout and has the honor of being the captain of the Greys at Kawanhee this season. Roy's effervescent personality will certainly add a bright hue to the Grey team.

Archery

JOHN REDICK still has the distinction of being the youngest department head in Kawanhee history. John, a recent graduate of Upper Arlington High School, Columbus, Ohio, returns to Kawanhee for his 7th season; four as a camper and three as a counselor. He has obtained every available award in archery, receiving his Robin Hood in 1963. John is an accomplished pianist and organist and is a member of a combo group called "The Dimensions". He will be a freshman at Valparaiso University, Valparaiso, Indiana, in the fall, majoring in music. John is the Senior Counselor of the Eagle Lodge.

JOHN STAKER, comes from Bexley, Ohio, to Kawanhee for his fourth season. He is the Junior Counselor in the Falcon Lodge and will assist in the Archery Department as well as the sign-out program. He will enter Ohio State University, Columbus, Ohio, in the fall, majoring in music. He, too, is an accomplished pianist and organist.

BOB NEARY will assist in the Archery Department again this season. He comes to Kawanhee for his third season from Englewood, New Jersey, where he is a senior at Avon Old Farms School. He lettered in football, lacrosse, and rifle on the Junior Varsity Team. He earned his Distinguished Expert in riflery in 1966 and his Robin Hood in Archery in 1965.

Athletics

DEL TRACY hails from Upper Arlington, Ohio, to Kawanhee for his twelfth season to be the Director of the Athletic Department and the Assistant Director of Activities. He is also the man in charge of the camp score. He plans to add a basketball league for the older boys, as well as carry on the little league baseball program for the younger boys. The discus has been included in the athletic program for the first time this year. His football conditioning program is due to start soon, which will include weight lifting, running, calisthenics, passing, receiving and kicking. This will give the boys a definite advantage when they return to school and find football practice in full swing.

Del teaches Current History and Problems of Democracy at Linden McKinley High School, Columbus, Ohio. He and his family are staying at the Cory Cottage on the Inn Beach for the summer. His daughter, Susan, is the hostess at Kawanhee Inn and his son, Scott, is a Master Camper in the Crow's Nest.

MIKE MESEROLE, "the Casey Stengle of Kawanhee", the Junior Counselor of the Wildcat Lodge, will assist in the Athletic Department. Mike comes from Englewood, New Jersey, to Kawanhee for his sixth season; five as a camper and serving his first year as a counselor. He is the manager of the Red Riots little league baseball team. He is a junior at the Canterbury School in New Jersey, where he lettered in hockey as a sophomore. He also had a column in the school newspaper, and was sports editor

of the Press Club. He will serve as the Baseball Editor of the *Wigwam* again this season. His colorful descriptions of the games added greatly to the success of the paper.

BRUCE LEIPER, the Junior Counselor of the Birch Lodge, will also assist in the Athletic Department. Bruce has been a camper for five seasons and is serving his first year as a counselor very successfully. He is a Junior at Leonia High School, Leonia, New Jersey.

JOHN BACON, "the Gene Krupa of Kawanhee", comes from Bridgeton, New Jersey, for his third season; two as a camper and this his first season as a counselor where he will be assigned to the Bear Lodge. He will also assist in the Athletic Department handling basketball. John lettered in basketball and baseball and was a member of the student council at Bridgeton. He earned his Eagle Scout this past year. John is an excellent drummer and plays drums and organ for a combo group in his hometown. He makes the Rec Hall rumble when he gets the beat.

Boating

JOHN WILLIS, Head Oar Master, will once again be the "Johnny-on-the-Spot" in the Boating Department, a position that he has successfully filled for the past four seasons. He first made his appearance at Kawanhee eight years ago as a camper in the Lynx Lodge. John comes from Princeton, New Jersey, and is a junior at Cornell University, majoring in special education and psychology. One might say that John is running around in circles, as he runs into Weld (2 miles) each morning and back to keep in practice for track and cross-country at Cornell. He and his department are very excited over the delivery of several new aluminum row boats, a badly needed addition to his department. He will be practicing his psychology in the Pine Tree Lodge as he is their Senior Counselor this season.

MITCH GREENAWALT, from Copley, Ohio, returns to Kawanhee as a Senior Counselor after a fifteen year absence, to assist in the Boating Department. He was a camper for four years and a counselor for three years in the late '40's. He received his Master of Science Degree in Education from Akron University, Akron, Ohio. He teaches instrumental music at the Copley Jr. High School. This skill is heard every morning and evening, as he is the camp bugler. Mitch earned his expert rifleman at Kawanhee in 1951 and will assist in the Rifle Department when needed. He and his wife and two daughters, Beth and Gail, are staying at Pine Lodge for the summer.

CHUCK HOFFHINE, bike and all, arrived from Bexley, Ohio, for his 7th season at Kawanhee. He will lend a helping hand in the Boating Department and serve as the Senior Counselor of the Beaver Lodge. Chuck is a sophomore at Ohio Northern University, where he is majoring in Business Administration.

Campcraft

FRANK STEWART, comes to Kawanhee from Quincy, Mass., for his 8th season at Kawanhee as Director of Campcraft. He is majoring in forestry at the University of Maine. He is a member of the Junior Maine Guide, the Appalachian Mountain Club and the Alpha Gamma Rho Fraternity (National Agricultural Fraternity). Frank will also assist the campers in the Junior Maine Guide program. He is the Senior Counselor of the Badger Lodge for the summer.

EDWARD CHACE, superintendent of schools in Bridgeton, New Jersey, returns to Kawanhee for his seventeenth season to assist in the Campcraft Department. However, you might find him leading a group of boys up Mount Washington or Mount Katahdin, or supervising a group of boys in the Junior Maine Guide program. Should he find a boy interested in scouting, you will find him assisting there also, as he is a member of the Kawanhee Scout Board of Review.

He plays the important role of Chief Kawanhee in the opening and closing ceremonies of the camp. Ed is a member of the Appalachian Mountain Club and the Polar Bear Club (early morning swimmers) and lives at Skunk Ridge for the summer.

BOB HEINTZ, a student at Mount Vernon High School, Mount Vernon, Ohio, will be the Junior Counselor in the Eagle Lodge and will assist in the Campcraft Department. His home town is Gambier, Ohio, and he comes to Kawanhee for his fourth season. Bob's hobbies are sailing and campcraft. He hopes to pass his Junior Maine Guide this season as his try at it last season was interrupted by a slip of the axe that went into his foot instead of the log.

Nature

Who said women would not make good department heads. Men, of course! MARY BAKER, from Columbus, Ohio, who will head the Nature Department this season will prove this to be just another of the old wives' tales.

Mary has assisted in this department for thirteen seasons and has been a most valuable asset. She has worked with young people for many years and has been recognized for her devotion to duty, conscientious effort and understanding effort in helping others. She is never too busy to help the camper find that last-minute insect or bird to finish a project. You will find her on the trail explaining the many beauties of nature that most of us fail to notice: the ferns, the moss, the trees, the birds, or just the lovely sounds that are created in the stillness of the woods.

Mary recently retired as science teacher at West High School, Columbus, Ohio, where the year book was dedicated in her honor. Kawanhee is most fortunate in having her with them again this year.

FRED BALL and his pet turtle "Fang", from Upper Arlington, Ohio, come to Kawanhee for their 9th and 3rd season respectively. Fred will assist in the Nature Department and serve as the Senior Counselor of the Birch Lodge. Fred, (not the turtle) is a sophomore at Ohio Northern University, majoring in Business Administration.

DAVE ROTH, a Kawanhee sacheem for seven seasons, returns as the Senior Counselor of the Lynx Lodge and will assist in the Nature Department. He hails from West Englewood, New Jersey, and is a junior at Cornell University, majoring in political science. He plans to enter law school. Dave lettered in lacrosse at Mount Hermon Prep School. Dave is also an Eagle Scout and will help any camper who wishes to work on merit badges. He and his motor bike may be seen at most anytime heading for Kineowatha for Girls, as he is pinned to the head of the canoeing department at Kineo.

STEVEN STONE, hails from Columbus, Ohio, to Kawanhee for his first season to assist in the Nature Department. He is the Senior Counselor of the Falcon Lodge. Steve is a sophomore at the Ohio State University, Columbus, Ohio, majoring in education. He is also a member of the Ohio State Marching Band.

Range

ROY NICKERSON, known to all as "Nick" continues in command of the very popular department, the Range. He comes to Kawanhee from Tenaflly, New Jersey, for his 24th season with as much vim and vigor as he had then.

He retired several years ago from Leona High School, Tenaflly, New Jersey, where he was a member of the teaching staff and the Director of Athletics. He has continued his work with young people by officiating at athletic events and engaging in camp work. His two grandsons, Mike and Mark Standen, both campers, keep him going at full pace.

Nick spent another "hard" winter in Florida lying in the sun building up his "go-go-go" spirit for another successful season at Kawanhee at his "home on the range." Nick and his wife, Betty, are spending the summer in their cottage beside Pine Lodge.

BRUCE BIRCH, another Tenaflly, New Jersey, resident, comes to Kawanhee for his eleventh season as a camper. Considering his age at the present is just 17, you can say that Bruce has been Kawanhee all the way. In fact, he has been at Kawanhee for his entire 17 years, as his father and brothers first came to Camp when he was a few months old. Bruce is following in the footsteps of his brothers, Brian and Barry, former Kawanhee campers from the Eagle Lodge all the way through camp, to the position of Senior Counselors. He is just starting his second season as a Junior Counselor to form his own record. Bruce is a senior at Tenaflly High school, where he is a member of the high school choir and the J.V. wrestling team. He will be Nick's right-hand man again this season.

TOM STEENLAND, from Englewood, New Jersey, will also assist in the Range this season. Tom comes to Kawanhee for his third year; two as a camper and this being his first year as a Junior Counselor where he serves in the Pole Cat Lodge. He received his varsity letter in riflery at the Englewood School for Boys, in New Jersey. He also received the citizenship award at Kawanhee last season.

Sailing

DICK BITTENBENDER, from Lake Forest, Illinois, a long remembered name in sailing around Kawanhee, returns for his 6th season to head the Sailing Department. He is a junior at Wittenberg University, Springfield, Ohio, majoring in history. For the summer he will call the Deer Lodge home, as he will be the Senior Counselor of the lodge.

RICH DAVIS, hails from Columbus, Ohio, for his second season at Kawanhee. Rich will assist in the Sailing Department and in the Crow's Nest Lodge as the Junior Counselor. He will be a freshman at Ohio University, Athens, Ohio, come fall, majoring in chemistry. Rich will lend a helping hand in athletics when needed. He was a member of the varsity football team at North High School, Columbus, Ohio, this past season. His hobbies for the summer will be sailing, chasing pretty girls, and trying to find his car, since his younger brother, Jim, a camper, can drive now. Rich has the honor of being chosen the captain of the Maroon Team for 1966, and with Rich's determination and enthusiasm, the score will be "red" all the way.

JOHN ESTABROOK, another Columbus, Ohio, resident, comes to Kawanhee for his 8th season. This will be in the Lynx Lodge. He will assist in the Sailing Department. John is a senior at the Columbus Academy for Boys. His hobby is sailing, but it looks as if his free time will

not be used in sailing on the water, but sailing (by car) over to Kineowatha. Could it be that he has found a better sailboat at Kineo?

PETE NIELSON, a Kawanhee camper for 5 years, returns this season to serve his first year as a Junior Counselor in the Sailing Department and in the Panther Lodge. Pete is from Columbus, Ohio, and attends the Howe Military Academy in Indiana, where he lettered in cross country and track. Pete is one of the fastest runners Kawanhee has seen, but he wants to go even faster, so he has chosen sailing for his activity.

DAVID BARNES, another sailing enthusiast, returns to Kawanhee for his 8th season; seven as a camper and his first as a Junior Counselor in the Pine Tree Lodge and the Sailing Department. He is from Englewood, New Jersey, where he attends the Westminster School. To make sure that he gets enough sailing, Dave brought his own sail fish to camp. His hobbies for the summer, he says, are chasing girls and keeping his brother Jimbo out of trouble. With such a hobby, Dave, Jimbo had better watch you.

Shop

HERB BIRCH, will assume the duties as conductor of the manifold activities in Kawanhee's large and busy Shop for wood work, leather work, and metal work, for his 23rd season. He resides in Tenaflly, New Jersey, where he teaches Industrial Arts at the Tenaflly Junior High School; a position he has held for 34 years. Herb is a member of the Polar Bear Club and resides at the SRF for the summer. It is hard to believe that camp is into its second week, as we have not heard Herb's plea to please return the hammers to the shop.

ROBERT DUFFY'S long range Kawanhee career, reaching with several interruptions back to 1938, continues this season assisting in the Shop, to make his 12th year as a counselor. Bob has been an Industrial Arts teacher at Bexley High School, Bexley, Ohio, for the past 35 years. He also serves as the Athletic Director of the school. In previous years, he has been in charge of Archery and Tennis. He and his family are staying at the Towle's Cottage on the Inn Beach. His son, Jim, a former camper, is assisting in the Tennis Department for the summer.

RONALD PAVESI, Tenaflly, New Jersey, comes to Kawanhee for his first season to lend a helping hand in the shop. He attends Tenaflly High School and is a member of the fencing and sabre teams and is a member of the band and orchestra.

Tennis

GEORGE LAMB, returns to Kawanhee as Head of the Tennis Department for the 1966 season. He was a camper in 1958, 1959, 1960 and a Senior Counselor in athletics in 1965. He is a sophomore at Rollins College, Winter Park, Florida, majoring in business and art. George is a member of Delta Chi Fraternity and was a member of the intramural football, basketball, soccer, tennis, swimming and volley ball teams at school. He was also a member of the Junior Varsity Tennis team. In addition to athletics, George is quite an artist. He won second prize in a Florida art show this spring.

SCOTT WILSON, from Eugene, Oregon, comes to Kawanhee for his first season as a Senior Counselor in the Panther Lodge, and as an assistant in the Tennis Department. Scott is a sophomore at Amherst College, Amherst, Mass., majoring in music. He was a varsity letter winner in tennis while in high school.

MIKE ALTMAIER, Bexley, Ohio, returns to Kawanhee for his second season as a Junior Counselor to serve in the Beaver Lodge and to assist in the Tennis Department. Mike is a senior at Bexley High School, where he is a member of the undefeated Bexley Tennis Team.

JIM DUFFY, another Bexley, Ohio, resident, returns to Kawanhee to assist in the Tennis Department. Jim is a senior at Bexley High School and is also a member of the undefeated Bexley Tennis Team. Jim was a camper at Kawanhee for several seasons.

Trips

One need only to mention the word "trips" and the association of the name CLARENCE BATEMAN comes to mind. "Bates", as he is known to all campers, has kept things moving briskly in that department for 35 seasons. His presence again this year guarantees a full and varied schedule of trips for the 1966 camp season. Special fishing trips and a notable climb up Katahdin is projected as the featured trips of the season. Bates and the "bouncing buggy" (the camp truck) will also be busy taking the younger lodges on various mineral and mountain trips of one-day duration.

At his home in Columbus, Ohio, Bates teaches Industrial Arts at West High School, a position he has notably filled for forty-four years. He is also the President of the Wheaton Club—Field Naturalists in Columbus. With Mrs. Bateman, he arrived in camp early to lend an experienced hand with the preparations for the opening.

JOHN FULDA, man-about-camp, will assist in the Trip Department to round off his 13th year at Kawanhee. John, formerly of Columbus, Ohio, now makes his home in Dixfield, Maine. He is a member of the Junior Maine Guide and the Appalachian Mountain Club. He attends Farmington State College, Farmington, Maine, majoring in English. He and his family are staying on Center Hill for the summer. The family includes a new baby boy, who arrived the first week of camp, Gregory Eric, a Kawanhee camper for 1973.

HERBERT LORENTZEN, please don't call me "Herbie", from Englewood, New Jersey, will assist in the Trip Department. This will be Herb's 8th year at Kawanhee; four as a camper and four as a counselor. He is the Senior Counselor of the Moose Lodge. Herb attends Muhlenberg College, Allentown, Pennsylvania, majoring in English.

Water Skiing

The very popular branch of the Aquatics program, water skiing, is under the supervision of a new member to the Kawanhee family this season, BRUCE McINNES.

He was professor of music at Yale University for two years, and is at present Professor of Music at Amherst College, Amherst, Mass. This includes organ, history and theory. He is the editor of the Amherst Choral Series, published by G. Schirmer in New York. Bruce is a graduate of Dartmouth College, Harvard and Yale and was a Fulbright Scholar to France. He was inter-collegiate water-skiing champion during his college days. His skill will be a valuable asset as it is passed on to the campers who wish to learn to water ski. Bruce is the Senior Counselor in the Bear Lodge and is the Director of Music for the camp. He is, at the present, organizing a camp choir to help celebrate the Sesquicentennial celebration to be held in the village of Weld, July 29, 30, 31.

DAVE HOCH, a native of Upper Arlington, Ohio, returns to Kawanhee for his 9th season to be Co-Director of the Water Skiing Department and the Dramatics Department. Dave was a June graduate of the University of Colorado, majoring in business. He will be entering Officer's Training School with the U. S. Air Force in September. Dave is the Senior Counselor in the Crow's Nest this season. It is Dave's goal to have every camper water skiing before the season is over. To date, over half of the camp has been water skiing; some for the first time. With the new and larger motor, the skiing should be even better in the weeks to come.

NELSON LANCIONE, a recent graduate from Upper Arlington High School, Columbus, Ohio, will assist in the Water Skiing Department again this season. He returns to Kawanhee for his third summer, where he will be the Junior Counselor in the Deer Lodge. He received the Citizenship Award at Kawanhee in 1964, and was the captain of the Maroon team in 1965. Nelson was a member of the varsity swimming team for three years at Arlington that won the Central Buckeye League. This fall he will be a freshman at Ohio Wesleyan University, Delaware, Ohio, majoring in political science. His ambition is to be a lawyer like his father. To be sure that he gets enough water skiing this season, Nelson brought his own boat, a 110 h.p. inboard-outboard, to camp. As a result of his generosity, however, he has done more driving than skiing. He will assist in swimming and athletics when needed.

Wrestling

CHRIS GREENING, from Philadelphia, Pennsylvania, will head the Wrestling Department for his second year at Kawanhee. He is a freshman at East Stroudsburg State College, majoring in physical education.

His vast experience in athletics will be most valuable to the campers. He received nine varsity letters in high school; was the captain of the football and wrestling teams; was all-county end in football; was the district wrestling champion and was 3rd in the National Marine Physical Fitness Meet in Washington, D. C. Chris is the Senior Counselor of the Badger Lodge.

BILL DOYLE, hails from Upper Arlington, Ohio, and calls Kawanhee home for his 9th season. Bill is the Junior Counselor of the Eagle Lodge again this season and will assist in the Wrestling Department. He is a junior at Gilmore Academy, Gates Mills, Ohio, where he lettered in wrestling.

Distaff Branch

The infirmary is the theatre of action for a very popular lady, the camp nurse, Lynne Morgan. Lynne comes from Newtown Square, Pennsylvania, to Kawanhee for her first season.

She received her R.N. in 1960, and received her Bachelor of Science in Nursing from Western Reserve University, Cleveland, Ohio, this past February. She is the college nurse for the Community College in Cleveland, Ohio, and will satisfactorily meet all the contingencies that Kawanhee campers might present. Of course, she might have problems keeping the wolves away, as she is a very attractive addition to the Kawanhee family.

SANDY CHIPMAN, Dixfield, Maine, will handle the secretarial chores for the camp this summer. She is a teacher of the third grade at Dixfield Elementary School, Dixfield, Maine. She is a graduate of Penn State Univer-

sity, Pittsburgh, Pennsylvania, majoring elementary education.

MRS. BEA MILLER will perform her usual duties as camp tutor, helping those that wish to brush up on a particular subject before school opens. She is an alumna of Oberlin College, Oberlin, Ohio. Her home is in Alma, Michigan, but has been a respected and loved member of the Kawanhee family for many seasons.

MRS. FLORENCE BATEMAN, a long-time honored resident of Kawanhee, returns with her husband, Clarence, for their 35th season. She assists with the dining hall when needed. Her room, with the lovely fireplace, serves as a gathering place for the ladies of the camp.

Yours truly, JANE TRACY, returns as editor of the *Wigwam* for the second year. Statistics: Name, Jane Tracy; Home: Upper Arlington, Ohio; Year of debut at Kawanhee, 1953; Occupation, teacher of Handicapped Children, Columbus Board of Education, Columbus, Ohio; Education: Graduate of Ohio State University College of Education. Family: Del, Susan and Scott.

New Cooks Join Emma In Kitchen Command

EMMA (in the past 35 years she has become too well known to all at Kawanhee for anyone to think of her as MRS. BRIGGS) once more holds sway in the pantry, with the baking and dessert-making. She came to camp very early this season to cook for the pre-season workers and to set the kitchen in order for the summer.

Cooking for boys is nothing new for our chef this summer. Mr. Earl Terril, of LeMoin, Maine, is the chef for the Sigma Nu Fraternity at the University of Maine. Assisting him for the summer is his wife, Helen.

Jim Norris, Dixfield, Maine, will also assist the chef in his work. Jim is a junior at the Dixfield Regional High School.

Art Varanelli keeps the head table happy again this summer with his prompt and efficient service. He is also in charge of the dining room. If you think that he isn't doing a good job, just try misplacing one of the trays. Art is a junior at the University of Maine, majoring in Physics. He hails from Dixfield, Maine.

Assisting Art for the summer is Terril Frost of Dixfield, Maine. Terril is a freshman at the Dixfield Regional High School.

The rest of the kitchen staff includes Bruce Blaisdell, Bob McLeod and Alan Spaulding, all sophomores at the Dixfield Regional High School, Dixfield, Maine; Mike Sirois, a senior at the Stephens High School, Rumford, Maine, and Dennis LeCours, a junior at the Stephens High School, Rumford, Maine. These boys work very hard keeping the kitchen in order and deserve a great deal of credit.

Sunday Service, July 9th

The early morning sun soon gave way to a short summer shower. Just enough to make our usual outdoor worship service in the Church on the Shore impossible. Instead the service was moved to the Rec Hall where Mr. Forrest Dexter, former counselor of the Nature Department, conducted the service.

The camp gathered in the Rec Hall Sunday evening for a short vesper service of music and prayer. A movie about the Himalaya Mountains was shown to conclude the evening.

Kawanhee Inn

When we think of the word "cheerful", we immediately think of Mrs. Celia Powell, the Resident Manager of Kawanhee Inn, who comes to the Inn for her eleventh year. She is a resident of Englewood, New Jersey.

What makes a person return to a place that they have visited before? A good, homey atmosphere would most likely be the answer. That atmosphere is what Mrs. Powell strives to maintain at the Inn. It is no easy job to keep 14 rooms and 9 motel cottages in tip-top shape at all times, manage an efficient staff, plan delicious menus, order the proper supplies and still be fresh and cheerful when meeting the guests. However, Celia, as affectionately known to most, has managed to fill the post magnificently. This year she is most anxious to make the season another success in memory of Kawanhee's first lady, Mrs. George (Florence) Frank.

Of course, she would be the first to tell you that you cannot run an establishment as efficiently as Kawanhee Inn without the help of an efficient staff. And the Inn proudly boasts of such a staff. This is evident by the many guests that return year after year.

Mrs. Sue Weld, head chef, has been a member of the Kawanhee family for 14 years. Her culinary genius was shifted from the Camp to the Inn eight years ago; a notable gain to the Inn, but a notable loss to the Camp. This you will confirm when you have sampled one of her delicious gourmet delights. Mrs. Weld resides in Dixfield, Maine.

Mrs. Harriette Mitchell, Phillips, Maine, returns to the Inn for her fourth season to spoil the guests with her delicious pastries. Whether you desire a strawberry short cake or a cream pie, you have never tasted any better.

Mrs. Bernice Brown, Dixfield, Maine, comes to the Inn for her first year to assist in the kitchen.

Mrs. Erma Coolidge, Dixfield, Maine, another member of long standing in the Kawanhee family also assists in the kitchen when needed. For 14 seasons she has been a most welcome addition to the staff. Her main task is keeping the cabins in first-class condition. From her many friends around this area, I hear that she, too, is an excellent cook.

Richard Gorham, a sophomore at the University of Maine, Orono, Maine, majoring in history and government, returns to the Inn for his fourth season as the head waiter. He hails from Houlton, Maine, where he was active in athletics. Rich's pleasing personality makes it a pleasure to place an order.

Doug Dennett, a senior at the Dixfield High School, Dixfield, Maine, will assist as a waiter. Doug is also very active in athletics and is a very good prospect for college football. Doug's hobbies include the guitar.

Susan Tracy, Upper Arlington, Ohio, a sophomore at Miami University, Oxford, Ohio, returns to the Inn to serve as the hostess for her second year. Sue's major in college is elementary education, with a minor in music.

Bill Lawton, West Hartford, Connecticut, joins the Kawanhee Staff for his first year as kitchen boy. He is a freshman at Ithaca University, Ithaca, New York, majoring in music and language.

Leslie McLeod, a senior at the Dixfield High School, Dixfield, Maine, also joins the staff for his first year as a cabin boy.

Pia Lynne Varanelli, a senior at the Dixfield High School, Dixfield, Maine, comes to Kawanhee for her first year. Pia is responsible for the 14 rooms in the Inn. She must see that they are neat and tidy at all times. She is a very pretty addition to the staff.

The last, but not the least, member of the Inn Staff is Willard Hewey, from Farmington, Maine. His job is to be the Jack-of-all-trades around the Inn. He has been a loved and respected member of the Kawanhee family for many years. The Inn without his happy-go-lucky mannerism, would be like a dog without his master.

Kawanhee Welcomes Visitors

Kawanhee is always happy to have parents visit the camp and see their boys in action. Kawanhee Inn provides a "home away from home" for the convenience of the parents. This past week the Inn was host to the following visitors.

MR. AND MRS. D. M. ALLAN, Holland, Pennsylvania, visiting their sons, David of the Birch Lodge and Doug, of the Panther Lodge; MR. AND MRS. JOHN F. BACON, Bridgeton, New Jersey, visiting their son, John, Junior Counselor of the Bear Lodge; MRS. EVELYN BUSH, MR. H. A. ERF AND SON, HERB, Armonk, New York; MR. AND MRS. JOSE CAPACETE, Bayamon, Puerto Rico, visiting their sons Jaime, of the Eagle Lodge, and Carlos, of the Pine Tree Lodge; MR. D. T. DUNNING, MR. AND MRS. FRANK JONES, Springfield, Vermont; MR. AND MRS. WALTER ESTABROOK AND KATIE, Columbus, Ohio, visiting their sons Ricky, of the Bear Lodge, Jim of the Hawk Lodge, and John, Junior Counselor of the Lynx Lodge; MR. AND MRS. DONALD G. FINK AND KATHLEEN, Mount Kisco, New York, visiting their son, Steve, of the Badger Lodge; MR. AND MRS. NELSON LANCIONE, Upper Arlington, Columbus, Ohio, visiting their sons David, of the Bear Lodge, Bob, of the Crow's Nest, and Nelson, Junior Counselor of the Deer Lodge; MR. AND MRS. DONALD LARRABEE AND DONNA, Washington, D. C., visiting their son, Robert, of the Moose Lodge; MISS KARLA S. MORKEL, Mansfield, Ohio; MRS. NORMAN MYRICK AND DAUGHTER, CONSTANCE, Ridgefield, Connecticut; MR. AND MRS. T. G. SCOTT, New Canaan, Connecticut, visiting their son, Tom, of the Moose Lodge; MR. AND MRS. H. SENGELMANN, Englewood, New Jersey, visiting their grandson, Mark, of the Pole Cat Lodge; MR. AND MRS. MICHAEL B. SMITH, Marblehead, Mass., and Potomac, Maryland.

IN MEMORIAM

Kawanhee Inn was established for the convenience of parents who visited their sons at the Camp; however, all visitors were welcome.

Mrs. Florence Frank, Resident Manager for many years, always strived to make the Inn a "home away from home" for all. She always greeted you with a cheerful smile, a firm handshake and a sincere welcome.

"Essential" would be the proper classification for her post, although to the camp itself, she was usually the Invisible Lady. She filled the all-important job of camp dietician and her skilled ordering and planning of the meals for the Camp constituted the only indispensable piece of work in the whole set-up.

In memory of Mrs. George (Florence) Frank, who will always be a part of Kawanhee, the members of the staff at Kawanhee Inn, as well as the staff at the Camp, shall continue to make the Inn and the Camp a living tribute to this most gracious lady.

I, the editor of the *Wigwam*, would like to dedicate this years Volume to Kawanhee's first lady, whom I came to love and admire.
