Maroon "Berets" Dig In Deeper

The color was "red" all week long as the Maroons dug more deeply into the season's score with a total of 4178½ points earned just this week alone. After tasting the succulent flavor of victory, the Maroons decided that it was to their liking, so they worked diligently in every department adding precious points to increase their 289 point lead of last week to an outstanding lead of 1289 points.

Tom Ruhle and his Maroon "Berets" outscored their rivals in every department with the exception of shop. Swimming added the bulk of the points since they reported levels for the first time this season and that, added to the Life Saving Class accounted for over 2000 points alone, with the greater amount going to the Maroons.

Tim McKee and his Greys were very grey at the campfire, but in the true Kawanhee spirit, gave their rivals a rousing cheer to congratulate them on their outstanding victory of the past week. However, Tim and his Greys have not given up as the game is by no means over. The ever-important third levels are yet to come in and these levels can make it anybody's game when the score is tallied this next week. Tim informed his boys to find where they stood, find what they needed to finish a level and then find the man that could pass them and get out there and work, work, work, so next week the Greys can be top team on the totem pole.

The Maroons retaliated with a Kawanhee cheer that could be heard all the way to New Jersey, Tom's home town. Tom said "You 'ain't' seen nothing yet, just wait until we dig in next week and rack up those levels to add to our current lead." The total score for the sixth week of camp is: Maroons 8847½; Greys 7558½.

New Arrivals!

Kawanhee had two new arrivals this past week. Mrs. Beetham, Columbus, Ohio, comes to Kawanhee for her first season as the camp nurse for the last month. She recently resigned from the Upper Arlington School system in Columbus, Ohio, where she was the school nurse, in order to further her studies at Ohio State University. Her son Rennie is a Jr. Counselor in the Deer Lodge for the summer.

Frank Stewart, our latest arrival, can hardly be called new since he first made his appearance at Kawanhee several years ago. Frank had to attend a Forestry Training Program for the first part of the summer, thus delaying his arrival at Kawanhee. Frank will lead the Mt. Katahdin trip next Monday and will give valuable assistance to the climbers as he is a member of the Appalachian Mountain Climbing Association. He will also serve as the Senior Counselor in the Crow's Nest Lodge for the rest of the summer.

Tumbledown Conquered by 21 Kawanheesians

On Monday, July 29, fifteen campers and five counselors climbed Tumbledown by way of the Chimney Trail. It was a very clear and beautiful day. The weather wasn't at all

warm and we were in good trim for the climb. We reached Dean Miller's rock within twenty minutes and then we headed for the roughest part of the trip. We rested at the "lookout rock." We could see all of Lake Webb and Sunday Beach really stood out. Then on we went to those huge and sharp rocks just before the final ascent up the Chimney. We had lots of fun, but we were very careful going over this part of the trail. When we came to the loose rocks, we went up one at a time. Steve MacDonald was the first camper to reach the top of the Chimney. It took over thirty minutes to get the last person over the top. The hikers were: Lynn Baer, Bill Proctor, Will Larsen, Bill Johnson, Steve MacDonald, Rich Lake, Bob Beach, Todd Tremble, Lloyd McDonald, John Nolan, Jim Knox, Gerard Wheeler, Wally Whitmyre, Andy Kauffman, and Tom Thomas. The counselors were: Stan McCleave, Bob Brinckhoff, Steve Fink, Chuck Hoffhine, and Les Newton.

Top Of Blueberry Again Reached by Campers

On Tuesday, July 30, Doug Means and Mr. McCleave led a group of campers up Blueberry Mountain. We left camp

at nine-thirty and started our climb about ten o'clock. We enjoyed this gentle climb as it had been blazed by Ed. Chace and a company of lads earlier in the season. It was also an enjoyable climb because Doug Means who assisted me knows this mountain like the palm of his hand. We stopped and ate raspberries along the trail and when we reached the summit, we found many blueberries. The view from the top of Blueberry is outstanding. We could see for miles and miles and all we could see were beautiful mountain peaks and the lovely trees of Maine. The lads who enjoyed this trip were: John Brush, Frank Hoster, Chris Schaffer, Milton Zapata, Scott Leiper, Nick Gill, Paul Hargen, Lee Bost, Al Drewes, Bill Wambaugh, Lorenzo Baker, Russ Barnes and Tim Williams. Doug Means and Stan McCleave directed the trip.

Panthers And Poles Scale Mt. Blue

Shortly after lunch, Tuesday, July 30, the Panther and Polecat Lodges left camp to climb Mt. Blue. It was a beautiful, clear day and the climb was made without incident.

From the summit the visibility was unbelievably clear. In fact, the Ranger stationed on top of the mountain, pointed out the coast line, Canada, Mt. Katahdin, Mt. Bigelow and Mt. Washington, all of which are over 100 miles away. The campers were very impressed with a bird's eye view of the lake and Camp Kawanhee. The descent was made in time for one of Chef Leonard's tasty meals, which was appreciated by all.

The campers making the trip were: Fred Abels, John Gill, Scott McMinn, Craig Miller, Lee McCleave, Dick Palmer, Roberto Reichard, Mark Schiewetz, Jon Kauffman, Brad Kissell, Mike Scott, John Stephan, Peter Soons, Roger Sweet, and Gary Tremble. The group was led by veteran mountain climbers Dave Alexander, Dan Saunders and Scott Tracy.

Blacks Well And Living In Second Place

Pistol Pete Haines fired the season's first shutout and lifted the losing Black Death into second place over the idle Blue Moodies, as the Blacks smacked the title-tempted Red Raiders, 3-0. Haines flipped a one-hit, nine-fan, one-walk game in the campaign's finest effort to date and Haines' first victory. John Gill suffered the loss for the Reds, getting tagged for six hits and yielding five walks while going the distance.

"Little Laddie" Lee McCleave and Craig Miller knocked in all the Deadly runs on the road to "windom". Miller singled in the game's initial tally in the first inning while McCleave laced a rope over right fielder Dave Scribner's head and wheeled around the bases lunging in two teammates and scoring on his homerun, or at least he thought it was. In his haste to stardom, the wee chippie neglected to touch second base and was called on it. So the homer was reduced to a single but the moment was there and so was the victory.

Raiders Close In On Pennant, Bop Blues

The surprise package surge of the Moody Blues from dead last to second place was ripped to shreds by the flag-following Red Raiders as the KLL's fifth five-day run surfaced and prevailed as the year's first 3-game week. The league-leading Reds dealt the Moody Blues a 9-7 defeat for their fifth win in six outings. It was the Blues' fourth setback in six tries.

Panther pitcher, John Gill, logged his third win of the season for the Raiders in relief of starter, Kyle Kauffman; combined, the two hurlers fanned ten, walked nine and allowed five safeties. Tom Benua took the loss for the Moody Blues and relief of Brad Glick. The Raiders scratched the Blues' hose for five hits and four errors.

Gill, Duke Karr and first baseman-import, Luis Benitez, led the way for the winning Reds, collecting four hits between them. Karr had two, Gill a triple and Benitez won the game in the fifth with a run-scoring single to center to untie the game at seven-all. Glick and batting baron, Jet Tremble, sparked the also-ran Moody attack.

Blacks Stomp On Moodies — Solidify Second

In the week's third encounter and the season's eleventh, the comeback Black Death beat down the second-spot-seeking Moody Blues by the score of 4-1. The victory pulled the Death up to the .500 level and made the Blues slate a moody 2-5. Pete Haines picked up his second victory of the week in relief of starter, Chris Altmaier. The two held the Blues to four hits. In his losing effort Tom Benua spun a neat two hitter but his leather-laden comrades failed him in the clutch, committing four errors in the top of the sixth, letting in two runs.

Hits by Alan Hamwi and Doug Allen combined with a few, well-placed misfieldings on shots off the bats of Bobby Escher and Craig Miller enabled the Blacks to claim offensive superiority. Jay Stephan, with two hits, and Jet Tremble tried in vain to charge up the Blue forces but the battery was dead and the Deaths weren't.

The Maroons won the eagerly contested meeting by a margin of 40½ to 28½, but it is hoped that the Greys will get a second chance later in the season, since there was such enthusiasm for the new events, most of which emphasized accuracy rather than speed.

Kawanhee Field Day

Instead of the usual water meet, Kawanhee had a day of field events. Every boy in camp participated in something during the afternoon if he wanted to. Every event was being run in a Maroon-Grey competitive activity. It was diffi-

cult at times to find enough boys available to carry on the next event. This idea was met with favorable enthusiasm by participants and spectators as well, and a similar meet is scheduled for the near future.

The results of the various events are as follows:

For the losers, the Maroons, the leading scorers were: Chick Myers with 10 points and Andy Williams with 8 points.

BASEBALL GAME: *Winners: Grey Team:* 15-3. Winning pitcher was Brad Glick and the losing pitcher was Kyle Kauffman. The slugfest was featured by a bases-loaded homer by Gordon Glidden of the Greys. Every member of the Grey team added to the overwhelming victory.

ESCHER, Demarest, New Jersey, visiting son, Bob, of the Hawk Lodge; Mrs. WILLIAM SOONS and son, visiting son, Peter, of the Panther Lodge.

Weekend At Kawanhee

Kawanhee enjoyed a very entertaining weekend with many history-making events. Classes were held as usual in the morning and the afternoon was spent with almost every camper participating in some competitive Maroon-Grey event. This field day was so well received that another is planned for the near future as it gives every boy a chance to participate.

After supper the usual Junior-Senior Counselor ball game was held with the Juniors coming out top team to down

their "elders". Heavy hitters Andy Williams, Bob Zeziel, Rick Whitmyre, Gordon Gray and Scott Tracy aided the Junior boys' cause. Mike Meserole, Frank Stewart, Dick Morton and Jim Duffey gave the Seniors the boost they needed to turn the tide in their favor in the second game of the series Sunday evening.

Saturday evening the entire camp gathered on Council Point for our regular campfire. The evening was beautiful, the lake was calm, and the huge campfire, built by John Willis, soared high when lighted. Les Newton led the Birch and Beaver Lodges in the usual "Old MacDonald" song. This is by request of numerous campers. "Old MacDonald" can be heard being hummed or sung throughout the camp week. The counselors then decided to render a selection of "Where Have All The Flowers Gone". Dick Morton and his beautiful tenor voice rang throughout the stately pines.

Due to the numerous achievement levels earned the past week, the entertainment was shortened in order to recognize each boy for his accomplishment during the week. Dick Morton told the campers Edgar Allan Poe's "Tell Tale Heart" to conclude the evening.

For the fourth time this season our worship service was held in the Chapel on Council Point over-looking the lake. The weather has been most cooperative in making our worship services more spiritual in meaning. As we sit in our outdoor chapel gazing at God's creations, the lake, the mountains and the beautiful pines, we can truly visualize

His wonders as we listen to the Gospel as given by Rev. Stanley McCleave.

This Sunday Rev. McCleave chose for his topic "Make the most out of what you have." Ed Chace read the scripture and the Kawanhee chorus provided the spiritual music by singing "HOLY, HOLY, HOLY."

A slight shower in the early afternoon did not hinder the campers from their usual hike into the village for "goodies". The shower had ended by their departure time and it just added to the freshness of the mountain air.

Several of the older boys boarded the "bouncing buggy" with Frank Stewart at the wheel and traveled to Coos Canyon for an afternoon swim. The boys making the trip were: David Allan, Jim Estabrook, Hank Hiser, Mark Saylor, Chris Schaefer, Milton Zapata, Jeb Zirato, Lynn Baer, Bob Beach, Jim Knox, Rich Lake, John Nolan, Lloyd MacDonald, Steve MacDonald, Rocky Smith, Mike Standen, Todd Tremble, and Gerard Wheeler. The counselors supervising the trip were: Steve Fink, Bob Boles, Andy Williams, and Chikk Myers.

The Sunday evening Vesper Services were held in the Rec. Hall with special music by the Kawanhee Chorus and a short worship service conducted by Rev. McCleave. TAPS concluded the program and a very busy sixth week of camping at Kawanhee.
