MAROON/GREY SCORE 27,773 - 27, 076

After a great summer of excellent competition and hard work, the Maroons, under the leadership of Ted Lape and Jon Morgan were able to come out victors in the campwide struggle for the high score. The Greys, however, led by Carter Messick and Juan Fuster, gave quite a fight and kept the score difference to less than a thousand points. Both teams deserve congratulations for the good team spirit exhibited this year and all look forward to next year and another year of fine competition!

HAL REGULAR SEASON WINDS DOWN by Pete

CLAN HANDLES SCRUBS

The HAL wound down with four games in the sixth week of camp to end the regular season competition. July 30th it was Calvano's Clan crushing the Shahan Scrubs by a score of 13 to 8. This clinched at least a tie for first place pending the outcome of the final three games of the season. Repeat hitters for the Clan were Doug Thompson, Marc Calvano, Mike Wallace, Andy Kohler, Greg Mueller, and Rick Spencer. Repeat hitters for the Scrubs were Dudley Cates and Andy Shahan.

SCRUBS SWEEP PUNKS

In a double header played on Tuesday the 4th of August, it was Shahan's Scrubs sweeping both ends of a double header from Dunc's Punks by a score of 10 to 5 and 12 to 4. This was the first double header played in the HAL this year and to this writer's knowledge the first in a long time. Repeat hitters for the Scrubs were Mark Mitchell in the first game, and Teddy Lape, Marc Calvano, and Tom Johnson in the second game. For the Punks it was Doug Fulmer, Greg Fulda, and Peter Cano, all with two hits in the first game and only Cano could get more than one hit in the second game. This put the Scrubs in a position to tie the Clan for the top spot if the Punks could pull the upset of the season and beat the Clan in the final regular game of the season.

DUNC'S PUNKS SHOCK CLAN

In the upset of the year, Dunc's Punks shocked Calvano's Clan by dumping the Clan in the final regular season game for both clubs by a score of 5 to 4. This dropped the Clan into a first place tie with Shahan's Scrubs with identical 4 and 2 records. Leaders for the Punks were Peter Goodbody, Doug Fulmer, and Tim Duncan. The only repeat hitter for the Clan was Lars Jensen.

This marked the Punks first win of the season and it couldn't have come at a better time in the Scrubs' minds. Now the Scrubs and Clan will flip a coin to see which team will draw a bye and advance into the HAL Finals. Both teams had beaten each other once in the season necessitating the coin toss.

CLAN WINS COIN FLIP

In a flip of the coin to decide first place and a bye into the HAL Finals, Calvano's Clan won the luck of the draw as Captain Marc Calvano called heads and heads it was. This now set the stage for the Semi-Final game between Shahan's Scrubs and Dunc's Punks.

DUNC'S PUNKS SURPRISE SCRUBS

In another game, Dunc's Punks pulled another surprise as they jumped all over the Scrubs for a 14 to 4 lead after six innings in the Semi-Final game of the HAL Championships.

DUNC'S PUNKS ADVANCE TO FINAL

The Dunc's Punks advanced into the HAL Finals as they completed the last inning of a delayed game with Shahan's Scrubs. The Punks were leading that game when time elapsed by a score of 14 to 4. The Punks could do no wrong as they went on to crush the Scrubs by a score of 23 to 5. Now the Punks will meet Calvano's Clan for the HAL Championship.

CALVANO'S CLAN OVERTAKES PUNKS

Trailing by a score of 9 to 7 in the 5th inning, Calvano's Clan came up with 4 unanswered runs to nip the Punks by a score of 11 to 9 and claim the 1981 HAL Championship on Monday, the 10th of August. The Punks jumped out early and took a 6 to 0 lead into the bottom of the 3rd. But here the Clan made their move. They scored 7 times to take the lead on some timely hitting. Dunc's Punks came back in their half of the 4th to score three runs to make the score 9 to 7. This set the stage for the Clan's final assault. Repeat hitters for the Clan were Greg Mueller with 3 hits, and Lars Jensen and Rick Spencer with 2 hits apiece. For the runner-up Punks, Bop Johnson and Peter Kahn had 3 hits each, and Zubb Fleming, Doug Fulmer, Peter Cano, Tim Duncan, Andy Seifert, and Fernando Olazabal all had 2 hits each. Congratulation to Calvano's Clan and to Dunc's Punks for their courageous effort the last week of the season to get into the Finals. Until next year, have a ball!!!

KLL REGULAR SEASON WINDS DOWN by P.Belskis

BULLITS BLAST DEMONS

The last three games of the KLL were played during the sixth week of camp to wind up the regular season. On Friday the 31st of July, the Silver Bullits crushed the Black Demons by a score of 10 to 1. Andy Zechiel was the winning pitcher picking up his fourth consecutive mound victory without a loss. Zeke fired a one-hitter, that hit coming off the bat of Alan McEwan. Mark Mitchell and Zeke were the hitting leaders for the Bullits. This game marked a milestone for the Bullits as it clinched the pennant and a double bye into the KLL World Series. Congratulations must go out to the entire Silver Bullits team.

DEMONS SQUEEZE BY ALERT

On Sunday and Monday, the 2nd and 3rd of August, a tremendous game was played between the Red Alert and the Black Demons, with the Demons coming back to win by a score of 11 to 10. The Demons had to come up with two runs to tie the game up in the last inning in order to send the game into overtime. Darkness set in and the game had to be played the following day at 11:00 a.m. The Demons retired the Alert batters in order in the top half of the inning. This set the stage for the finale. All the Demons needed was a bases hit from ace pitcher Doug Thompson who moved up to 3rd on an Alert fielding error. Then Alan McEwan slashed a sharp single up the middle to end it and send the Black Demons into 3rd place in the standings. Hitting stars for the Alert with 2 hits each were Marcos Olazabal,

Doug Mueller, and Charlie Johnson. Only ace Demon pitcher Doug Thompson could be credited with more than one hits for the Demons.

PURPLE PLATOON CLINCH SECOND

On Monday, August 3rd, the Purple Platoon clinched second place in the standings as they squeaked by the Red Alert by a score of 5 to 4. Tom Kindle, Jim Bell, and David Fisher combined to throw a two-hitter with Marcos Olazabal and Ray Brokey collecting these hits. For the Platoon, who were also held to only two hits by Jeff Davies, Nacho Ridruejo and Craig Uszak broke through with singles to lead the Platoon. This was the final game of the regular season as the Purple ended up with a 4 and 2 record - good enough for 2nd place and a first round bye into the Semi-Finals of the Play-Offs. For the Red Alert, they dropped to last place with a 1 and 5 record. Now Red will play the Black Demons in the Quarterfinals to see who will move on the Semi-Finals.

RED ALERT ADVANCE TO SEMI-FINALS

On August 7th, the Red Alert advanced to the Semi-Finals by shading the Black Demons by a score of 8 to 7. The Black Demons took control early as they jumped out to a 4 to 1 lead after two innings. In the 3rd the Red Alert closed the gap with two of their own runs making the score 4 to 3. In their half of the third, the Demons came up with two of their own and stretched their lead to a seemed like comfortable 6 to 3 score. But the big inning was the 4th as it turned out to be the last inning. The Alert scored 5 times to take an 8 to 6 lead. The bottom of the 4th saw the Demons plate Ben Jacobson to cut the lead to 8 to 7, but the rally ended when Doug Mueller, catcher for the Demons, tagged out Doug Thompson who tried to score on a wild pitch. It was a befitting game to start out the KLL Play-Offs with. Now the Red Alert will face the number 2 team, the Purple Platoon, in the Semi-Final game. The winner of that game will advance to the KLL Finals to face the number 1 team, the Silver Bullits.

PURPLE ELIMINATES RED

In a hard fought Semi-Final game it was the Purple Platoon coming out the victor by a score of 13 to 12. The game went two extra innings than normal due to the futile efforts of each side to finally get the clinching run. The Purple struck with one runs in the first. The Red came back and took the lead with two runs in their half of the 2nd. The Purple continued the see-saw scoring by scoring 4 times in the 3rd to take an 8 to 2 lead. At this point it looked like big trouble for the Red Alert team. But the Alert would not roll over and die and came up with 4 runs in their half of the 4th to close the gap to 8 to 6. The Purple could not score in the bottom of the 4th. Red came up with 3 runs in the 5th to take the lead for the first time in the game by a score of 9 to 8. The Purple fought back again to score 2 runs in their half to take a 10 to 9 lead. The Red Alert came back in their half of the 6th with 3 runs to go out in front and grab the lead again by a score of 12 to 10. This, of course, only set the stage for the Purple to score twice in their half of the 6th, their last at bats and tie the game at 12 all. This set the stage for extra innings. Neither team could manage to score in the 7th inning, and the Red Alert failed to score in their half of the 8th. But after the first two Purple batters struck out, David Fisher walked. He stole 2nd, then 3rd, and then on a wild pitch, stole home to end the longest marathon game of the year. This eliminated the valiant Red Alert team who were striving to be the first team to reach the Finals after finishing last in the regular season standings. Congratulations must go out to both teams for their spirited play and never-say-die performance, for to see the game played was indeed a treat to some tremendous baseball.

KLL WORLD SERIES UPDATE

PURPLE PLATOON DRAW FIRST BLOOD

In the opening game of the KLL World Series, the Purple Platoon drew first blood as they topped the Silver Bullits by a score of 5 to 3. The Purple were led almost exclusively by stalwart performers David Fisher and Tom Kindle. Fisher pitched and was effective when he had to be. Also, Kindle and Fisher accounted for all Platoon runs scored.

For the Silver, Warren Cronin went 2 for 2 with Eben Mehegan, Mark Mitchell, Andy Zechiel, and Tyler Rogers all picking up one apiece. Zeke was effective in striking out 13 Purple batters and only giving up 3 hits, those to Fisher and Tom Banks. But he was

victimimized by some shoddy fielding by his teammates as they committed 5 costly errors allowing 4 of the 5 Purple runs to score unanswered.

Purple only needs one more win to be crowned the new KLL Series Champion, but the Silver Bullits must win both of the next two games to receive the same honor. Best of luck to both clubs. They are both certainly worthy of their current positions.

BULLITS EVEN UP SERIES

The Silver Bullits evened up the KLL World Series by downing the Purple Platoon by a score of 11 to 6. The Silver jumped out to a commanding 6 to 0 lead in the first inning and never looked back as they went on to score twice in the 3rd, once in the 4th, and twice again in the 5th for all of their Silver runs. The Purple managed to score two runs in the first, 4th, and 5th innings for all of their six runs but it was too little too late. Eben Mehegan for the Silver picked up the win as he was effective when he had to be and didn't walk a batter. James Bell took the loss for the Purple having to be relieved by Tom Kindle in the first inning as control problems led to his downfall. Hitting stars for the Bullits were Warren Cronin with 3 hits in 4 trips. Also Mark Mitchell and Andy Zechiel had 2 hits apiece. For the Platoon, David Fisher and Peter Brown chipped in with 2 hits each. Now with the series all tied up, it's all coming down to the deciding game three. The way both teams have played thus far we look for a thrilling final game.

SILVER BULLITS ARE CHAMPS

The Silver Bullits of Teddy Lape and Jon Morgan are the new KLL Champions for 1981 as they defeated the tough Purple Platoon by a score of 5 to 4. This game picked up where the Series left off at game two, with lots of excitement and seesaw scoring. First it was Purple drawing first blood as they scored one run in the top of the first. Then it was the Silver Bullits' turn as they scored twice in the bottom of the first to make the score 2 to 1. In the second, Purple scored twice to take the lead 3 to 2. In the bottom of the second, the Silver took the lead again from the Purple with 2 runs. The Purple at this point could not master anymore runs until the last inning when they came up with the final run. The Silver Bullits came up with a single run in the fourth to give them their 5th run. It was a great series but unfortunately only one team can be champions. Congratulations must go out to both clubs for their fine spirited play for the series was truly a fine exhibition of what baseball has to offer.

SAILING Week 6

by Eric Jensen

These past two weeks in the sailing department have been a re-enactment of Samuel Coleridge's "Rhyme of the Ancient Mariner." Lake Webb has experienced its halcion period much like the curse beset the Ancient Mariner. A halcion period is actually the time of year in which the seas go flat and the winds disappear for weeks so that the sea birds could build their floating nests.

For nearly two weeks our campers have only been able to complete the land portion of their ratings. On Friday afternoon we were blessed with a respectable breeze and were able to throw the department into high gear and complete several ratings.

Novice went to Ken Thomas. Crews went to: David Fisher, Doug Thompson, and Art Eldred. Bosuns went to David Fisher and Steve Martin.

SAILING HIKES OUT

by Eric Jensen

Yes, sailing fans the KYC season is officially at a close and it ended not with a whimper but a bang! Our last two sailing days were white-cap specials which enabled us to complete most of the ratings that had been lacking performance for our several windless weeks. We are proud to announce that the following ratings were passed during the 7th week: Novice - Dudley Cates; Crew - Craig Uszak, Ray Brokaw, Paul Troiano, Mike Zeig, Juan Fuster; Bosun - Jeff Davies, Robbie Ryder, Tom Kindle, Jamie MacPeak, Mark Peterson, Robbie Slife, Peter Brown, Charlie Johnson, Tyler Rogers, Art Eldred, Bryan Singer; First Mate - Peter Cano, Malachi Connolly, Doug Colescott; Skipper - Mike Wallace; and Racing Skipper - Eric Jensen.

Skiing can ride the edge but we go beyond that...we hike out!

The sailing department is also proud to announce that thanks to many helping hands, our four teck sailboats will have two fresh coats of paint for next season. Until next year, sailors have more fun.

FLEMING OUTSTANDING IN FINAL WRESTLING TOURNAMENT

by Dave Yale

Many fine wrestlers participated in this summer's all-camp tournament, an event which every year provides excitement and entertainment for all. Congratulations to the individual wrestling champions for a job well done.

This year's "Outstanding Wrestler" honors, the wrestling department's most coveted award, went to Ed "Zubb" Fleming, a resident of Omaha, Nebraska. Zubb, brother of Will - Outstanding Wrestler three years ago, and the son of William Fleming, Sr., - Kawanheean 1950, was the only wrestler to pin every opponent he faced. Congratulations to Zubb and good luck to you and Will this year.

NATURE ACTIVITIES Week 6 by Forrest Dexter

During the first six weeks, 1170 points were earned by campers in nature levels for themselves and for their teams. In the last week of camp work which can produce 1135 points almost half the total can be earned. Will they? It depends on the team captains and the boys themselves and how they carry through.

There have been many projects turned out by the boys; in the lapidary shop: stick pins, rings, pendants, thunder eggs, belt buckles, a lapidary display, a mineral tile, a pen stand, and money clips; in the rock and mineral section - many mineral and rock collections; in the tree line - a collection of spatter prints of leaves, a collection of pressed leaves, twig collections, a teaching tree collection, and a tree growth board; and in astronomy, a computer model of the constellations with questions asked and a means to tell the campers whether his answers are correct or not.

A prize will be given innature for the best workmanship and effort at each level, Junior C, Junior B, Junior A, and Senior. The Campbell Scarlet Memorial Prize and the Perham Prize will also be given.

BASKETBALL FINAL REPORT

by Will Fleming

In the Mosquito League Championship game, Tommy Kindie's Court Cleaners squared off against Doug Thompson's Bugs. The Bugs led by Peter Brown's 12 points and Steve Smith's 6 points, defeated the Court Cleaners 29 to 12 to complete an undefeated season. Andy Zechiel topped the Court Cleaners with 9 points.

In the KBL, Tim Duncan's Skunks played Zubb Fleming's Subs for the right to play Peter Cano's Killers for the League Championship. Captain Tim Duncan won the seesaw battle for the Skunks when he banked in a 25 foot jump shot with two seconds remaining. The Subs' last ditch effort to continue failed, so the Skunks sank the Subs 40 to 38. Tim Duncan and Peter Goodbody scored 18 points apiece for the Skunks, while Peter Kahn led all the scorers with 22 points for the Subs.

In the Championship game, the Killers provided to be too tough for the Skunks as they won 59 to 26. Captain Peter Cano and Malachi Connolly scored 27 and 18 points, respectively. The Killers had a fine finish to their undefeated season in which their closest margin was 11 points.

SKIING - ULTIMATE SPORT

by Josh Cook

Skiing is a sport whose participants don't need a special medal or award to make skiing an everlasting experience. Each skier is a champion in his own right. And each skier has the ability to enjoy the sport, the ability to excel in the sport, and eventually, the ability to master the art of waterskiing.

I would like to recognize the following skiers who improved and those who became champions of waterskiing this year:

KAWANHEE LAPIDARY PRODUCTIVE

by Jon Trayner

We've had an amazing summer in nature's lapidary department. Now with the end of camp growing near everyone is frantically sawing, grinding, sanding, and polishing their stones so they can put them into belt buckles, rings, money clips, cuff links, bolo ties, and many other settings. Once again we bought all our stones at the Franklin County Mineral Show. We were able to get many exotic stones from all over the world. Soon the lapidary shop's wheels will be silent over the long winter months but the jewelry that has been made here will be enjoyed always.

SHOP PROJECTS THE HIT OF THE YEAR!

by Herb Birch

With the excellent leadership of three industrial arts teachers, namely Brian Birch, Sr., Chris Stallman, and Herb Birch, the shop has been a very busy and exciting area this summer. With many new projects, lots of enthusiastic campers and good workers, the boys have completed many beautiful and useful projects. Fond memories of the good times and the fellowship working in the shop are other dividends from the privilege of the experience in Kawanhee's super shop.

The projects completed this year were of high quality and fine craftsmanship. These projects include string boats, the traditional sailboats, segmented wood projects, kitchen step-stools, and metal house signs, among many other amazing projects.

See you next year!

TENNIS TOURNAMENT by Mike Altmaier

As always the Annual Kawanhee Tennis Tournament ended another year at the courts. This year there were three single tournaments and two doubles tournaments divided by age groups. In the Junior B's tournament, Alex Iapichino was the winner. He defeated David Fisher in the Finals. David, who played extremely well near the end of the season, defeated the number one seed Tom Kindle exciting semi-final match earlier in the day. Alex crushed every opponent in his path and after his final victory, he could claim to be the best in his division.

In the Junior A division, as expected Dudley Cates emerged the victor. It wasn't until the final against Al Fuster that Dudley even lost a game! In the Senior division, Geoff Marchand edged fellow Badger lodger Joaquin Dualde in the final. Geoff cruised to an easy first set win, then was extended to a tie-breaker in a second set before winning.

In the doubles competition, Dudley Cates and Mike Zieg won a great match against Joaquin Dualde and Fernando Olazabal. Joaquin and Fernando won the first set 6-3 but Cates and Zieg came back to win the second set with the same score, 6-3. The third and deciding set was close, but Dualde and Olazabal pulled ahead 4-2. Then suddenly the bottom fell out and they lost four straight games and the match. Tom Kindle and Doug Thompson played Alex and Giovanni Iapichino and came out the victors in the finals.

All in all it was a great year in tennis and I hope to see you all next summer!
