

THE GOING OF THE CHIEF

On Friday night of the final week of camp, The Going of the Chief Ceremony was held. First, everyone assembled in the Rec Hall for the traditional end of the season slide show. Mike Altmaier, Dan Webster, and Al Spencer presented their slides which were greatly enjoyed by parents and other guests, as well as by campers and staff.

After the show everyone moved to the Council Ring for the Ceremony of the Going of the Chief. Head Sachem Herb Birch started by calling Chief Kawanhee who comes from the lake through the woods to the Council Ring. The chief addresses the group and then calls for Sachems who represent each Lodge to come forward and read their messages written for the campers of 1995. These messages are then buried at the Council Ring and read again next summer at the Coming of the Chief Ceremony.

All present were asked to join hands as Chief Kawanhee spoke of the values learned at camp during the two moons and he asked that each one think of the friendships, increased love of nature, better skills, and the fun of being here as well as much more. He encouraged all Kawanhee Braves to take these positive advancements, and apply them in their homes, schools, and lives. The Chief then extended his blessing upon the group, and strode silently into the forest. All present felt they had a remarkable summer at a remarkable place.

campers sit with the Head Sachem to write the ideals of Camp Kawanhee for the boys to follow during the summer of '95. This message is then read at the closing campfire for Chief Kawanhee's approval and buried at the fire site to be read to the Kawanhee Braves by the '95 Sachems at the Coming of the Chief in the beginning of the season of '95. This elected group plays a big part in the carrying on of the Kawanhee traditions started 74 years ago. The content of their message includes such statements as "Be a good sport whether winning or losing", "Follow the Golden Rule", "Be honest with yourself", "Respect the environment", "Follow the directions of your leaders", and many others. TWO GREAT CAPTAINS

This year the Grey and Maroon teams had two great Captains. Leading the Maroons was Jacobo Calderon from Madrid, Spain. Jacobo was helped by his Assistant Captain, Carlos Canas who was also from Madrid. The Grey Captain was Adam Ramsay from Naples, Florida. Adam was assisted by Brian Huntington from Westwood, NJ.

This was one of the best years in Kawanhee's history for close, competitive spirit between the teams. The team competition was close right down to the final number that Bob (B.A.) Altmaier put on the score sheet at the Awards Ceremony. Both teams worked and played hard and the leadership they got from their Captains was outstanding. I'm sure every camper will look back on the great season of 1994 and one of their fond memories will be of the Grey-Maroon competition. That great competition would not have been possible without two outstanding Captains and two outstanding Assistant Captains!

MAROONS WIN THE TEAM COMPETITION

In an exciting, summer-long contest, the Maroon team defeated the Grey team by a little over a thousand points. The final score was 58,029 for the Maroons and 56,667 for the Greys.

With over 114,000 total points scored, again the Kawanhee record was broken for most points scored in a camp season!

Although the Maroons started out with an initial lead, the Greys made a great comeback and narrowed the lead to a few hundred points. There was great suspense as Camp Scorekeeper, B.A. Altmaier, put up the final numbers at the Award Ceremony. When the final number was attached a great celebration took place on the Maroon side and Captain Jacobo Calderon received the traditional lake "dip". Both Maroon and Grey teams should be congratulated for their fair and hard fought competition throughout the summer.

POLAR BEAR

"Oh what a beautiful morning, oh what a beautiful day. I have a wonderful feelin everything's going my way! UP AND AT 'EM." Beginning June 29th this well known refrain could be heard every morning at 7 A.M. as campers, counselors, and staff members jumped into the cool waters off Polar Bear dock. The season got off

to a wonderful start when the entire camp turned out for the first dip. A record number of 57 Kawanhees came 10 or more mornings during the season to become members of the Polar Bear Club, and Adam Cook earned the Polar Bear Award for coming every morning. This is the second time Adam has earned this award so a special necklace was attached to his original bear. Special mention goes to Andy Burbine for coming 40 out of 42 mornings. Head Bear, Herb Birch thanks everyone for coming out and looks forward to hoisting the Polar Bear flag in 10 Moons!

ARKANSAS RAZORBACKS 1994 BASKETBALL CHAMPIONS

The most valuable player of the Junior League, Adam, "Krypto", Studebaker, put on a show as he poured in 21 points, a game high. Teammate Marc van den Broeck added 4 points while Carter Moore had two coast to coast lay-ups and 3 steals for the winners.

The Blue Devils who had been coming up just a bit short against a talented Razorback Team all season, were led by play-up MVP Jamie Strawbridge who totaled 11 points, 10 of which he scored in the second half. Although trailing most of the game, Strawbridge kept his composure amidst very intense pressure defense from the Razorbacks.

Also for the Blue Devils, Kawanhee All-Stars Matt Berg and Brian Jacobs combined for a total of 12 points. Jorge Marcial rounded our Duke's scoring attack with 2.

Arkansas: Studebaker 10(1), Moore 2, van den Broeck 2, Purcell 1, B. Fichter, Casto

Duke: Strawbridge 5(1), M. Berg 3, Jacobo 3, Marcial 1, Chagaris, Hayward, Miller

CONGRATULATIONS TO THE 1994 KAWANHEE JUNIOR LEAGUE CHAMPIONS:

Carter Moore, Marc van denBroeck, Adam Studebaker, Josh Purdell, Brad Fichter, Jon Casto, Brad Comfort, Hadrian Engel.

WRESTLING FINALS

The Wrestling Room was once again rockin' in '94! The excitement of the season climaxed during the last

two weeks of camp. We not only had the annual meeting between the Greys and the Maroons, but we also had the always exciting conclusion of the All Camp Tournament.

On Saturday, July 31, the Grey and Maroon Captains each carefully picked their teams. At 3:00 P.M. that same afternoon everyone gathered in the Wrestling Room to cheer their team. As the match went on the excitement grew. With only two matches to go the Maroon Team held a slight lead 17 to 16. But after two close victories, the Grey Team edged out the Maroons by a final score of 22 to 17.

After the Grey and Maroon match, every camper entered the All-Camp Tournament. The tournament was set-up into 12 different eight man brackets according to weight class. By the last Wednesday night of camp, every weight class was down to two finalists. Once again the Wrestling Room was packed to capacity to witness the thrilling conclusion of the tournament. The Champions were as follows: 75#'s--Jon Casto; 84#'s--Brian Osar; 98#'s--Jorge Marcial; 106#'s--Eduardo Lucas; 115#'s--Tom Papa; 124#'s--Kris Hamwi; 127#'s--Shawn Maxwell; 131#'s--Jason Gardner; 135#'s--Bill Burbine; 145#'s--Adam Cook; 155#'s--Jim Mullen; and in the Heavyweight Division, the Champion was Michael Leitner. Congratulations to all who participated and I'll see you next summer!

TENNIS

Another year of achievements has passed in the Tennis Department under the direction of Senior Counselors James MacLeod and Scott Worthington with the help of Mike Compber, Matt Rothman, Peter Cartei, and Chris Lemole. We competed in the Camp Wekeela Invitational as well as two Inner Camp Tournaments.

At Wekeela outstanding tennis was played by Peter Cartei winning the 16 and under division, Michael Leitner reaching semi-finals, and Martin Leitner and Matt Rothman reaching the semi-finals in doubles.

In the Second Annual Kawanhee Doubles Tournament were semi-pro players--Michael Altmaier, Lucy Ramsay, and James MacLeod but Captains Adam Ramsay and Jacobo Calderon emerged victorious. The Grey-Maroon Tournament was a great success with over 70 matches played. This tournament showed the was improvement made by all the campers over the course of the summer.

We look forward to seeing all of you on Kawanhee's beautiful clay courts again next year.
