Proctor's Maroon Bunch Leapfrog the Greys

Bill Proctor and his Maroons got on the band wagon this past week and made their prediction of victory come true when Del Tracy, head scribesman, read the score for the fourth week of camp. The Maroons not only outscored the Greys for the week but they outscored them for the season.

They outscored the Greys for the week by a total of 763 points to take over the No. 1 spot in the battle for points with a season total difference of 266 points.

Tim Williams and his bunch were "Grey" for the evening, but gave their rivals a victory cheer to show their good sportsmanship; however, with the reservation that the Maroons had better enjoy victory while they have it, as they are determined to take revenge and regain the top spot on the totem pole of points come the next reading of the score.

Meanwhile, the Proctor Maroons appeared to be enjoying the No. 1 spot and are going to be a little reluctant to give it up. Therefore, their goal is onward and upward with levels and points.

The Greys were victorious in Swimming 340 to 150; Nature 205 to 180; Sailing 170 to 140; and the Field Day Events 245 to 118; however, the Maroons enjoyed victory in Tennis 810 to 380; Boating 340 to 250; Campcraft 485 to 405; Shop 280 to 140 and Athletics 740 to 695, to make a total for the fourth week of camp of 4,867 for the Maroons and 4,601 for the Greys.

Both captains well know that this total is a mere pittance compared to the final score come August 23rd and they have instructed their teammates to get in there and work and learn while they earn points for their team.

Bon Voyage — Bon Jour

Kawanhee said a sad bon voyage to Herb Birch, Mr. Kawanhee himself, this past week as he is taking a short leave of absence for a trip abroad. Herb, Director of the busy shop, a position he has filled for 30 years, will return August 18th, just in time to put the finishing touches on all those paddles earned during the season. Have a good trip Herb, but hurry back.

Filling Herb's place for the last half of the season will be Bob Duffey, another Kawanhee veteran of several seasons. Bob's service to Kawanhee has been varied as he has been in Tennis, Archery and now shop. Bob is a teacher of Industrial Arts at Bexley High School, Bexley, Ohio, a position he has ably filled for 37 years. Welcome back Bob, we have missed you.

NOTICE PARENTS !

It is just three weeks until the close of camp and time to make arrangements for your camper's return trip home. So many camps will be closing around the end of August that we deem it necessary to know your plans for your sons as soon as possible. Do you plan to pick him up; do you want him to go via arrangements for the majority of the camp; or do you have a special destination planned for your son? These are the questions that we must know immediately. If you have a special destination flight for your son, please send us the ticket so that we may complete our list. It is difficult to provide transportation for 134 boys at the last moment and get the best possible accommodations. The flight plans for the Ohio campers and the return bus trip for the Eastern boys will be posted in the new issue of the Wigwam.

Saying of the Week

"Did you know that a letter from home was almost as good as a hug from your mom." Take heed parents, mail call is very important to a well adjusted camper — never get too busy to write to your son. Even if your son's letter is short, that is his way of saying, "I'm having a good time Mom and Dad, but I miss you because I love you, write to me often."

Kawanhee Field Day

Saturday afternoon Kawanhee held its first Field Day of the 1971 season. The events were well received by the campers and spectators and many new champions were found. Lyman Smith and Jeff Sengelmann managed a win over Mike Haynes and Chris Stallman in the knot tying event. John Stillman, Fritz Lamb and John Rullan have the coveted honor of being the best watermelon "spitters" at Kawanhee. However, the Maroon Captain, Bill Proctor holds the record with his "spit" of 21'1". Tim could have done better but when he threw his head forward for his blast off his hair got in the way and prevented the seed from going but a mere 11'11".

John Ireland and John Stillman battled it out with Angelo Franco and Dave Means in the Canoe Jousting with Angelo taking the first dunking. Mark Sengelmann and Doug Sensenbrenner ran out of steam against Jim Estabrook and Ken Chapman in the Senior Canoe Jousting contest and both the puncher, Sengelmann, and the paddler, Sensenbrenner, went into the drink from Jim's forceful push.

The Cross Cut Sawing was a very close race in the Jr. A. division with Bruce Benua and Mark Oliva besting Thorp Minister and Peter Wetherbee by four seconds. However, all contestants decided that sawing wood was not a profession for them to pursue.

The Maroon Team of Ted Anderson and Artemio Rivera outtossed Tom Tipton and Bill McCandless in the Log Throwing event. Johnny Rullan won for the Maroons in the Senior division of the Log Throwing event. John Duncan and Manuel Vinas tied for second with Rich Hemry throwing fourth.

Peter Wetherbee displayed excellent axmanship as he separated his log with precision strokes in a time of 2 minutes 21 seconds to best Ralph Tice's time of 3 minutes 54 seconds. You could say that Ralph's log looked a little larger than Pete's, but the officials said not.

Sam Detrick's weight in the Wheelbarrow race was a little too much for Dave Durell as they lost to Chip Harrison and Brian Birch.

The Pillow Fight gave the spectators and campers the most thrills and adventure. A pole (which was greased) was suspended horizontally over a pit filled with water. Two campers, one on each end, battered each other with a sack filled with papers. This sounds easy, but picture trying to stay on a greased pole while hitting someone with a sack. John Detrick was the first winner as he jousted Willie Rigsby into the drink in record time. Chip Trayner displayed excellent balance as he battered Robert Marcucci until he lost his balance and fell into the water below. As usual, Raub came up smiling. Danny Thomas crossed his legs to get a good hold on the greased pole as he pounded Hollis Macomber until he joined the group of soggy campers. Herman Tice and Si Dunkel really had a great battle as both boys really kept their balance remarkably well on the greased demon. However, Si soon succumbed to the waters below. Pete Mykrantz pounded Bill McCandless until he slid to the waters below and Mark Sengelmann, with dire determination after several almost mishaps, pounded Jim Estabrook until he lost his balance and fell to the waters below. Mark, being a good sport, fell into the water after him. John Ireland and Bruce Benua won over their opponents Roger Sweet and Pablo Baez after several swings to the underneath side of the pole. The main event of the pillow fight was the battle between the two captains, Tim Williams and Bill Proctor. Proctor, with a little edge over Tim in size, had little difficulty in getting Tim to lose balance and fall into the muddy waters below.

Everyone in the crowd was wet even though they didn't participate in the event. The rains were warm and all welcomed the cool, soothing drenching while having fun at Kawanhee. After the events, the campers took a refreshing dip in the cool waters of Lake Webb before returning to their lodges to dress for dinner.

Androscoggin Revisited

For the first time in many years, Camp Kawanhee paddlers have tackled the headwaters of the Androscoggin River. This white water trip began on Thursday and continued through Friday as the techniques for "rough-water" paddling were learned.

Upon arriving at the Mollidgewock campground around Thursday noon, camp was quickly set up and a hasty lunch was eaten. After some on-shore instruction, we hopped into canoes and paddled five miles downstream through alternating rapids and slow-moving pools. The great run was topped off by seeing a moose and by the last deep section of water where the boys were allowed to swim with life-belts on. This section below the campsite was run a total of three times — two Thursday and one Friday — along with one other short run underneath the Errol Bridge. Despite a few minor setbacks, the trip was very successful.

Living through with great memories were: Dave Means, John Ireland, Scott McMinn, Mark Schiewetz, Raub Smith, Eric Durell, Ralph Tice, Ken Chapman, Chris Charyk, Rich Darmanin, Lorenzo Baker, Scott Leiper, Doug Means, John Detrick and Tom Ruhle.

Competitive Sails Billow Over Lake Webb For Second Regatta

The Second K.Y.C. Regatta was held on Saturday, July 17, and Sunday, July 18. On Saturday, with a stiff breeze from the Narrows and a triangular course around Dee-Dee Reef, the four Skippers and their crews began the competition: Richard Darmanin with crew, Jeff Shaw; Lee McCleave and crew, Thorp Minister; Ralph Tice and crew, Mark Melvin; and Scott McMinn with crew, Bill Rodgers. The first two races (of the set of four) ended with identical results: Darmanin, first; Tice, second; McMinn, third, and McCleave, fourth. In the second race, two protests concerning buoy room and starboard over port helped to make the regatta suspenseful, with the final tallies dependent upon the outcomes of the protests. Saturday's racing ended after the second race when a drenching rain caught the sailors with a dying breeze. The last two races were forthwith postponed until the following day.

On Sunday afternoon, July 18, the sailors met again for the continuation of the previous day's regatta. The wind was stiff from the SSW at 10-12 knots, and the course was consequently a reverse triangular course (marks to port) with the windward mark towards Little Government Beach. Within twenty minutes of the start of the first race (third of the series), the wind shifted full to the Gap at 12-15 knots, but the results of the third race were the same as the first two races. After a course change to offset the wind shift, the fourth and final race of the series was held with the following results: Tice, first; McMinn, second; Darmanin, third, and McCleave, fourth. The protest meeting following the regatta left the results of the races virtually unchanged and the final results found Richard Darmanin, first with 21 points; Ralph Tice, second with 18 points; Scott McMinn, third with 13 points; and Lee McCleave, fourth with 8 points. The regatta was especially distinguished by the great sportsmanship as well as competitive spirit of the contestants.

First Seasonal Regatta of the Kawanhee Yacht Club

The Kawanhee Yacht Club got its racing program off to an early start when it held its first regatta on July 3rd. Scheduled to race were: Eric Etherington and his crew, Ralph Tice; Mark Sengelmann and crew, Will Ireland, Roger Sweet with crew, Mark Oliva, and Mark Melvin and his crew, Mike Haynes. Mark Melvin was forced to drop out because of mechanical difficulties with his boat. Roger Sweet was also unable to go on after two races because of a broken rudder. Only three races were run, and Mark Sengelmann won all three. However, he was disqualified in the second race which resulted in an overall tie between him and Eric Etherington.

Mid-Season Report

The first half of Little League, Babe Ruth and Counselor Circuit action came to a conclusion this past week with a seven day stretch that had evenings at Chip Button Memorial Field booked solidly. Highlighting the fourth week of play, Tad Mitchell pitched and hit the goose-stepping Green Gestapo into second place with just one-half game between them and The Little League lead; Willy Wonka and The Chocolate Factory finally won a Babe Ruth game; and a slick fielding, deadly hitting Junior Counselor ball club unmercifully crushed the Seniors twice to knot their series at four.

Far and away the player of the week was Mitchell who hurled The Gestapo to victory both Wednesday night and Sunday afternoon. In the Wednesday night fray, The Greens trounced The Red Herring 11-5 with Mitchell connecting for a double and a triple at the plate. Losing pitcher, Pete Mykrantz was also strong with the bat, smacking a pair for two bases. Mitchell's big day, however, was Sunday when he was on the mound in a battle for second place with The Blue Crew. In one of the most outstanding pitching performances in league history, Mitchell threw smoke for ten straight innings, striking out 25 batters while he waited for his teammates to win the game. Herman Tice finally came through to sink The Crew in the bottom of the tenth by tagging Blue flinger Kirk Harrison (who also pitched a full ten innings, fanning 17) for a double, scoring, who else, Tad Mitchell who had led off the inning with a double of his own.

In The KLL All Star game, held last Friday, the second and third place combined teams of Blues and Greens edged out the first and fourth place Red and Orange All-Stars by a 1-0 margin. Even though the Red-Orange outhit The Blue-Greens 3 to 1, including two doubles by Red Herring's Pete Mykrantz and Bill McCandless, they couldn't score. The Blue-Greens could and they won.

Meanwhile in The Babe Ruth League, the wonderous Willy Wonkas amazed the skeptics and actually won a ballgame. Their initial positive note of the campaign, hard luck hurler, John Cunningham was a winner at last. In other action, The Wonkas also lost to the steam-rolling All-Americans who took their fourth straight, as did Ralph's Bunch who found, much to their surprise, that they had to share second place with The Chocolate Factory of Mr. Wonka.

Finally, in The Senior-Junior Circuit, the Jr. Counselors outscored the Seniors 25-10 over the weekend and literally blew them right out of camp. In a managerial move that may come back, if it hasn't already to haunt the SC braintrust (if such a thing exists) the Seniors played their second and third string in the Saturday night affair. The Juniors caught the Seniors leaning back on a two-game lead and pasted them around Button Field despite sterling defensive performances by SC's Doug Means and Jeff Monroe. The final score was 17-5. And, it didn't get any better Sunday night for the Seniors. Fielding their first team, including lucky Larry Pray on the mound and Wilton Golf Course ace, Bob Zechiel in left field, The Seniors got roughed up again by a 8-5 tune this time. The Juniors devastated the SC's with gatling gun hitting and Brooks Robinson fielding and seemed to take great delight in doing so. Led by Scott Leiper and Mike Standen, The Jr.'s buried the Seniors under 17 hits and wiped out their over-confidence as well as their two-game advantage.

KBL Off To A Good Start

The Kawanhee Basketball League got off to a thrilling start on July 7th with one of the biggest upsets on the books. Davis's Dribbling Dunkers, considered one of the weakest teams in pre-season ratings, upset the fearsome B. A. Bomber team composed of last year's leading scorer, Bob Altmaier.

B. A.'s team missing two of its big guns, Scott Leiper and Tom Ruhle, looked strong in the beginning of the game.

After the Bomber's Mark Schiewetz sank the first basket of the '71 season, the Bombers continued to dominate the first half of the game, leading in several occasions by more than ten points. In the second half, however, it was all Dunkers. Under Johnny Rullan's leadership, the Dunkers kept coming back until with just one second to go and down by one point, Rullan sank a jumper to give the Dunkers a 53-52 victory. Bob Altmaier's desperation full-court shot at the buzzer careened off the front of the rim to insure Davis's victory.

Rullan led all scorers with 33 points for the winners while always tough Bob Altmaier had 28 for the losers. Johnny Rullan's 33 point mark is the highest total any player in KBL action has tallied since the immortal Jim Duffey, "All-American from Bexley", had retired from the courts in '69.

On July 9th Hiser's Risers had little trouble with Monroe's Mob as the Risers coasted home for a 52-32 victory. Hank "Hot Shot" Hiser led all scorers with 21 points for the winners. Don Childs managed 13 points for the losers before fouling out. One of the main reasons for the Risers' easy victory was the expert play-making of Juan Soto and the sticky defensive play of every man on Hiser's team.

Dunkers Vs. MOB

Monroe's Mob, stinging from their walloping in their opening game, placed a balanced attack against the over-confident Dunkers and in a tight game came out the winners 53-48. Don Childs, head waiter in the dining hall, was also head of the court as he scored 28 points for the winners. Mike VanOst, playing his usual steady game, threw in 24 points for the losers.

Dunkers Vs. Risers

Hiser along with his fearsome foursome of Juan Soto, Peter Wetherbee, Jim Estabrook and Doug Sensenbrenner set the pace in the KBL standing with their second consecutive victory. Against Hiser's 24 points and the No. 1 defense in the league, The Dunkers ran out of gas and time, dropping a close 48-44 decision for their second loss in a row. VanOst, improving with each game, shared scoring honors with Johnny Rullan for the losers with 19 each.

Weekend At Kawanhee

Kawanhee had a little of everything this past weekend. Saturday morning was a beautiful, sunny day — in the A.M. only that is. By noon time the sun gave way to grey clouds and the rains came. However, it was a warm rain and our Kawanhee Field Day was held as planned.

What's a little rain to a group of campers when they are having fun and fellowship. The rain just added to the excitement and adventure of the program. We found a lot of new champions during the field events. Did you know that Johnny Rullan can spit a watermelon seed twice as far as Alan Sweet? Of course, if Alan hadn't been affected with the giggles, he may have done better. Fritz Lamb, broken arm and all, out "spit" John Jenkins with a distance of 20'11". However, John, too, was suffering from a case of giggles. We also found out that Angelo Franco liked the waters of Lake Webb better than John Ireland as he was bested in the Canoe Jousting event. Bruce Benua and George Oliva decided that log sawing was not going to be their line of work when they grow up even though they won the event by four seconds over Geb Keny and Thorp Minister.

So you see rain or shine, the boys at Kawanhee have fun, but fun with a purpose.

The rains had stopped by campfire time, but the Saturday night campfire was forced indoors due to the soggy condition of the logs in our Council Ring. Rich Davis conducted the program and led the campers in a few songs before the many achievement levels were read. The program concluded with the singing of our new fight song, "Oh, Give Me Camp Kawanhee."

Sunday morning the campers awakened to another beautiful clear day on the shores of Lake Webb. The Catholic boys journeyed to Mass at Wilton and the rest of the campers, dressed in their whites, assembled in the Rec Hall for services conducted by Rev. Hal Myers. Rev. Myers is from Moorestown, New Jersey, and was a former Kawanhee camper. He was assisted with the services by Rev. Stanley McCleave, Kawanhee's Chaplain.

Sunday afternoon the campers followed the usual custom of hikes into town for goodies, sailing, canoeing, writing letters, or just "goofing" around. The second half of the All-Star Little League Baseball game was played and Dave Alexander and Bill Proctor, Co-Directors of the Waterskiing Department, held free skiing for the entire afternoon. Dave, Bill and the "GR" didn't stop until the "suppah" bell sounded.

Vesper Services were held in the Rec Hall Sunday evening to bring to close another fun-filled week at Camp Kawanhee, a good place for a boy to live, work and play.
