MAROON TEAM TRIUMPHS Last Six Days Swell Score

The final victory was the Maroons', just as the temporary triumphs at each succeeding campfire had been theirs all summer. True to the summer's traditions, their margin of success was comparatively small, only 345. That, however, in no way lessened their joy in winning, as was testified by the volume of their yell at the banquet when Mr. Spangler, after pinning number after inconclusive number to the banner, finally added the last one that told the tale: Maroons, 16,961; Greys, 16,616.

Nothing is more notable about the score than the immense increase which it showed during the last six days of activities. This season the scoring started off slowly and, at the beginning of August, was lagging well behind that of previous summers. Then the teams began to pick up momentum and, in the final spurt, boosted the combined score more than 3,000 points above that of last year. If there were ever any doubts of the enthusiasm of the two teams, or of their loyalty to their two fine captains, Bill Romey and Dick Stillinger, the last six days of competition dispelled them. In that period, a total of 13,029 points was amassed. Kawanhee has seldom, if ever, seen such vigorous and successful activity.

Senior Group Climbs Katahdin Miller Leads, Bates Feeds

By E. HAMBLIN, JR. COUNSELLOR

On August 18, at about nine in the morning, a group of eighteen campers and counsellors started on a trip of approximately 200 miles to the base of Mt. Katahdin. On the way, we stopped at the Old Town Canoe Factory and the University of Maine. Both stops were very interesting. It was particularly interesting to see all of the new large buildings which the University is constructing. The first day was devoted to getting the boys to the base of the mountain.

That night we slept in a small tourist camp in Baxter State Park, of which Katahdin is the main part. The boys had the choice of sleeping in lean-to's, in tents, or out in the open. We had a wonderful meal cooked by

Good Food, Captains' Speeches Stars of Closing Banquet

The ceremonies on August 23 and 24 formed a fitting conclusion to the crowded and happy season of 1947. Saturday at 6 P. M. the campers and counsellors met in the camp dining hall for the eagerly anticipated banquet and happily stuffed themselves on turkey and all the trimmings. Cheering, for once, was by edict tabooed, except for the wholeheartedly appreciative yells for Emma and Laurence and their loyal assistants in the kitchen. From the dining hall the assembly adjourned to the Recreation Hall to welcome the visiting families and to fill the hall to capacity for the long awaited evening.

The program began with the reading of a telegram of greetings from Mr. H. C. Marshall, the lack of whose affectionately remembered presence in his traditional role of Toastmaster made the proceedings seem as bare as the Recreation Hall without the festive decorations of evergreens which have dressed it up for previous banquets. Dean Miller spoke movingly of the memories which every member of this year's tribe will carry away with him. Dick Stillinger and Bill Romey, the year's two deservedly popular and successful captains, demonstrated that, among their many other qualities of leadership, they possess the ability to make very effective speeches, in either humorous or serious veins. After the final Log, containing the 1947 Alphabet, had been read, the numerous awards were presented and the evening mounted to its climax with the revelation of the score.

Bob Hadley Scoring Champion. Six Jr. C's Complete Plaques

The final counting of points revealed an unusually large number of high individual scores. In all, twenty-six campers rolled up totals of better than 400 points apiece.

Well ahead of his nearest competitor was Bob Hadley with 615 points. Bob was a Senior and a Grey, and it was his first summer at Kawanhee. Levels accounted for 415 of his score while J. L. S. and Scouting each contributed 75. The remainder he won in water meets and tennis tournaments.

As a group, the Junior C's were undoubtedly the champion scorers. Ten of them were above the 400 mark and six of them passed 500 by performing the laudable feat of completing their plaques on one season. These energetic campers were: R. Angier, J. Ferris, D. Fluharty, R. Hahn, H. Schwarzell and L. Weiser.

The campers whose individual scores exceeded 400 were as follows:

Seniors: R. Hadley, 615; C. Wright, 432.

Junior A's: W. Fleming, 582; J. McMinn, 579; A. Wallace, 510; W. Hinman, 432; A. Place, 419; H. O'Neill, 416; R. McCurdy, 401.

Junior B's: S. Denison, 575; R. Sengelmann, 510½; J. McKenzie, 475; D. Teegardin, 454½; M. Growney, 450½; J. Carroll, 405; J. Briscoe, 404.

Junior C's: D. Fluharty, 560; R. Hahn, 544; J. Ferris, 542; L. Weiser, 541; H. Schwarzell, 535½; R. Angier, 526½; D. Johnston, 494; H. Ellis, 487; J. Schwarzell, 483½; D. French, 453.

Yanks Take Revenge on Indians Diaz and Team Win Series

By E. HAMBLIN, JR. COUNSELLOR

On the afternoon of August 22, Kawanhee had its annual World's Series baseball game, which is always played by the two top teams composed of Seniors and Junior A's. This year's contestants were Dick Stillinger's undefeated Indians and the Yankees, captained by John Diaz, who had only one loss against them. This the Yankees avenged by taking the Series, 3 to 2.

Before a large crowd on the Athletic Field, the afternoon's events began with a game between the two leading

Books Awarded in Nature Study Perham Gives Mineral Prizes

This summer for the first time, two groups of special awards were conferred in Nature, thus giving tangible recognition to the campers who have done work of championship calibre in the department which, under Mr. Keifer's splendid direction, has become the most worth-while and deservedly popular of all Kawanhee activities.

At the banquet, a book of special interest was given to the boy in each age group who had done the outstanding work in the general field of Nature. Mathews' **Field Book of American Wild Flowers** was presented to the Senior; Peterson's **Guide to the Birds** to the Junior A; McCready's **Beginner's Guides to the Stars** to the Junior B; and the Rand McNally **Book of Birds** to the Junior C.

In Mineral Study, there were two very appropriate awards, handsome mineral specimens mounted as paper-weights, one for the Senior side of camp, and one for the Junior side. The first was a large, clear Quartz crystal, and the latter a fine group of five Calcite crystals. They were presented through the generosity of Mr. Stanley Perham, whose mineral shop at South Paris has been the highlight of many a mineral trip.

Banquet and Ceremonies (Continued)

Sunday morning, the large congregation, which gathered to hear Dr. Elmore's concluding memorable sermon, overflowed the Church on the Shore. That evening, the curtain was rung down on the season at Council Point with the traditional ceremony of Chief Kawanhee's Farewell. Mr. Kiefer again took the role of the Chief.

Five Pass Senior Life Saving

Nine more campers won their American Red Cross certificates in Junior Life Saving in Joe Selden's August class, thus bringing the total for the summer to the impressive number of thirty-three. At the same time, five Senior campers and Junior Counsellors passed the rigorous tests in Senior Life Saving, thus winning 150 points apiece for their teams. The successful candidates were:

Yanks Win World Series (Continued)

Junior B teams. Byron Ford's club defeated Bob Sengelmann's, 8 to 3.

In the top of the first inning in the Senior game, Lagemann of the Indians struck out Jaeger and Roberts. Erf ended the first half with a pop to the pitcher. With the Indians at bat, Mykrantz singled with one out, and Lagemann walked. Dawson later forced Big Rob at second. Stillinger popped to shortstop making the third out.

In the 2nd, Krebs walked. Loveless and Thompson struck out. G. Conkey grounded to the pitcher. In the other half, Anderson struck out. A. Wunsch singled, but was forced at second by Schieber. Clark grounded out to pitcher.

Beginning the 3rd, Jaeger struck out. Roberts followed, being walked by Robin. Kerr then struck out. Erf forced Roberts to second, causing the third out. In the top, Crandall and Mykrantz got on first by errors, but both were forced to second where they were put out. Big Rob singled and scored, after Stillinger had walked and Dawson had singled. Anderson popped to end the inning.

Lagemann struck out Krebs, Loveless and Thompson at the beginning of the 4th. A. Wunsch popped to second base. Schieber singled, but was followed by two outs by Clark and Crandall.

In the top of the 5th, three errors, a single and a walk produced three runs by Shannon, Conkey and Jaeger for the Yanks. At this time the score was 3 for Diaz to 1 for Stillinger. G. Conkey made the only hit off Lagemann of the whole game in this inning. In the other half, Mykrantz hit a triple, and scored on an error by Roberts, making the score 3 to 2 in favor of Diaz. Stillinger, Dawson and Anderson followed, striking out.

In the first of the 6th Loveless struck out. Thompson grounded to second base. Shannon followed and was walked by Robin. G. Conkey popped to the pitcher, making three out. A. Wunsch and Schieber got on base through errors, but to no avail. Robin retired the next three batters by popups to third, second and shortstop.

In the bottom of the 7th, two singles and a walk loaded the bases. At this time the Indians were only one run behind, but to Stillinger's grief, Kerr struck out Anderson. Wunsch popped to first base. Schieber followed, striking out, and ending the Indians' hopes.

In an all-over view of the game, one can see that Lagemann of the Indians gave up one hit and three runs, while his team committed three errors. For the Yankees, J. Kerr gave up eight hits and two runs.

Baseball Games, Water Meet, Big Show Crowd Weekend

The busy final week of the season was filled with events of unusual interest. Not the least of these was the beginning of construction on the Ma Frank Memorial Nature Building.

There were three important athletic contests to conclude the week. The afternoon of Friday, August 22, was devoted to the World's Series game and Saturday afternoon to the last water meet. Sunday afternoon a return baseball game with the Weld team was played on the Athletic Field. Kawanhee failed to repeat its former triumph and the visitors carried off a victory of 13 to 11.

The season's most ambitious and successful theatrical program graced the Recreation Hall stage Friday evening. One of its early highlights was the very amusing lodge stunt of the Deers. There were well received musical numbers by Ken Beck, Joe Selden and the drum-and-piano team of Hughes and Wilson. The They're-coming-through-the-windows Boys repeated some of their triumphs of last summer and the evening concluded with the appearance of this year's fine Counsellors' Glee Club. The enthusiastically applauded feature of the evening was a one act play, entitled, *No Means Yes*, starring Robin Lagemann, with the able support of Pete Mykrantz, John Diaz, John Kerr and Karl Jaeger.

Greys Win Unscored Water Meet

The water meet of August 23 was another victory for the Greys, 99½ to 69½, but it was not counted on the score, competition having closed the previous night.

Katahdin Trip (Continued)

Mr. Bateman. Bates had also driven the largest group of climbers in the truck, while Charlie Wilson had taken a small group in his car.

Tuesday morning we were up early in order to get started on the climb as soon as possible. We were taken to the beginning of the trail by cars. This trip around the base of the mountain took a little more than an hour.

The first three miles of the climb consisted of a gradual ascent. Then came two miles which were much more difficult. Midway of this stretch, we had lunch, consisting of two sandwiches apiece, two oranges, a candy bar and some raisins. When we had rested, we began climbing the part of the trail known as the Knife Edge. The trail runs along a ridge of sheer rock, never wider than two and a half yards. At some points it is so narrow that one has to straddle the rock. On each side we could look down into valleys a thousand feet below.

When we reached the summit, which is just thirteen feet less than one mile in altitude, we realized that we had climbed five miles over some parts of a trail of which we had not believed that we were capable. After we had rested and signed our names in a book, we started down across a plateau. There was about a mile and a half of this and then a steep stretch of two miles. From there on the descent was more gradual, interrupted only by a beautiful waterfall, where we again rested. We finally came to the end of our trail when we entered our camp, where Bates had a delicious dinner waiting for us. The man who led the interesting and spectacular climb was Dean Miller.

At about nine-thirty the next morning the return trip to Kawanhee began. The first seventy miles were over dirt roads. We stopped at a beautiful stream where many of the boys took a dip. Later we stopped in two towns, where we had chances to make a few purchases. The trip ended with a great cheer for Bates, who had had the hard job of the 400 mile drive. The trip is considered by many to be the most outstanding taken by Kawanhee campers.

Alphabet at Christmas Time

Although the Log has been squeezed out of the *Wigwam* again, it expects to break into print once more in 1947. The Christmas *Wigwam* is scheduled to carry the Alphabet, which was the main feature of the final Log read at the Banquet.
