Greys Check Maroons' Scoring Momentum

The Greys showed their teeth Saturday night, August 10, and took a nice juicy bite out of the Maroons' lead. In the score read at that evening's campfire the total tally stood: Maroons, 12,113; Greys, 11,262. The Maroon advantage was thereby reduced to 851 points. The remaining sum, of course, is nothing to sneeze at, and the Greys weren't sneezing! The significance of the score for them lay in the realization that for the first time they had reversed the year's scoring pattern which previously had seen the Maroons week after week pulling steadily ahead. Captain Davies and his crew gave a cheer which for once was powered by more than politeness and good sportsmanship. Two factors accounted for the score's change of direction.

First and most important was the fact that the Greys had outscored their rivals by 146 points in the period between Sunday, Aug. 4, and Saturday, Aug. 10. For the week the score was: Greys, 3917; Maroons, 3771. Swimming was by all odds the most profitable activity of the week, for levels in this department added up to 1940 points. Here the Maroons had the edge, for they had racked up thirty-five levels worth 1130 points to twenty-seven rated at 810 for their rivals. The Greys picked up their pay dirt in the Level work of several other departments, in Athletics, for instance, where their take was 735 points to 585 in their favor, and Campcraft where they ended up with 550 to the Maroons' 315. Percentage-wise, the Greys' greatest triumph was in Nature, where sixteen levels gave them 505 points, while the Maroons only passed six for 165.

The second formative factor in the week's score was the promised revision of the scale of point-values assigned to the Maroon-Grey sports contests. This did away with the practice of awarding a block of points (200 for a meet, 100 for a baseball or basketball game) to the winning team and nothing to the loser, regardless of the actual score of the event. The new policy allows each team the points scored in the game or meet itself, plus a bonus of 25 for the winner and 15 for the loser. Thus the Maroons' 85-38 victory in the water meet of Aug. 3, gave them 110 points (85 plus 25) and the Greys' 53 (38 plus 15), as opposed to the 200-to-0 advantage which the Maroons would have enjoyed under the old system. This new scale of values was made retroactively effective, and the results of all Maroon-Grey sports events to date were reevaluated. This process clipped 178 points from the Maroon total, and added 350 to the Greys' score. This differential of 528 and the Greys' gain of 146 during the week account for the gap between the Maroons announced lead of 1525 on Aug. 3, and the advantage of 851 which they held on Aug. 10.

Three Pass Junior Maine Guide Tests

The campfire of August 10 was distinguished by the announcement of three highly newsworthy awards. A report had been received from the Junior Maine Guide Committee on the results of this year's work at Bemis, and Art Downey was able to make known the fact that Bill

Chipman, Bruce Greene and Bruce Harmon had passed the rigorous tests and examinations for J. M. G. certificates. This brings to seven the total of Kawanhee's Junior Maine Guides, Art Downey having won the honor in 1955, and Mike Mathews, Bob Mathews and John Pethick in 1956.

Harmon and Greene completed the work in one season and qualified for J. M. G. rank in their first session of tests and examinations. This is a noteworthy accomplishment, for the program is generally considered as a two-season proposition, and many candidates devote two, and even three, summers to it. Chipman was a member of the 1956 group, and this summer rounded out the work begun a year ago. Harmon ranked highest in this year's Kawanhee class, passing nineteen of the twenty tests.

In all, twelve Kawanhee candidates attended the Junior Maine Guide testing camp at Bemis, Maine, July 31 to August 3. D. Beggs, Barry Birch, W. Boothby, G. Cayten, S. Dorrance, C. Fowler, B. McCoy, J. Shepard and T. Stearns all made substantial showings. They were asked to repeat some of the tests next year, after passing from nine to seventeen of the twenty this year.

In terms of Kawanhee scoring, a J. M. G. certificate earned in a single season is rated at 200 points, and one completed in two years at 100. Additional points are allowed for each test passed at Bemis. This year's J. M. G. points were not included in the score of August 10.

Paddlers Buck Waves on Rangeley Trip

On Monday, August 5, a group of nine campers from the Bear, Badger and Crows' Nest Lodges and two Junior Counselors left Kawanhee on the Rangeley Lakes canoe trip. We took along six of the camp's fifteen-foot aluminum canoes. Heading the trip were Roy Nickerson and Jack Welton.

We arrived at the starting point, Haines' Landing on Mooselookmeguntic, at about 11:00 A. M. At first it looked as if there might be rain, but we were fortunate in having good weather for the whole trip. We were under way by 11:30 A. M. and paddled about five miles to Students Island where we were to spend the first night. After setting up our camp and gathering wood for the fire, a group of us explored the island. We went to bed by 8:30 so we could make an early start the next morning.

After breakfast we paddled to Upper Dam where we portaged about 100 yards to Upper Richardson Lake. Here we met a stiff breeze and had to saddle almost straight into waves, some over a foot and a half high. In weather like that those 15-foot aluminum canoes bounce around like corks. When we had crossed the lake, we turned and went with the waves to Pine Island where we ate lunch.

We started off again after lunch and made our way through the Narrows to Lower Richardson. By this time the wind had died down and it was easy paddling to Spirit Island. Here we spent the second night. This island is just a big pile of rocks with a few trees on top and from a distance it looks like it has no space for camping. We managed, however, to find room to pitch our four tents and settled down for a good night's sleep.

When we woke up the next morning the fog was so thick that we could see neither shore. But by 7:30 A. M. the wind, which we had as our companion the entire trip, had blown the fog away and the day turned out to be beautiful. After loading our tents and packs into the canoes, we were on our way by 11:15 A. M. and paddled about two miles to South Arm where Bates was waiting for us with the truck.

I'm sure that all the boys on the trip join me in thanking Nick and Jack Welton for making this trip possible for us. Even though we did have to work hard, we all had a wonderful time.

S. DEXTER

Another group of paddlers, brought in from Kawanhee by Bates Wednesday morning, took over the canoes at South Arm and, guided by Nick and Fred Appleton, reversed the course of the above reported trip, to keep a rendezvous with Mr. Bateman and the truck at Haines' Landing Friday afternoon. The other components of the week's trip program were: a two-night occupation, beginning Monday, August 5, of the Swift River Outpost Camp by Junior B's under the supervision of Herb Birch, Uncle Charlie Long and Dave Angerer; a surf-swimming expedition to Popham Beach on Thursday for Junior B's in charge of Rufus Freedman and Bill Chipman; a Bear-Lodge climb up Tumbledown's Chimney Trail that same day with Art Downey in the lead; and a Friday night cook-and sleep-out for the Pine Tree Lodge on Skookamee Beach, with Dave Ferguson officiating.

Junior Marksmen Outshoot Visiting Team

Wednesday, August 7, Kawanhee teams made a clean sweep of a three-part inter-camp meet with Camp Mitigwa of Rangle, Maine. The delegation of Mitigwa Juniors, more than twenty strong, arrived in Kawanhee by truck at 10:00 A. M. in charge of Bob Janicker, Range Counselor, Seth Moger, Baseball Counselor, and Bob Leonard, Tennis Counselor. The morning was devoted to the contest on the Range and to the Tennis matches. After dinner two incompleting tennis matches were played off and a hardball game was fought out on Diamond No. 1 before the departure of the visitors at 4:00 P. M. The Mitigwa gentlemen were most pleasant and courteous guests, as well as fine athletes, and Kawanhee looks forward to meeting them again. Kawanhee teams composed of Junior A's and Seniors are scheduled to go to Mitigwa for a return meet on Thursday, August 15.

By team scores of 82 to 64, Kawanhee won the brief but decisive shooting match staged on the rifle range under the supervision of Bob Janicker of Mitigwa and Bob Stanley of Kawanhee. Kawanhee was represented by Brad Connor, R. Goldthwaite, D. Roth, A. Smith and W. Wassell. The

Kawanhee Range Department had prepared for a match at the 15-year level. The arrival of the visiting team, all twelve years old or younger, caused a hasty revision of plans, and a group of Junior gunmen had to be rounded up on the spot. They acquitted themselves nobly, with D. Goldthwaite carrying off the individual honors by shooting 89 out of a possible 100. Each marksman shot two targets, and each team took the average of its members' individual scores to arrive at the team score.

Mitigwa Defeated in Tennis and Baseball

On Wednesday, August 7, Camp Mitigwa sent its tennis team to take on Kawanhee in singles and doubles matches for the fourteen-year-old-and-under group. The No. 1 singles match pitted Bill Boothby of Kawanhee against eleven-year old Nick Van Tassel from Mitigwa. As it turned out, this was the best match of the five. Van Tassel displayed excellent placing skill and ability to return all shots in winning the first set 6-4. Boothby's superior power, however, showed through as he won the next two sets 8-6, 6-4.

In the No. 2 singles, Terry Lawrence of Kawanhee downed Bill Ives (Mitigwa) 6-1, 6-2. George Tittmann easily disposed of Butch Mitchell (Mitigwa) 6-0, 6-0, in the No. 3 singles. Butch Cooke and Ed Spelyng (Kawanhee) had no trouble in beating Beyer and Johnson (Mitigwa) by the score of 6-0, 6-2 in the No. 1 doubles. The sweep was completed for Kawanhee when Brad Welton and Pepper Sweet defeated Knox and Toffey (Mitigwa) 6-2, 6-3.

The afternoon of August 7, after the tennis matches had been completed, Kawanhee's Little Leaguers played Camp Mitigwa in a hardball game for the twelve-year-and-under age group. The game lasted for six innings and Kawanhee came out on top by a count of 7-0. Ed Spelyng hurled the entire game for Kawanhee and allowed no hits. He struck out fifteen men and walked five. He was in hot water only once, when he walked two men in the third frame and had runners on second and third.

Kawanhee started out with a bang, scoring four runs in the bottom of the first inning. Two walks, five errors and a double by Tom Knowlton produced the runs. Kawanhee went down a-b-c in the second, but tallied two in the third on an error and a home-run blast by Tom Knowlton. Kawanhee threatened again in the fourth as Lawrence and Spelyng hit back-to-back singles, but could not push them across. One more was brought in in the fifth, when Mike Olson singled and stole three bases.

Cougars Receive Score, but Win Again

The Cougars added another victory to their unbeaten record on Monday, August 5. They were pressed all the way until they finally pulled it out by a 6-5 score.

Both teams tallied three runs in the first inning. The Wildcat runs came on several walks and four errors. The Cougars scored as a result of a walk, an error, a hit batsman and a flurry of passed balls and fielder's choices. In the second the Wildcats picked up one more from two errors and a single. The Cougars brought in two on one hit and cashed in on three errors and a base on balls. The third frame produced the tying run for the Wildcats, when Ed Spelyng singled, advanced on an error and a passed ball, and then stole home. The Cougars went down in order in the bottom of the third and both teams failed to score in the fourth. The Wildcats remained scoreless in the fifth and the Cougars won it as John Johnson singled home Butch

Cooke in their half. Cooke was the winning pitcher for the Cougars and Bruce Gardner took the loss.

The Termites and the Hornets squared off on Tuesday evening. The game was a 3-3 tie after four and a half innings and had to be called on account of darkness. It was continued Friday night. The Termites scored a run to win it 4-3.

Little League standings, as of August 10, were:

COUGARS	Won, 7	Lost, 0	Pct., 1.000
TERMITES	Won, 4	Lost, 5	Pct., .444
WILDCATS	Won, 2	Lost, 4	Pct., .333
HORNETS	Won, 1	Lost, 5	Pct., .167

Lynx Rib TV Quiz on Variety Bill

Friday evening, August 9, the Drama timidly reared its head for the second time this season. This catch-as-catch-can manifestation of the theatrical arts consisted of four lodge skits, an accordion solo by the ever obliging Jim Parker, and three orchestral numbers by a combo elegantly self-styled "The Filthy Five." A fine time was had by all, with the possible exception of M.C. Sturges Dorrance, who had one heck of a time making both — or, indeed, any — ends meet!

Most ambitious item on the bill was the Lynx Lodge satire aimed at the currently high-rating TV quiz program, *Twenty-one*. Complete with isolation booths and well curved door-openers (They looked like lady wrestlers!) the piece provoked many a ready laugh. As the Quiz Master, Don Fisher started the merriment rolling with his wildly involved explanation of who couldn't hear whom (Hello, we got grammar!) in which booth, and "Champion" Don Casto's groggy delivery of his incredible chunks of information rang another responsive bell. M. Sabback was very svelte, if not too audible, as the challenger, and J. Worthington as the babe in the commercial was really something! The Lynx, in short, provided a few minutes of very superior fooling.

The next two acts to take the stage had a more impromptu air. The first-string cribbage team from the kitchen gave a demonstration of its favorite sport — mopping — highlighted by Jim Parr's Donald-Duck talk and Bernd Heinrich's very restrained impersonation of Foster the Chef. For its stint, the Moose Lodge pitched a double-header, two brief animated anecdotes with T. Lawrence delivering the punch line in one, and J. Fung in the other. The second aroused an uneasy nostalgia in Kawanhee until it was recognized for what it was, that most venerable of all camp chestnuts, the shadow operation, but *without* the shadows! My goodness, whatever will they think of next — *A Night at an Inn* without Ed Chace?

The Eagles went in for more serious things, presenting tense psychological thriller with social overtones, all about that highly significant character, Petunia the Silly Goose. Billy Fisher filled the title role with considerable dash and was ably supported by J. Benua, T. Taylor, B. Birch and all the other Eagles as various cows, roosters, horses and whathaveyou. These gentlemen supplied the action while Bob Mathews read the script.

Jim Parker's accordion number was *Lady of Spain*. The Filthy Five (i.e.: Freedman, trumpet; Yenser, clarinet; Chipman, sax; Parker, accordion; and S. Davis, drums.) featured *Roll Out the Barrel*. It rolled alright!

Big Water Meet Upset, but Not in Score

The Maroons, despite the constant challenge of the Greys, came through with a 71-52 victory in the water meet of Sunday, August 11. The score was nip and tuck up until the last event. This, the War Canoe Race, was won by the Maroons when the Grey canoe capsized just after the start.

An event new for this season was entered in this water meet. It was a diving contest which was won by Charles Sarich. An added attraction to the meet was the diving exhibition by Bill Keating. Bill performed several dives just before the War Canoe Race. A fine crowd of visiting parents attended the meet and this added greatly to its success.

D. KERR

The Greys were not the only ones startled by the capsizing of their war canoe, for such a craft was generally believed to be virtually unsinkable. A once-in-a-lifetime combination of circumstances turned the trick. A paddler broke his paddle; quite correctly he jumped out of the canoe to remove his, by then, profitless weight; the force and angle of his dive just happened to throw several other paddlers, already precariously poised in the strain of building up the beat, off balance; this produced a major shift of weight and the big canoe rolled over neatly. The unscheduled event caused great excitement but no alarm, for the crew members were all lake swimmers and were immediately surrounded by other boats.

Rain drove the Saturday night campfire indoors. Sunday morning was fair, but damp ground made inevitable the choice of the Recreation Hall as the setting for the church service and Dean Miller's Sermon. That evening, with the customary soloists, the Glee Club presented a full and well received program, any comment on which is ruled out here by lack of space. It might be said — and was! — that Sunday night's performance was to some extent a try-out for the big public appearance of Kawanhee's musical forces under the command of Herb Yenser in the Town Hall of Weld, Sunday evening, August 18. The prospect of this event is arousing the most pleasant anticipations throughout Kawanhee.
