Volume XXXIII, No. 1

Camp Kawanhee, Weld, Maine

July 14, 1967

Bacon, Watson, O'Brien & Tracy Team Leaders for 1967

After a prolonged period of suspense, a matter of great interest was removed from the realm of speculation when Del Tracy introduced the captains for the 1967 camp season.

Due to the size of the camp and the increased amount of responsibility involved in leading teams of this size, it was decided that this was the year to have a captain and an assistant captain. Therefore, after a week of study and observation it was decided that Mike O'Brien, Scott Tracy, John Bacon and Frank Watson, were showing the quality of leadership that plays so large a part in setting the tone and morale of the camp season and would be a wise choice for leaders this 1967 season.

John Bacon won the crucial flip of the coin and chose to lead the Greys with Frank Watson as his assistant. Mike O'Brien and Scott Tracy annexed the Maroons.

The captains and their assistants were given two days to study the master sheet of the last season and to observe the new campers to see if they could decide who were the real "go getters" of the camp, as level points will determine the victory at the end of the season. The teams will be chosen Monday and the results announced at the evening meal. Then the real competition begins, as every boy in camp will be either a Maroon or a Grey and will work to earn points to add to his teams score.

The contest between the Maroons and Greys has played a vital part in the Kawanhee scheme of things since 1923, when the two team system was first introduced. Over the years of competition, the Maroons and the Greys are now tied, with 22 victories each and one tie. Which team will break the tie? That is the question that both teams and their captains will be striving to answer as the contest continues for the next seven weeks. This is not the time for predictions, and the race is wide open. With the energetic newcomers to camp and observing the number of returning high point winners, this could be the season to break all records, as the new captains are ready to shoot the works for an all-time high.

Lodge List 1967

EAGLE: *Sr. Counselor*—John Staker, Bexley, Ohio. *Jr. Counselor*—Scott Tracy, Upper Arlington, Ohio. *Bob Altmaier*, Bexley, Ohio. *Campers*—Mark Chapman, Holland, Pa.; John Dargusch, Bexley, Ohio; Tim Pynchon, Winthrop, Maine; Ross Scribner, Bridgeton, New Jersey; Glen Schroeder, Columbus, Ohio; Roger Sweet, Springfield, Ohio; John Trayner, Tenaflly, New Jersey; Gary Tremble, Haworth, New Jersey.

FALCON: *Sr. Counselor*—Mike Meserole, Englewood, New Jersey. *Jr. Counselor*—Frank Watson, Forest Hills, New York. *Scot Pace*, Columbus, Ohio. *Campers*—Fred Abels, Glen Cove, New York; Blas Contreras, Rio Piedras, Puerto Rico; Dave Andriance, Longmeadow, Mass.; Peter Drake, Upper Arlington, Ohio; Don Erickson, Glen Cove, New York; Jim Schroeder, John Schroeder, Columbus, Ohio; Mark Schiewetz, Circleville, Ohio; Doug Wolfe, Upper Arlington, Ohio.

PANTHER: *Sr. Counselor*—Tom Taylor, Dublin, Ohio. *Jr. Counselor*—Jon Lattimer, Englewood, New Jersey. *Charles Langmuir*, Santa Monica, California. *Campers*—Bruce Blaylock, Washington, D.C.; Dave Bury, Ridgecliffe, Conn.; Keith Erf,

Glastonbury, Conn.; Stoney Hinds, Wilton, Conn.; Kevin Kissell, Dayton, Ohio; Lee McCleave, Bridgeton, New Jersey; Raub Smith, Columbus, Ohio; Alan Sweet, Springfield, Ohio.

POLECAT: *Sr. Counselor*—John Redick, Upper Arlington, Ohio. *Jr. Counselor*—Gordon Gray, Bexley, Ohio. *Ricky Whitmyre*, Mt. Kisco, New York. *Campers*—Jack Abbott, Scarsdale, New York; Brad Coley, Bedford Hills, New York; Phil Drake, Upper Arlington, Ohio; Robert Escher, Demarest, New Jersey; Gordon Glidden, Englewood, New Jersey; Clint Newbold, Devon, Pa.; Blake Paterson, San Juan, Puerto Rico; Peter Pynchon, Winthrop, Maine; Dave Scribner, Bridgeton, New Jersey; Tod Taylor, Dublin, Ohio.

PINE TREE: *Sr. Counselor*—John Willis, Princeton, New Jersey. *Jr. Counselor*—Steve Fink, Mt. Kisco, New York. *Pete Neilson*, Columbus, Ohio. *Campers*—Steve Aeschbach, New Orleans, Louisiana; Chris Altmaier, Bexley, Ohio; Barry Gidman, Marrero, Louisiana; Keith Karr, Columbus, Ohio; Randy Potts, Columbus, Ohio; Juan Reyes, Rio Piedras, Puerto Rico; Kevin Smith, McLean, Virginia; Carlos Zapata, Guaynabo, Puerto Rico.

HAWK: *Sr. Counselor*—Greg Gidman, Marrero, Louisiana. *Jr. Counselor*—Dave Barnes, Englewood, New Jersey. *Dan Greening*, Lansdowne, Pa. *Campers*—Ramon del Valle, Bayamon, Puerto Rico; Rafael Gonzales, Santurce, Puerto Rico; Alan Hamwi, Columbus, Ohio; Jim Keny and Tim Keny, Columbus, Ohio; Andy Kientz, Columbus, Ohio; Jorge Suarez, Bayamon, Puerto Rico; Jet Tremble, Haworth, New Jersey; Tim Williams, Columbus, Ohio.

DEER: *Sr. Counselor*—Tom Pears, Pittsburgh, Pa. *Jr. Counselor*—Bob Zechiel, Katonah, New York. *Campers*—Ken Chapman, Holland, Pa.; Rich Darmanin, Puerto Rico; Paul Doege, Springfield, Ohio; Al Drewes, Englewood, New Jersey; Peter Eudy, Newtown Square, Pa.; Peter Haines, Englewood, New Jersey; John McDonald, Westport, Conn.; Scott Sartorius, Tenaflly, New Jersey; Chris Schroeder, Columbus, Ohio; Mark Sengelmann, Columbus, Ohio.

BIRCH: *Sr. Counselor*—Rich Morton, Farmington, Maine. *Jr. Counselor*—Jim Proctor, Englewood, New Jersey. *Campers*—Herbert Erf, Armonk, New York; Jim Estabrook, Bexley, Ohio; Mike Hall, Columbus, Ohio; Kurt Larsen, Fairfax, Virginia; Blas Reyes, Rio Piedras, Puerto Rico; Doug Slocum, Columbus, Ohio; Doug Smith, Columbus, Ohio; Phil Stewart, Columbus, Ohio; Trent Taylor, Dublin, Ohio; Andy Wheeler, Concord, Mass.

BEAVER: *Sr. Counselor*—Tom Bell, Buenos Aires, Argentina. *Jr. Counselor*—John Bacon, Bridgeton, New Jersey. *Campers*—Jimbo Barnes, Englewood, New Jersey; Jose Benitez, Santurce, Puerto Rico; Bruce Ferguson, Columbus, Ohio; Hank Hiser, Falls Church, Virginia; Scott Paterson, San Juan, Puerto Rico; John Sisson, Tenaflly, New Jersey; Tod Tremble, Haworth, New Jersey; Milton Zapata, Guaynabo, Puerto Rico.

MOOSE: *Sr. Counselor*—Bill Lawrence, Wilmington, Delaware; *Jr. Counselor*—Mike Altmaier, Bexley, Ohio. *Campers*—Nicky Gill, Washington, D.C.; John Clausen, Bethesda, Maryland; Duncan Hill, Granville, Ohio; Dana Lisle, Columbus, Ohio; Bill MacElwain, Washington, D.C.; Lloyd McDonald, Pittsburgh, Pa.; Rocky Smith, Bexley, Ohio; Steve Sweney, Columbus, Ohio; John Tobin, West Orange, New Jersey.

LYNX: *Sr. Counselor*—Fred Ball, Upper Arlington, Ohio. *Scot Cadet Counselor*—Mike O'Brien, Findlay, Ohio. *Campers*—Bob Beach, Wilmington, Delaware; Dan Blaylock, Washington, D.C.; John Green, Washington, D.C.; Ian Hanigan, Bronxville, New York; Rich Lake, Palisades Park, New Jersey; Steve MacDonald, Westport, Conn.; Chris Schaefer, Englewood, New Jersey; Mike Standen, Closter, New Jersey.

WILDCAT: *Sr. Counselor*—Chuck Hoffhine, Columbus, Ohio. *Jr. Counselor*—Tom Steenland, Englewood, New Jersey. *Campers*—Preston Grabill, Greenwich, Conn.; Jorge del Valle, Bayamon, Puerto Rico; Jim Knox, Farmington, Maine; Robert Marx, Rye, New York; Carlos Reyes, Rio Piedras, Puerto Rico; Tom Scott, New Canaan, Conn.; Mark Standen, Closter, New Jersey; Wally Whitmyre, Mt. Kisco, New York.

BEAR: *Sr. Counselor*—Frank Stewart, Quincy, Mass. *Sr. Cadet Counselor*—Jack Pray, Littleton, Colorado. *Campers*—Mike Blaine, Upper Arlington, Ohio; Brian Blasutta, Columbus, Ohio; Chip Burgess, Bexley, Ohio; Mike Crane, Columbus, Ohio; Jackson Doege, Springfield, Ohio; Brian Haldi, Upper Arlington, Ohio; Andy Kauffman, Columbus, Ohio; Bill Proctor, Englewood, New Jersey; Bob Smith, Columbus, Ohio; Bill Williams, Columbus, Ohio; Mike Wolfe, Columbus, Ohio.

CROW'S NEST: *Sr. Counselor*—Glen Schroeder, Columbus, Ohio. *Sr. Cadet Counselor*—Ronald Pavesi, Tenafly, New Jersey. *Campers*—Craig Blasutta, Columbus, Ohio; Bob Brinkerhoff, Englewood, New Jersey; David Gordon, Upper Arlington, Ohio; Doug Means, W. Simsbury, Conn.; Harold Slocum, Columbus, Ohio; Steve Stewart, Columbus, Ohio.

BADGER: *Sr. Counselor*—Tom Hartman, Upper Arlington, Ohio. *Campers*—Tom Smith, Upper Arlington, Ohio; Rich Estabrook, Bexley, Ohio; Tim McKee, Columbus, Ohio; Tom Ruhle, Tenafly, New Jersey; Andy Williams, Columbus, Ohio.

Well-Seasoned Counselors On Senior Staff

This 47th season of Camp Kawanhee is to be a very special season for all concerned. The Frank Brothers, George and Raymond have spent uncountable hours over these many years making Kawanhee what it is today. The innumerable hours necessary during the winter months needed to recruit new campers; the many miles traveled showing movies; numerous letters written to campers, counselors, equipment manufacturers, etc., add up to a considerable amount of time and energy. However, this task has been well done and with enthusiasm by the Frank Brothers for the past 46 years.

This past winter one of the brothers, Raymond, passed away leaving a great void to all. However, George Frank and Raymond's wife, Franny, decided that they would carry on, as they knew Raymond would want it that way. The task was doubly hard for both George and Franny, but with their determination and enthusiasm, they have organized another sterling camp. The camp is bursting at the seams with an excellent group of campers—76 returning campers and 66 new campers. They have secured an excellent staff of Junior and Senior Counselors, all well qualified for their positions. Most of the counselors are resuming positions which they have filled faithfully and well in the past seasons, some totaling 35 years service. Their presence is the best possible assurance that the true Kawanhee traditions will be carried on, to make this 47th season one of the finest in the camp's history.

Camp Director

A camp with 46 successful seasons to its credit must have had a sound goal. That goal has been to help a boy help himself become a man. GEORGE FRANK, our Camp Director, is well qualified to fill this goal. He was principal of McGuffey School in Columbus, Ohio, before his retirement. A position that he served well and with the same enthusiasm and determination that he serves Kawanhee. Not only must he supervise 15 lodges and 15 departments, but he must see that only the best of supplies and equipment are provided for each one. In addition to the camp supervision, he must see that Kawanhee Inn is supervised.

Camp Mother

One of the most energetic members of the camp staff is our camp mother, Mrs. Raymond Frank, affectionately

known to all as Franny. Her never-ending energy has helped organize this excellent camp as she has carried on in place of her husband Raymond. Even though her heart is filled with sadness, Franny performs her usual miracle of letting each and every boy know that she is their "mother away from home" and that she is there to help them in any way and at any time. The task makes no difference, whether it is sewing on a button, mending a jacket or playing a game of checkers.

Assistant Camp Mother

Mrs. SUSAN BOHNKE, a newcomer to Kawanhee, from Columbus, Ohio, will lend a helping hand to the many tasks of the Camp Mother. She is a Physical Education major at the Ohio State University in Columbus, Ohio. Her winning smile and pleasant personality has already made her a favorite member of the Kawanhee family. Her husband, Dave, is the swimming coach, both here at camp and at the Ohio State University.

Director of Activities

Continuity is the key word to the success of any organized project. Kawanhee's new Director of Activities, Del Tracy, typifies this quality of continuity, for he is something of an anthology of Kawanhee experience. Del has served for the past twelve summers as the Athletic Director, scorekeeper and Assistant Director of Activities. Due to illness, John Nowold, our former director, was unable to return, and Del will assume this responsibility as well as his other jobs.

Del has already won himself a place in the hearts of the campers as their new director. He prides himself on the fact that by the end of the first week of camp he can address each camper and counselor by his first name. Of course, a couple of campers wish that he had not been so efficient that first week, as they were caught taking a little unauthorized trip into the village.

He plans once again to include the ever-popular football conditioning program in the schedule of the Athletic Department. This will be of definite advantage to the boys when they return to school and find football practice in full swing.

Del has been a teacher in the Columbus, Ohio, school system for the past 18 years. He teaches current history and problems of democracy at the Linden McKinley High School in Columbus. He and his family are staying at the Cory cottage on the Inn Beach for the summer. His daughter, Susan, is the hostess at Kawanhee Inn and his son, Scott, is a Jr. Counselor in the Eagle Lodge. His wife, Jane, is Editor of the *Wigwam*.

Aquatics

The "B'S" of the Swimming Department this year, Bohnke, Bell and Bacon should provide Kawanhee swimmers with the best swimming instruction possible. It is a well-known fact that "B'S" are very efficient with their work as they buzz along, and Kawanhee should see a lot of buzzing efficiency this summer on the waterfront with our three "B'S".

DAVID BOHNKE is making his first appearance at Kawanhee this season as the Head of the Swimming Department. It is his first year at Kawanhee, but by no means is it his first year of swimming instruction. He is the Assistant Swimming Coach at Ohio State University, Columbus, Ohio. As you may or may not know, Ohio State produces some rather excellent swimmers. Dave is ready with new ideas of instruction and any boy that is willing to work and learn will find Dave willing and ready to assist him.

He is also an expert clown-diver—a task that takes precision timing and skill. He is at the present working toward his Doctorate in Physical Education at Ohio State University. He and his wife, Susan, the Assistant Camp Mother, are making their home at Pine Lodge on the Knolls for the summer.

TIM BELL, our effervescent softball player from the Latin American League, returns to Kawanhee for his second season to be the Assistant Swimming Director. He is a student at Ohio Wesleyan University, Delaware, Ohio, majoring in economics and romance languages. His home town is Buenos Aires, Argentina.

In addition to his swimming activities in college, he was a member of the N. C. A. A. Soccer team in 1965; all OHIO soccer team in 1966 and the ALL MIDWEST soccer team in 1966. He holds three letters in soccer and has the honor of being the co-captain of the 1967 soccer team at Ohio Wesleyan. He is the senior counselor in the Beaver Lodge for the summer.

JOHN BACON, "Kawanhee's own Gene Krupa" is returning for his 4th season to assist in the Swimming Department and will serve as the Jr. Counselor in the Beaver Lodge. He is a student at Cheshire Academy in Connecticut.

In school he participated in cross country and lettered in basketball and track this past season. All sports are included in John's curriculum, with the high jump and the javelin being the new additions.

John received his Eagle Scout award in 1965 and earned his senior life saving certificate in swimming in 1966. He has the added honor of being the captain of the Greys this season.

Archery

The JOHN JOHN'S of the Archery Department are hard at work again this summer making every effort to see that each boy in camp becomes a proficient archer before the season is over.

JOHN REDICK returns to Kawanhee for his 8th summer; four as a camper and four as a counselor. He comes from Upper Arlington, Ohio, to head the department. He is a sophomore at Valparaiso University, Valparaiso, Indiana, majoring in philosophy.

John holds every possible award in archery, having received his Robin Hood in 1963. He is the Sr. Counselor in the Pole Cat Lodge this summer and will again serve as the accompanist for the music program.

JOHN STAKER, a fellow Ohioan, hails from Bexley, Ohio, and comes to Kawanhee for his fifth season. One as a camper and three as a Jr. Counselor and this year as a Sr. Counselor in the Eagle Lodge.

He will be the assistant in the Archery Department and will handle the sign-outs for the camp.

John is a sophomore at Ohio State University, Columbus, Ohio, working toward the degrees of Bachelor of Music and Bachelor of Science in Music Education. He will be an organist for one of the local churches in Columbus when he returns home this fall.

Athletics

The Athletic Department is bursting with pride this summer and is sporting an overflow of help. This must be the year for athletics and the athletic department is going to see that Kawanhee produces its share.

DEL TRACY returns as the Athletic Director for his 13th summer, in addition to his duties as Director of Activities. With the excellent staff provided him, great things are expected from this department.

Del's lone co-worker and the "Casey Stengel of Kawanhee" of last season, MIKE MESEROLE, returns for his

7th summer; five as a camper, one as a Jr. Counselor and his first as a Sr. Counselor in the Falcon Lodge.

Mike is a senior at the Canterbury School in Englewood, New Jersey. He was the director of the press club, sports editor of the school newspaper and captain of the varsity hockey team.

He will be in charge of baseball again this summer and will assist with the Little League program. He will long be remembered for his color descriptions of the baseball activities at Kawanhee, as he serves as the Baseball Editor of the camp's newspaper, the *Wigwam*. He was captain of the Greys in 1965, which won by 15 points.

DICK MORTON is not a newcomer to Kawanhee nor to the Maine area. He was a camper here a few years ago and returns this summer as a Senior Counselor in the Birch Lodge and will be assisting in the Athletic Department. He hails from Farmington, Maine, and is attending Dartmouth College, Hanover, New Hampshire, majoring in English. He is a member of the Glee Club and the Army ROTC.

JIM DUFFEY, Bexley, Ohio, will call Kawanhee his home away from home for his 8th summer; six as a camper and two as a Jr. Counselor. Jim will assist in the Athletic Department, with his main attention centered on basketball. He lettered in basketball and tennis this past year at Bexley High School. He will be a freshman this fall at Rio Grande College, Rio Grande, Ohio.

RICK WHITMYRE returns to Kawanhee for his third summer—two as a camper and this his first year as a Jr. Counselor in the Pole Cat Lodge. He will also be assisting in the Athletic Department.

Rick is a student at the Horace Greeley High School, Chappaqua, New York. He really makes the rafters of his lodge ring when he gets the beat on his electric guitar.

FRANK WATSON hails from Forest Hills, New York, for his third season. He was a camper for two seasons and this will be his first year as a Jr. Counselor in the Falcon Lodge and the Athletic Department.

He attends the St. Pauls High School in Forest Hills, New York. He has the honor of being the Assistant Captain of the Greys this summer.

BOB ZECHIEL, from Katonah, New York, will also lend a helping hand in the Athletic Department. Zeke was a camper for two seasons and is assisting in the Deer Lodge as a Jr. Counselor this year.

He is an Eagle Scout and was a member of the Jr. varsity basketball team and the varsity tennis team at the John Jay High School in Katonah, New York. He is the pitcher for the Jr. Counselors who should lead them to victory this 1967 season of softball at Kawanhee. He has a mean "fast ball" which proved fatal to the Senior Counselors this past Saturday.

Boating

The boat department got off to a flying start the first day of Camp. They were really "Johnny-on-the-spot" as they passed some 76 boating tests the first full day. This will enable them to proceed with full speed ahead in the coming weeks to offer the boys a complete program of instruction without the usual delays of waiting for every camper to pass his test before instruction can begin.

JOHN WILLIS comes from Princeton, New Jersey, as Head Oar Master this summer. He made his first appearance at Kawanhee as a camper some 10 years ago, and has worked up through the ranks to his present position. One that he has so successfully filled.

John is a senior at Cornell University, Ithaca, New York, majoring in psychology. He has worked one year at Rockingham School for Special Children, Exeter, N. H.;

three years at the Special Children's Center, Ithaca, New York, and one year at the Ithaca Public Schools.

He plans to work primarily with the handicapped children after his graduation from Cornell. At the present, he is engaged in teaching administration and play therapy in brain damage and mental retardation at Cornell. However, for the summer he calls the Pine Tree Lodge his home, where he serves as the Senior Counselor in charge.

CHARLES "CHUCK" HOFFHINE returned to Kawanhee by car, air and train for his 8th summer, where he will serve as the Assistant Oar Master in the Boating Department and the Sr. Counselor in the Wild Cat Lodge.

He arrived in camp by jeep for his first appearance. Then he flew back to Columbus, Ohio, his home town, to help supervise the transportation of Ohio boys to camp by train.

He is a junior at Franklin University, Columbus, Ohio, where he is majoring in Business Administration with a possible future in law.

STEVE FINK, from Mt. Kisco, New York, will be serving his first summer as a Jr. Counselor after having been a camper for the past two summers. He will assist in the boating department and will serve as the Jr. Counselor in the Pine Tree Lodge. Steve attends the Horace Greeley High School, where he is a member of the soccer and track teams.

GORDON GRAY hails from Bexley, Ohio, to Kawanhee for his third year. He will serve this year as a Jr. Counselor in the Pole Cat Lodge and will assist in the boating Department. He is a sophomore at Bexley High School, Bexley, Ohio.

Campcraft

Once again Quincy, Mass. sends to Kawanhee a very capable man to head our Campcraft Department. FRANK STEWART, a 10-year veteran at Kawanhee, will assume this position for another successful season. He is the man responsible for the magnificent camp fires on council point. Frank has motivated the lodge counselors to take more overnight trips this summer in order to give the campers an opportunity to see some of the surrounding beauties. These overnights also add trip points to the score.

Frank is a senior at the University of Maine majoring in forestry. He played varsity soccer at the University, holding the position of goalie. He also ran track for the varsity team. He is a member of the Appalachian Mountain Club and will assist the boys in the Jr. Maine Guide Program. Frank is the Sr. Counselor in the Bear Lodge for the summer.

ED CHACE, an 18-year veteran at Kawanhee, will assist in the Campcraft Department again this summer. Ed is the superintendent of schools in Bridgeton, New Jersey. He is also a member of the Appalachian Mountain Club and is always willing to supervise any group that wishes to try its skill at climbing. You will find Ed busy supervising a group on Mt. Washington, Mt. Tumbledown or Mt. Katahdin at the first sign of good weather. The Mt. Washington climb is scheduled for the first week in August.

He also plays the important role of Chief Kawanhee in the opening and closing ceremonies of the camp. Ed is a member of the Polar Bear Club of Skunk Ridge.

GREGG GIDMAN extends the borders of our counselors and campers all the way to Marrero, Louisiana, his home town. He will be a newcomer to Kawanhee as he serves as an assistant in campcraft and will be the Sr. Counselor in the Hawk Lodge for the summer. However, he brings with him vast experience that should be beneficial to the campers.

Gregg has earned three letters in basketball; served on the student council as its president; was a delegate to the 1964 Red Cross Far East Study Group and holds the rank of Eagle Scout.

He is a pre-medical student at Centre College of Kentucky where he is a member of the Alpha Epsilon Delta, the international pre-medical fraternity. He and his brother, Barry, a camper in the Pine Tree Lodge, are finding Maine a wonderful place to spend the summer. His parents are former residents of Rumford, Maine.

Chaplain

Kawanhee is very fortunate to have as our camp chaplain the Rev. William Taylor, youth minister of the First Community Church, Columbus, Ohio. Rev. Taylor will also serve as the guidance counselor for the month of July.

Rev. Taylor is no stranger to Kawanhee. During his college days and before he was ordained as a minister, he served as the Swimming Counselor for the camp. He also has three sons here this summer: Tom, a Sr. Counselor in the Sailing Department, and camper sons, Trent of the Birch Lodge and Todd of the Pole Cat Lodge. His wife, Jean, and daughter, Kay, are adding a feminine touch to Kawanhee by their presence. They are camping at Dummer's Beach for the month.

REV. STANLEY McCLEAVE, minister of the First Methodist Church in Bridgeton, New Jersey, will be our camp Chaplain for the month of August. He will also assist in the Campcraft Department and will help supervise the mountain trips. His son, Lee, is a camper in the Panther Lodge.

Fishing

Fishing is off to an excellent start this season. Hank Hiser had been in camp about an hour when he caught the first fish of the 1967 season, a 20-inch two-pound, pickerel. It was a beauty and naturally aroused the interest of all the boys in camp. Soon after his fantastic catch, the docks were lined with prospective fishermen.

GLEN SCHROEDER comes from Columbus, Ohio, to serve as the head of the fishing department. He is a visiting teacher for the Columbus Board of Education. He formerly taught American History for ten years.

Each morning and evening he takes a group of boys to the narrows to try their luck at catching that big one. Glenn will also help out in track and trips when needed. He has four sons in camp; Glen, Jim, James and Chris. His wife, Lee, is the camp nurse.

Music

The Music Department has come to life this summer under the direction of Mitch Greenawalt, the new director. This will be his first summer in this capacity, but not his first appearance at Kawanhee. He holds the reputation of being one of the most energetic campers in the late 40's.

Mitch is a graduate of Akron University, Akron, Ohio, and is the instrumental music teacher at Copley Jr. High School, Copley, Ohio. His skill can be heard every morning and evening as he is the camp bugler. He will assist in the boating department, make the camp inspections, and will be the Activities Director on Thursdays. He will plan the music for the church services, the vesper services and the Saturday night campfires.

He has brought back to Kawanhee the old favorite of group singing. This was evident at the response he received at the Saturday night campfire and the Sunday evening Vesper service. He introduced several new songs which delighted the campers.

Mitch and his wife, Ginny, and daughters Gail, Beth and Susan are spending the summer on Pine Point.

Nature

MARY BAKER returns to Kawanhee for her second year as Head of the Nature Department to disprove the old cliché that women do not make good leaders. Mary, however, is a 14-year veteran at Kawanhee, and has added greatly to the enrichment program of the department. She taught science at West High School, Columbus, Ohio, before her retirement last year.

This past winter she took a six-week trip to the Pacific Islands including Bora Bora, Tahiti, New Zealand, Australia, New Caledonia, Fiji, Samoa and Hawaii. The ship "Mariposa" was her hotel from which she took trips through the countryside of each island. The campers will enjoy the many experiences she will have to share with them.

Retirement hasn't left too much leisure time for Mary as she finds interesting things to do that she didn't have time for while she was teaching. For instance, this past winter, after she returned from her trip, she enrolled in a water-color painting class at the Arlington High School Adult Evening Class. She also works one day a week as a volunteer hostess at the Intensive Care Unit at Grant Hospital in Columbus.

As you can see, Mary is never too busy to help others. Just as it is with the campers. She is never too busy to help them hunt for that last insect or bird to finish a project. You will find her on the trail explaining to each camper the beauties that God has created for our enjoyment.

FRED BALL and his turtle, FANG, from Upper Arlington, Ohio, have arrived at Kawanhee for their 10th and 4th year respectively. Fred will lend an able assist in the nature department as a Sr. Counselor. He is also the Sr. Counselor in the Lynx Lodge for the summer. He, too, is very eager to help the campers with the projects and can be seen most any time leading a group through the trails in the woods.

He also made two arrivals at Kawanhee this season. He drove up with Chuck Hoffhine and then flew back to Columbus, Ohio, to help supervise the Ohio boys on the 24-hour train trip to camp. Fang, the turtle, however, just made one entry.

Fred is a junior at Ohio State University, majoring in Business Administration.

TOM SMITH, a fellow Ohioan and veteran Kawanheean, returns to lend a helping hand in the nature department. He was a camper for two seasons and will be serving his fourth as a counselor. He is the Sr. Counselor in the Badger Lodge.

He is a senior at Ohio State University, Columbus, Ohio, majoring in Biological Science. He plans to enter medical school at Harvard in the fall. He is a new member of Phi Beta Kappa.

BOB ALTMAIER, Bexley, Ohio, will assist in the Nature Department as a Jr. Counselor this season. He was a camper for the past two summers and will be serving his first year as a Jr. Counselor in the Eagle Lodge.

Nurse

The nurse this summer is a newcomer, but one who has quickly made her place at Kawanhee. Mrs. LeVonne (Lee) Schroeder, from Columbus, Ohio, is bringing with her vast experience working with children. She received her degree in nursing from Ohio State University. She has taught nursing (eye, ear, nose & throat) at Mt. Carmel School of Nursing, Columbus, Ohio.

She is at present the school nurse at West High School, Columbus, Ohio. Her husband, Glenn, is the fishing counselor and her sons, Glenn Jr., Chris, John and James are campers.

Range

The Range Department is celebrating a silver anniversary this 1967 camp season. I don't think they are going to use silver bullets, but you can be sure that campers will be getting "sterling" advice from ROY NICKERSON, the department head, who returns for his 25th year at Kawanhee.

Nick retired several years ago from the teaching staff of the Leona High School, Tenafly, New Jersey. He has kept his youthfulness by his associations in camp work. His two grandsons, campers Mike and Mark, also keep him going at full pace.

Nick and his wife, Betty, are spending the summer in their cottage on the Knolls by Pine Lodge.

TOM STEENLAND, Englewood, New Jersey, will assist Nick in the Range Department. This will be Tom's fourth year at Kawanhee and his second year as a Jr. Counselor. In addition to the range, he is the Jr. Counselor in the Wildcat Lodge for the summer.

He attends the Englewood School for Boys in New Jersey, where he is a member of the rifle and soccer teams. He received the citizenship award at Kawanhee in 1965.

Sailing

SAIL ON! SAIL ON! O' GRACEFUL ONE!

That seems to be the theme of the sailing department this year. Never before have the weather conditions been so favorable to sailing. Therefore, the sailing department is "making sail while the wind blows."

TIM PEARS is making his tenth entry to Kawanhee to be the Head Sailing Master. This will be his fourth year as a counselor. The six previous years he was a lively camper.

He is a senior at Princeton majoring in politics. He hopes to "sail" right to the top when he graduates. He is a member of the sailing team at Princeton.

TOM TAYLOR, making his debut for the 8th season, will give a most able assist in the department and carry the title of Assistant Sailing Master. Tom will be a freshman at Ohio State University in the fall.

He was an exchange student in 1956-1966 in Quito, Ecuador and graduated this past June from Dublin High School, Dublin, Ohio, as the salutatorian. The Panther Lodge is home for the summer where he serves as the Senior Counselor in charge.

DAVID BARNES, a master of the sails himself for some 9 years at Kawanhee, will also assist in the department. Dave brought to camp his own sail fish just to make sure he can sail when he has free time. He likes to explore the many beaches looking for new specimens—female specimens, that is. Dave is the Jr. Counselor in the Hawk Lodge for the summer. He attends Westminster School in Englewood, New Jersey.

PETE NEILSEN, Columbus, Ohio, invades Kawanhee for his 8th year, the second as a Jr. Counselor in the Sailing Department. He is also the Jr. Counselor in the Pine Tree Lodge for the summer. He attends Whetstone High School, Columbus, Ohio.

SCOTT PACE is not a newcomer to the sailing department, but will be a newcomer as a Jr. Counselor. He has been a camper for six seasons previously. He will serve as a Jr. Counselor in the Falcon Lodge for the season.

Scott attends Northwestern Military Academy in Lake Geneva, Wisconsin, but his home is Columbus, Ohio.

JON LATTIMER, a member of the Englewood School for Boys, Englewood, New Jersey, joins the ranks of a Jr. Counselor for his fifth season at Kawanhee. He will assist in the sailing department and will lend a helping hand as a Jr. Counselor in the Panther Lodge.

Secretary

JUDY HOLMES, Weld, Maine, is adding a feminine touch to Kawanhee this season by assuming the duties of the camp secretary. She is a second grade teacher at the Maryvale Elementary School in Rockville, Maryland, during the winter months.

She is no stranger to Kawanhee as she was the hostess at Kawanhee Inn for two years during her college days. She is spending the summer with her parents and is having a wonderful time getting acquainted with her new nephew. She is a graduate of Wheelock College in Boston, Mass.

Another pleasant addition to the office staff is Mrs. Gertrude Pensiero from Rumford, Maine. She will see that the books and files are kept in first class working order. She and her husband are experts at income tax reports.

Shop

The shop had to relinquish its title of the "Three B's" since they have added new personnel with names that do not start with the letter "B". However, "B", "D", or "P", the shop is still as busy as bees working on the many projects that the boys have chosen.

HERB BIRCH, a Kawanhee veteran of 24 years, will assume his many duties as one of the directors of the large and busy shop. Herb is an industrial arts teacher at Tenaflly Junior High School, Tenaflly, New Jersey, a position he has held for 35 years. In addition to his many duties of the shop, he has charge of the movies for the camp, the games for the campfires, and the very meaningful job of opening our Saturday evening campfires. He has had three sons join the ranks of Kawanhee graduates and now he is anxiously waiting for his grandson to be old enough to join the tradition of "Birches" at Kawanhee.

He is also a member of the Polar Bear Club residing at Skunk Ridge for the summer.

BEN BENNETT and Kawanhee have been fellow workers for some 18 summers. He is a math teacher of 27 years standing and is at the present teaching math at the new Ridegview Jr. High School in Columbus, Ohio.

He will also be one of the busy directors in the shop. As the many projects progress, you will find Ben burning the midnight oil staying open just a little longer for the boys to put the finishing touches on a project.

If Ben has free time you will find him walking around camp with a hammer in his hand looking for things to mend. His slogan "Have Hammer, will fix." He is also a member of the Polar Bear Club residing at Skunk Ridge for the summer, and has joined the ranks of a proud grandfather.

BOB DUFFEY, a veteran of 14 years of varied Kawanhee service, will also help direct the busy shop this summer. Bob teaches industrial arts at Bexley High School, Bexley, Ohio, a position he has filled successfully for 36 years. This experience is invaluable to the campers as he helps them with the many projects. He is also the Athletic Director for the school and is the Secretary of the Mid-Eight Athletic League.

He and his wife, Vi, are spending the summer at their cottage on the Inn Beach. Bob has not joined the ranks of a proud grandfather yet, but he is anxiously waiting to assume the role. His son, Jim, is a Jr. Counselor in the Athletic Department.

RON PAVESI, the fourth spoke in the wheel of the busy shop, comes from Tenaflly, New Jersey. He will be a freshman at Trenton State College in the fall, majoring in industrial arts, of course.

Ron, the loudest enthusiast of the Jr. Counselors softball team, is lending a helping hand as a Senior Cadet Counselor in the Crow's Nest. At school he was a member of the

Fencing Sabre Team for three years and made the Jr. Olympic Team of America this year. He was also a member of the high school band and orchestra.

His project for the summer is trying to get the curls out of his hair, and taking care of his new family of Gerbils. The Crow's Nest now are God Parents to five new babies.

Tennis

BILL LAWRENCE, captain of the Maroon team of 1964, returns to Kawanhee for his third season. This year, however, he will be the head of the Tennis Department and the Sr. Counselor in the Moose Lodge.

In 1964, Bill was not only the captain of the Maroon team, he was the high point winner of the whole camp with over 1100 points. Needless to say, the Maroons won that season.

Bill is a sophomore at Trinity College in Hartford, Connecticut, majoring in psychology. His home town is Wilmington, Delaware. He is an Eagle Scout and hopes to be playing his guitar at some of the campfires this season.

JACK PRAY extends the boundaries of Kawanhee west to Littleton, Colorado, his home town. Next fall he will be a freshman at Cornell College in Iowa. This is Jack's first season at Kawanhee but the holder of three letters in varsity tennis should be of great assistance in the tennis department.

Jack hopes to enter the medical profession after graduation. At the present, he is the Senior Cadet Counselor in the Bear Lodge.

MIKE ALTMAIER, Bexley, Ohio, is entering his fourth year at Kawanhee, as an assistant in the tennis department. Mike lettered in varsity tennis at Bexley High School and is most eager to pass along his skills to those interested in learning tennis.

He will be a freshman this fall at Otterbein College in Westerville, Ohio. The Moose Lodge is his home for the summer, where he is the Jr. Counselor.

CHARLES LANGMUIR, a new arrival at Kawanhee, hails from the West Coast. He calls Santa Monica, California, home. Chuck will assist in the tennis department. His other activities involve the affairs of the Panther Lodge, where he is a Jr. Counselor.

Trips

TRIPS, BOUNCING BUGGY, AND BATES are synonymous around Kawanhee. CLARENCE BATEMAN, better known as "Bates" is a 36-year veteran at Kawanhee. He has recently retired from teaching industrial arts at West High School, Columbus, Ohio, where he received the honor of having the school's year book dedicated to him this past year.

He is president of the Field Naturalists called the Wheaton Club in Columbus and is a member of the Columbus Rock and Mineral Club. Bates and his bouncing buggy, the camp truck, are likely to be seen most anywhere heading for a mountain or mineral trip.

Mrs. Bateman and he arrived early in camp to help get things in operation.

Water Skiing

Water skiing, one of the most popular extracurricular activities of the camp, is under the direction of a newcomer to Kawanhee this season. However, if you take the first letter of the department head's name, the letter "O", and add the first letter of one of his assistants on the left and the first letter of the last name of his other assistant on the right, you have T O P. That is what the water skiing department is going to be this summer—TOPS. They have already given the skiers more rides and more distance to their rides than ever before.

MIKE O'BRIEN comes to Kawanhee for his first year to head the water skiing department. Mike is a freshman at Miami University, Oxford, Ohio, majoring in international studies.

He is the Senior Cadet Counselor in the Lynx Lodge for the summer. He has the honor of being the captain of the Maroon team for 1967. His eagerness and willingness to help boys learn the art of water skiing should be a valuable asset as he endeavors to lead his team to victory.

SCOTT TRACY, a veteran of 13 summers at Kawanhee, made his first appearance at the ripe old age of 18 months; a little too young to be a camper, however. At the age of six he entered the Eagle Lodge and has gone up through the ranks to his present status of Jr. Counselor in the Lodge where he had his beginning, the Eagle Lodge. He will also be the Assistant Water Skiing instructor.

At the age of 13 he had the honor of being the youngest camper to receive his Eagle Scout award. Scott lettered in football and track as a freshman, and is a member of the football, swimming and track teams at the Upper Arlington High School, Columbus, Ohio, where he will be a junior in the fall.

Scott has the honor of being the Assistant Captain of the Maroon team at Kawanhee for the 1967 season.

JIM PROCTOR returns to Kawanhee for his fifth season as a Jr. Counselor, assisting in the water skiing department. He is also the Junior Counselor in the Birch Lodge for the summer. Jim attends Dwight Morrow High School in Englewood, New Jersey.

Jim assisted as a Master Camper in water skiing last summer and should be of great help to this department this season as they live up to the spelling of their names — T O P.

Wrestling

Brawns or brains is not a question in the Wrestling Department this season, as we have both. Both the department head and the Jr. Counselor assisting are new to Kawanhee, but not new to the game of Wrestling.

TOM HARTMAN hails from Upper Arlington, Columbus, Ohio, to head the department for his first appearance at Kawanhee. He will also be the Senior Counselor in the Badger Lodge for the summer.

Tom was captain of the Upper Arlington Wrestling Team during his high school days. He is a junior at Ohio State University majoring in computer science. If a boy doesn't learn the proper technique of wrestling this summer, it won't be Tom's fault. He is ready, willing and most able to teach any boy that shows an interest in wrestling.

DAN GREENING, from Lansdowne, Pennsylvania, comes to Kawanhee as a first year Jr. Counselor assisting in wrestling and in the Hawk Lodge.

He brings with him a wealth of skill to pass on to the boys in the line of wrestling and football. He was the quarterback in football for an undefeated season this past year — 10-0.

Dan is a senior at the Lansdowne High School where he was the section wrestling champ and the champion of the Lansdowne-Aldon Christmas Tourney.

New Chef Invades the Kawanhee Kitchen

At Kawanhee we don't waste food by throwing it out. We don't have any left to throw out. The new chef, Richard Crouch, from Greenbush, Maine, has been preparing such delicious meals this year that we hardly need a garbage can.

He is the chef at the Sigma Chi Fraternity at the University of Maine during the winter; therefore, he understands the likes and dislikes of boys in the food line.

This was evident Sunday, when the campers gave him a standing ovation after they had consumed the "gormets' delite" that he had prepared for them. The bell that rings to signify meal time is a most welcome sound to the campers and staff this season.

An Eagle was overheard giving the following description to his bunk mate: "You'll like it around here. You won't have time to get homesick. A bell rings to wake you up, a bell rings to go to breakfast, then you go to classes and have fun for a little while, and then the bell rings and you go back up and eat again." However, the bell system was a little confusing to one of the younger boys from Puerto Rico who has a little trouble translating the many different bells. He had just eaten a healthy breakfast and was enjoying himself in one of his classes, when he heard the bell ring for the 10:00 a.m. class change. He came running up to Del and said, "The food is good, but do I have to eat again so soon?" What more could I add to the truth that comes from the mouth of one so pure?

Mrs. Emma Briggs, better known to all as Emma, arrived in camp early again this season to cook for the early arrivals who came to get the camp ready for the opening day. She has been satisfying the sweet tooth of the Kawanhee campers for 36 years, which gives her the distinction of having the longest longevity record of all, excluding George Frank, of course. Emma is kept busy baking birthday cakes for the lucky boys that have a birthday during the camp season.

Mrs. Tessie Grell comes to Kawanhee from Englewood, New Jersey, to assist with the baking. She too, knows how to reach a boy's heart — just try her delicious chocolate cake and you will agree.

ART VARANELLI, from Dixfield, Maine, once again keeps the two head tables happy by seeing that the flow of food is sufficient. He is the Head Waiter in the dining hall and it is his responsibility to see that two hundred hungry people are fed with prompt, efficient service. This job he has filled with magnificent skill for several seasons.

Art is a senior at the University of Maine, majoring in physics. He will lend a helping hand to those that need help in the higher math.

BOB McLEOD, a junior at the Dixfield Regional High School, will assist Art with his many tasks.

TERRY FROST, a sophomore at the Dixfield Regional High School, will assist the chef in his duties.

The rest of the efficient kitchen staff this season includes the following: Tom Cote, Livermore Falls, Maine, where he is a junior at the Livermore Falls High School; Alan Spaulding, a junior at the Dixfield Regional High School, Dixfield, Maine; Wayne Robbins and Rick Newell, sophomores at the Dixfield Regional High School, Dixfield, Maine; and Bill Holland, a senior at the Buckfield High School in Eastsumner, Maine.

The general handyman and jack of all trades for the summer is Dave Hyer of Farmington, Maine, who is a freshman at the University of Maine, majoring in Electrical Engineering.

Swimming Test

The Swimming Department is one of the best Kawanhee has seen for many seasons. Dave Bohnke and Tim Bell are always ready to help a boy if he comes to the waterfront. The swimming area has been open for free swims, in addition to regular classes, two and three times per day, to give the camper a refresher during the hot days.

The camp has just four non-swimmers and at the rate they are progressing, that classification will change within the month.

In the following record, the name of the camper is listed only under the more advanced of the two tests if he has passed both. All Lake Swimmers had first to accomplish the Cove Swim in order to qualify for the Lake.

Docks—Fred Abels, Jack Abbott, Dave Adriance, Mark Chapman, Blas Contreras, John Dargusch, Pete Drake, Don Erickson, Bob Escher, Tim Pynchon, Glenn Schroeder, Jim Schroeder, John Schroeder, Ross Scribner, Dave Scribner, Mark Schiewetz, Kevin Smith, Roger Sweet, Gary Tremble, John Trayner, Doug Wolfe.

Cove—Bruce Blaylock, Dave Bury, Brad Coley, Phil Drake, Keith Erf, Stoney Hinds, Lee McCleave, Raub Smith, Tod Taylor.

Lake—Steve Aeschbach, Chris Altmaier, Jim Barnes, Jose Benitez, Mike Blaine, Craig Blasutta, Bob Brinkerhoff, John Clausen, Mike Crane, Jack Doege, Paul Doege, Frank Erickson, Barry Gidman, Nick Gill, Dave Gordon, Pete Haines, Mike Hall, Hank Hiser, Duncan Hill, Keith Karr, Kurt Larsen, Dana Lisle, Lloyd McDonald, Scott Paterson, Randy Potts, Bill Proctor, Juan Reyes, Tom Ruhle, Chris Schroeder, Mark Sengelmann, Bob Smith, Doug Smith, Steve Sweney, Phil Stewart, Steve Stewart, John Tobin, Todd Tremble, Andy Williams, Bill Williams, Mike Wolfe, Carlos Zapata, Milton Zapata.

Panther & Pole Cat On Mt. Blue

The boys of Panther and Pole Cat Lodges, led by Rick Whitmyre, Tom Hartman and John Redick, left during rest hour on July 6th for Mt. Blue. Our goal, the forest rangers' tower atop the mountain, is the rangers' lookout for Mt. Blue State Park and vicinity.

Transportation and food was arranged by Bates. The ascent and descent were swift, so plenty of time was spent at the halfway stop near the ranger's cabin for a cool drink from the icy mountain stream. On top, the boys enjoyed the superb view from the ranger's tower. Some time later, supper was served.

Threatening storm clouds made an early descent necessary. Descending, the sky cleared and the sun made the halfway stop very pleasant.

The cooperation and morale of the boys was excellent. The following boys climbed as a group: Blake Paterson, Jack Abbott, Dave Scribner, Brad Coley, Gordon Glidden, Phil Drake, Bob Escher, Tod Taylor, Pete Pynchon, Keith Erf, Stoney Hinds, Dave Bury, Lee McCleave, Bruce Blaylock, Raub Smith, Kevin Kissell and Alan Sweet.

JOHN REDICK

Eagles & Falcons Conquer Mt. Bald

On Tuesday, July 4th, Del Tracy, Director of Activities, told the Eagles and Falcons that they had the great privilege of climbing Mt. Bald that afternoon to celebrate the 4th. It was a beautiful day for climbing.

After rest hour, the boys with their full canteens strapped on their shoulders, piled into Bates Bouncing Buggy and made way to the mountain path.

We began the climb at 3:00 p.m. and after several short rest stops along the way, we finally reached the top. The boys were surprised at the size of our own Webb Lake and the great view from atop the mountain. After a light supper of sandwiches, oranges and cookies, we made our way back down the mountain path arriving at the bottom at 6:15 p.m. The bus ride back was a cheering crowd of tired boys ready to climb a bigger mountain, but we'll save that for another day.

The boys climbing were Tim Pynchon, Glen Schroeder, Mark Chapman, Jon Dargusch, Roger Sweet, Ross Scribner, Gary Tremble, John Schroeder, Jim Schroeder, Fred Abels, Dave Adriance, Mark Schiewetz, Blas Contreras, Pete Drake, Doug Wolfe and Don Erickson. The trip was led by counselors Dick Morton, Gordon Gray and John Staker.

JOHN STAKER

Mt. Tumbledown Scaled

The first mountain trip of the year left camp at 9:15 a.m. on the Glorious Fourth, headed for the Chimney Trail on Mt. Tumbledown. Clarence Bateman and Glen Schroeder were drivers of the camp bus. The hiking was under the charge of Ed Chace with Fred Ball, Greg Gidman, and Dan Greening assisting.

The boys were Tom Scott, Carlos Reyes, Wally Whitmyre, Preston Crabill, Bob Marx, Chris Schaefer, Ian Hani-gan, Steve MacDonald, John Green, Bob Beach, Jim Knox, Mark Standen, Dan Blaylock, and Richard Lake.

After a stop in the village for oranges, the group headed up the Weld-Byron road toward the Chimney and Loop Trails where they arrived at 10:15 a.m. Here food was divided among the campers and counselors and Ed gave final rules of the trail.

The trail moves more or less over level ground to the big rock (1 mile) and then ascends very steeply for a quarter mile to the big ledges from which views of the mountain are superb. Here the Loop Trail goes East and the Chimney separates to the West. The trail then goes up and over, under and around great fallen rocks for one-quarter of a mile to the base of the Chimney.

The movement of the party of 18 up the Chimney was accomplished in one hour and eight minutes, each boy or man moving up the slide and into the Chimney separately, Ed directing individual progress from the top of the crevasse known as the Chimney. The Chimney Trail is an "up trail" only. No trips should ever be attempted down it because of the loose rock. But the up-trail, when the trip is conducted as was this, is a safe trip to be remembered for years to come.

After lunch of oranges, peanut butter-and-jam sandwiches, raisins, cookies, and chocolate bars, the group started up the West Peak (the tallest of the four peaks of Tumbledown) at 1:45 p.m.

Over the summit to the upper reaches of the Loop Trail and up the South Peak to the Beaver Pond took thirty-five minutes. No one wanted to attempt the cold waters of Beaver Pond, but all tried to throw a stone to the island. Several succeeded but Dan Greening threw one over the island.

Here the remaining chocolate bars and raisins were consumed. The trip up Parkers Ridge to the down trail started at 2:55 p.m. The group arrived at the Maranacook cabins at 4:07 p.m., a distance of two and three-quarter miles. Bates and Schroeder were waiting at the brook. The few miles to camp were completed quickly. Thus the first trip ended. The group was an excellent one. Each boy contributed to the good-fellowship and fun of the trip. Everyone was ready for a good hot supper and bed. The total walking distance was five and three-quarter miles.

ED CHACE, A.M.C.

Little League

The Little League Teams and their managers are as follows:

THE BLUE MAX

Coach—Frank Watson.

Team—Jack Abbott, David Adriance, Phil Drake, Al Drewes, Bob Escher, Barry Gidman, Pete Haines, Mike Hall, Blake Paterson, Chris Schroeder, Jim Schroeder, Kevin Smith, Jet Tremble.

THE RED BARONS

Coach—Andy Williams.

Team—John Dargusch, Frank Erickson, Duke Karr, Jim Keny, Tim Keny, Andy Kientz, Randy Potts, Juan Reyes, Mark Schiewetz, Alan Sweet, Tim Williams.

THE GREEN HORNETS

Coach — Tom Ruhle.

Team — Steve Aeschbach, Chris Altmaier, Rich Darmanin, Pete Drake, Don Erickson, Jim Estabrook, Nick Gill, Gordon Glidden, Alan Hamwi, Stony Hinds, Dave Scribner.

THE BLACK KNIGHTS

Coach — Rick Whitmyre.

Team — Brad Coley, Keith Erf, Hank Hiser, Kurt Larsen, Stan McCleave, Pete Pyncheon, Scott Sartorius, John Schroeder, Doug Slocum, Phil Stewart, Todd Taylor.

Hornets Sting Knights

The 1967 Kawanhee Little League opened just as the 1966 edition closed; tense and tight. Taking a cue from last season's Red Riot-Black Buzzard pennant play-off, this year's Green Hornets squeezed past the Black Knights by a 4-3 score.

Hornet southpaw, Nick Gill, took the season's initial decision while Hank Hiser of the Knights was the loser. Green gateway, Steve Aeschbach, delivered the big blow of the game blasting a long triple to left center with two on to put the Hornets in front for good in the bottom of the sixth and final inning.

After a scoreless first frame, the Hornets drew first blood. Nick Gill singled and scored on successive walks to Don Erickson, Gordon Glidden and Jim Estabrook. The Blacks bounced back in the top of the third to tie the score. Hit by a Gil pitch, Keith Erf reached first and stole his way to third. Hank Hiser then laced a single to right scoring Erf.

The Knights jumped on Gill for two more runs in the fourth when John Schroeder and Hiser each knocked in a run with the bases loaded to give the Black a 3-1 lead. The Hornets managed to push one tally across in the second half of the fifth, entering the sixth one run behind.

Sensing a winning effort in the sixth, Hornet hurler, Gill, set down the Blacks on strikeouts in the top half. Then with one out, Dave Scribner and Chris Altmaier reached base on errors and Steve Aeschbach followed to win the game by unloading his bomb to end the contest at 4-3.

HORNETS STING KNIGHTS

	1	2	3	4	5	6	R	H	E
Black Knights	0	0	1	2	0	0	3	2	4
Green Hornets	0	1	0	0	1	2	4	4	2

STANDINGS

Green Hornets	1	0	0	1.000
Blue Max	0	0	0	.000
Red Barons	0	0	0	.000
Black Knights	0	1	0	.000

MIKE MESEROLE
Baseball Editor

Sunday Service

Due to the rains of the night, the worship service was held in the Rec Hall. The lovely music of the newly formed octet of Kawanhee made the service more meaningful as they sang "Dear Lord, Father of Mankind." The members of the octet are Mike O'Brien, Bill Lawrence, Tom Taylor, Ben Bennett, Frank Stewart, Dick Morton, John Staker, and Mitch Greenawalt.

Rev. Bill Taylor, the camp chaplain, suggested that the boys choose first-rate goals, to grow in spirit as well as physically, and then climb the ladder for a successful, useful life by being "power driven" instead of "wind blown".

Bill Lawrence, Sr. Counselor in the Moose Lodge is the author of the following poem which portrays the substance of Rev. Taylor's sermon:

LIFE DECIDED, CAST, LASTS?

What is my conviction for being?

To make kids happy

As the lake skids under the wind?

That molder pushes — the liquid has no choice.

I can roll with the waves, I have a choice —

Which way I'm pushed is confused:

Seeing, hearing, feeling in the intricate web of communications, hallucinations, civil strife.

Oh well, that's life!

The afternoon witnessed numerous lodges hiking orderly into the village for treats. Each lodge is accompanied by a counselor and the amount of "goodies" purchased is limited. The swimming department was open as is the custom this season for the campers enjoyment and the water skiing department was in full swing for the afternoon. Bates and his "bouncing buggy", the camp truck, loaded with campers headed for Coos Canyon for an afternoon of swimming up the stream and under the falls.

Vesper Services were held in the Rec Hall Sunday evening. Bill Lawrence and Mike O'Brien provided the special music with several selections on the guitars. Mitch Greenawalt, our very talented music director, led the campers in several selections to make the evening a complete success. Mr. Birch gave a short talk and concluded the evening by showing the movie, *GRAND TETONS*.

TAPS that evening brought to close a very exciting week of activity at Kawanhee.

Kawanhee Inn

Forty-seven seasons ago when Camp Kawanhee first started its boy's camp, it was soon discovered that a place was needed for the parents to stay when they visited their sons. The camp is located 24 miles from the nearest hotel, which made it rather inconvenient for the visiting parents. The Frank Brothers decided to build this beautiful, rustic Inn overlooking the lake and the mountains to serve the parents as their home away from home.

For many years, Mrs. Celia Powell has been the head resident of the Inn and has strived to make it just what the Franks intended it to be, a cheerful, pleasant place to stay. This year, due to illness, Mrs. Powell will not be present, but the staff of the Inn would like to wish her a speedy recovery and honor her with this season at the Inn by making it one of the best yet.

The Inn was very fortunate to have Mrs. Jane Burgess from Bexley, Ohio, to assume this most difficult task of Head Resident. To supervise 14 rooms and 9 motel cottages and keep things running in tip-top order is no easy task, but Mrs. Burgess is well qualified to see that the job is done efficiently and effectively. Her son, Chip, is a camper in the Bear Lodge at Kawanhee.

What is an Inn without cooks? Kawanhee Inn doesn't have to worry about this problem as they boast the best cooks in all New England. Mrs. SUE WELD, head chef, has been a member of the Kawanhee family for some 15 years. Her culinary artistry has been enjoyed by both campers and parents, as she was the chef at the camp for eight years before joining the staff at the Inn. Let us change the old cliché "action speaks louder than words" to

"tasting speaks louder than words". This you will confirm when you have enjoyed one of her delightful meals. Sue makes her home in nearby Dixfield, Maine, where, during the winters, she is in charge of the cafeteria for the Dixfield schools.

Mrs. HARRIETTE MITCHELL, Phillips, Maine, returns to the Inn for her fifth season to help boost the calories. If you are counting calories, just forget them during your vacation and let your stomach in for the most delightful pastries and desserts ever made.

Mrs. BERNICE BROWN, Dixfield, Maine, will assist in the kitchen for her second season at the Inn. Her cooking talents will be a most welcome aid to a busy kitchen.

Mrs. ERMA COOLIDGE, Dixfield, Maine, can boast of being an efficient housekeeper and cook, but she is too modest to brag on herself. But the old "grapevine" gives out with information when you mention certain names around Dixfield and Phillips. She is returning to Kawanhee for her 14th season to keep the cabins in first-class condition.

SUE TRACY, Upper Arlington, Ohio, a junior at Miami University in Oxford, Ohio, returns to the Inn as the hostess for her third year. She is majoring in elementary education. She will be the Vice-President of the Kappa Phi sorority in the fall. Sue is the organist for the Weld Congregational Church this summer.

NANCY MASON, Dixfield, Maine, is a newcomer to Kawanhee Inn this summer. She is responsible for the 14 rooms at the Inn, to see that they are neat and tidy at all times. Nancy will be a freshman at Bates College in the fall. She hopes to enter the medical field.

DOUG DENNET, from Dixfield, Maine, will serve as the head waiter this summer. He will be a freshman at Bowdoin College in Brunswick, Maine, this fall. Doug is planning to enter the field of medicine. He hopes to continue with football at college.

BILL LAWTON, West Hartford, Connecticut, a sophomore at Ithaca University, Ithaca, New York, will be the assistant waiter for the season. He is majoring in language and music at Ithaca.

LESLIE McLEOD, Dixfield, Maine, will be a freshman at the University of Maine this fall. Les joins the staff for his second year as a cabin boy.

GREGG LAWTON comes to the Inn for his first year as a kitchen boy. He is a senior at the West Hartford High School in West Hartford, Connecticut.

TOM CHRISTIANSON will also assist as a cabin boy for his first year at Kawanhee Inn. He is a junior at the Fort Fairfield High School in Fort Fairfield, Maine.

Old Kawanhee himself, Willard Hewey, from Farmington, Maine, is once again on the job seeing that the Inn is in repair at all times. A season at the Inn without his cheerfulness would be like a boat without a rudder. We are glad that his health has improved and that he is once again a member of the Kawanhee family.

Kawanhee Inn Guest

Kawanhee Inn was most happy to be host to the following parents and friends this past week: Mr. and Mrs. DAVID ALTMAIER, Bexley, Ohio, visiting their sons, Bob, Jr. Counselor in the Eagle Lodge, Mike, Jr. Counselor in the Moose Lodge, and camper son, Chris, of the Pine Tree

Lodge; Mr. JOHN BACON, Bridgeton, New Jersey, visiting his son, John, Jr. Counselor in the Beaver Lodge. Mrs. R. S. BARNES, Englewood, New Jersey, visiting her sons, Jimbo of the Beaver Lodge and David, Jr. Counselor in the Hawk Lodge; Mrs. GERALD ABELS, Glen Cove, New York, visiting her son, Fred, of the Falcon Lodge; Mr. and Mrs. BENJAMIN BOYER, Philadelphia, Pa., Mr. and Mrs. GERALD BANNIGAN, Livingstone, New Jersey; Mr. and Mrs. JOHN DUNSMORE, Edingburgh, Scotland; Mr. and Mrs. HERBERT A. ERF and family, Armonk, New York, visiting son, Herb, of the Birch Lodge; Mr. and Mrs. ROBERT ERF, Glastonbury, Conn., visiting son, Keith, of the Panther Lodge; Mr. and Mrs. CHARLES HALL and family, Columbus, Ohio, visiting son, Mike, of the Birch Lodge; Mr. JOHN A. HALDI, Columbus, Ohio, visiting son, Brian, of the Bear Lodge; DOROTHY LUK-ETCH, Armonk, N. Y.; Mr. and Mrs. WILLIAM PATERSON, San Juan, Puerto Rico, visiting sons, Scott, of the Beaver Lodge, and Blake, of the Pole Cat Lodge; Mr. and Mrs. BLAS REYES and family, visiting sons, Blas, of the Birch Lodge, Carlos, of the Wildcat Lodge and Juan, of the Pine Tree Lodge; Mr. and Mrs. CHRISTOPHER STALMAN and family, Columbus, Ohio; Mr. and Mrs. H. P. SENGELMANN, Englewood, N. J., visiting their grandson, Mark, of the Deer Lodge; Mr. and Mrs. T. C. SCOTT, New Canaan, Conn., visiting their son, Tom, of Wildcat Lodge; Mrs. LAIRD SMITH, McLean, Virginia, visiting son, Bob, of the Bear Lodge and Kevin of the Pine Tree Lodge; Dr. and Mrs. J. SUAREZ, Puerto Rico, visiting son, Jorge, of the Deer Lodge; Mr. and Mrs. STANTON WHITMAN, Worcester, Mass.; Mr. and Mrs. W. M. WHITMYRE, Chappaqua, New York, visiting their sons, Rick, Jr. Counselor of the Pole Cat Lodge and Wally, camper in the Wildcat Lodge.

IN MEMORIAM

When the old familiar sound of "OH KAWANHEE" echoed throughout the sturdy pines, calling for Chief Kawanhee to appear to signify the opening of the 47th season at Kawanhee, sadness filled the hearts of many Kawanhee braves. The death this past winter of one of our beloved directors, Raymond Frank, was reaching us deeply. As we gathered around his favorite campfire on council point, joining in friendship as Braves for another season, our sadness soon changed to pride, as we suddenly realized that Raymond was with us in a very important manner.

As we gazed around the council fire, we noticed many returning campers and counselors joining hands in friendship. All of whom have been touched in some way or other by Raymond's guidance. We knew then that he would be with us always and through these former campers and counselors, the new campers to Kawanhee would also benefit from Raymond's undying love for helping boys to help themselves prepare for manhood.

So we, the staff of Kawanhee, dedicate this 1967 camp season and the 1967 volume of the camp's newspaper, the *Wigwam*, as a living memorial to Raymond Frank, who for 46 years gave his "all" and helped make Kawanhee a good place for a boy to live, work and play. May the spirit of Kawanhee be with him always.
