Greys Dig In Deeper

Roy Miller and his Greys staged a surprise attack on their rivals, the Maroons, this sixth week of camp, by staging a "silent" individual victory march. While everyone was expecting a spectacular counter-victory march to equal the Maroon's march of last Saturday, Roy and his boys were busily engaged in various activities, piling up points to widen the gap between their score and their rivals, by 701 points.

While this difference is impressive, it is not conclusive; as both captains realize, bigger leads than this have been wiped out in the final week's deluge of points, as the all-important third level tallies begin to roll in.

However, the Greys were well justified in giving one particularly lusty yell of satisfaction which rocked the rafters of the old Rec Hall and, I am sure, could be heard all the way to New Jersey, the Grey leader's home town. Captain Miller and his boys are undoubtedly too wise to lapse into any over-confident feeling that "it is all over but the shouting" as Rich Davis and his Maroons have not given up yet. With this in mind, Rich and his Maroons have taken the philosophic point of view and are saying that the Greys are running next to last, while they, themselves, are running in second place for the time being.

In his analysis of the score, Del Tracy, chief scribe, made it clear that the Greys had been top men on the totem pole in almost all ten departments reporting, with the Greys scoring 8717 points to the Maroons 8139.

The constant recurrence of certain names on the weekly list of Achievement Levels might indicate who the 1966 high-point winners will be. Tony MacDonald, a Grey, heads the list with 765 points, with Rocky Smith, a Maroon, running second with 570 points. Mike Blaine, Andy Kauffman and Steve Sweeney, all Maroons, are tied for third place with 565 points. Jim Estabrook, a Grey, is fourth with 550 points; Lewis Basilicata and Rick Fisher, both Greys, are tied for fifth place with 540 points.

The total score at the end of the sixth week of camp is Greys 19,148; Maroons 18,447.

Local Licks Giants

Anxious to bring up their sub-500 standing and boost their chances for a pennant, the Local 57 Red Riots took on the last-place Jolly Green Giants. In a real nail-bitter, the Riots edged the Giants, 2-1. John White notched his second win of the season in going four of the five innings, while Mike Standen came on to get the save. Hard-luck Scott

Leiper took the loss for the Jollies. Frank "Leif" Erickson was one of the big factors that the Reds won as he scored the winning run and made a big play at the plate that saved the Local one run lead.

Local 57 led off the first with the initial run of the game, as Jon White singled, stole second, and scored on Nick Gill's double to center. The Giants got two singles by Luis Benitez and Dick Fisher in their half but didn't score. After a scoreless second, the Riots loaded the bases and scored as White singled in Erickson. The Jolly Greens mustered their forces for one run in the bottom frame on singles by Dave Allan and Luis Benitez. Fisher followed with a dribbler to short and was safe. Benitez tried to score but was wiped out at home on a brilliant play by Erickson and first baseman Gill.

Riot second baseman, Dan Blum, got the only other hit of the game, a single in the fourth but nothing resulted. Mike Standen, workhorse of the Riot staff, came on in the fifth to face the top of the Giant order and retired the side and the game.

Local Blanks Lights, Pull Into First

The Local 57 Red Riots, behind the strong 1-hit pitching of new arrival, Doug Brockie, handed the league leading Blue Lights and stellar starter Craig Wolcott a 4-0 setback. Strangely enough, Wolcott also spun a one-hitter but suffered from an acute attack of wildness as he walked six and hit one. Brockie was on, however, and that proved the difference as he whiffed league batting leader Kurt Feick twice and struck out five more.

After Brockie set the Lights down in order in the first, the Riots struck for two runs. Lead-off batter, Al Drewes, walked and stole second. Jon White walked, Nick Gill pushed a dribbler past first baseman, Mark MacDonald, loading the bases. Wolcott then hit Dan Blum and walked Pete Haines. The Riots scored again in the second on walks to Doug Allan and Jon White and a single by Gill, scoring Allan.

The Lights launched their biggest threat of the game as they capitalized on a spell of wildness by Brockie and filled first and second via walks. Brockie rose to the occasion, however, and fanned the side. Local 57 tallied once again in the third on a Mike Hall walk and a three base error by Gordon Glidden, making the score 4-0 for the Local's sake.

The closest the Blues came to scoring was when Tom Scott broke up Brockie's no-hitter with a single in the top of the fourth and final frame. He stole second and third. When Brockie struck out Mark Sengelmann for the second out, catcher Erickson caught Scott off third and in the rundown, Jon White tagged him out.

The win put the Riots percentage points out of first and jammed itself into a three-way tie for the lead, the closest race Kawanhee has seen in 40 years.

Buzzards Whip Giants, Take Over Lead

The high-flying Black Buzzards, behind the one-hit flipping of Steve Sweeney, smashed the cellar-dwelling Jolly

Green Giants for their fourth win of the year and moved into first place by ½ game. The Buzzards bounced the Jollies 10-2. Sweeney was superb as he went the route, fanning 12 in five innings and walking none. Dave Allan's scratch single in the fourth was the only blemish. Allan took the loss for the Giants. Hank Hiser, Barney White, and Chip Button got two hits apiece for the Black cause.

The Giants looked as though they might repeat their previous upset over the Buzzards as they scored two quick runs in the top of the first. Scott Leiper led off reaching first via an error by Buzzard keystone Chip Button. With two away, Dick Fisher knocked in Leiper and raced to third, scoring on an error by the Black third baseman. Not anxious of any repeat performances, the Blacks pasted the Greens with ten runs in their half of the first.

Brad Coley led things off in the inning with a walk, Hank Hiser singled, Steve Sweeney walked, Jon White doubled, and Chip Button singled. Rex Coons was hit by a pitch, Bob Marx, (the league's strongest number eight man) singled, Coley walked again, Hiser was hit by a pitch, Sweeney singled and White singled — ten runs, six hits, three walks and no Giant errors.

In the next three and a half innings there were no runs and three hits for both sides combined. The Buzzards loaded up the bases in the third but nothing resulted.

Zulus Trip Tracers, Remain In Lead

Bob Zechiel's red-hot Zulus, behind the strong hitting of Charles Kellenberger, Randy Schwartz, and Tom Scott, came from behind to snatch certain victory from the clutches of Scott Tracy's Tracers. The Zulus won, 13-7. Down by seven in the bottom of the fifth, the Zulus scored five, after a "bad" call by the umpire, and finished the job in the sixth by tallying eight. Capt. Zeke spun the win for the winners, while lefty Jim Proctor took the loss for the Tracers.

The Tracers commanded the action for the first 4½ innings. Proctor and Tracy scored in the top of the first on center fielder Roy Miller's double to right. After a scoreless second frame, they came back to mark another tandem in the third. Evan Jones led off with a single but was forced by Bob Heintz, who was in turn forced by Proctor. Tracy then boomed a triple to left center and scored on Miller's single to right center. The Tracers tagged on two more in the fourth as Andy Williams and Bob Vockel scored on Bob Heintz' single to left.

Scott Tracy led off the fifth with his third hit of the outing and came home on Mike (Booboo) Crane's safety. After taking it on the chin for four innings, the Zulus bounced back in the fifth. Five singles by Tom Ruhle, Tom Scott, Randy Schwartz, Charlie Kellenberger and Mike Meserole, a walk to Ron Pavesi and a fielder's choice by John Bacon — all strategically placed — produced five runs. Down by two in the bottom of the sixth and final frame, the Zulus lashed out for eight more tallies. Pavesi, Ruhle, and Scott singled in order; Bill Proctor, Dave Clough and Schwartz got on, Kellenberger doubled and Zeke singled. Ordinarily the game would have ended with the eighth run, but nothing could stop the Zulu charge.

Saturday Campfire

For the first time during the 1966 camp season the Saturday night campfire was forced indoors, as the high winds made a fire on council point unsafe.

Dave Hoch and Bruce McInnes led the campers in singing "The Happy Wanderer", "If I Had A Hammer" and "This Land Is Your Land"; all receiving a Class "A" applause. The rafters of the Rec Hall rumbled with the enthusiastic singing of the evening.

The evening proved that Kawanhee had reached its full stride of activity for the summer, as Del Tracy announced that some 18,000 points had been scored during the week. The list of Achievement Levels and other awards filled most of the evening program.

The Swimming Department announced that John Sisson, a non-swimmer at the beginning of the camp season, had swum the cove making the camp 100% in swimmers.

Carlos Capacete added another snake to the Nature Department's collection, making the summer catch of snakes now 86 inches. He named this snake "THOR". Why? "If he had bitten you, you would have been "Thor" too," so says Carlos.

The usual Kawanhee victory cheers by both teams concluded the evening.

Sunday Service

Sunday morning the campers awakened to a beautiful, calm sabbath. Worship services were held in the Church on the point with Rev. Stanley McCleave conducting the service using "You and The Holy Spirit" as his topic. "Create within me a clean heart O God and renew a right spirit within me."
