

ANOTHER GREAT SUMMER ENDS AS MAROONS WIN!

MAROONS WIN!

In one of the most exciting Maroon-Grey contests in Kawanhee history the Maroon team withstood a furious Grey comeback and the Maroons won this years Maroon-Grey contest 46,180 to 46,006.

It was only two weeks ago that the Maroons held a commanding 3,000 point lead. But slowly and steadily the Greys cut into the lead. As BA tabulated the final score he realized the Maroon lead was under 100 points. The final Maroon-Grey event, the Tug of War, was to take place on Saturday morning and it was worth 100 points! It would all come down to the Tug of War. Luckily for the Maroons they won the Tug of War and thus they won the year long contest! It was a great and exciting year in Maroon and Grey competition.

BA would like to give special thanks to Chuck Compher Jr., Paul Rotolo, Louisa and Keith Erf for their help on scoring night. See you for the 1990 season!

COUNSELOR HUNT AND WAR CANOE RACE

Friday, August 11, was time for some of the last Maroon-Grey events for the year. The first event was the annual counselor hunt. After each counselor had 15 minutes to hide, each camper went out to look for their favorite counselor. Each counselor found was worth ten points for their Maroon or Grey team. Quickly counselors started coming in with the campers who had found them. The score went back and forth until with just a few minutes left it was 80-80. Then a Maroon camper found Hawk Senior Counselor, Matt Davis, and the Maroons won a narrow victory. Several counselors such as Pete Belskis, Jack Mondell, George Condit and Mark Cutler escaped capture and their point value will triple next year! Mark Cutler deserves special mention for hiding in the swamp and sacrificing his body to mosquitos!

As soon as the counselor hunt was over the war canoe race took place. Each canoe held eight canoeists and both teams had been practicing through the week. This year the race was about a quarter mile long. As soon as the starting gun sounded there were immediate problems. The canoes collided twice and finally the race was halted and re-started. After the re-start the Maroons finally took a small lead and opened it up a little bit and won the race.

The Maroons had won two narrow team victories that day and as they would find out shortly they would be very important victories!

KAWANHEE LITTLE LEAGUE REPORT

BY Joe Highman

Ultra Advances.....

In the playoff game, the third place Scarlet Begonias faced the second place Ultra Violets. It was a very exciting game all the way to the end. The Scarlet held an 8-5 lead at the Ultra's last at bats, but due to Luke Koplitz and Chris Unick stealing home and Jim Mullen's game winning RBI with two outs and two strikes, captured the berth in the series for the Ultra Violets. Big hitter for the Begonias was team MVP Darin Lutz, hitting two for four and striking out six opposing batters. Hitters for the Ultra were Jim Mullen, two for four, with the game winning RBI and Adam Ramsay, two for two, with six stolen bases. The final score was 9-8.

Ultra Wins Game One of World Series

The first game of the KLL World Series pitted the first place Blue Thunder against the Ultra Violets. Clint Mondell, MVP of the Playoffs pitched a shutout against the Thunder with ten strikeouts. Big hitter for the victors was Jim Mullen who went two for four and Adam Ramsay with a screaming double.

Blue Returns in Game 2

In game 2, the Blue Thunder returned to form with Brian Huntington on the mound and twirling the victory. Big hitters for the Ultra were Gustavo Stieglitz, batting champ for the playoffs, hitting three for three with a double.

Ultra Violets - World Series Champs!

The final game of the KLL World Series pitted Clint Mondell against Mike Compher on the mound. The Ultra Violets completely dominated the game. Clint Mondell had ten strikeouts raising his Kawanhee career total to 72 strikeouts in 42 innings pitched. Big hitter for the Violets was Adam Ramsay, batting champ of the season going 3 for 3.
