

MAROON-GREY FINAL SCORE ONE OF THE CLOSEST EVER!

—by Michael Altmaier & BA

At approximately 4:40 PM on the afternoon of August 11th, one of the closest final scores in the Kawanhee Maroon-Grey competition was read. Scorekeeper BA Altmaier, who had been up all night tabulating the results, read the final tally. Unbelievably, it was 25,681 for the winning Maroons and 25,655 for the losing Greys — a difference of only 26 points. Two first levels. One second level. It was beyond belief. After 50,000 points had been scored, hundreds of levels, countless Maroon-Grey competitions, JMG scores, Regattas, Tournaments, it all came down to 26 points.

At the moment the score was read, Chip Trayner and the Maroons went crazy with joy. For Chris Reilly and the Greys it was a disappointing finish to a great summer. They had come so close, but not quite close enough. Surely some heavy questions and answers were taking place in the minds of all participants. "Good thing I went to Nature yesterday!" "Why didn't I try for that third level in Campcraft? I was so close. Why didn't I enter the Wrestling Tournament?" The questions will go on forever but the score is final. On a personal note, I can remember setting in the back of the Rec Hall in 1965 watching the final score put up. The difference that year was 15 points. I can still remember the moment fourteen years later. I'm sure all campers and counselors will remember the year of 1979. The close tally will live on forever in their minds. As time goes on, they will not remember if they won or lost, but the things they learned in obtaining those points for their team. And perhaps they will learn that everything counts and there isn't that much difference between a winner and a loser. For at Kawanhee, especially in the Maroon-Grey competition of 1979, all were winners.

Many and special thanks go to Dave Yale, Mark Standen and O.J. Altmaier for helping B.A. with the score throughout the night. Thanks also go to Peter van den Honert, Fritz Monroe, Peter Belskis, Pete Epstein, Billy and Carolyn Proctor, Amy Jordan, D.L. Long, Julie and Liz Green and Nick Gill for helping at various times. Special thanks go to Chip Trayner, Chris Reilly and their teams for a great season.

Don't forget to light your candle on Christmas Eve facing Kawanhee. We'll see you again in 1980 for another great season of Kawanhee fun!

SPECIAL AWARDS

Three boys deservedly received improvement awards for the effort put forth this summer. Phil Kimball earned the GREATEST PHYSICAL IMPROVEMENT award for a real concerted effort to participate in many areas that he had not encountered before. David Kindle earned the GREATEST ATHLETIC IMPROVEMENT award for the confidence he gained this summer in baseball, soccer and many other athletic areas. Finally, Kurt Widen won the GREATEST SWIMMING IMPROVEMENT award for improving his skills and spending a great amount of time in the water during the time he was in camp.

HOW TO READ A PADDLE

— by Dave Yale

Many parents and campers have asked for an explanation about the markings on paddles. This is the code followed for paddles now. In years past, the first two stripes were maroon and grey to signify boating levels. On the beautiful paddle hanging in the camp office, there are 57 stripes for the years when George Frank came to camp. In addition, there is a silver and a gold stripe for 25 and 50 years.

CAMP INSPECTION

Kawanhee is very proud of the standards Bill Brutscher has set in inspecting cabins each day. Shelves, floors, beds and the outside of the cabin are considered. Boys are expected to keep their areas straight and clean. The number one cabin for two years in a row has been Beaver. This year, they had SPECIAL MENTION 35 out of 36 days and passed all 36. Moose was second with SPECIAL MENTION 25 out of 36 days and passed 35 days.

HANK AARON LEAGUE

NO-NAMES CLINCH SUNSPOT

In Hank Aaron League play, the No-Names swept past the Pumpkins in a double-header 8 - 7 and 6 - 3 for an undefeated 7 - 0 season. Although dropping both games, the Pumpkins qualified for the championship game.

In the championship, the No-Names jumped out to a quick 3 - 0 lead in the second. That lead held up until the seventh, when the Pumpkins put on a furious rally to tie the game. The Pumpkins had the bases loaded and were threatening, but ace pitcher Will Fleming put out the fire by striking out the next batter to end the inning. The No-Names responded to the pressure and scored two runs in their half of the seventh to take the lead and win 5 - 3.

Fleming was rewarded for his performance with the Most Valuable Player award.

KAWANHEE LITTLE LEAGUE

WHITE LIGHTNING — UNDEFEATED CHAMPIONS

—by Pete Belskis and D.L. Long

In the Kawanhee Little League, the White Lightning overpowered the Green Machine with a sweep of the first two games of the best of three series by scores of 17 - 2 and 14 - 6 in the only undefeated season in the memory of present campers and staff.

In the first game, Lightning ace Andrew Shahan stopped the Machine on two hits as he recorded his sixth straight win. The stalwart right-hander had six of the eight victories this season. Leading hitters for the Bolts were Bob Withington, John Finetto and Dave Kindle who combined for seven of the team's nine hits. Bo Zimmerman and Mark Nachman collected the hits for the Machine.

In the second and final game, John Finetto and Bob Withington combined to pitch a one-hitter, that being a double by catcher Jim Ottley in the last of the fifth. Key hitters were John Finetto, with three doubles, and Andy Shahan, with two singles.

For his excellent performance in game one and his relief performance in game two, Bob Withington was named the World Series MVP. John Finetto, who went five for six with three doubles and two singles in the playoffs, was awarded the World Series batting title.
