Greys Edge Maroons

Tension was high as parents and campers gathered for the final tally of the score at the closing awards banquet. The ceremony, which began outside by the lake, was driven into the rec. hall by a peculiar storm just as "Bates" finished relating a curious anecdote about weather up in remote Aroostook County. Tally-Master Jim Esterbrook maintained mathematic suspense until the final instant, and it actually appeared that the Maroons had closed the gap and passed the Greys in the final two weeks of team competition—but this was not the case. The Greys, who were without Capt. Colon-Bennett in their moment of triumph, won by 500 points; stand-in Captains Hanna, Charyk, and McCleave were dunked in the Lake in place of Colon-Bennett who had to return for an early school opening in Puerto Rico. Jeff phoned after the results were known and his first words included congratulations to his team and his worthy, dogged, opposite number, John Duncan. It had been an exciting race and the quality of leadership was beyond dispute.

Saturday evening was marked by the premiere of another Tim Williams-John Morr film production, this one even more ambitious than last year's effort. "The Turnstile," a finely finished cinematic effort was shown twice during the evening and received rave notices; perhaps the most outstanding characterization in the film was rendered by Bruce Birch, who played the part of a hired assassin.

New Jersey and Ohio busses departed on schedule the next morning. It had been a productive and creative season as the following pages of the Wigwam will attest.

The Presidential - Mount Washington Trip

Thursday morning, August 9th at 9:00 found 20 youthful Kawanheceans plus three leaders in the B.B.B. plus Walter Esterbrook's station wagon on their way to conquer the Presidentials in New Hampshire. We arrived at the base of the mountains at 11:00 A.M. After a brief stop at the Pinkham Notch A. M. C. hut we started up the mountain in two parties. The first group was led by Mike Harrison and the second group by Stan McCleave and Herb Birch. The first part of the trail was very tiresome. All we did was to keep on the trail and tread on rocks. At about 12:30 we stopped for lunch at Tuckerman's Ravine Ranger station. We were informed that we would not be allowed to climb the headwall at Tuckerman's Ravine, but

would have to ascend the mountain by the Lion's Head trail. This is a tough and rugged trail and after many stops we reached Lion's Head where we found the trail over the upper head wall to Bigelow's Lawn which was covered with clouds. We had a difficult time keeping on the trail as we could only see a little distance ahead. Jim Rowe helped Mr. McCleave find the cairns along the trail. We arrived at the Lake in the Clouds Hut at 5:00. Almost immediately we found our bunks and rested until the gong rang for dinner. What a dinner—soup to nuts (without the nuts). Then the boys helped to clean the dinner dishes. Then we all ascended our first mountain top—Monroe. This was a relatively easy climb, but a beautiful mountain. Then to bed at 9:30! Amazingly the group soon was fast asleep.

Friday morning bright and early we were awakened by the Hut boys singing and playing "You got to get up." Then we were served a very nourishing breakfast. After getting our blankets folded in the "A.M.C. Way" we picked up our lunches and headed for the primary objective of our trip Mt. Washington. We arrived on the summit of Washington at 10:00 and spent an hour resting, relaxing and visiting the Mt. Washington Museum. Then on to Mt. Clay. This is where Mike's group missed the trail and missed this gentle climb. Then on to Mt. Jefferson, but before we reached the summit we took a short break to eat our lunch. This was a lively time as the boys exchanged candy bars for sandwiches. We then climbed to the summit of Mt. Jefferson rising over 5,000 feet above sea level. We descended into Edmond's Col where we stopped at the emergency shelter to test the delicious water at the Col. Everyone filled his canteen for our ascent to the Adams chain of three peaks. We were tired but determined, so after many rest stops we reached the summit of Mt. John Adams, the highest of the Adams chain. After resting a wee bit we were ready to pass over John Quincy Adams and on to the Madison Hut where a splendid dinner of baked chicken legs with the fixins' awaited 24 tired hikers.

After the dinner dishes were cleared away we ascended to the summit of Mt. Madison. When we reached the summit we were almost blown off the mountain. We didn't stay long; three of us remembered our last visit to the summit of Madison with our late departed friend, Tom Ruhle. It wasn't long before we were all ready to settle down for a good night's rest. Some of us watched the full moon from the hut, a scene we will never forget. The next morning we descended to Randolph field where the camp truck with our faithful friend Bates at the wheel met us, 24 tired, but happy hikers returned to Kawhanee with the satisfaction that we had all completed our hike of almost 25 miles up and over the Presidential mountains.

The hikers were Tim Harrison, Craig Miller, Dave Jackson, Ed Poulton, George Pierce, Will Ireland, Mark Scheiwetz, Martin Frey, Pete Wetherbee, Scott Bartlett, Charles Abbott, Tomas Gyrfas, Allen Cutler, Jim Rowe, Dave Lamb, Carlos Margarida, George Rivera, Mike Ramseyer, George Morales, Jose Rojo. The leaders were G. Stanley McCleave, Herbert Birch, Mike Harrison, and Tom Taylor.

Last season the Blue Plate Specials upset Infrared two games to one in the Camp Series to give rookie coach Pete Belskis his first Kawanee Little League championship. Four weeks ago, the Blue Plate Specials II, Belskis' 1973 entry, were dead last in the KLL, winless in four attempts

and not expecting all that much in the mid-season free agent draft.

Yet, in the month of August, with only the half-summer arrival of pitcher-infielder Scott Montgomery, the Blues pulled themselves together and proceeded to win seven straight games, including a playoff to reach the playoffs and a two-game sweep of the KLL regular season champs the Red Necks in the Camp Series, to successfully defend their 1972 title.

Squire-less Greens fold

After squaring their record at 4-4 in the final week of the league schedule, escaping the clammy clutches of last place and scrambling to a second place tie with Soyilent Green, the BPS II's found themselves in a one-game, winner-take-all, playoff with the Soyilents for a crack at John Gill's Red Neck ballclub and the camp crown.

The Plates-Soyilents contest, played over a two-night span at Chip Button Memorial Field, turned out to be one of the most exciting affairs at Kawanee since Bob Zechiel retired his golfclubs. Down 5-3 with two outs in the bottom of the sixth and final inning, the Specials rallied for three runs on two walks, a triple by Freddie Borras and a single by Pete Seeley to win the game 6-5 and advance to the Series.

It was a battle between a hot club and a cold one, as the streaking Blues boasted the .300 and .400 batting averages of Borras, Seeley and KLL batting champion Jeff Senglemann, while the Greens were clearly hurting from the absence of hitting and pitching star Squire Galbreath, who left at half-season to sharpen his batting eye with a little target practice in Africa.

Brian Day filled in brilliantly on the mound and at the plate for the Soyilents, limiting the Blues to four hits and knocking in three runs with a pair of singles. In the outfield, second year man Shields Ferber amazed the Button Field faithful with two outstanding rally-killing catches in center field.

But in the end it was the clutch hitting and steady fielding of the well-coached Plates that earned the victory for starter Senglemann, who ran into trouble only in the four-run Soyilent fourth when he let Day and Richard Seeley get hits with men on base.

Borras leads the way

Following two consecutive series-opening rainouts on Tuesday and Wednesday of the eighth week, the Camp Series finally got underway Thursday afternoon amidst Nature and Shop pictures in right center field and ¾'s of the Birch family directing traffic.

The Blue Plate-Red Neck match-up for the title shaped up as a showdown between great pitching and equally fine hitting as regular season Most Valuable Player Matt Howard took his astounding 99 strikeout total to the mound for the Reds against the superbly-functioning hitting aggregation representing the Blues.

In the first game, however, Jeff Senglemann rewrote the script on Howard and inserted himself as the hurling hero, firing a one-hitter at the Necks and striking out 10 as the Specials coasted to a 6-1 victory and a 1-0 series lead. Howard yielded four hits and fanned 12. True to form, the Plate wood (make that aluminum) welders opened up on Howard in the fourth and fifth frames for all their runs, led by a triple, a home run and four runs batted in by fantastic Freddie Borras, another triple by Pete Shaw and another homer by powerized Pete Seeley. The Reds contributed five errors and their only run was unearned.

'Gum twirls the clincher

Fighting the rapidly-approaching closing of the camp season, KLL Commissioner Mike Standen commissioned

the second game of the Series to commence that same night after supper, with Mike Harrison getting the assignment from Red coach Gill to stop the Specials streak at six, and Scotty Montgomery drawing the nod from Plate pilot Bel-skis to wrap it up in two straight.

The game started out with a distinctively Red flavor as the Necks made their case for a three-game series with a five-run outburst in the top of the first inning, bunching a couple of hits around some walk-producing wildness by Montgomery. The Blues scored twice in the bottom half, then four times in the second to take a slim 6-5 lead.

Then the roof caved in for the Necks as the Plates circulated six more runners around the bases while only two Reds could score. The final tally gave the Blues the game and the title by a 12-7 margin.

Montgomery, Borras and the surprising Miguel Margarida generated the Blue Plate Specials as they dished out the punishment on offense. All three had two hits, including a double by Borras and triple by Marvelous Miguel, who also paced the Blues with two RBI. Also swinging the molten mace for the winners was heavy-hitting first baseman Pete Shaw, who stroked a home run in the fourth inning.

The Reds actually outthit the Blues in the contest 12-10, led by three-hit nights by Matt Howard and Mark Minister, whose amazing performance was rivaled only by that of Margarida of the Blues. Steady Eddie Trayner also chipped in a pair of hits, one of which was a double. Wynn Parrish, Paul Yavis, Bill Warren and John Hamblin each had singles in the losing cause.

In the wake of his second straight claim to the KLL crown, Blues coach Belskis praised his club for having the determination to come back after four losses. He also noted that his boys put together their phenomenal streak despite their decided youth and in the face of pressure that would have folded many an older team. Freddie Borras, the Blues catcher who lead all Series hitters with a .667 batting average and five runs batted in, was named the Most Valuable Player in the post season classic.

Bounders' Second Chance Still Not Enough

Beleskis's Bombers and Mike's and Hank's Basketball

Team will meet in a two out of three championship series to determine the league champion and winner of the famous "Jim Duffey Memorial Trophy". The Bombers clinched the first play-off spot by finishing first in the league. Mike's and Hank's Basketball Team tied for second with the B. A. Bounders. The Hoopers, playing their best game of the year, beat Mike's and Hank's Basketball Team, forcing a play-off game with the Bounders. The Bounders, after winning the championship the past two summers, wanted a third chance at it, but Mike's and Hank's Basketball Team ended the Bounders' streak.

Belskis's Bombers and Mike's and Hank's Basketball Team met August 6 in a big game. The Bombers the Team, 64-43, with Pete Belskis leading all scorers with 24 points. Pete Wetherbee and Fritz "The Cat" Monroe, backed him up with 14 and 12 points respectively. Hank "The Ref" Hiser led the losers with 17 points.

B. A.'s Bounders and Kirk's and Hanna's Hoopers played the most unbelievable game in K.B.L. history. The Bounders won 97-95 in three overtimes, with Jim Beaver making a half court shot in the last two seconds to win the game. It was the longest shot ever made in K.B.L. history. Kirk Neiswander broke Jim Duffey's all-time scoring record of 48 points by scoring 61 points for the losers. Sherm Hanna had 16 points for the losers, and Mark Standen had 10. B. A. led the winners with 38, backed strongly by Jim Beaver, Kim Merchant, and Bob Zechiel with 30, 17, and 12 points respectively.

Belskis's Bombers clinched a play-off spot and first place in the standings by beating B. A.'s Bounders 59-56 in a very close game. Pete Belskis led all scorers with 26 points for the winners. Pete Wetherbee, scoring 13 points amazed the crowd with the dribbling and passing which have made him the best play-maker in the league. Jim Beaver and Kim Merchant led the losers with 22 and 18 points respectively.

Kirk's and Hanna's Hoopers upset Mike's and Hank's Basketball Team 49-44, playing excellent basketball and winning their first game of the season. Kirk Neiswander led with 25 points, and Sherm Hanna backed him up with 15 points for the winners. Hank Hiser led the losers with 15 points; Tim Keny and Mark Schiewetz had 12 and 10 points respectively. The Hoopers, by winning this game, gave B. A.'s Bounders a second chance.

The play-off game between B. A.'s Bounders and Mike's and Hank's Basketball Team was held before a packed house at Kawanhee Garden. Mike's and Hank's Team got off to a fast start and led the whole game, winning it 61-55, and ending the Bounders' streak of championships. Tim Keny led the winners with 20 points, backed by Mike Standen, Mark Schiewetz, and Hank Hiser with 17, 13, and 11 points respectively. B. A. led all scorers with 21 points.

The Kawanhee Yacht Club Final Regatta

The K. Y. C. Final Regatta began with a series of three Preliminary Heats. In the First Heat's four races, on August 10th, Frank Finetto came in first; with Dave Durell, second; Jack Hexum, third; and Rick Stockhausen, fourth. It was an incredibly close heat with each contestant separated by a single point. Due to an initial error in scoring by the Race Committee (yes, we have to admit that even the Mighty R. C. is not infallible) that was not caught until after the Series had been completed, Stockhausen was permitted to continue in the sail-offs with Finetto.

The Second Heat on August 12th, found John Aldrich taking first by a considerable margin over Peter Leslie, Michael Haynes, and Whitaker Wright. Aldrich and Leslie would remain in the competition. The Third Preliminary Heat resulted in Martin Frey's victory over Michael Darmanin, Will Ireland, and George Matchneer. Frey and Darmanin would remain to sail again.

The Semi-Finals got under way on August 14th during which Heat John Aldrich defeated Frank Finetto and Rick Stockhausen (who tied), and Peter Leslie. A coin toss between Finetto and Stockhausen determined that Finetto would remain to sail against Aldrich in the Finals.

On August 16th, amidst light, shifty winds, the Final Championships of the Kawanhee Yacht Club Final Regatta began. Due to the very light winds and lack of very much time, it was decided that only two races would be held. Sailing in this competition were the survivors of the Preliminaries and Semi-Finals, John Aldrich, Frank Finetto, Martin Frey, and Mike Darmanin.

In the First Race, Finetto sailed away with the Race, Frey starting second, and Aldrich third. Mike Darmanin suffered a broken rudder and was awarded fourth place while the Race Committee frantically searched for another rudder slide. The boats finished just as they started. Things looked bad for the "star" of the Sailing Department, Mr. Aldrich, and he was determined to turn things around.

In the second and last heat of the Finals of the K. Y. C. Regatta, Mr. Frey crossed the start first with Mike Darmanin and Aldrich close behind. Mr. Finetto had been in the midst of the boats as they started in a close-knit

group. However, the other three boats caught a breeze which Fast Frankie was not able to find, and he was left a far fourth after the start. Mr. Aldrich, although starting third, showed his lightwind abilities and over-took the leader, Martin Frey. Mike Darmanin started fourth but finished second. Hence, in the final race, Aldrich finished first; Darmanin, second; Frey, third, and Finetto, fourth.

The Champion and Winner of the K. Y. C. Final Regatta is Mr. John Aldrich; in second place is Frank Finetto; in third place is Martin Frey; and in fourth place is Mike Darmanin. All boys showed good sportsmanship and good sailing abilities with this final heat once again with each contestant only a point apart.

Special thanks go to Mr. Richard Darmanin, Chairman of the Race Committee, and to Whitaker Wright, Rick Stockhausen, and Mike Harrison for their services on the Race Committee, and to all the boys who participated, including Dave Durell, Frank Finetto, Jack Hexum, Rick Stockhausen, John Aldrich, Whitaker Wright, Michael Haynes, Peter Leslie, Will Ireland, Martin Frey, Mike Darmanin, and George Matchneer.

Sunday Chapel Inspires

One important Kawanhee tradition is the outdoor chapel service on Sunday morning. After a week's emphasis on physical pursuits, it is vital to stop for an hour and attend to spiritual growth.

Looking fresh and scrubbed in their Sunday whites, campers sit quietly on logs and look out past the white birch cross to a peaceful lake. In the background they hear Mitch Greenawalt, Tom Taylor, Craig Miller, and Jo Stockhausen singing. This versatile group provides music ranging from durable hymns to contemporary folk tunes.

Kawanhee is especially fortunate to have on its staff two ordained ministers, Stanley McCleave and Bill Taylor, who are also accomplished outdoorsmen. They combine their varied talents to furnish messages uniquely appropriate to a summer camp experience. Stanley McCleave relates adventures hiking on the Appalachian Trail and links them to his message urging each boy to find his special role in God's world. Bill Taylor describes a solitary canoe trip to Sunday Beach. As he studies nature there, he is inspired to say, "Do not be wind-blown, but rather power-driven."

Visitors and campers leave the simple services feeling renewed and eager for whatever the following week will bring.
