The "Eagle" Landed — So Did The Greys

The weather turned grey and the score remained Grey. Rich Estabrook and his Greys evidently prefer the succulent taste of victory as they dug in a little deeper this fourth week and added a "little more" to their slight lead of last week. Though the lead was just a mere 97 points, it was a lead and the fortissimo of the victory cheer given at the Saturday night campfire indicated that the Greys intend to march onward and upward as the season progresses.

However, Rick Whitmyre and his Maroons have not been dragging their feet as they boosted their total score but just not quite enough to overtake the Greys. But you can be sure that the Maroons have signaled "GO" for every team member this week and are determined to change the color of the score come the next campfire.

As the 97-point Grey lead indicates, every department was working at about the same speed and with just two more levels added, that lead could be eliminated should one team get a little lax this coming week. You can be certain that the "R & R" Captains will not let this happen as they will be encouraging their teammates to go, go, go, not for a moon landing but for a soft landing on the field of victory at the next campfire. The score to date is Greys 3102; Maroons 3005.

Jan — The New Camp Nurse

Kawanhee welcomes Jan Seilhamer from Upper Arlington, Ohio, for her first season as our camp nurse. Jan is well versed in treating the needs of boys as she has been a school nurse for several years and is now presently a school nurse in the Upper Arlington School System. She is also the mother of two sons, Scott of the Lynx Lodge and Jeff of the Crow's Nest Lodge.

Jan is a graduate of the University of Cincinnati's College of Nursing and Health. She has also worked at Doctors Hospital in Columbus, Ohio, and was the Industrial Nurse for Krogers for three years. Jan will be a great asset to Kawanhee and we look forward to having her with us for many moons.

The Kawanhee Folk Singers

Several of the promising, young musicians at Kawanhee have organized a folk singing group to supply the campers with entertainment throughout the season. However, they have been such a big smash that their services are in demand and they have broadened their field of entertainment to Camp Kineowatha for Girls and the Kawanhee Inn.

They furnish "Music to eat lobster by" at Kawanhee Inn on Fridays and Sundays. A shore dinner at the Inn is always delicious, but when you have music "a la carte", it adds that little something extra.

The boys have contributed all their earnings to date for their entertainment to the MASTERMAN MEMORIAL

FUND and will continue to do so all summer. Bob Masterman, the 22 year old son of the local General Storekeeper, was killed in an auto accident Memorial Day. Newt, as he is affectionately called by all, has been most helpful to all Kawanheecans in cashing checks, ordering needed luxuries and supplies when not in stock and just being a good friendly neighbor at all times.

So in this day and age when people are talking about the generation gap, let's take our hats off to the Kawanhee Folk Singers who have shown us that this gap is not as wide as we had thought. The singers are: Dave Alexander, Dave Allan, Bruce Birch, Les LeVeque, Tim McKee, Bob Litwak, Jack Pray, Rick Whitmyre, Andy Williams and Dan Florea, the organizer.

(This Memorial Fund is a scholarship fund for a local boy or girl through the high school to continue their education).

Maroon and Grey Swimming Relays

The weather the entire week was very warm and comfortable but come Saturday, when we had planned a water-meet, it turned cool; however, not so cool that it hindered the swimmers. In fact, it seemed to have speeded them up a little. The Junior C's, the youngest boys in camp, stole the show as they opened all jets and gave the fans a good show. Lloyd Bennett, a newcomer to Kawanhee, gave Tom SiFontes, a second-year veteran, a run for his money in the first leg of the first relay. Scott Allan and Mark Boudrie swam a close lap in the 133 yard free style to give their respective teams a good start toward victory. However, the Greys touched home just a little ahead of the Maroons to score the first 8 points of the meet. Lloyd Bennett and Keith Houck started the relay of the 100 yard back stroke relay and were neck and neck the length of the docks with Trent Taylor and Blas Reyes finishing the relay. Walker Putnam, exhibiting jet power, was the anchor man in the 133 yard ankle-tie relay and brought the Greys home to another 8-point win, leaving Nick Gill of the Maroons in his back wash.

The diving exhibition gave the spectators the humor of the day. The boys participating in the event had never dived before and to make the situation more interesting, they did not know the act they were to perform until after their spring from the board. The call might be a dive, a jump or a twist and after you have made your entry from the board, it takes instant, reflex actions to change your pattern in mid-air. This Kurt Feick found was very difficult. In fact, I believe the elements were against Kurt. His extra sensory perception was not functioning properly as he missed every one of his calls. He did do several unusual dives-jumps-twists all in one. His entry would not give him an 8-9-9 in an olympic meet but here at Kawanhee he received 8-8-8 for effort and a "Goose Egg" for form.

Rich Estabrook's extra sensory perception was working on a 50-50 basis. His first dive is yet unnamed as the judges are still trying to figure out what it was. His last exhibition was perfect as he out-guessed the caller and performed a perfect dive—that is, head going in first and not the head and feet going into the water at the same time like his other performances.

The Whitmyre brothers fared a little better in out-guessing the caller, especially "Wondrous Wally" who didn't miss a single call and concluded his performance with a perfect jump with a twist and as he entered the water, his big grin disappeared in the wake. Rick Whitmyre didn't have such a high percentage but his spirits were high and his sense of humor great. He may be a little sore in spots for a few days, but it's all in a days work says Rick. Alan Sweet and Tom Pace had a little difficulty reading the caller's mind, but on their last dive, they outsmarted the caller, Bill Taylor, and hit it on the button with a perfect jump. Since all the divers were in such good shape and exhibited such excellent form, the judges called the match a tie and gave the Maroons 6 and the Greys 6.

A polo match between the Maroon and Grey Seniors concluded the meet which netted the Greys their first victory on the waterfront for the 1969 season. The total score was 79 for the Greys and 45 for the Maroons.

Bill Taylor, Dan Florea and Scott Tracy of the Swimming Department were assisted in the meet by Jean Taylor, Doug Means, Mike Meserole and Darren DeFoe, who carried the score sign across the beach for viewers to see.

The results of the meet are as follows:

133 Yard Free Style Relay: Winner: Grey Team: Mark Boudrie, Jim Balakian, Dick Miller, Wiley Patterson. Loser: Maroon

Team: Scott Allan, Doug Allan, Rich Germain, Keith Wolcott.

100 Yard Back Stroke Relay: Winner: Grey Team: Lloyd Bennett, Ralph Tice, Trent Taylor. Loser: Maroon Team: Keith Houck, Sherman Hanna, Blas Reyes.

100 Yard Breast Stroke Relay: Winner: Grey Team: Lloyd Bennett, John Gill, Wiley Patterson. Loser: Maroon Team: Tom SiFontes, Tom Bennett, Jose Martinez.

133 Yard Ankle Tie Relay: Winner: Maroon Team: Keith Wolcott, Dick Miller, Mark Aigler, Nick Gill. Loser: Grey Team: Alex Hadden, Craig Wolcott, John Duncan, Walker Putnam.

133 Yard Medley Relay (Back-Breast-Fly-Free): Winner: Grey Team: Andy Taylor, Ralph Tice, Harry Wright, Art Simpson. Loser: Maroon Team: Blas Reyes, Alan Sweet, Richard Essex, Scott Allan.

300 Yard Crescendo Relay: Winner: Grey Team: Mark Boudrie, John Duncan, Paul Doege, Blake Paterson, John Sims. Loser: Maroon Team: Tom SiFontes, John Glidden, Kurt Feick, Jack Doege, Mark Sengelmann.

Diving Relay: Tie—Grey and Maroon. Tom Pace, Alan Sweet, Kurt Feick, Wally Whitmyre, Rick Whitmyre, Rich Estabrook.

Saddleback

Friday, July 25 saw campers ascend Mt. Saddleback (4116') for the first time in recent Kawanhee history. This mountain, consisting of a long ridge with two major peaks, is situated less than 20 miles north of Weld and has on its slopes one of the East's major ski areas. Saddleback, rarely, if ever, climbed by Kawanhee, has miles of above tree line trail, and a summit firetower which is not used at the present time.

This was the second training climb for the group of boys who will soon climb the Presidential Range. After an early start from Kawanhee, we soon reached the base of the ski area and began ascending the Mt. Saddleback trail, which coincides with the ski area's 4600' chair lift. After a short stop at the top of the chair lift where we admired the crystal-clear westward view of Rangeley Lake, we began hiking a rough trail that led to the tree-line and the top of the ridge, where the Mt. Saddleback trail joins the Appalachian Trail. We stopped for lunch at the small spring just below the main summit. Reaching the main summit with the firetower, we found the wind blowing extremely hard. Looking around, the terrain looked very much like it will on the actual Presidential Trip. To the South, we could pick out Mt. Blue and the whole Tumble-down Range. We then set out into the deep dip and up to the second peak, the Saddle "Horn" (4023'). Returning the same way we came, we met Bates and the brand new "Bouncing Buggy" about 4:30 P.M. Afterwards, we stopped and had a grilled hamburger dinner at the Smalls Falls picnic area before returning to Camp.

The boys on the trip were: Ken Chapman, Dave Allan, Ralph Tice, Jet Tremble, Todd Tremble, Blas Reyes, Mark Aigler, Kurt Feick, Craig Miller, Walker Putnam, Jim Estabrook, Gabriel Martinez, John Morr, Pablo Murphy, Paul Hargen, Scott Leiper, Chris Schaeffer, Steve Wolf and "Shorty" Wetherbee and supervised by Senior Counselor Steve Ruhle.

Aunts, Chips Grab For Flag: Labels Winless

Rolling through the fourth week of league play and passing the season's halfway mark, the KLL shaped up as a shoot out between The Red Aunts and The Blue Chips (both with 4-1 records) for the number one spot in the standings while The Black Labels continued to hold on tightly to last place and their undefeated record—they haven't defeated anybody. The Green Machine, back in third place, was still within hailing distance but prospects were growing dim.

The hustling Aunts and Chips squared off in the week's lead-off tilt with The Reds in first place. By evening's end, The Blues had successfully countered a late Aunt rally and had taken The Reds and first place by a 9-7 score. In a game that saw sixteen runs cross the plate, it is interesting to note that only one team managed to get a hit and only got one. The Blue Chips' Doug Addison stroked the outing's only single in his only official time at bat to boost his league leading batting average to a sizzling .875 (see averages.) Greg Sweney tossed four, run-strewn innings of hitless ball for the winners, notching his second win of the season. Tom West gave up only Addison's single, but was cold all night as he needed relief help from Fred Abels in the third.

The second-division Green Machine and Black Labels met the following Wednesday in their own little war of a half game that kept The Blacks out of third place. The Machine proved just as dramatic but less charitable than The Red Aunts as they held on to third and pushed The Labels back down the cellar stairs to the tune of 6-5. The Blacks didn't go down passively, however, as they not only proved they could actually hit a ball and get on base, but established that they indeed had the capability to come from behind and score—if not to win. Possessing only one legitimate star in super-catcher, Dick Crean. The Black Team quickly took outfielder John Wambaugh to its breast as the Texan rapped out two singles—that's two more than the whole team managed to secure in the last two games. Shortstop Sherman Hanna collected the other Label lashing as the cellar-dwellers reached new offensive heights. The Machine scored five of their six runs in the first on five walks, one error, one hit batter and a double by catcher Jay Stephan. Winning pitcher Gordon Glidden singled and scored himself in the bottom of the fifth to break the knot The Blacks tied in the fourth and won his second game of the season.

The following Friday the second-place Aunts, not accustomed to slumming in low rent areas, grabbed the seemingly hope-, help-, and hap-less Labels and beat them up for cab fare back to first place. The poor Blacks didn't have a chance as they fell 4-1. John Gill, back from a prolonged vacation to the Himalayas, set the Labels back to their old ways, holding them hitless while striking out eight. Gill and teammate Tom West continued their individual efforts to wrest the silver bat from the greedy mitts of "Darling" Doug Addison. Both sluggers added a base hit to their total, West tripling in the first inning, knocking in two runs which was all pitcher Gill needed to breeze to his third win of the season against no losses. Hard luck Rick Germain was the loser in his second unsuccessful decision.

Hisers Hike Sites On Heights: Follies Kayoed Twice

Those mild-mannered, star-spangled-bannered, high rising, Highrisers of Hammerin' Hank Hiser moved two steps closer to Pennant City in The Babe Ruth League's fourth stanza bringing the curtain down on Kurt Feick's Follies with back-to-back home and home victories. By whipping the Feicks 10-5 and 12-8, The 'Risers not only upped their total runs production to 59 (just under 12 per game), but all but eliminated any opposition to their jaunt to the league throne.

The first game saw The Hisers chew up The Feicks in customary fashion, scoring the brunt of their runs in the middle innings and beating the opposition to death with singles while The Flying Whitmyres and "Summer Blond Beauty" Andy Williams laced the base-clearing, extra-base hits. The Follies scored in scattered three hits—one run in the first, failing to bunch their hits together for one or two big innings. The second game, however, was filled with crowd-pleasing and record-making occurrences.

Highlighting the outing was the long awaited return of "Jumpin' Jimbo" Barnes to his old stomping grounds at Button Field. For those who may have forgotten, Button Field used to be called Jimbo Barnes Memorial Field but as Jim is back in camp, the field had to be renamed for another Kawanhee immortal. Anyway, Barnes made his 1969 debut as a relief pitcher for The Follies in the sixth inning, while at the plate he singled in four runs in four when The Feicks rallied to within three runs of the victory. If anyone gets the game ball, however, it's Bob Litwak,

who while hitless at the dish, was slightly less than spectacular with the glove.

The question rising out of last week's results is a puzzling one; how in the world did "Wally Wonder", "Ricky Boom-Boom", "The Hammer" and "Midnight Sun" all get on the team?

Blaylock Wins Over Tremble

Moon Day at Kawanhee was also an exciting basketball day as Blaylock's Bombers sneaked past a tough Tremble team. The game was tied four different times while the lead changed hands only twice. A tight game was opened up, however, by a late second-half rally by the winners for the victory. Bob Altmaier led an even scoring attack for Blaylock's with 13 points. Scott Tracy pumped in nine for the losers.

BLAYLOCK 45: Wetherbee 6-2-12, Hiser 3-1-7, Altmaier 4-5-13, Blaylock 4-2-10, J. Estabrook 0-1-1, Feick 1-0-2.

TREMBLE 34: Tremble 1-0-2, Klages 1-1-3, Tracy 4-1-9, Judkins 3-1-7, Andy Williams 3-1-7, Mike Standen 2-1-5, Morr 0-1-1.

Duffey Defeats Balakian Alone

Dick Miller's basketball star Jim Duffey scored a record-breaking 40 points to help post a 58-30 win over Balakian.

Hot shooting, excellent rebounding and just plain good team work led Duffey to his record-breaking score. Jack Pray led the losers with 12 big points despite the defense of Miller's Millers.

MILLER 58: Duffey 18-4-40, Miller 1-0-2, Rich Estabrook 4-0-8, Kauffman 2-0-4, Craig Wolcott 2-0-4, Patterson 0-0-0, LeVeque 0-0-0.

BALAKIAN 30: Pray 5-2-12, Litwak 1-2-4, Balakian 3-1-7, Leiper 1-0-2, Sergeant 2-2-6.

Blaylock Rips Balakian

Bombers of Blaylock downed a weak Balakian team 79-27. A result of days-off caused the Balakian team to be less than par. Bob Altmaier again led the winners with 25 points as a result of hot shooting from the corner. Capt. Balakian led his team with nine points.

BLAYLOCK 79: Wetherbee 10-1-21, Hiser 5-2-12, Blaylock 2-0-4, B. Altmaier 12-1-25, J. Estabrook 1-0-2, Morr 6-1-13, Lisle 0-0-0, Hargen 2-0-4.

BALAKIAN 27: Litwak 1-0-2, Balakian 4-1-9, Harvell 0-2-2, Leiper 3-0-6, Doege 4-0-8.

Duffey Scores 42 As Miller Beats Tremble

Jim Duffey again found the hoop for another record-breaking night as he scored 42 big points to win 78-26. In two nights of KBL action, Jim Duffey has scored 82 points. Mr. Duffey was also aided by a 12-point performance by Mike Altmaier and Rich Estabrook. Randy Judkins led the losing Tremble team with 15 points.

MILLER 78: Miller 2-0-4, Duffey 17-8-42, M. Altmaier 6-0-12, R. Estabrook 5-2-12, Patterson 1-0-2, Kauffman 2-0-4, C. Wolcott 1-0-2, K. Wolcott 0-0-0.

TREMBLE 26: Judkins 5-5-15, Tremble 1-0-2, Baker 1-0-2, Gill 0-0-0, Zirato 0-0-0, Morr 0-0-0, Klages 1-1-3, Mike Standen 2-0-4, Andy Williams 0-0-0.

East Wins Dramatic All-Star Game

The first annual KBL All-Star Game was played July 27 in the Kawanhee Gardens to a full house of 15. The East squad was comprised of players from Jim Balakian's ball team and Dick Miller's. The West squad was built on players from the teams of Jet Tremble and Dan Blaylock. After Doug Means announced the starting players, the game was begun by Referee Rick Whitmyre and Referee Wally Whitmyre. The court was kept in excellent shape for the game by Head Court Sweeper & Conditioner, Nick Gill. The game was very close until the West squad fell apart at the end of the fourth quarter. Jim Duffey led the East with 34 points and Bob Altmaier led the West with 14 points.

Weekend At Kawanhee

The elements were with us Saturday night and the weekly campfire was held in the Council Ring on the point July 25th. It was a wee bit on the chilly side and the well-groomed campfire prepared by the Campercraft Department gave a welcomed warmth to the festivities.

John Staker and Andy Williams were master of ceremonies for the song fest and the campers really enjoyed singing "One Finger, One Toe". John made it more interesting with his antics demonstrating the pantomimes of the song. "Roar Wild Cat Roar", Kawanhee's Camp song, concluded the musical part of the campfire.

Due to numerous levels passed and awards won during the previous week, the story-telling part of the program had to be eliminated. It was a festive occasion as most every boy in camp had earned some award, level or honor during the past week. Satisfaction in oneself could be read on every boy's face as he stood with pride before the huge campfire to be honored for his accomplishments. Martha Lichtenstiger, the camp nurse for July, received a standing ovation as she received her novice and crew awards in sailing. Martha is sailing home to Columbus, Ohio, until next June when she will join the sachems of Kawanhee for her third year. Jan Seilhamer, Upper Arlington, Ohio, will sail into Kawanhee for the month of August as the camp nurse and will, we are sure, attend to every need of each camper. TAPS concluded the Saturday night campfire.

Sunday morning the campers awakened to a cloudy and cool day which forced the worship service indoors. Rev. McCleave talked to the boys about IDENTITY. "HOW DID YOU GET YOUR NAME AND HOW CAN YOU GET THE MOST OUT OF CAMP". The Kawanhee Glee Club furnished the spiritual music for the service accompanied by John Staker.

Sunday afternoon the campers hiked to the Village of Weld for a combination "Nature" and "Goodies" hunt; however, I do believe Masterman's General Store supplied more for "finds" than did the hike.

Sunday evening Vespers were held in the Rec Hall with the Kawanhee Folk Singers providing the campers with "Music to sing with", and the campers pleading applause for more was an indication that folk-singing is on the "IN" list. The Kawanhee Glee Club provided the spiritual music for the program and a short film concluded the service, the evening and the fourth week of work, fun and play at Camp Kawanhee in the beautiful mountains of Maine.
