G. R. Frank and Kawanhee Celebrate Their Golden Anniversary

G. R. Frank and Kawanhee are synonymous and have been for the past fifty seasons. It is quite remarkable when one person dedicates fifty years to helping boys prepare for the role of men and leaders of tomorrow. This feat G. R. Frank has performed with elegance throughout his career as director and owner of Camp Kawanhee for boys.

In 1912 George was spending his summer vacation in Temple, Maine, and he climbed Mt. Blue on one of his outings. From the summit of Mt. Blue, he sighted Lake Webb and noted that the cove at the end of the lake would make an ideal location for a boys camp. G. R. wanted to start a camp for hay fever sufferers since he, himself, was afflicted with hay fever. Many years of dreaming and planning went into building Camp Kawanhee. Finally by the summer of 1920, Kawanhee began to take form. Since the Deer Lodge was the only cabin present, it was used as the dining hall while the new dining hall was under construction. The campers were lodged in the room on the second floor of the dining hall. The Eagle and Falcon Lodges were built next to house the sixteen boys which comprised the first Kawanhee camp season. A large potato field was transformed into the beautiful, well-groomed athletic field that we now have. That first season was very successful and the Frank Brothers decided to expand their camp to accommodate more boys. Each year the camp grew and more facilities were added and as we enter the 1970 season we find 150 campers, 30 counselors, kitchen staff of 13, a camp mother, a dining hall supervisor, a camp secretary, a nurse and a bookkeeper comprising the Kawanhee that we all love so much.

Since the death of his brother, Raymond, George has been the sole owner and director of the camp. With the help of his lovely wife, Mary, they have continued to put together a camp of sterling counselors and campers to carry on the Kawanhee tradition.

This past year George and Mary sold Kawanhee to a group of men who have been Kawanheers for many seasons, either as campers or counselors or both. They plan to operate Kawanhee with the same spirit for many years to come, keeping in mind that the boys of today are the men of tomorrow and Kawanhee wants to continue to help mold these future leaders. The new corporation includes: Mr. George Frank, Mr. Walter Estabrook, Columbus, Ohio; Mr. Ed. Tulloss, Weston, Mass.; Bill Myers, New Jersey, Hal Myers, New Jersey, Judge Harry Scarlett, Columbus, Ohio, John Wambaugh, Midland, Texas, and C. R. Bateman, Columbus, Ohio.

Tremble and Hiser 1970 Captains

Amid the gleeful squeals of campers, Del Tracy announced the Maroon and Grey Captains of the '70 season. Todd Tremble and Hank Hiser strutted proudly to the front of the dining hall where Del led the annual gambling to deter-

mine which color each would captain. Hank lost the toss of the coin and Todd chose to lead the Greys, thus leaving Hank to captain the Maroons. The teams will be chosen after the captains have had time to study the master score sheet from last year.

Both captains are veterans of Kawanhee. Hank calls Falls Church, Virginia, home and is a Kawanhee veteran of seven years; six as a camper and his first as a counselor. Hank completed his Senior Achievement Plaque last season and had the honor of passing his Junior Maine Guide in just one season. He will assist in the Campcraft Department and the Shop as a Jr. Counselor for the summer. He is also the Jr. Counselor in the Eagle Lodge.

Todd, a resident of Haworth, New Jersey, returns for his third year at Kawanhee and his first as a Junior Counselor, serving in the Polecat Lodge. He will assist in the Sailing Department during class periods.

Both captains issued statements of enthusiasm as they pondered over the list of campers. The Maroon captain remarked, "It's going to be a good year this summer and I hope the big Maroon team can pull it out and remain on top come August 22nd." Tremble also enthusiastically voiced approval of a Grey victory at the end of the season but also stated that he hoped the summer of competition would make better sportsmen out of each Grey.

First Water Skier of 1970

Eric Durell has the honor of being the first new water skier of the 1970 season. His determination and desire to achieve made this new skill possible. Jeff Monroe and Bill McCandless, Arthur Simpson and Paul Hargen were the next campers to add their names to the list of new skiers. Dave Alexander and Bill Proctor are more than willing to give that little extra to any boy that wishes to learn the art of skiing.

Senior Counselors Mainly Old Kawanhee Hands

"Continuity" appears to have been the keyword which the Directors, George and Mary Frank had in mind in selecting the staff for the 1970 season. Happily so, since they were insuring the continuity of much that is most valuable in Kawanhee life by inviting the return of so many men responsible for introducing these very values and for building them into the fabric of the camp. If you add the service of the veteran counselors at Kawanhee, you will find that the campers of this 1970 season are getting the advantage of some 275 years of experience, which will be invaluable to each camper as he progresses throughout the summer.

Kawanhee's prime example of continuity is George Frank. He begins his 50th season as Director of Kawanhee and his never endless desire to help boys achieve and "learn while they earn" has given Kawanhee 50 successful seasons. Ably assisting G. R. with this tremendous task of keeping Kawanhee functioning smoothly is his wife, Mary, who has devoted her life to helping young people find their purpose in life and helping them prepare for leadership in the world of tomorrow. With two such devoted directors, it is no wonder that Kawanhee has seen so many successful seasons.

Director of Activities

Probably the busiest man in the camp is Del Tracy in keeping 150 boys active and happy by scheduling activities, mountain hikes, trips and still keep the counselors in his good graces. Del serves as scorekeeper and Director of Athletics in addition to his duties as Coordinator of Activities. He has been a Kawanheean for 16 seasons. He has been teaching 22 years in Columbus, Ohio, and is presently at Linden McKinley High School where he is Chairman of the Social Studies Department and Director of the Audio Visual Department. He also teaches handicapped children after school hours, a position he has enjoyed for 18 years.

Archery

BOB "ZEKE" ZECHIEL, Reeds Ferry, New Hampshire, a Kawanhee veteran of five years, returns after a year's sabbatical in Europe, to head the Archery Department. Zeke was a camper for five years before entering the counselor-training program. He has served three years as a counselor, this being his first year as a Senior Counselor and head of a department.

Bob will be a sophomore at Ohio Wesleyan University, Delaware, Ohio, this fall where he lettered in soccer. He earned his Eagle Scout award and Robin Hood Award in Archery while at Kawanhee. He is the Sr. Counselor in the Beaver Lodge for the summer.

JOHN MORR, Worthington, Ohio, will serve as assistant in archery for the summer. He is a senior at Worthington High School. He is the Jr. Counselor in the Moose Lodge, where he will practice his "magic" during his free time.

He was ordained in 1964 and served several years as Youth Minister at First Community Church, Columbus, Ohio. He was Director of Camp Akita Church Camp for ten years. He is presently Executive Director of the Crippled Children's Society in Franklin County. He is never too busy to help a camper improve his swimming or diving. He is an expert clown-diver and performs at many of the water meets throughout the season. Rev. Taylor has charge of the Sunday sermons during July.

RICH DAVIS, Columbus, Ohio, captain of the Maroons in 1966, returns to Kawanhee for his third year to assist in the Swimming Department. CHARLES "POPPA BEAR" HOFFHINE, hails from Bexley, Ohio, to Kawanhee for his eleventh season as Head Oar Master, assisting on trips, climbing mountains, chasing girls, driving his jeep through sand dunes, finding swallow nests for the boys, or just lending a helping hand whenever and wherever it is needed. He is a member of the Appalachian Mt. Club, Sierra Club, Skiers Club — snow that is, and head soup-bowl carrier for the Wildcats. He will be a freshman at University of New Hampshire come fall, majoring in forestry. You can take the forest out of Doug but you can't take Doug out of the forest. He left his sail fish and sea plane at home this season and entered camp like the rest of us, via car. He didn't want to make a big "splash" this year. He just wants to be a sweet and lovable Wildcat this summer.

STEVE FINK, "POPPA BEAR #2", returns to Kawanhee after a year's leave of absence to assist in the Boating Department and to help keep the bears happy. He hails from Mt. Kisco, New York to begin his fifth season at Kawanhee, 2 as a camper and three as a counselor. He is a sophomore at Brown University, majoring in psychology.

Campcraft

The ever popular Campcraft Department will sport three Co-Directors this season. Heading the list in tenure is ED CHACE, "Chief Kawanhee", who hails from Bridgeton, New Jersey, for his 21st season. He is associated with the Bridgeton Public Schools. He is a member of the Appalachian Mountain Climbing Club and the Polar Bear Club of Skunk Ridge. His portrayal of Chief Kawanhee this season was more enthusiastic and made Old Chief Kawanhee happy this year since his Indian outfit looked more original than the one of last season.

TOM RUHLE, Tenaflly, New Jersey, is calling Kawanhee home for his eighth season, five as a camper and three as a counselor. He will be Co-Director of the Campcraft Department and the Sr. Counselor in the Pine Tree Lodge. Tom will be a freshman at Dartmouth College, Hanover, New Hampshire, this fall. He had the honor of being the captain of the Maroons in 1968.

GERARD "JERRY" WHEELER, Columbus, Ohio, returns to Kawanhee for his third year, two as a camper and his first as a Jr. Counselor. He will lend a most able assist in the Campcraft Department and the Pine Tree Lodge where he is a Jr. Counselor. Jerry is working eagerly and vigorously preparing for his Jr. Maine Guide and he plans to pass this season. He is giving that little extra to the Campcraft Department as he is working four periods a day assisting when only two periods are required for a Jr. Counselor. It is boys with such enthusiasm that have given Kawanhee 50 successful years as a boys camp. He is a senior at Brookhaven High School, Columbus, Ohio. He will also captain a basketball team during the season.

Nature

TIM MCKEE, Bexley, Ohio, returns to Kawanhee for his seventh year, six as a camper and his first as a Sr. Counselor. He is a Senior at Mercerburg Academy in Pennsylvania, where he is a member of the Mercerburg Octet who have a LP coming out in August.

Once again Kawanhee has a woman Co-directing the nature department, which proves that women are a necessary element even at a boys camp. LYNN BIRCH, Mrs. Brian Birch, returns to Kawanhee for her second year, but her first as a counselor. She calls St. Petersburg, Florida, home where she teaches science at Largo Jr. High School. She is never too busy to help the camper find that last minute specimen to complete his collection.

Sailing

As usual, sailing is well stocked with counselors and this year is no exception. The total experience in the Sailing Department adds up to 30 years; so you see, the campers will benefit from all this experience as they work up the ladder from Novice to Skipper.

Slam, bang, hammer, saw and pound goes the busy shop day after day, rain or shine. The man in charge of keeping things buzzing around the shop is "MR. He also takes care of the daily inspections of the 15 lodges and has the campers competing for special mention in this department. At the end of a week's perfect inspection, he gives each boy a candy bar. This is a special candy bar since they have worked hard for seven straight days to win it. Wrestling

The Wrestling Department is well staffed this season with seasoned and skillful wrestlers. Both counselors have vast experience in wrestling and have lettered in the same at their respective schools.

MARK STANDEN, comes from Closter, New Jersey, to Kawanhee for his 12th season, nine as a camper and his third as a counselor. Mark has been a member of the varsity wrestling team at his high school since his freshman year, winning several letters and honors. He served as Captain of the Wrestling Team during his senior year. He also lettered in varsity baseball at school. This fall he will enter Springfield College in Massachusetts as a freshman majoring in athletics. Mark is the grandson of the late Roy "Nick" Nickerson, a former counselor at Kawanhee of some thirty years and an alumnus of Springfield College. Mark is the Sr. Counselor of the Eagle Lodge for the summer.

JEFF MONROE, Oberlin, Ohio, is a newcomer to Kawanhee but not inexperienced. Jeff was an outstanding wrestler all through high school and college. He is a junior at Ohio State University, Columbus, Ohio. His wrestling experience will be invaluable to the campers throughout the season. He is one of the Sr. Counselors in the Crow's Nest Lodge for the summer.

Distaff Branch

Just because Kawanhee is a boys' camp is no reason for the female species to be void. In fact, the women are well represented in each category.

JEAN BURKHARD, Mrs. S. T., comes from Columbus, Ohio, for her second year as the Camp Nurse. She is never too busy to look after the medical needs of any camper or counselor. Jean is the school nurse in the Upper Arlington School System, Columbus, Ohio, and brings with her vast experience in dealing with young people. She leaves behind in Columbus: a husband, a son who is a lawyer, and a daughter in graduate school at Ohio State University and most important of all an eight-month-old grandson, Michael, who will be a future Kawanheean.

JEANNE TAYLOR, Upper Arlington, Ohio, returns to Kawanhee for her second year as Camp Mother. She is busy all day long mending, pressing, playing games or just having a friendly chat with a camper to make him feel more at home. Jean has had 10 years experience as camp mother at the Akita Church Camp in Southern Ohio. She is active with youth groups at the Mountview Baptist Church. Practical experience is very important, too, as she is the mother of three boys and a daughter. Two sons, Trent and Todd are campers, Tom is a Sr. Counselor and daughter, Kay, remained at home.

FLORENCE BATEMAN, Columbus, Ohio, a veteran of 30 summers at Kawanhee helps to supervise the laundry services at Kawanhee. She is a graduate of Ohio University and previously taught English and history before retiring to be a housewife and mother. She keeps her fireplace going on the chilly days so that the ladies may have a comfortable place to gather for friendly chatter.

GERTRUDE PENSIERO, Rumford, Maine, is the lady that keeps Kawanhee in good financial order with the State and the Federal Government. She and her husband, Joe, are the accountants for the camp and they see that the bills are paid on time. Gert and Joe are graduates of Portland Business College and they operate the Pensiero Accounting Firm in Rumford.

Yours truly, JANE TRACY, camp secretary and Editor of *THE WIGWAM* will keep you parents informed weekly of your sons' accomplishments and achievements during the week, as I am sure their bi-weekly letters home are lacking in several aspects of camp life. I am a veteran of 16 summers at Kawanhee and call Upper Arlington, Ohio, home. I am an OSU graduate and have been teaching handicapped children for the Columbus Board of Education for twelve years.

Emma and Leonard Man the Kitchen

Kawanhee is fortunate in having LEONARD TAYLOR return as Chef again this summer. A camp without a good cook is in difficulty from the first day forward; however, this is a difficulty that Kawanhee does not face. Instead of complaining about the cook and the food we hear chants of "We want the cook." Leonard's meals last year were delicious but we do notice a bit more enthusiasm this season. Wonder if it could be due to the fact that his wife, EMMA, is helping him with this endless task this season? How about it Leonard! Leonard is the Chef at Lawrenceville School for boys during the winter months, a position he has held since 1926, and he knows what growing boys like to eat. He prides himself in his cooking and wants each and every boy to enjoy his meals. His hot rolls are something to behold — they are sheer delight and melt in your mouth. We are happy to have Leonard and Emma with us and hope they return for many, many years.

Flora Mans the Bakery

Good meals, topped with good desserts, that's what Kawanhee has again this season. FLORA BURGESS, Roxbury, Maine, comes to Kawanhee for her second year to spoil the campers with her "goodies". She has had considerable baking experience and holds two certificates: a manager certificate and a certificate in the care and use of equipment around the kitchen. She attends workshops for bakers whenever the opportunity provides itself. She keeps in touch with the likes and dislikes of young people by baking for the Mexico High School, Mexico, Maine. She remembers the boys on their birthdays with one of her delicious cakes.

Kitchen Staff

A kitchen needs good cooks and bakers but they couldn't function properly without the aid of the kitchen boys. Kawanhee is fortunate in having a grand group of kitchen aids this summer, all willing to assume more than his share of the responsibility in seeing that each chore is done efficiently.

TOM CHRISTENSEN, Fort Fairfield, Maine, head waiter, returns to Kawanhee for his fourth season. He is a senior at Southern Maine Vocational Technical Institute learning to be a chef. Tom's specialty is track and he lettered in this activity at school. His very efficient service keeps the head table happy.

ROBERT ARSENAULT, Mexico, Maine, returns to Kawanhee for his second season to be the assistant head waiter. He is a freshman at the Mexico High School where he lettered in basketball and baseball.

THEODORE LEWIT, Rumford, Maine, returns to Kawanhee for his second year as an assistant to the Chef. He is a senior at Rumford High School.

DONNY CHILD, Dixfield, Maine, joins the Kawanhee staff in the kitchen for his first season. He is a junior at Dirigo High School where he lettered in basketball. He will help with the general chores around the kitchen.

JOHN MILLIGAN, Rumford, Maine, also joins the Kawanhee staff in the kitchen for his first season. He is a sophomore at Rumford High School. He will lend a helping hand to general kitchen chores.

MIKE MCPHERSON, Mexico, Maine, comes to Kawanhee for his first season to lend a helping hand with the general kitchen chores. He is a sophomore at Mexico High School.

GREG WAITE, Mexico, Maine, comes to Kawanhee for his first season at Kawanhee to lend a general hand with the kitchen chores. He is a sophomore at Mexico High School.

MARK WHITNEY, Weld, Maine, comes to Kawanhee for his first season as the general maintenance man about camp. He is the early riser of the camp as he sees that the fires are built early to provide hot water throughout the camp and warmth in the offices. He is a senior at Mt. Blue High School, Farmington, Maine.

Report From the Commissioner's Office

Monday, June 29th. The Commissioner's Office granted Little League franchises in the Kawanhee Little League to the colors, Orange and Purple today. In making this far-reaching move, the Commissioner cited the youth and general inexperience of player personnel together with his earlier decision to extend league membership to thirteen year olds. The two new clubs join the original four colors of Red, Blue, Black and Green.

In order to spice up already fervent fan-following in the K. L. L., the league has been split into two divisions of three teams each. The Michael Hertz Division which will

comprise the Blue, Black and Green clubs, and The Barclay "Butch" Cooke Division which will be Red, Orange and Purple.

The 1970 schedule, in Kawanhee's fiftieth year, calls for 24 games in all; eight games for each team, four games against teams in its own division and four against teams in the other division. Overhauling the post season format of the past, there will be a divisional All-Star game Sunday afternoon, July 26th and a two out of three game camp World Series between the division winners starting August 18th.

Less than 24 hours after the arrival of the majority of campers, try-outs were under way on Chip Button Memorial Field under the scrutiny of the six K. L. L. coaching staffs. Retiring to the Counselor's Room to slice up the talent pie, it took management twelve draft rounds—sandwiched around supper—to fill their rosters. Although several multi-player deals were offered that evening, the 12 o'clock midnight trading deadline came and went with only one minor one for one swap between the Black and the Blues.

The complete rosters follow:

THE BLACK MARKET—COACH: Mike Standen. **PLAYERS:** Trent Licklider, Chris Cooper, Mike Cornelius, Andy Jeffrey, Jim McDonald, Todd Taylor, Tom SiFontes, John Sims, John Ireland, Doug Allan, Hollis Macomber and John Gill.

THE PURPLE LEPIDOLITES—COACH: Hank Hiser. **PLAYERS:** Raymond Bacz, Charlie Rodgers, Bill Rodgers, Eric Stiehl, Bill McCandless, Mark Chapman, Dave Durell, Dave Means, Chris Charyk, Matt Howard, Tim Harrison, Gus Cook and Joe Underwood.

GANG-GREEN—COACHES: Bob Zechiel and Wally Whitmyre. **PLAYERS:** Danny Thomas, Harry Wright, Bob Davis, Monte Main, Scott Allan, Stan McCleave, Herman Tice, Brooks Nolan, Pete Lynn, Jeff Morgan, Rich Crean, and Tom West.

ORANGE MARMALADE—COACH: Scott Leiper. **PLAYERS:** Andy Strachan, Will Ireland, Craig Schurman, Roger Sweet, Eric Durell, Alex Feick, Lansden McCandless, Pete Drake, Mark Schiewetz, John Wambaugh, Carl Wolf and Phil Drake.

THE RED SKELTONS—COACH: Mark Standen. **PLAYERS:** Chuck Alwine, Jerry Wolf, Ramon Azua, Mark Oliva, Mike Haynes, Jeff Hersberger, Jim Markarian, Matt Feick, Pat Haynes, John Aldrich, Craig Miller, John Duncan and Sherman Hanna.

THE BLUE GENES—COACHES: Bob Altmaier and Bill Proctor. **PLAYERS:** Chris Stallman, Arthur Simpson, Darren Defoe, Jon Blayman, Thorp Minister, Scott McMinn, John Altmaier, Hector Collazo, Andy Taylor, Dave Gardner, Alan Sweet, Hugh Fitzpatrick and Fred Abels.

Feick's Gem, Allan's Creep Highlight First Week

The third edition of the families Feick and Allan highlighted the first week of action in the Kawanhee Little League which saw all six teams taste initial combat. Taking the mound for the Cooke Division Red Skeletons, Matt Feick, the middle man between Kurt and Alex, fired his and the 1970 season's first no-hit victory en route to a 7-0 trounce of the Purple Lepidolites. Later, Scott Allan, following Dave and Doug in the Allan Chain, snatched victory for the Hertz Circuit Gang-Green in one of the daringest steals of home ever staged on the Webb Lake Shore, leaving The Black Market holding the short end of a 3-2 extra inning tussle. In the third game, The Blue Genes tripped Orange Marmalade 7-5 in the lone inter-divisional tilt.

Side stepping an insignificant matter of spreading out ten

walks, Feick's hurling exhibition on opening day was flawless. Taking a cue from Mr. George Frank's adroit handling of the first-ball proceedings, Matt retired the Lepidolite side six straight innings on strike outs. His teammates didn't lift a finger to help him and didn't have to. Joe Underwood took the loss, but could've sued for non-support as his puzzled Purple defense committed eight errors.

The second day of July brought the campaign's second contest as the Blue Genes fought Orange Marmalade and the Marmalade fought the setting sun. In a game curtailed by darkness and Walt Disney, The Genes struggled free of an Orange comeback to secure their first win. Ready Freddy Abels, more abler than ever before, fanned twelve in beating Phil Drake, whose triple at the plate was more impressive than his trouble on the mound.

The agony and the ecstasy was yet to come, however, as the Green gang of Gang-Green locked horns with the bustling Black Market. Opposing each other in the July 3rd encounter were the 1-2 pitching punch of last year's pennant-winning Red Aunts, John Gill of the Market and Tom West of the Gang. As a result, the game was a quick and close one ending in a dead heat after six innings. After retiring The Blacks in the top of the seventh frame, The Greens led off with Scott "the creep" Allan who singled and proceeded to claw his way to third while the next two batters swung vainly at Gill's delivery. Then with two out, an outstanding sense of timing and complete neglect for the red light "Creep" raced home as the ball squirted away from catcher Hollis Macomber and as the dust cleared Allan had swiped the plate out from under Macomber's tag and struck a blow for the little guy.

Saturday Night Campfire

The Saturday night campfire was forced indoors due to the dampness of the rains earlier in the week. The logs around the council ring were slow drying out so festivities were held indoors. A short music program was conducted by Larry Pray and Tom Taylor. The campers always enjoy group singing and Tom and Larry are teaching the boys many new songs.

Fun and games headed the program with Mr. Birch pitting lodges against each other in competitive games. The Eagles and Falcons were first to show their skills in coordination in running backwards and sideways. A few tongues were in danger as Scott Fisher, John Tulloss and Darren Defoe seemed to run better with their tongues sticking out. Maybe it served as a rudder to guide them to victory as they made their laps in record time.

The Panther and Polecat Lodges had a little more difficult task trying to keep pegs in circles and then putting them back in a can one at a time. Jim Markarian and Tom Si-Fontes of the Panther Lodge really gave them a head start as they placed their pegs in record time and gave Don Godfrey and Chris Cooper of the Polecat Lodge a run for their money.

The Pine and the Hawk Lodges were given the really difficult task of balancing two #10 cans on a long pole and walking the line without dropping them. This proved quite difficult but Hollis Macomber, Scott Allan and Mark Chapman gave it the Old Kawanhee try by "finishing what you start". It took a while but they made it and finished with a smile. Roger Sweet of the Hawks must have had gum on his stick as he made the walk in record time and didn't drop the cans once. Needless to say, the Hawks won the relay.

A fine display of fireworks put on by the Range Department concluded the evening. Bruce Birch, Tom Steenland, and Steve Wolf mastered the art of dodging "fizzling" fireworks that went up but came right back down — on them instead of the water. However, this added to the festivities and the crowd applauded expressing their approval of the show. The evening ended with a beautiful cascade of swivels descending from the heavens onto the quiet waters of Lake Webb. It made you so thankful that only in America could we enjoy such beautiful freedom.

Sunday Worship Service

Sunday services were conducted in the Rec Hall by Rev. Bill Taylor. Spiritual music was furnished by Larry Pray. Rev. Taylor used as his text "Are you wind blown or power driven." Ed Chace read the scripture and Herb Birch gave the prayer.

Trips into town filled the beautiful, sunny afternoon and a free swim was a refreshing treat before the evening meal.

Sunday evening Vespers included a short musical program providing group singing by the campers conducted by Larry Pray and Tom Taylor. Ed Chace told a short story and Forrest Dexter, former Nature Department Counselor, showed slides taken around the area in the winter time. The snow covered lodges and the ice covered lake made the campers appreciate the lovely summer months of July and August. Thus the first week of the 1970 season at Kawanhee came to a close. Your sons have had a fun-filled week but fun with a purpose.
