

ANOTHER GREAT YEAR AT KAWANHEE COMES TO A CLOSE!

MAROONS EDGE THE GREYS FOR THE TEAM CHAMPIONSHIP

In another exciting year of Maroon and Grey activities, the Maroons came out on top of the Greys 42,902 to 40,061. The Maroons grabbed the lead the first week and never let it go, building up to a 1000 point lead during the summer.

As the final score came in, B.A. Altmaier and his scorekeepers had the whole camp nervous with excitement --- did the Greys come back and win? Or did the Maroons hold onto their lead? Many times in the past few years, the team who has been ahead the whole summer lost the final score, but it didn't happen this time as the Maroons pulled ahead to a comfortable margin of victory. Congratulations to Shawn Flaherty, captain of the Maroons and his co-captain, Robert Compher, and congratulations to the captain of the Greys, Andy Brown and his co-captain, John Donahey. It was a season of good sportsmanship and great competition.

B.A. would like to give many thanks to his special Kawanhee score keeping crew. Kathy Mondell and Mary Birch were the computer experts that helped B.A. get the score on the computer in 1990. Kathy spent many long hours setting up the program. B.A. would also like to thank Chuck Compher Jr., Jaques Vauclain, and Kay Cuttler. See everyone in 10 moons.

Suspense before the Final Score

FLAG RUSH COMES TO KAWANHEE

On Friday, August 10, a new game was introduced to Kawanhee. It was called Flag Rush. It is a variation of Capture -The-Flag that we have played here for years.

In this game there are many flags to be captured instead of just a few. There is a row of 10-point flags and 15, 25, 35 and 100 point flags. Only the younger boys can capture the closer flags while the older boys go for the further flags. Because of the number of flags, there is almost constant action as the boys attempt to capture the 13 flags.

On each side, every boy had a sock in his back pocket, and grabbing the sock put you in jail. At the end of each quarter, the team got five points for each member of the opposing team in jail.

The game was played in four quarters, and right from the start, the Maroons got off to a huge lead --- a lead they never gave up. Although the Greys played the Maroons even the last three quarters, they never could catch up to the huge Maroon lead. The final score was Maroons 2,190 and Greys 1,650. It was an exciting game, and one I am sure we will see again at Kawanhee.

THE GOING-OF-THE-CHIEF

Although Kawanhee was swamped with rain the last few days of camp, the Chief was able to leave Camp Kawanhee for the seventieth year before camp ended. For a while, it looked like the Chief would not leave camp this year as heavy rain pelted Kawanhee for forty-eight hours, but a break in the clouds appeared late Saturday, and the Chief Ceremony took place.

As always, the Chief appeared, and the message from the campers of 1990 was read. This message was then placed in a can under the ground near the campfire. It will be dug up in ten months to be read to the campers of 1991. The Chief told all campers and staff that now they are taking something from Kawanhee as they leave for their various homes. These things include the love of nature, many memories, and life-long friends. It was a great ceremony and a great way to end the year.

KAWANHEE GETS FOUR NEW JMG'S!

For the first time in several years, Camp Kawanhee had several boys pass the tough JMG tests administered by State of Maine Senior Guides. The Junior Maine Guide Program tests boys in outdoor skills such as firebuilding, canoeing, topographical map work, first aid, and other skills. Usually the tests are so hard that it takes two years for most boys to pass. This year Kawanhee broke it's previous record, as four boys passed the difficult tests. Three were second year candidates: Robert Compher, Ben Hoffhine and John Donahey. Bob Hart should be especially congratulated for passing on his first year of testing. Camp has several JMG alumni on its staff. It's great to add these boys to our list!

HANK AARON LEAGUE PLAY-OFFS

By Darin Lutz

In the first game of the HAL play-offs, the Albino Rats squared off against the White Heat. The Heat took an early lead, and the Rats could never catch up. Michael Compher and Steve Johnson led the offense as well as the defense. Steve Johnson was the winning pitcher. The White Heat won 19-11.

In the final game of the HAL World Series, it was the White Heat taking on the Square Heads. The Heads took an early lead, but the White Heat was just simply too hot to handle. Dan Collins and Steve Johnson both went 4/4, and Steve Johnson was the winning pitcher. The White Heat won 10-3 to win the World Series.

ARCHERY REPORT

Archery concluded a very exciting season with a total of 496 medals and 23 Robin Hood awards being awarded. During the seven-week season, there were many memorable moments as Kawanhee campers persisited to reach or exceed their goals. Two deserve special mention: P.J. Donahue stood and shot his Junior A Robin Hood in a downpour during week seven, and Luis Benitez, who had been working on his Archer Pin for two seasons, finally earned not noly the Archer Pin but also his Junior B Robin Hood on Wednesday of the final week.

Kawanhee campers participated in an out-of-camp tournament at Camp Kohut near Oxford, Maine for the first time ever. The two teams of 6 campers each combined for a fourth place finish with the 12 and under team placing second and the 15 and under team placing fifth. The team's fourth-place finish was only 100 points out of second place.

The following weekend and week, the archery department held its own tournaments with the Grey team winning the Grey-Maroon tournament and the Maroons winning the all-camp tournament. Winning archers for the Grey-Maroon tournament were: Jr. C -- Chase Rosenberg, Jr. B -- Walter Shin, Jr. A -- Steve Johnson, and Senior -- Andy Brown. Winners of the all-camp archery tournament were: Jr. C, 15 yards -- Edward Watson, Jr. C, 20 yards --- David Greig, Jr. B, 20 yards --- Chris Greenberg, Jr. B, 30 yards --- Diego Campo, Jr. A, 20 yards --- Willy Trias, Jr. A, 30 yards --- Steve Johnson, Senior, 20 yards --- Joe Rini, Senior, 30 yards --- Ben Hoffhine.

Steve Johnson and Ben Hoffhine: Senior Robin Hood Winners

During the season, many boys qualified to shoot for Robin Hood trophies. To earn this special award, a camper must shoot 30 arrows at each of three yard lines for a total of 500 points. Since the three rounds must be shot in one session, this award not only tests the shooting ability, but also the endurance of the archer. Twenty three boys earned this coveted trophy: Jr. B -- David Greig, Eric West, Pedro Duque, Torrey Liddell, Luis Benitez, David Johnson, Eric Klumb, Diego Campo, Jim Papa, Joon You, Chris Greenberg, Walter Shin, Ted Slee, Clint Mondell, and Gustova Stieglitz. Jr. A -- P.J. Donahue, Jim Mullen, Carlos Canas, David Frothingham, and Inigo Oyarzabal. Senior -- Ben Hoffhine, Trey Griley, and Steve Johnson.

Ribbon award winners were: Jr. C: Champion --- David Greig, Runner-Up --- Jeff Urquhart, Most Improved --- Edward Watson. Jr. B: Champion --- P.J. Donahue, Runner-Up --- Diego Campo, Most Improved --- Walter Shin. Junior A: Champion --- Steve Johnson, Runner-Up --- J.D. Novak, Most Improved --- David Price, and Fransisco Bullon. Senior: Champion --- Ben Hoffhine, Runner-Up --- Pedro Canas, Most Improved --- Alphonso Maillo.

Chuck and I were very ably assisted in archery this summer by Senior Counselor, Rupert Wetherilt, and by C.I.T.'s, Alphonso Maillo, Jason Roth and Pedro Canas. We both thank them for their hard work and service to the department this summer.

This has been a wonderfully exciting season in archery, and we look forward to seeing everyone back at Kawanhee in 10 moons.

Chuck Compher and Nancy van den Honert.

Ray Frank - MEMORABILIA

A Red Cross postcard to Mrs. Frank and saying "The ship on which I sailed has arrived safely overseas," signed Raymond Frank.

This card was dated 1917, and Raymond Frank was off to fight in Europe in the 1st World War, he was about 18 years of age.

This was one of the many treasures I found when I opened up a box in the Archives room behind the library.

There were poignant letters home, letters which had been diligently copied by his mother and placed lovingly in a file, and letters telling of the conditions he was living in during the war. Of course, not too much could be said as the letters were censored, but they gave some idea of the conditions. Forty men to a railroad truck, 65,000 men in one camp, all being fed hot food, and allowed to go back for seconds and even thirds! What must have passed through his mother's mind as she sat patiently for these letters is beyond comprehension.

There were postcards from many places visited, insignia from his uniforms, his enlistment and honorable discharge papers. What did he feel as he so carefully saved all these momentos?

One of the most treasured possessions must be a letter of commendation from King George V of England.

Raymond Frank was not only a soldier, he was a fine tenor and from newspaper cuttings we can see that he appeared in many concerts overseas, on board ship as well as here in America.

School reports dating back to 1908 show him to be a fine scholar, and he went on to Columbia University where he studied music and literature.

A treasure house indeed, and we were fortunate to be able to browse through at leisure, to build up a picture of this interesting man. Raymond Frank was one of the co-founders of Camp Kawanhee.

*****AS KAWANHEE TURNS*****

Wedding Bells! Terry Berrigan and Kim Mapes were married August 19 at Council Point by Rev. Wayne Shontz of the Weld Congregational Church with the reception at the Camp Dinning Hall and it was a beautiful day for them. It will be wedding time for Frankie Finetto in Washington, D.C. in the very near future. Also congratulations are in order for Keith and Louisa (Van den Honert) Erf for the birth of Robert Kyle Erf born on July 25 weighing in at 7 lbs. 11 oz. --- all are fine! Ed and Mary Hamblin were in Camp and informed us of John Hamblin's marriage to Deborah Lennon on March 3. John is the District Manager of Master Chemical Company in upstate New York and they are living in Liverpool, New York. Mr. and Mrs. Andy Crawford were in Camp for a tour and enjoyed seeing the Camp in action. Andy is a 50-year man and has the distinction along with another camper, Bob Larkin, of building a "houseboat" in Shop and actually taking it out on Lake Webb. It was christened **Crawlark** and could sleep two boys. Sounds like fun doesn't it! Bill Yardley vacationed at the Inn and spent time with his friends in Camp. Bill was best man at his son's wedding to Kathy Winey which took place at the Cape and it is now Mr. and Mrs. Chris Yardley. They are living in Farnington, Maine where both are connected with the University. Mr. and Mrs. Steve Dexter and their children were welcome visitors in Camp along with several others: Mr. and Mrs. David Fung from Belmont, MA; Peter Strachan from Tenaflly, NY; Jon Hively from Conway, NH; Charlie McGee from Portland, ME; Greg Sweeney from Westbury, NY; Dr. Jim Murphy, Columbus, OH; and also Buddy Brainard from Haddonfield, NJ. Buddy and his brothers (John and Larry) were in camp in the late 50's and 60's as was Jon Hively. In case any of you wish to know the whereabouts of some of your Camp friends, please check with the Wigwam as the address may be on record.

Another Kawanhee baby arrives - Mr. & Mrs. Jack Alexander announce the birth of Amy Spencer Alexander.

Keep your news coming so we can inform the Kawanhee Family and start thinking KAWANHEE REUNION to celebrate the 75th year in 1995!
