Greys Still Flying High

As predicted, the Greys, having tasted the succulence of victory, are picking up momentum as they enter the home stretch of the camp season.

When chief scribe, Del Tracy, reported the score at Saturday's campfire, Roy's Boys had increased their margin of advantage by 123 points. A total of 11,144 points was scored by both teams, this, sixth week of camp.

"Not quite enough" sounds like a broken record to the Maroons, as they have lost each watermeet by just a small margin and have been defeated by just a small margin in the score of the last two weeks. However, the Maroons show no great sign of weakening! They led in five of the departments reporting, but not quite enough to wipe out the lead the Greys have enjoyed for the past two weeks.

The evident show of spirit and determination of Rich Davis's Maroons, spells "trouble" for the Greys as both teams head for home in the summer-long battle for points. Davis and his boys staged a well-planned, high-spirited "victory-to-be" parade through camp Saturday. Rich, riding atop his red Lemans driven by his brother, Jim, led his team, noise makers and all, through camp singing "AS THE MAROONS GO MARCHING ON", and ON they plan to march. However, the Greys might provide an obstacle as they, too, plan to continue their surge forward.

The Maroons claimed victories in Campcraft, Nature, Shop, Swimming and Wrestling, while the Greys capitalized in Athletics, Archery, Boating, Sailing, Tennis and in the watermeet for a total score of 10,308 for the Maroons and 10,431 for the Greys.

Greys "Swim" On

The day was Saturday, August 6th, a beautiful, warm, sunny day at Kawanhee, but things turned Grey for the fourth watermeet of the season.

Rich Davis and his Maroons were "fired with spirit" and the air was filled with "win, win, win", but Roy Miller and his Greys, seemingly in a rut—a victory rut that is—swamped the Maroons to add another victory to their credit, making it 4-0 for the season.

Davis, not to be "out-styled" by Miller and his loud, swimming trunks, bedecked in a bright yellow and black selection of his own, led his spirited team in another close meet.

The Maroons, even though not victorious, gave the Greys a good battle and the Greys had to call on "that little extra" to clinch the meet.

Jet-propelled, Phil Drake, started the Greys on their way to victory, by placing first in the Junior C, one-lap freestyle. Frank Weeks, (G), tallied close behind for second, with Brad Coley and Lee McCleave placing third and fourth respectively for the Maroons.

John MacDonald, following Drake's example, placed first for the Greys, in the Junior B, one-lap freestyle, with Rex Coons of the Maroons tallying second. Mike Hall, (M), and Luis Benitez, (G), raced for third and fourth respectively.

The swimming director made a mistake and announced that John MacDonald, a Junior C was swimming the Junior B freestyle when he meant to say Mark MacDonald. However, surprised as he was, John swam the one-lap race with the older boys, and came in first at that. That left Mark in competition with the Junior A's in the backstroke event, but Mark, being a good trooper, gave his all and tallied third, which is something to boast about, since he, himself, is just a Junior B. "After all the MacDonald name was at stake," said Mark and John, "and we didn't want to let it down."

Bob Vockel decided that the Greys had had their way long enough, so he placed first in the Junior A, one-lap backstroke to give the Maroons their first score of the meet. Jack Doege and Mark MacDonald of the Greys were close behind, tallying second and third respectively, leaving Jon White, (M), in their backwash.

Steve Grubbs and Randy Schwartz of the Greys left the Davises, Rich and Jim, in the wake, as they scored first and second in the Senior two-lap freestyle. Rich, being a good captain, swam for Bob Lancione, who was scheduled for the event, but was detained by the sailing regatta which was in progress at the time of this event. Bob, incidentally, placed second for the Maroons in the regatta.

The Boating Department just had to show-off their new aluminum rowboats, so they staged a Junior B, rowboat race. Frank Erickson of the Maroons rowed across the finish line first, with Paul Doege, (G), about three feet behind to tally for second. Doug Slocum, (M), and Carlos Capacete, (G), had a little difficulty getting out of each others way, but Doug, almost minute in such a big boat, managed to get things under control and rowed across the finish line for third place, with Carlos trailing close behind to place fourth.

The Junior A, Canoe Bobbing, gave the boys a chance to show their skill at balancing while standing on the stern of a canoe. Paul Bennett realized after the race that he is better at balancing on land than in the water, as he "bobbed" and then the canoe "bobbed" but he was no where around on the second bob. Anyway, the water was nice and warm says Paul. Bill Williams of the Maroons, with perfect precision balance, bobbed across the finish line first, with Rocky Smith, (M), doing quite well himself, bobbing across for second place. Rich Fisher, not taking any chances of joining Paul in the water, bobbed slowly, but safely across the finish line for third. Paul, regained his position and bobbed in somewhat later for fourth place.

The Junior C freestyle relay is always the most spectacular relay of any watermeet. These boys are eight and nine years of age and to see them perform with such skill, is magnificent. Gordon Glidden, (G), and Lee McCleave, (M), started the relay with Gordon reaching his teammate, Blake Paterson, about two feet before Lee reached his teammate, Stony Hinds. Blake, (G), completed his lap about three feet before Stony giving John MacDonald, (G), a slight advantage over Brad Coley, (M). However, Brad, all four jets in operation, made up the difference and added a few more feet for good measure to give his teammate Pete

Haines, (M), a slight lead over Phil Drake of the Greys. However, Phil, hearing his leader, Roy Miller, yelling "faster, faster", surged forward and took the last lap of the relay for the Greys by a half-lap, leaving Jack Abbott, (M), in his backwash.

Mark Sengelmann, (G), and Al Drewes, (M), led off in the Junior B backstroke relay, with Sengelmann reaching his teammate Carlos Capacete, (G), about eight feet before Al reached his teammate Mike Hall, (M). Capacete maintained the lead given him and added a few extra feet to give Paul Doege, (G), a half-lap advantage over Frank Erickson of the Maroons. Frank gave it his all, but just couldn't overcome the difference, giving the Greys the win and making the score at this time, Maroons 35 and the Greys 49.

The Maroons came back to take the Junior A breaststroke relay with Barney White, Dave Clough and Mike Crane giving them the win over Mike Wolfe, Tony MacDonald and Nick Gill of the Greys. It looked as if the Greys had this one by a half-lap, but Mike Crane overcame the difference in the last lap of the relay and tallied first for the win.

Steve Grubbs, Roy Miller, Randy Schwartz and Scott Tracy gave the Greys another first by taking the Senior medley relay over Bob Vockel, John Lattimer, Barney White and Jim Davis of the Maroons. Schwartz, adding several feet to the advantage given him by his teammates, finished the last lap of the relay before his rival, Jim Davis of the Maroons, was able to leave the dock. However, Jim finished his last lap in record time, but, as Jim said, "You can't out swim a fella when you are standing on the dock and he is in the water."

The Cresendo Relay was a first at Kawanhee and was a show of skill from all age levels in camp, as every division was represented in the relay. However, the Grey team sounded as if it might be a family affair, consisting of John MacDonald, Mark MacDonald, Tony MacDonald, and Roy Miller "MacDonald". Brad Coley, (M), and John MacDonald, (G), swam one lap for the Junior C's, with MacDonald winning by four feet; Mark MacDonald, (G), and Rex Coons, (M), swam one lap for the Junior B's, with Mark adding a few additional feet to the advantage given him by John, to tally before Rex; Mike Crane, (M), and Tony MacDonald, (G), swam two laps for the Junior A's, with Crane making up some of the lag, but not quite enough to tally before Tony; John Lattimer, (M), and Roy Miller, (G), finished the last two laps for the Seniors, with Roy reaching the finish by 2/3 lap, giving the MacDonald clan and Roy Miller the win.

The Senior "over-canoe rescue" was also a first at Kawanhee with Jim Proctor and Bruce Leiper winning over Rich Davis and Gordon Gray of the Maroons, to cinch the meet for the Greys with a score of 60 to 84.

Notice To Parents! Trip Home Schedule

Trip Home for Boys from Ohio

Leave camp August 25th, via bus. Arrive Boston by 12:30 — take a Historical trip of 2½ hours. Leave Boston at 3:30 — arrive Cleveland at 8:15 a.m. August 26th. Take bus to Columbus — arriving around 11:15 at the Bus Station on South 3rd Street.

The following Senior Counselors will have charge of the party: Chuck Hoffine, Fred Ball and Tom Bell.

Trip Home for Boys from the East

The boys going to Stamford and the New York area will leave camp Thursday morning August 25th, by bus and will arrive at South Station at 12 noon. They will have a car on the PATRIOT leaving Boston at 1:00 p.m., arriving at Stamford at 4:42 and New York Penn Station at 5:25. The group will go to the Information Desk. The train arrives in Washington at 9:35 p.m.

Scott Tracy Receives Robin Hood Award

"John-John" (Redick and Staker) of the Archery Department announced at the Saturday night campfire, August 6th, that Scott Tracy had completed the requirements for his Robin Hood award, the highest award given in Archery.

The requirements of this high award are that the archer must have passed all of the fifteen Camp Archery Association awards; shooting 30 arrows at 30 yards, 30 arrows at 40 yards, 30 arrows at 50 yards, and have a total combined score of at least 500 points.

Scott cleared the requirements with a fine score of 543 points, to join the ranks of fifteen other campers in Kawanhee's history, who have received this coveted award. Scott, 14 years of age, has been a camper at Kawanhee for seven summers and is now a Master Camper in the Crow's Nest.

Since Scott must leave camp early for football practice back home in Upper Arlington, Ohio, the award was presented at the campfire; however, an award of this magnitude is usually given only at the final awards assembly.

This accomplishment requires not only accuracy but also great stamina. Scott has reason to be proud for Robin Hood is the reward for skill and control of the highest level in archery.

JOHN REDICK

Bob Heintz Passes J. M. G. Exam

Kawanhee was notified this past week that Bob Heintz, Junior Counselor of the Eagle Lodge, had successfully passed the 1966 examination to qualify for his Junior Maine Guide certificate. These tests are "tough" and most of those who pass them do so only on the second and third try; however, Kawanhee has had a few who have passed this rigid exam on the first try.

Bob, stood with pride before the Saturday night campfire, as he was given recognition for his accomplishment. This is Bob's second attempt at the test, as his first try last season ended with an accident with the ax. This year Bob passed that phase of his test last, just in case of a repeat performance. He will attend a dinner given by the Governor of the State of Maine later this month to honor those who have passed the J. M. G.

Blueberry Mountain Trip

On Thursday, August 4, 1966, a group of seven boys, led by Ed Chace, climbed Kawanhee's own mountain, Blueberry. The boys in the party were: Doug Means, who acted as assistant leader, Bob Marx, Dana Lisle, Rocky Smith, Kurt Feick, Ian Hanigan and Tom Ruhle.

The party left camp at 9:15 a.m. in the small truck driven by R. C. Frank. They began climbing from the Phillips Road at 10:00 a.m. As this was to be a trail maintenance trip, the party was small. Renewing blazes was part of the objective. Each boy carried a trail lunch, extra sweaters, extra food, and a camera in his pack. The 3½ mile ascent was completed in two hours, ten minutes.

Blueberry Mountain is called Kawanhee's own mountain because Ed Chace and Dean Miller, some years ago, laid out and built the trail up it. The entire summit is white rock with a few scrub pines and many blueberries. The views are unsurpassed from any mountain in the Weld area.

The boys collected a big supply of blueberries, hopefully thinking that Emma might be cajoled into baking a blueberry pie for them. Lunch, eaten at the top, consisted of peanut-butter-and-jam sandwiches, oranges, cookies, raisins, and chocolate bars.

The distances are: from highway to loggers' cabins, 2 miles, from cabins to summit, 1½ miles, climbing time, about two hours, descent about 1¼ hours. The weather was cool and breezy; the views were clear and good for pictures.

ED CHACE

First Kennebec Trip

Monday morning, after some confusion of plans, Bates and John Fulda finally loaded six canoes, paddles and provisions into or onto or behind the "bouncing buggy" and headed north to cruise the Kennebec River. Accompanying the equipment were Frank Stewart, John Willis, the other leaders, and Rich Caraboolad, John Carrick, Dave Emery, Gordon Gray, Steve Grubbs, Doug Means, Jim Proctor, Tom Ruhle, Tom Soyster, Randy Schwartz, and Bob Zechiel.

Several stops later we dragged our canoes through the underbrush to the river and set off downstream, led by Fulda and Jim Proctor. Willis, known to have a slightly spotty paddling record, brought up the rear.

Excitement was provided by hundreds of four-foot pulpwood logs swarming down the river towards the paper mills. Shooting through a gap in white water takes on new dimensions when a half dozen logs are competing with you for the gap. The river alternated among stretches of moderate rapids, fast but smooth current, and four, huge, log jams.

The paper company controls the flow of logs in part by throwing a "boom" of large logs chained together across the river to jam up all the wood upstream of the boom. The jams can be as large as several acres and completely span the river. We squeezed our way slowly through three and portaged around the fourth before trucking to our campsite.

The boys, the finest group of campers with which the writer has ever "tripped", quickly set up the campsite and set about helping Frank Stewart prepare an excellent meal of hamburgers, baked beans and side dishes.

After chatting with other campers on the same beach, we folded for the night, pretty well "done-in" from the day's paddling.

Tuesday's run was shorter and we were able to fool around, swimming and splashing, as well as travelling along the river. The rest was welcome since Monday's work had taken its toll in blisters and sore muscles.

We stopped at the dam used to control the flow of logs along the river and, after watching water and logs shoot through the sluiceway, we loaded and headed back for Kawanee.

We stopped in Madison briefly to have a snack and to allow Bates to collect a frappe from the foolish counselor who had bet he couldn't split a thick log with three chops.

Abandoning the canoe trailer in Madison, we reached camp, tired but pleased with a good paddle.

JOHN WILLIS

The Second Kennebec Trip A Success

The rescheduled Kennebec River trip started out on August 4th in good weather and high spirits. After about three hours in Bates "bouncing buggy", we stopped at a picnic area and ate lunch.

After a short ride, we finally arrived at our starting point. Here we began the eighteen-mile trip down the fast-moving waters of the Kennebec to our overnight campsite. We made very good time, overcoming a stiff wind and many logs which the paper companies had put in the river. Thus, much to Bates surprise, we reached our campsite ten minutes early. After a pleasant supper, we all went to bed and had a good night's sleep.

The next morning we were all awakened in plenty of time to eat breakfast and break camp. We then proceeded down the river again for our last eighteen miles. Almost everyone had a refreshing dip during our second day and we all proceeded eagerly to our final destination. Our six canoes made it just in time for a delicious peanut butter and jelly sandwich and then after a slight delay we returned to camp a little tired and weary, but glad of our exciting trip and the fun we had had.

The boys making the trip were Lewis Basilicata, Dale Bonnie, Jim Davis, Rich Estabrook, Don Hamilton, Evan Jones, Dave Lancione, John Lattimer, Tim McKee, John Strausbaugh, Andy Williams and Scott Pace. The leaders were John Fulda, Chuck Hoffine, Bruce Leiper and Chris Greening.

JIM DAVIS

Fisher Guns Down Buzzards

Dick Fisher, with a grand-slam in the bottom of the third and final inning and two out, led the cellar-dwelling Jolly Green Giants to their first victory of the season over the then first-place Black Buzzards, 9-6. Scott Leiper notched his first win of the summer, turning in a respectable 5-hit, 8-strike-out performance in three innings. Steve Sweeney took the loss for the Buzzards. Doug Allan and Gene Tresenfeld both scored three times for the Jolly cause.

Paul Bennett led off the Buzzards first, reaching second on an error. After the next two batters whiffed, Barney White delivered a single to left, scoring Bennett. White then stole second and raced home on an erratic throw. Allan and Tresenfeld both reached base in the Giant half and scored on sacrifices by Leiper and Fisher.

Chip Button opened the second frame with a single and scored on consecutive singles by Duncan Hill and Bob Marx. The Greens came back in the bottom half, when, with two away, Allan and Tresenfeld got on again and tallied on Scott Leiper's triple to center.

With two gone in the third and down by one run, the Buzzards roared back with three big runs. Rex Coons and Chip Button reached base by free passes and scored on Marx's triple to right. Marx later scored when Scott Pater-son got on through an error. The Giants were the ones in the jam now as ace flipper, Steve Sweeney, came in to pitch for the league leaders. George "Tony" Oliva led off, got to first and scored, pulling the Green within one run. Then with one away Allan, Tresenfeld, and Leiper got on and rode home no Fisher's shot.

Buzzards Bounce Back — Blank Riots

In what has to be the closest game of the year, the Black Buzzards, behind their stellar starboard side twirler, Steve Sweeney, shut out the luckless Local 57 Red Riots and workhorse, Mike Standen, 1-0. Bob Marx delivered the decisive and only Black hit in the second when he lined a home run to right center.

The visiting Riots opened the game with Al Drewes walking to first and reaching third via steals. He was stranded, however, as the next three men were retired. Brad Coley and Barney White each reached base in the Buzzard half but were "LOB-ed".

With one away in the second, Pete Haines singled to right but was caught stealing as Black catcher, Coley, threw him out, thus ending any Local threat for the inning. Bob Marx came up with two down in the Black half and socked his four-bagger, chalking up the lone run and only Buzzard hit of the day.

After a scoreless third inning Riot pitcher, Mike Standen, lined a triple to left but tried to go for four, running through a stop sign at third and was caught at the plate. The action had drained itself by now with two scoreless frames following.

Zulus Retain League Lead

Bob Zechiel's Zulus behind Zeke's seven-hitter and the bats of John Bacon, Mike Meserole and Bob himself, knocked the league leading Daggers of "Gentleman Jim" Davis out of the league lead by handing them a 10-3 setback. Rich Davis took the loss for his brother. The game passed a milestone as it went a full nine innings with time to spare, and included no arguments at all!

The Zulus lead off the first with two runs on three straight singles by Bacon, Meserole and Zechiel. In the second they added two more on a Tom Ruhle walk, a single by Bill Proctor and a sacrifice by Dave Clough and Tom Scott.

After being held scoreless for three innings, big Dave Kaplan, roofed a tripled to center for the Daggers and scored on an infield out. The Zulus bounced back in the fifth when Meserole dumped a bases-jammed double to left, scoring Ron Pavesi, Charlie Kellenberger, and John Bacon. Zeke then singled Meserole in. They tagged an extra tandem on the score in the sixth when Preston Crabill singled with two aboard.

The Daggers came back with one run in the bottom of the seventh. Gray singled and Watson doubled him in for the score. They drew blood again in the eighth, scoring one more on singles by Steve Grubbs, Kurt Feick and Frank Watson. The Zulus tried unsuccessfully to score more in the top of the ninth as did the Daggers.

Daggers Dump Tracers Into Last

Jim Davis's Daggers opened up August with a fresh bid at claiming first place for themselves and went about it in the right way. The Daggers whipped the slumping Tracers of Scott Tracy, 9-3. Capt. Davis went 3 for 4 on the night for the Daggers, while Tracer, Jim Duffey wallowed a round-tripper.

The Davis's led off the first with three runs on singles by Bruce Leiper and Rich Davis and a booming triple by Frank Watson. The Tracers got one in their half on a Jim Proctor double and a Bob Heintz safety.

After three scoreless innings in which each team scratched three hits apiece, Jim Davis and Gordon Gray doubled and singled, Dave Kaplan sacrificed, Dale Bonnie reached first on an error and Steve Grubbs singled, scoring three runs. The Tracers were held scoreless in their half.

The Daggers opened fire on the Tracers again in the sixth with Watson reaching first on an error. Rich Davis forced Watson at second, Jim Davis singled, Gray singled, got to second and scored on Bonnie's safety to left. Duffey led off the Tracy half of the sixth with his home run. Roy Miller followed with an error-ridden shot to right and scored on Lew Basilicata's single. The rally, however, stalled there, giving the Davis the victory over the error-ridden Tracers.

Saturday Activities

Once again the elements were with the campers and counselors as they approached their week-end activities. The weather this season has been remarkable and very pleasant to all concerned.

The events were started with the usual Saturday afternoon watermeet and sailing regatta. The Greys won their fourth watermeet and the Maroons won their second sailing regatta.

After the meet, Rich Davis and his Maroons staged a parade through the camp to inspire the campers to "go, go, go" for points. It will be interesting to see what the Greys will have in store as their little surprise of the week.

Saturday evening the Senior Counselors, out for revenge, won the Junior-Senior Counselor softball game 4-2. Roy Miller hit the only home run for the Juniors with Bruce Leiper scoring a double to bring in their two runs. King Boyd saved the day for pitcher, Del Tracy, of the Seniors, by snagging a long fly to center field by Frank Watson. Mez dropped a ball to allow Cook to come home for the Seniors to break the 2-2 tie. Doyle missed the next pop fly allowing Proctor to advance to third, where Dave Bit-tender singled in Proctor to end the game 4-2.

For the fifth, straight Saturday evening, the campfire was held on Council Point, surrounded by the stately pines. Frank Stewart lighted the central fire and things were underway. RC led the campers in singing "I've Been Working On The Railroad", and with the aid of John Willis, Mike Meserole, Dave Hoch, and Bruce McInness, RC led the boys in singing the Princeton song. Bruce McInness then led the campers in singing "God Bless America".

George Frank then called upon the various departments to read the boys' achievements of the week. When the name of Stanley McCleave was read for having received his Junior C Level, a rather unusual Junior C came forward. Rev. McCleave, a little older than the average Junior C, carries the same name as his son, Stanley, who is a camper in the Eagle Lodge.

The Swimming Department announced that all campers have swum the docks but one and he will have accomplished this by the next campfire. The Sailing Department announced that Pete Neilson and George de Valle had won the sailing regatta for the Maroons that afternoon.

Del Tracy, before reading the score of the past week, announced that several Kawanhee counselors have been busy writing in their spare time. Bill Doyle had written a book entitled "How To Be A Successful Counselor"; Nelson Lancione had written one entitled "How To Train For The Demolition Derby"; Scott Wilson had written one entitled "Tennis, Self Taught".

After the usual Kawanhee victory cheers from both teams, Frank Stewart told the story entitled "The Ship"; thus concluding the evening.
