

MAROONS WIN IT ALL

— by B.A. Altmaier

The Maroons, who were leading the Greys all summer, broke a four year Kawanhee "come from behind" jinx by staying on top and winning the 1977 Maroon and Grey competition. The standing-room-only crowd that filled the Lake Webb shore was held in suspense as sleepless statistician B.A. Altmaier revealed the final tally. The official score was 32,785 for the Maroons and 29,929 for the Greys.

Many thanks go to Steve Yale and Dave Van Houten for helping B.A. with the score. Many thanks also go to Zeke, Candy, Missy, Mark Standen, O.J., Polly, Sharon, Bill, D.L., Patty Neiswander, Bruce Birch, Scott Leiper, and Pete Belskis for visiting B.A. throughout the night. Special thanks goes to Dave Yale, Jeff Sengelmann, and their teams for a great season.

Don't forget to light your candle on Christmas Eve. We'll see you again in 1978.

J. M. G., 1977

—by Ralph Tice

The Junior Maine Guide program is a campcraft training and testing program run by the State Department of Inland Fish and Game. Candidates, who range from 14 to 21 years of age, train in camp for approximately one month and then go to the testing camp on the south side of Lake Mooselookmeguntic. Professional guides from all over the state test the candidates there on axmanship, canoeing, compass, cooking, first aid, and various other camping skills. The average candidate requires two seasons to successfully complete all 20 tests, although many have finished in one season.

Interest in JMG was very strong this year at Kawanhee. For the third consecutive year, we sent more candidates to the testing camp than any other camp. This year, a total of 39 boys and 43 girls from 24 different camps participated. Testing camp for the boys was from August 1st through August 4th. (The girls were tested during the preceding week.) On the big day, after a few hours of chaos and driving, we arrived at

testing camp around noon to register and set up camp. Since the maximum number of boys allowed in a campsite is six and Kawanhee had 12 candidates, two campsites complete with tents, flies, kitchen, latrine, etc. had to be constructed and operable by six o'clock. Also a bake, boil, and fry had to be prepared for the guides to test at supper. Every evening after the meal, everyone gathered to discuss the following day's tests and to hear talks and demonstrations from local sportsmen. Speakers this year included a professional fly tier, a forest ranger, and various guides. A lake bath and finally a late night test cram concluded each day.

The weather was excellent and everything proceeded well. All Kawanhee candidates passed their wet day fire test, which involves building a fire and boiling water in 20 minutes using only one billet of wood. Some of the few notable blunders were Peter Shamamian burning 8 grilled sandwiches at once, Dave Evan's ranger doughnuts, Charlie Ward swallowing a plug of tobacco, Rees Tulloss building his fireplace under his one man shelter, and Mike Dolle serving the guide raw stew. The most unfortunate event of the trip occurred on the evening of the second day when John Tulloss became very ill and had to be removed from the trip, which spoiled his chances of passing this year. At the end of the four days of testing, John "Where are the kids?" Morr was only eight hours late arranging for our transportation back.

The results arrived a few days later but, much to the chagrin of the candidates, they were kept secret until the awards ceremony. We were a bit disappointed that only two Kawanhee boys passed this year. Congratulations go to Dave Evans, who passed in his first year, and Tom Newbold, who passed in his second. Four boys — Peter Shamamian, John Detrick, Chip Trayner, and Dan Peelle — failed by only a single test. Other Kawanheans participating this year were Chris Reilly, Dave Peelle, Rees Tulloss, Mike Dolle, and Dave Gingrich. I would like to thank Charlie Ward, John Duncan, and John Bell for their assistance in the program throughout the season.

TENNIS

THE SPALDING/CTA
TENNIS CHAMPIONSHIPS

—by Mike Altmaier

On Monday, August 8th, Camp Kawanhee ventured to Camp Cobbossee in Winthrop, Maine, to take part in the first annual Spalding/Camping Tennis Association Championships. It was a beautiful sunny day and twelve other camps joined us for first round action. The tournament was divided into four different age divisions, with each camp sending two players in each age group. The first day, each competitor played three matches in round-robin competition. The results of these matches would determine who advanced to the quarter-finals. Each player had two goals: to win his respective age division, and in doing so, score points for his camp, and thus win the team championship. Each player received two points for each match he won, and one point for each loss.

At 9:30, the play commenced. It was soon obvious that the hour-long trip in the "bouncing buggy" had not affected the tennis abilities of Kawanhee's campers. Juan Fuster, Ricardo Fuster, Steve Godwin, Jason Brengman, and Pat Jeffrey claimed first round victories. In the second round, Juan Fuster, Ricardo Fuster, and Jason Brengman all claimed their second wins. Finally, the third and final round of the play a day started. In this set of play, the Kawanhee netters found the play a little rougher. Ricardo and Juan Fuster both dropped close matches. Jason Brengman also dropped his first match of the day. However, Pat Jeffrey came back with an impressive victory. As the dust cleared off the clay courts, all camps and players waited for the announcement of the quarter-finalists. Quickly came the word that Pat Jeffrey and Ricardo Fuster had made it! Additional good news was that Juan Fuster and Jason Brengman had tied for the last available quarter-final spot in their respective divisions. Jason and Juan were required to play special "play-off" sets against their opponents. In this exercise, Kawanhee came out with a split. Juan won his match, but Jason lost his duel in a close contest. The first long hot day was over.

The next day, we returned with our three quarter-finalists. The weather, although a bit windy, was still sunny and beautiful. The crowd had swelled in anticipation of the finals, and all were ready for another day of fine tennis. Unfortunately, this day would not treat Kawanhee's tennis stars in satisfactory fashion. All players dropped their quarter-final matches. At the end of the day, Camp Androscoogin had won the team championship. However, due to our early successes, Kawanhee had a very respectable finish in the top half of the final results. This was particularly good since this was our first competitive tournament of the summer. With this experience, plus additional tournament action next year, Ka-

THE SPALDING/CTA TENNIS CHAMPIONSHIPS

—by Mike Altmaier

On Monday, August 8th, Camp Kawanhee ventured to Camp Cobbossee in Winthrop, Maine, to take part in the first annual Spalding/Camping Tennis Association Championships. It was a beautiful sunny day and twelve other camps joined us for first round action. The tournament was divided into four different age divisions, with each camp sending two players in each age group. The first day, each competitor played three matches in round-robin competition. The results of these matches would determine who advanced to the quarter-finals. Each player had two goals: to win his respective age division, and in doing so, score points for his camp, and thus win the team championship. Each player received two points for each match he won, and one point for each loss.

At 9:30, the play commenced. It was soon obvious that the hour-long trip in the "bouncing buggy" had not affected the tennis abilities of Kawanhee's campers. Juan Fuster, Ricardo Fuster, Steve Godwin, Jason Bingham, and Pat Jeffrey claimed first round victories. In the second round, Juan Fuster, Ricardo Fuster, and Jason Bingham all claimed their second wins. Finally, the third and final round of the first day started. In this set of play, the Kawanhee netters found the play a little rougher. Ricardo and Juan Fuster both dropped close matches. Jason Bingham also dropped his first match of the day. However, Pat Jeffrey came back with an impressive victory. As the dust cleared off the clay courts, all camps and players waited for the announcement of the quarter-finalists. Quickly came the word that Pat Jeffrey and Ricardo Fuster had made it! Additional good news was that Juan Fuster and Jason Bingham had tied for the last available quarter-final spot in their respective divisions. Jason and Juan were required to play special "play-off" sets against their opponents. In this exercise, Kawanhee came out with a split. Juan won his match, but Jason lost his duel in a close contest. The first long hot day was over.

The next day, we returned with our three quarter-finalists. The weather, although a bit windy, was still sunny and beautiful. The crowd had swelled in anticipation of the finals, and all were ready for another day of fine tennis. Unfortunately, this day would not treat Kawanhee's tennis stars in satisfactory fashion. All players dropped their quarter-final matches. At the end of the day, Camp Androsoggin had won the team championship. However, due to our early successes, Kawanhee had a very respectable finish in the top half of the final results. This was particularly good since this was our first competitive tournament of the summer. With this experience, plus additional tournament action next year, Ka-

wanhee should do even better in future summers.
As the sun set on the second day, we set out for Kawanhee - sunburned, tired, dusty - but feeling a good deal better for this great experience.

KAWANHEE LITTLE LEAGUE

ORANGE CRUSH WINS PENNANT

On Saturday, August 6, the Orange Crush beat the Royal Blue 8 - 7 in a play-off game which determined the first place finisher for the regular schedule of the season. In the fourth inning, the Crush led 8 - 0 and it looked as though they would win the game easily. The Blue came storming back, though, with one run in the fifth and six in the sixth to fall just one short of matching the Orange tally. Despite this valiant effort by the Blue, key errors and sloppy base running in the early going led to their downfall. Leading the Blue with two hits each were Doug Walters and Luis Garcia. Bill Pauli and Tod Oliva each had two hits for the Orange, while Jason Bregman had a triple, a home run, and three runs scored for the Orange. The winning pitcher was Tod Oliva and Jeff Vaninwegen took the loss. The Royal Blue will now meet the winner of the third and fourth place finishers in the quarter final game.

PINK PANTHERS ELIMINATE GREEN GIANTS

The Pink Panthers moved on in the single elimination tournament by beating the fourth-seeded Green Giants 5 - 2 on Saturday, August 6. The Panthers came into the game seeded third, but neither team took completely for granted the other's right to the trophy. Each team mustered only four hits. Center Mesner was the hero for the Pink Panthers, hitting two home runs and two singles. The Green Giants were led by Edgar Fleming and Steve Godwin chipped in the other two. The game was a pitcher's battle the whole way as winning pitcher Flip LiCalzi had six strike-outs and loser Trip Randall had seven.

The Pink Panthers came up with single runs in the first and third innings, but the Giants answered with two in the top of the fourth to tie the game at two apiece. The Panthers took the lead 3 - 2 in their half of the fourth and then put the game away with two more runs in the bottom of the fifth inning. The Pink Panthers will now face the second-seeded club, the Royal Blue, Sunday night, August 7. The winner will then advance to the World Series final, a best of three final, against the Orange Crush.

PINK PANTHERS ADVANCE TO KILL FINALS

On August 7, the Pink Panthers advanced to the KLL World Series as they completely demolished the Royal Blue, 25 - 8. The Panthers scored in every inning and had a total of 26 hits, while the Blue could only muster two hits, both triples, by Geoff Marchand and Ben Sotomayor. Pitcher Flip LiCalzi was magnificent for the Pink Panthers, not only on the mound from where he tossed a two-hitter, but also with the bat. Going five for six, he had three doubles, two home runs, and three runs scored. Other big hitters, with four hits apiece, were Edgar Fleming, Tim Duncan, and Doug Fulmer. Felix Gonzalez and Cameron Bartlett had three hits apiece. The Royal Blue were seeded second in the tournament and finished with a record of four wins and three losses. The KLL finals will begin Tuesday evening at 6:00 P.M. and resume Wednesday evening for the second game. If a third game is needed, it will be played Thursday evening. We look forward to an exciting World Series since the Pink Panthers, who finished strong and are hot, must face a powerfully well-balanced Orange Crush team who finished with the best overall record.

ORANGE CRUSH WINS WORLD SERIES OPENER

On Tuesday, August 9, the Orange Crush took the initiative and beat the return of the Pink Panthers 13 - 3 in the opening game of the KLL World Series. The game was tight in the early going as both teams were scoreless after two complete innings. The Panthers broke through first with a run in the top of the third inning, but the Orange Crush came back with five runs in the bottom of the third and seven more runs in their half of the fourth inning. The big trouble-makers in the Crush's twelve-hit attack were John Zechiel, who had three hits, and Howard Zechiel, Tod Oliva, and Stewart Pickard, each of whom had two hits. For the Panthers, Doug Fulmer led a five-hit attack with a single and a double. The winning pitcher was Tod Oliva, who had five strike-outs and two walks, and the loser was Flip LiCalzi who got relief help from Steve Godwin. The latter two combined to strike out eleven batters and were credited with five walks. If the Pink Panthers are to rebound in the next game, they must improve in the defense department, as errors were very costly to their cause in the opening encounter.

ORANGE CRUSH OVERPOWERS PINK PANTHERS — WINS KLL WORLD SERIES

The finely-tuned Orange Crush machine took the KLL title when they beat the Pink Panthers, 17 - 13, on August 11. The Crush swept the best-of-three play-off series in two games.

The Pink Panthers led 3 - 0 after the first inning and allowed only one run in the second, but then the roof caved in on the Panthers as the Crush went to work and crossed home plate ten times in the top of the third inning, bringing the tally to 11 - 3. Despite valiant efforts, the Panthers never could make up the ground lost in that big Crush third inning. The Crush put the game away for certain in the fifth inning when they scored four insurance runs.

Big guns for the Orange team were Howard and John Zechiel, who had four and three hits respectively. John was also the winning pitcher. He struck out three and walked eight. The losing pitcher, Steve Godwin, had four strike-outs and three walks. Flip LiCalzi, Steve Godwin, Doug Fulmer, and Peter Cano each had two hits for the hard-fighting, never-say-die Pink Panthers. Dave Van Houten and all the Orange Crush team members fought play throughout the season and the play-offs. Also, thanks to all the coaches and players who helped make this season one of the best in KLL history.

CHOCOLATE CHIPS CLINCH PENNANT

On Monday, August 8, Chip Trayner's Chocolate Chips clinched the Hank Aaron softball pennant by defeating Shamamian's Speechchuckers, 21 - 13. The Chips had 21 runs on 20 hits, while the Speechchuckers had 13 runs on 15 hits. John White had a home run and went four for four for the Chips. Chip Trayner and Dave Yale brought in two Chip hits apiece. For Shamamian, a few of the better hitters were Steve Godwin, Peter Bregman, and Lou San Juan, each had two hits. The Chips finished the season with a 4 - 2 record, while the Speechchuckers finished at 2 - 4. The latter team will now play Team Canada in an elimination game to see who will meet the pennant champs in the crowning of a Hank Aaron champion for the summer of '77.

TEAM CANADA EDGES SPEARCHUCKERS

On August 8, Team Canada won a time-shortened five inning game from Shamamian's Speechchuckers by a score of 5 - 4. Team Canada led 5 - 0 after two innings of play but the Speechchuckers came back with one run in the third inning and three in the fourth. In the top of the fifth, the Speechchuckers had runners on second and third and only one out, but they could not score as Troy Doss popped out to the Pitcher and Lou San Juan flied out to center to end the game. The Speechchuckers, Pete Shamamian went three for three and Jeff Singelmann had two hits. The winning pitcher was Bryan Day and the loser was Charlie Abbott. The Speechchuckers finished the season with an overall record of 2 - 5 while Team Canada now has a 3 - 2 record. The victors will now face the Chocolate Chips in the Hank Aaron finals.

CHOCOLATE CHIPS RIP TEAM CANADA FOR HANK AARON LEAGUE CHAMPIONSHIP

On Thursday, August 11, Chip Trayner's Chocolate Chips completely demolished Wynn Parrish's Team Canada by a score of 23 - 1. The Chips had 23 hits to go along with their 23 runs, while Team Canada had 11 hits but could only manage one run. Every player in the Chocolate Chips lineup contributed at least one hit. Four hits came off the bats of Chip Trayner and Dirk Watson, while Dave Yale and Eduardo Vega had three hits each.

KAWANHEE MEETS WEKEELA

— by Scott Leiper

For the first time in recent history, Kawanhee sent an all-star Senior League team to another camp for a game of basketball. Traveling south, they met the Kawanhee contingent pulled in confidently, only to be met by a braying donkey. Bill Heer immediately wondered if they were trying to tell us something. Unfamiliar with an indoor, hardwood floor, the Kawanhees started slow. Heer and Dave Bolon soon found their aim, however, and as tri-captains John Detrick, Dirk Watson, and Mike Duncan began controlling the boards, the Wekeela team looked weak. Going into the final quarter, Team Wekeela, down by 8, turned physical and, as Kawanhee began to wonder whether fouls were a part of the game, our lead diminished. Darel "Danks" Brown of Wekeela tied the score with no time remaining, sending the game into overtime. The Kawanhee team regrouped on the sidelines and then went to work on Wekeela's sagging defense. Bolon, Heer, Harold Abram, and Andy Wallace worked the ball well and quickly put away any doubts about Kawanhee's court supremacy. Bolon had three key baskets in overtime and Kawanhee won by five. The boys on the team were Dave Bolon, Bill Heer, Andy Wallace, Harold Abram, Mike Duncan, Dirk Watson, and John Detrick. They were ably driven, coached, laughed at, trained, and brainied by Mark Standen and Scott Leiper.

THE FINAL B-BALL COURT REPORT

— by Scott Leiper

With only a few hours remaining before the 1977 Awards Ceremony, the KBL season came to a dramatic close under clear skies at the Kawanhee Garden. It took nothing less than two one-point victories to wrap up championships in the two older divisions.

The Mosquito League required little drama and was all over by Tuesday when Chum's Bums rode the rails to victory in a two-game sweep over Randall's Vandals. The Vandals, undefeated in the regular season, limped into the play-offs minus the services of Teddy Lape and quickly lost Captain Trip Randall to an ankle injury. With only Flip LiCalzi left from the once devastating front line, the Vandals lacked the firepower to

compete with the revitalized Bums. In two almost identical games, the Bums picked the Vandals clean, 46 - 15 and 48 - 23. Carter Messick had 34 points for the series and Jeff Vanlinwegen had 32. Flip LiCalzi, scoring all his team's points in one game and half of their total in another, finished with 27. In the locker room afterwards, amidst a rousing chorus of "Flanagan's Restaurant," Chummy Sullivan wrapped it all up by saying, "Ya know, we were so far down, bottom seemed like up but we came on strong, developed a new strategy, and here we are with the champagne shrimp."

The Senior League also saw a face-off between an undefeated powerhouse, the Long Johns, and a Cinderella story, Watson's Wonders. The Wonders, facing elimination all season, came off with a special play-off victory over Duncan's Dunkers and snatched the pants off of the Long Johns, 24 - 20, in the first game. While Long John Detrick was on the bench with a twisted ankle, opposing Captain Dirk Watson had little trouble depositing his sky hook and he finished with 12 big points. When Detrick returned in game two with a limp, Watson upped his score to 14 points, but the Long Johns were back in gear and coasted in with a 27 - 24 victory to tie the series. The stage was set for a climactic finale and the standing-room-only crowd was not left down. The lead wouldn't keep still in the third game but with seven seconds remaining, it looked like Watson's team was going to be the wonder of the year. Behind by two points when John Detrick came up to shoot two foul shots, the Detricks were seeing their undefeated season end in disaster. Detrick put in the first one and suddenly the tickle finger of fate turned. Missing the second shot, John managed to grab the rebound and pass the ball out to ace forward Dave Bolon. Bolon lofted his patented sweet-shot from 20 feet just as the clock hit double zero and, as all watched in wonder, the ball fell in putting the Long Johns on top by one. Bolon was quickly carried off to the locker room and treated for cardiac arrest while his team bathed in the bubbly. Bolon and Watson ended with 30 for the series. Long John Detrick swept the play-off MVP title for his gutsy play on a sore ankle.

In the counselor series, an unlikely Leiper team managed, thanks to the hot shooting of Reggie Weston, to get into the play-offs and then to send the series into a third game. The Belskisers, dominant throughout the regular season, threatened to run away with the final game in the second quarter. The consistent shooting of Bob Zechiel, Bob Altmaier, Jeff Sengelmann, and Captain Belskis for the Belskisers kept the Leipers scrapping, but the Leipers had a short rally and so were down by only seven going into halftime. As the fans began edging to the front of their seats, the Leipers realized that an upset victory was just a shot or two away. Quickly moving into a full court defense, the lead began chasing the clock down and with forty seconds to go, only four points separated the teams. The Belskisers, veterans that they are, proved their strength, however, and preserved a one-point victory for a final score of 57 - 56. In the locker room afterwards, while BA sang out his "Pass Me By" song, Peter Belskis, series MVP, was overheard saying, "What were you guys worried about? I had it all planned."

Hoop Scoops: It has been an honor serving as Commissioner this year. My one-year appointment is over and I'm off to other shores. It has been rewarding to carry on the fine tradition that BA Altmaier has passed on through the years in pushing basketball past baseball in popularity. Long live Kawanhee and long live the Kawanhee Garden.
