

The Wigwam

Volume X, No. 7

Camp Kawanhee, Weld, Maine

August 18, 1944

SCORE UP, MAROONS ON TOP

Both teams scored heavily during the week ending August 12, adding almost seventy-five hundred points to the score. Their efforts, however, were so evenly matched that they made but slight difference in the relative positions of the two teams. The score is now: Maroons, 9480; Greys, 8450½.

Individual scoring honors still belong to the Greys. A Junior B member of the team, R. Sayre, is far in advance of the rest of the camp in Achievement Level work. To date, he has completed 17 levels for a total of 550 points. Next in order stand two more Grey Junior Bs, W. Licklider with 12 levels worth 450, and R. Wilcox who has 11 scored at 350. Fourth place is shared by S. Licklider, Grey, and J. Fincke, Maroon, who both have individual scores of 330.

Piscatorial Front Very Active. Defoe's Bass Breaks Records

Fishing has almost attained the status of a major activity this summer. Carl Spangler took charge of it and has done much to help and encourage the camp's budding fishermen. He revived the custom of awarding points for fish caught, ranging from 2 points a pound for perch to 20 per pound for salmon.

The fish themselves have co-operated nobly to make this the most memorable piscatorial year in Kawanhee annals. To Gardner Defoe goes the distinction of catching the fish to end all local fish stories. Early the morning of July 30, he was fishing from the main dock and successfully hauled in a 5 lb. bass. This is the biggest on the camp records and no one has seriously contested the claim that it is the largest taken out of this lake. Other sizable bass were brought in during July. The largest of several pickerel was one weighing 2½ lbs., caught by R. Kitchel. Perch have furnished many a fine breakfast. W. Mallory caught twenty-four in one evening. An unusual catch was the 1 lb. salmon taken by W. Clark. Even the sunfish come jumbo-sized. F. Stevens landed one weighing more than half a pound.

Former Counsellors — Some Work, Some Study, Two Return

In concluding its tabulation of missing tribesmen, the *Wigwam*, as does the whole camp, notes with regret the absence of the Rev. C. Ronald Garmey, whose too brief stay last summer made such a notable contribution to the life of the camp. Unfortunately his pastoral work could not be so arranged as to allow him to assume the duties of a counsellor this year. After spending the early part of the summer in his parish in Columbus, he is now vacationing with his family in Michigan. Marshall Umpleby, Head Master of the Englewood School for Boys, is another whose work has kept him from Kawanhee.

Of last year's Junior Counsellors, many are to be found in the universities. Ethan Davis continues his studies at Columbia. Terry Webster entered the summer term at Williams. Jim Garrison, it is reported, is in Dartmouth. Reggie Jones is taking his V-12 training at Princeton. Another tribesman studying under the V-12 program is Dick Goss. Late in June he joined his group at Dennison University, Granville, Ohio.

Others of this group of Junior Counsellors have various civilian jobs. Peter Lagemann is working in Wall Street. Don Swift is at home in Tenafly, N. J., employed in his father's
(Continued on page 2, col. 1)

Schedules for Return Trips

The Directors have recently announced the schedules for the return trips to New York and Columbus.

The Eastern boys will leave Dixfield at 6:50 A.M., August 24th. They will reach Portland at 10:15, and Boston at 1:00 P.M. They are slated to take the 2:00 P.M. train out of Boston and reach Grand Central in New York at 7:10 P.M. Should they miss the connection, they will take the 3:00 P.M. train and arrive at Pennsylvania Station at 7:45 P.M.

The Western boys are to take the early train out of Dixfield the morning of the 25th. They will leave Boston at 4:55 P.M., arriving in Cleveland at 6:55, and Columbus at 11:05, the morning of the 26th.

KAWANHEE THESPIANS SHINE

Thursday night, August 10, Kawanhee's amateur Thespians treated the camp to another of its weekly stunt nights. As an appetizer, the Birch Lodge presented a farce dealing with Inspection. Next came a demonstration of modern chemistry by Bill Louttit. The feature attraction was a comedy, entitled, *Sing, You Sinner*. The leading characters were Bob Baldwin as the harassed director of a boys' choir, and Peter Rich as the choir's soloist. P. Strachan and R. Kitchel were other choristers and Gordon Willard was convincing in his part as a pastor. Webbie Davis, as Mrs. Byron, turned in a first rate performance, as, indeed, did all the cast.

The week's movie, shown on Tuesday night, was the admirable picture version of *Tom Brown's School Days*.

Greys and Maroons Pick Three Tons of Beans for War Effort

BY H. ERF, SENIOR

Believe it or not, a grand total of 5927 pounds of beans were picked by Kawanhee boys in three days! Nearly three tons of food for the United States government!

The drive for beans, torridly contested between the Maroon and Grey teams, was inaugurated on the morning of July 31, when a truckload of fellows from the Maroon team departed for a farm at the head of Lake Webb. Shortly before lunch those boys returned, proudly boasting a day's total of 826 pounds. That afternoon, boys selected from the ranks of the Greys picked 920 pounds. Eight days later, the teams returned for a full day of picking. The following day the Kawanhee hordes again invaded the bean patch.

At the campfire on August 12, Raymond Frank climaxed the campaign by announcing the victor in this contest. The final totals read: Greys, 3011 lbs.; Maroons, 2916 lbs. Each picker received 1¾ cents per pound, with picking honors going to the following boys: B. Durell, 184 lbs.; J. Moores, 161 lbs.; T. Bateman, 150¼ lbs.; C. Henry, 148½ lbs.; E. Stewart, 140½ lbs.

Counsellors Work and Study (Continued)

hardware store. Ted Huntington is in Columbus, working in the freight yards, while he waits to take the tests for joining the Merchant Marines late this month.

Joe Lupfer has been doing scholastic work in Springfield, Ohio. He is expected here later in the month when he and his family come to spend their vacation at the Inn. His older brother, Ed, is a lieutenant in the Army Air Force. He is co-pilot on a bomber, stationed at Shreveport, Louisiana. One returning tribesman whom we have already welcomed is Hal Myers, who is spending his vacation with his family in their cottage. He received his medical discharge from the Navy in February and entered Princeton Theological Seminary. Bill Myers, an ensign in the Navy, is now skipper of the U. S. S. *Governor*, operating out of Galveston, Texas. Ralph Lucas is practicing law in Columbus, with his father. Last spring, he passed first in the Ohio bar exams.

Maroons Win Water Meet

The Maroons won the water meet of August 12 by the score of 180 to 153. The Greys, however, scored a moral victory by winning their first war canoe race of the year. They attribute their success to the mascot they carried, D. Goss.

Baseball Games

The final round of league baseball games was played on August 9. The Junior games produced the following scores: Pirates, 15 — Cubs, 6; Yankees, 5 — Cards, 3; Giants, 6 — Indians, 4. In the Senior League, the results were: Tigers, 3 — Red Sox, 2; Yankees, 9 — Senators, 3; Indians, 10 — Brown, 8.

There were two Senior play-offs on August 11. The Indians defeated the Senators, 8 to 1, and the Tigers took first place by downing the Yankees, 4 to 3.

The other baseball event of the week was the second Maroon-Grey hardball game. Genberg pitched the Greys to another victory, 12 to 1.

Greys Take Tennis Tournament

A Maroon-Grey tennis tournament was completed on August 10. Five matches, three singles and two doubles, were played in each of the three competing classes, Junior B, Junior A and Senior, with five points awarded to the winner of each match and three to the loser. The Greys made a notable showing by winning four out of the five matches in each division. This gave them 64 points to 51 for the Maroons.
