MAROONS STAY ON TOP

When the score was announced last Saturday, the Greys found themselves still behind, although they had gained a little. The score was 8744½ to 7385½ in favor of the Maroons. The Greys made more points from Achievement Levels during the week than the Maroons, 2275 to 1960. They also defeated the Maroons in the water meet. The Maroons, however, succeeded in taking both the track meets. While the Maroons won 71½ points for fishing, leaving the Greys only 12½, they dropped the hardball game on Saturday. Even yet, the Maroons do not have a conclusive lead. The next score will be the one that counts.

Last Roundup of Strayed Tribesmen. Many Unreported, not Forgotten

In checking the names that are missing from Kawanhee's roster, we find few that have been more in the camp's thoughts than those of Mr. and Mrs. Charles Goodwin. They are at their home in Columbus, where Mr. Goodwin, we believe, is teaching this summer. With deep regret Kawanhee learns that they have not yet had news of their son, Glenn, who was reported missing in action in Europe last winter. Glenn was for many years a camper and junior counsellor in Kawanhee.

One former counsellor whom we expect to welcome is Hal Myers, now in his second year at Princeton Theological Seminary. He and Mrs. Myers are to arrive the middle of the month to spend their vacation with his parents in their cabin up the lake.

From Dr. and Mrs. R. E. Tulloss, we learn that Eddie is taking radar training at Corpus Christi, Texas. He is a Seaman, First Class, and took his training at Great Lakes during the past winter. Joe Lupfer is studying at Princeton this summer, after graduating from Exeter last spring. Ed Lupfer, a Lieutenant in the Air Corps, is still in France.

Bob Page, last summer's Sailing counsellor, is now studying at Cambridge Theological. Dick Goss is continuing his N. R. O.T.C. work at the University of Pennsylvania.

Popham Beach Provides Plethora Of Forts for Seaside Stay

By R. DONALDSON, JR. COUNSELLOR

We left on Monday, August 6, for two days and a night at the seashore. The original Salt Water trip to Popham Beach had been for only one day and so our two days added a lot of pleasures to the trip.

On the way down, we passed through Auburn and Lewiston and ate lunch at Bowdoin College. We arrived at the seashore after an eighty mile ride. We set up camp in an old fort, built at the mouth of the Kennebec River in 1861. When the camp was settled, we went for a short swim in the ocean. The water was very cold but we had a lot of fun.

After supper, we climbed up a hill back of the fort and explored a series of forts with gun positions that the Navy had vacated a year ago, after the submarine and plane scare was ended. There were all kinds of gun emplacements and observation posts.

We went to bed and it started raining, so we took shelter in the fort. Next morning, after a terrific breakfast, a game of Cops and Robbers was started in the fort and later we explored the dungeons. Then we visited an old hotel and hiked back along the shore and picked up shells.

In the afternoon and evening we made the long trip back to camp, after two wonderful days at Popham Beach.

Schedules for Return Trips

The schedules for the return trips to New York and Columbus have been made known by the Directors.

The Eastern boys will leave Dixfield at 7:35 A.M., August 23. They will arrive at North Station in Boston at 1:25 P.M., and leave from South Station at 3:00 P.M. They are scheduled to arrive at Pennsylvania Station in New York at 7:45 P.M.

As this *Wigwam* goes to press, Mr. George Frank is awaiting final confirmation of the plans for the trip to Columbus. As the schedule now stands, the Western boys will leave Dixfield on the early morning train on August 25, and reach Columbus on the train that arrives shortly after 11:00 A.M. on Sunday, August 26.

Briner and Taylor Star in Successful Magic Show

On Thursday evening, August 9, the Kawanhee Theatre at long last reopened with a stage production. It was an evening of magic and legerdemain presented by Mark Taylor and Bill Briner.

The performance began with a spirited overture by the Kawanhee Orchestra, led by Carl Spangler. Webbie Davis, a suave and gracious Master of Ceremonies, took charge of the proceedings. As an appetizer, he introduced a number of Mr. Taylor's young disciples in mystification: Goss and Ross, the Girdler Brothers, and Bill Mallory. They amazed the large audience with various feats of prestidigitation until the masters themselves made their appearances.

To the general delight, Mr. Taylor displayed his skill in a series of baffling card tricks. Mr. Briner's turn was more spectacular. Brilliantly colored handkerchiefs burst endlessly from his magic boxes and the crowd roared with pleasure at the mysteries of the disappearing bottles. The outburst of applause at the end of the evening left no doubt of the huge success of the venture nor of the camp's appreciation of its magicians.

Wandering Tribesmen (Continued)

Dean and Mrs. Sidney Sweet are spending August in Buffalo with their very young grand daughter and her mother, Mrs. Sidney Sweet, Jr. Sid, a Navy Lieutenant, left this country for service in the Pacific on July 1.

This is the *Wigwam's* last opportunity to report on Kawanhee's wandering tribesmen. It is deeply regretted that lack of space and information has caused us to slight so many of those whom the camp remembers so well.

Popham Beach Trip (Continued)

There were a number of other trips during the week. On Wednesday, the Junior C's climbed Mt. Bald with Mr. Barth and Mr. Taylor and had their supper on the top. There were a couple of two-day trips to Swift River. One of the groups, which were largely composed of campers from the Birch and Deer Lodges, spent Thursday night at the base camp, and the other occupied it on Friday night. Mr. Birch was in charge of both trips, and they were particularly notable for the most successful gold-panning of the summer. On Sunday, the final mineral trip of the season explored various mines under the leadership of Mr. Kiefer.

League Baseball Games

In the week's Junior games, Wunsch's team beat Sater's, 8-4, to take first place. Walker's boys trounced Watts and his team, 8-2.

In the Senior League, Carpenter's team walloped Hadley's, 17-2, to grab a share of first place. Splitting the top spot with him is Genberg, whose team defeated Willard's, 8-3. Goss squeezed by Erf, 7-6, and Holler nosed out Smith, 9-7.
