Maroons Ahead In First Point Tally

As predicted last week, the Maroons were out for revenge for going down to defeat to the Greys last year. When Del Tracy read the first score of the 1968 season, the Maroons were on top by 226 points. Captain Tom Ruhle, victory cap and all, therefore, was the first to receive a congratulatory cheer from their rivals, a salutation to which the Maroons quickly replied with a resounding "Long and Loud Kawanhee" for the Greys.

As both captains were prompt to remark, this modest score was no more than a token of things to come. In all activities, the preceding week had been a period of breaking in, of learning fundamentals, of laying the ground-work for many productive projects which will show up in the later score. Wrestling produced the bulk of the level points this first-scoring with 410 for the Maroons and 250 for the Greys. Nature was second with 255 for the Maroons and 195 for the Greys. The Maroons captured the first swim meet of the season to add more valuable points to their first tally.

For those who may be unfamiliar with the term, it must be here noted that the Achievement Level is the basic unit in the measurement of all Kawanhee Accomplishments. On the completion of any level, points are awarded as follows: 15 points for the first level, 35 points for the second level and 50 points for the third level. However, tennis has their own scoring procedure which gives 35 points for the first level, 50 points for the second, 65 points for the third and 150 points for the all-important fourth level.

With these levels instilled in the minds of all campers, you can be sure that this next week will find several hundred points added to both teams. When the twin "T's" meet again next Saturday night at the campfire, will it be TIM or will it be TOM top man on the totem pole when the score is read? You can bet that Tim McKee and his Greys will be giving Tom and his Maroons a run for their money during the coming week. The final score was Maroons 1230; Greys 1004.

Office Addition

Kawanhee is sporting a brand new office this season. For 48 summers business was conducted in the little "nook" on the side of the Rec Hall, but now a large 16 x 20 foot office has been added for comfort and convenience.

To add charm to this lovely new office is our bookkeeper and tax specialist, Mrs. Gertrude Pensiero from Rumford, Maine. She returns to Kawanhee for her second season to see that the finances of the office are in tip-top order at all times.

Another addition to the office staff is Bill Brutchter from Bexley, Ohio. Bill takes charge of the camp store, the camp mail and the lodge inspections. Never before have we had such efficiency in the store. He practices what he preaches to the boys about lodge neatness by keeping the store in first-class condition at all times. He and his wife are spending the summer on the Knoll by Pine Lodge.

An Apology

A heartfelt apology goes to the Panther and Pole Cat Lodges for the mixup in the lodge list this past week in the WIGWAM. The cause can't be explained as the reason is not known, but we hope the Panthers and Poles will accept the apology most graciously as we give them special mention in this issue.

The lodges should be listed as follows:

Panther Lodge: Tom Smith, Upper Arlington, Ohio, Senior Counselor.

Jack Pray, Littleton, Colorado, Senior Counselor.

Campers: Bradley Kissell, Dayton, Ohio; John Kauffman, Columbus, Ohio; Lewis Mowry, Morrisville, Vermont; Mike Scott, New Canaan, Connecticut; Peter Soons, Englewood, New Jersey; Roger Sweet, Springfield, Ohio; Jay Stephan, Columbus, Ohio; Steve Yale, Tenaflly, New Jersey.

Pole Cat Lodge: Jim Duffey and Scott Albin, Bexley, Ohio, Senior Counselors. Dave Alexander, Springfield, Ohio, Junior Counselor.

Campers: Fred Abels, Locust Valley, New York; John Gill, Washington, D. C.; Stan McCleave, Bridgeton, New Jersey; Scott McMinn, Columbus, Ohio; Craig Miller, Madison, Connecticut; Dick Palmer, Moorestown, New Jersey; Roberto Reichard, Santurce, Puerto Rico; Mark Schiewetz, Circleville, Ohio.

Leonard Is Back In The Kitchen Command

Good weather, good campers, good staff, but what is all this without a "good chef" and we have that at Kawanhee again this season. Leonard Taylor has returned to take command of the Kitchen once again, spoiling the Kawanhees with his delicious food. Leonard was here in 1965 but was unable to return until this year. His delicious meals have added greatly to the spirit of this camp season. The sound of the bell, to signify meals are ready, is most welcome to all concerned and a speedy trip to the dining hall is made by all. He is well acquainted with the bountiful Kawanhee cuisines and the demanding appetites of active boys.

His more-than-adequate meals, prepared with flavor as well as appetite in mind, have already won the traditional "Sunday standing ovation", the exuberant Kawanhee "thank you."

Mr. Taylor is the Chef of Dixon House at Lawrenceville School, Lawrenceville, New Jersey.

Assisting the Chef in the Kitchen and preparing the satisfying desserts to end the meals is Mrs. Emma Briggs of Madison, Maine, whose thirty-seven years of service in the Kawanhee Kitchen have seen innumerable, birthday cakes and legendary, apple pies. She makes sure that every camper has a touch of home on his birthday by preparing a delicious birthday cake for him.

Mrs. Tessie Grell is assisting again this summer with the endless task of preparing pastry and dessert dishes to add that finishing touch to our already delicious meals. Tessie, who makes her home in Englewood, New Jersey, is returning to Kawanhee for her fourth season.

ART VARANELLI, Dixfield, Maine, returns to Kawan-
hee for his fifth season to take charge of the Maine Lodge.
He has the responsibility of seeing that the two head tables
are served promptly and efficiently, a most demanding as-
signment. In addition to this endless task, he must super-
vise the Maine Lodge to see that things are moving in tip-
top order at all times.

Art is a recent graduate of the University of Maine and
attained a degree in physics. He had hopes of a career in
the business world in the line of nuclear dynamics, but
Uncle Sam has changed his mind. He will enter Officers
Training School in the fall, specializing in nuclear devices.

ASSISTING THE HEAD WAITER is Randy Judkins,
Mexico, Maine, a junior at Mexico High School, preparing
for a future career in the math education field.

DAVID BLODGETT, Rumford, Maine, is the Chef's
right-hand man in the kitchen. Having finished school,
Dave plans military service in the future.

ROUNDING out the Kitchen Staff are the hard-working
gentlemen who wash the dishes and cooking utensils. All in
high school, they are as follows:

Charles Sastemonie, Rumford, Maine; Gary Richards,
Mexico, Maine; and Steve Drury, Dixfield, Maine.

Not to be forgotten is Tom Christensen, a senior at Fort
Fairfield High School, Fort Fairfield, Maine, whose duties
encompass many areas; one is to make sure that there are
plenty of hot showers in the "Fort".

WATER SKIING

The Water Skiing Department proudly announced ten new
skiers for the first two weeks of camp. They are as follows:
John Brush, Mark Saylor, Jeb Zirato, Bill Johnson, Bill Sullivan.

Gerard Wheeler, Will Larsen, Roberto Reichard, Kyle Kauffman, and Alex Hadden.

SAILING REGATTA

The first Sailing Regatta of the season was held July 8th, which was helped by tremendous winds and a perfect, sunny day for water sports. The results of the race were as follows:

Al Drews and Keith Erf, first with 10 points.

Dave Allen, second with 6 points.

Rich Darmanin, third with 3 points.

The first place tie necessitated a run-off race between Drewes and Erf, with Drewes tallying first.

Blues Blow Bulge In 9-8 Foldo

Opening up the season's second week, the last-place Moody Blues locked bats with the league-leading Red Raiders in the campaigns first, extra-inning affair. The Raiders kept their undefeated status with a come-from-behind 9-8 victory. The losing Blues led from the first to the third, fell two runs behind, knotted the game in the fourth but lost on a pinch-hit single in the seventh.

Starting pitchers, Gordon Glidden of the Reds and Jet Tremble, were relieved early in the contest giving way to finishers, Kyle Kauffman and Grad Glick, respectively. Kauffman was the winner, getting his second win of the year while Glick took his first loss. After trading blows for six and one-half innings, the ball game came down to Falcon lodger, Andy Farley, who sliced a drive past Blue gateway Tremble with two away and the score tied. The shot brought in Alex Hadden and the win.

Glidden and Luis Benitez paced the offensive for the Raiders, collecting two singles and a double between them, along with singles by John Gill, Hadden, and clutch sub, Farley. Gill scored thrice in their bid for windom; the Blues scratched out five safeties off the bats of league-batting leader, Jet Tremble and John Stephan, Glick and Grey Sweney. Stephan and Glick had doubles.

Red Hot Raiders Defy Death In One-Run Reprint

After a one-day delay in action, the KLL reopened play the following Thursday when the high-riding Red Raiders, anxious to wedge a pair of games between themselves and the second-place Death of Black and those same Black Deaths. The Reds took their second one-run outcome in a row and their third such victory of the season, 2-1.

Raider John Gill and Black's hurler, Pete Haines, went the distance for their clubs with vet Haines coming out on the short end for the second time this young season due to questionable team support. Gill fanned twelve and gave up only one hit as the Black Death continued to show a phobia toward offense.

The Blacks jumped off to a quick 1-0 and soon after a 2-0 lead by the third inning on scores by Chris Altmaier and Keith Erf via faulty fielding by the Reds, but the Raiders have a habit of spotting rivals runs and then dubbing them over the head with one more and this was no exception. A trio of consecutive singles by Gordon Glidden, Gill and Luis Benitez and some charitable Black Death fielding, enabled the Reds to tie the score at 2-2. Three in-

nings later, after swapping opportunities, the Reds pulled ahead for keeps when Duke Karr singled to left and robbed his way to third, scoring on David Scribner's infield out.

Swim Meet

Saturday, July 14th, Kawanee held its first water meet of the season. It was one of the most smoothly run meets Kawanee has seen for many moons. Hugh Wilder, Director of Aquatics, announced every event with precision timing to make the meet most interesting to the by-standers. The weather was perfect, the water was warmed to perfection and the boys were ready to compete. Several new records were broken and new records were set.

Thomas SiFontes broke his own record by 10 seconds in the Junior C freestyle swim with a time of 29.5 seconds. Frank Hoster set a new record in the Junior A, 400 I. M. with a time of 1:58.4. Honorable mention goes to the Eagles for their fine showing in the meet. These boys are 6, 7 and 8 years of age and they performed with magnificent skill. SiFontes tallied first, while Scott Allan tallied for a close second. Jose Zapata received a round of applause when he finished his lap as he had the old Kawanee spirit by "finishing what you start". Jose didn't tally any points for his team, but for a six year old he made quite an impression on the campers and the spectators with his great effort.

Lyman Smith also received a round of applause when he tallied outside the winners points as he, too, finished his lap.

The final score was Maroons 70; Greys 34. Results:

Kawanhee Inn

Kawanhee Inn was established for the purpose of helping to make parents and guests feel at home while they visit their sons and friends at camp. This goal has been fulfilled by Kawanhee Inn for some 48 seasons and has given the parents the feeling that the Inn is their "home away from home". Of course, it takes many people to make this type of establishment run with efficiency.

At the top of the totem pole of supervision of this establishment is Mr. and Mrs. George Frank, the owners of the Inn. Next in line to the directors is Mrs. Karl Burgess, Bexley, Ohio, who returns for her second year as resident manager.

Susan Tracy, Upper Arlington, Ohio, returns to Kawanhee for her fourth year at the Inn as the hostess. She is a senior at Miami University, majoring in Elementary Education.

An Inn may be run efficiently and kept in spotless condition but what really draws the guests year after year is the food. In this category we have no worries as we have SUE WELD from Dixfield, Maine, who has been keeping guests happy for 14 years as Head Chef at the Inn. She has had vast experience in the culinary line and knows the specialties that please campers and parents as well, as she has been the cook and supervisor at the Dixfield High School Cafeteria for 15 years. If you want to partake of a meal that will satisfy the gourmets from coast to coast, just sample one of Sue's gourmet delights.

Arriving for her first year at the Inn from Bexley, Ohio, is Mrs. Virginia Brucher to add deliciousness to deliciousness with her desserts. She is the social hostess at the Broad Street Presbyterian Church in Columbus, Ohio, during the winter months.

Barbara Blodgett, Carthage, Maine, comes to the Inn for her first season to help in the kitchen and keep the salad department well supplied. She is a junior at Dixfield Regional High School, Dixfield, Maine.

EMMA COOLIDGE, Dixfield, Maine, returns to Kawanhee for her 16th summer to supervise the cabins. Her never-ending task is keeping the cabins in first-class condition at all times. She will lend a helping hand with the cooking when needed.

HARRIETTE MITCHELL, Phillips, Maine, returns to Kawanhee Inn for her sixth season to help keep the Inn rooms in order and to help see that the dishes are clean at all times.

GREGG LAWTON, West Hartford, Conn., a recent graduate of Conard High School in Connecticut comes to the Inn as the Head Waiter for his first season. He plans to enter St. Lawrence University, Canton, New York, in the fall, majoring in engineering.

Helping with the duties of the waiter will be Bruce Blaisdell, Rumford, Maine, a senior at the Rumford High School, and Bob McLeod, Dixfield, Maine, a senior at the Dixfield Regional High School. Both boys were active in varsity football this past season.

Steve Sanders, Mexico, Maine, a sophomore at Mexico High School, will help with the duties of the cabin boy. He received a letter in baseball this past spring.

Ralph Newman, Dixfield, Maine, a junior at the Dixfield

Regional High School, comes to Kawanhee Inn for his first season to help in the kitchen clean-ups. He participated in cross country and ice hockey in school this past year.

LAST BUT NOT LEAST, to round out the Inn staff, is Willard Hewey, Farmington, Maine, "Old Kawanhee Inn" himself. Willard comes to the Inn for his 15th year as the Maintenance Technician.

Saturday Campfire

The Saturday evening campfire was held on Council Point midst the stately pines. The weather was warm, the evening was clear and pleasant as we gathered around the huge fire neatly prepared by John Willis and the Campcraft Department. The fire was not needed for heat, but it added atmosphere to the ceremony as the boys received their awards which had been earned during the week.

Low Newton pitted the lodges against each other in a song fest which was most enjoyable. Dave Vendetti, Jose Zapata and Hollis Macomber certainly added volume to the Eaglets as they sang "Hail, Hail The Gang's All Here". Dick Morton and Scott Tracy and their Moose, John Brush, Russell Barnes, Lorenzo Baker, Al Drewes, Frank Hoster and Tim Williams, added more volume to the festivities as they sang "On Top Of Old Smoky". Bob Zechiel and Hank Hiser of the Wildcat Lodge offered competition, but Dick Morton, and his beautiful tenor voice, took top honors. The Bear, Lynx and Panther Lodges gave a beautiful rendition of "Old MacDonald Had A Farm", but not one talent scout came forth with an offer. The Bears were the Cows, although I must say, their "Moos" were rather weak. Gerard Wheeler and Lloyd McDonald are louder as boys than they are as cows. Lee Bost and Doug Means of the Lynx added volume to their part as they played "ducks" and their "quacks" were much louder than the rest of the group. Now the Panthers and their part as the pig, that was something else. Gary Tremble, Pete Soons, John Kauffman, Brad Kissell, John Stephan, Mike Scott, Steve Yale and Roger Sweet really came forth with volume as they "oinked" their way through the selection.

After the musical, the Camp Awards and Levels were read and the boys stood with pride as their names were read for their accomplishments.

John Willis kept the campers spellbound by telling the story "To Build A Fire", by Jack London. John is a natural when it is story telling time. TAPS concluded the evening.

Sunday Service

Kawanhee was very fortunate Sunday, July 14th, to have an old Kawanheean conduct our worship service. Rev. Hal Myers, well known around these parts for many seasons, talked to the boys about "You have a life to lead and you are to make the choice as to whether you are going to take the high road to success or whether you are going to take the low road to failure." His scripture was from the Book of Matthew.

He, his wife, Jean, and their daughter, Marty, are spending the month of July in their cottage on the lake. Rev. Myers is minister of the First Presbyterian Church in Moorestown, New Jersey. We look forward every season to having Hal talk to the Campers as he has so much to offer.

Sunday evening Vesper Services were held in the Rec Hall with a program of songs and a short talk by Dave Bittenbender, the Sailing Master. A movie by Kodak, followed by TAPS, concluded the evening and the week at Kawanhee.
