

MAROONS WIN!

MANY RECEIVE HONORS AT AWARDS CEREMONY AS KAWANHEE '86 COMES TO A CLOSE

MAROONS WIN!

In a year that saw the lead change several times, the Maroons emerged with an exciting victory in the Maroon-Grey contest this year. It was one of the closest contests in years with the Maroons winning by less than 800 points - a slim margin considering there were over 80,000 points scored!

When scorekeeper BA Altmaier read the last score at the end of the fifth week, the Greys had posted a slim five hundred point lead. Thus there was a lot of excitement and tenseness as BA Altmaier announced the final score. Both teams knew it was close. The final points of the season had been scored only a few hours earlier, when the Greys won the Tug-of-War. Slowly, BA put up the numbers. He was helped by his assistant scorekeepers as they put numbers up on the board. Finally the Maroon score was completed - 41,045. The Grey score only missed one number - it read 4,295. The Greys knew that any number besides 0 would give them the victory. BA turned the scoreboard away from the 140 campers and began writing the number. He turned it back but he hadn't finished writing! What he had written was either the top of a "O" or a "2". BA turned it back again and finished writing. He completed the number an "O" and the Maroons and their captain, Chuck Compher Jr. had emerged victorious! A wild celebration ensued in the dining hall as the Maroons piled on top of each other and Chuck and assistant captain, Bernie Gehret jumped off the high board to celebrate their victory.

For the Greys and their great captain, Fly MacPeak it was a disappointing end to a valiant try. They had tried as hard as they could and their effort was just short. It was a job well done by both teams as the closeness of the score indicated. Job well done by both teams and captains!

of the high point winner each year. Chuck Compher Jr., captain of the Maroons can surely thank his younger brother for the fine effort he made in helping the Maroons to victory. A list of the top twelve high point winners follows this article.

BA Altmaier, camp scorekeeper, would like to thank his assistant scorekeepers who stayed up most of the night on Friday, August 8th, to compile the score. Those assistant scorekeepers were Polly van den Honert, Louisa van den Honert, Jamie Robinson and OJ Altmaier. BA would also like to thank Barbara Compher for making the numbers that went on the final scoreboard.

The Greys celebrate as they win the final Maroon-Grey points of the year, the Tug-of-War on Saturday morning, August 9th.

HIGH POINT WINNERS

One of the greatest honors to be earned at Kawanhee is to be announced as one of the high point winners. It was especially noteworthy this year that the Maroons won the high point contest.

BANQUET AND AWARDS CEREMONY

The Kawanhee season is always topped off by the Banquet and Awards ceremony the last Saturday of the camp season.

The Banquet is a wonderful feast that takes place at noon. This year the Banquet consisted of chicken, potato, broccoli, rolls and a delicious dessert. It's not surprising that the cooks were "called out" to receive a rousing ovation from the campers and staff.

A short while after the Banquet ends, the Awards ceremony begins. At this ceremony many campers receive honors for their accomplishments over the summer. At the beginning of the ceremony all campers receive their achievement plaques. These plaques tell each camper how many levels they earned in the various activities on the plaque at their age level. It is quite an honor to "complete" a plaque and it usually takes several years to do so. Here are the people who completed a plaque this year, the age group the plaque was in and how many years it took them.

Finished Achievement Plaques

| Two Years | | | Three Years | | |
|----------------|---|--------|---------------|---|--------|
| Mike Compher | B | Levels | John Koplitiz | C | Levels |
| Robert Compher | B | Levels | | | |
| Warren Fish | C | Levels | Four Years | | |
| Mark Osborn | C | Levels | Andy Brown | C | Levels |

After the achievement plaques are handed out the various activities of camp hand out their ribbon awards. The ribbons are given out in the various age groupings of Jr. C, Jr. B, Jr. A, and Senior. In each grouping a champion, runner-up and most improved ribbon is awarded. A complete listing of these ribbon awards follows in this issue of the Wigwam.

Some activities such as Nature, Shop and Campcraft don't give ribbon awards. They instead give meritorious awards. These are people selected by these departments for special awards or recognition.

At the conclusion of the awards ceremony there are several special awards for the greatest improvement in swimming, athletics and physical being. This year there were two new awards. The Russell Bennett trophy for the greatest improvement in Jr. C Swimming and Herb Birch's Polar Bear award to the person who went swimming with the Polar Bears the most times. Below are listed these very special award winners. They should be proud since they were chosen from the entire camp.

SKIT NIGHT

Yes, on August 6th, it was the annual Skit Night at Kawanhee. A full crowd waited in anticipation as the acts prepared to go on stage.

The Junior side started Skit Night as Eagle lodge performed a wrestling mania show. Hawk lodge then performed a skit that has the critics still trying to figure out. Beaver lodge followed a piece of gum as it went several unhealthy places and finally into an unsuspecting mouth. Deer lodge followed with a slide show depicting life at Kawanhee.

Birch lodge presented a take-off of Miami Vice featuring five rock singing performance by Jim Parker. Lynx lodge was next with a take-off on the coming of the Chief called "Hey Dude". Doug Colescott called the Chief with his guitar and Owen Feeney played the Chief. Various members of the lodge sent messages to the campers such as "Don't call for the cooks too often, they might take you seriously."

Wildcat presented the story of Danny the Duker. As storyteller, Morgan Kennedy told the story, the lodge acted out the story of Danny. Danny (played by Mark Hoffman) came out of a serious buggy accident to later become one of Kawanhee's famous legends.

After Bear lodge's skit, Loon followed with a formal dining room scene of Gregg Mullen and Jeff Baumann eating cat food!

Next followed the Bass Rockettes, a group of the Dining Hall ladies who did a tap dancing routine. It was one of the highlights of the evening as hours of practice were quite evident during this act. Everyone showed their approval of this act by screaming and applauding.

The evening ended with Crow and Badger as they did an excellent take-off on campfire. Then everyone waited as the awards were announced: Most potential, Bass Rockettes; Most Original, Deer; Best Costumes, Birch; Best All Around Skit, First place, Loon; Second Place, Wildcat; Third Place, Crow & Badger.

It was a fun evening and Steven Spielberg will be in touch.

KLL SEASON COMES TO A CLOSE

It has to be one of the best play-off games in KLL history. That was the story when the last place Green Waves took on the undefeated Whiteheads in the first round of the play-offs. The game took some two hours and 45 minutes to complete and when the dust had settled on Chip Button Memorial Field the Green Waves had emerged with the biggest up-set victory of the season, a thrilling 10 to 9 come-from-behind win. The Heads started strong with four runs in the first inning off Ace pitcher of the Waves, Todd Worthington. They also had a single run in the 2nd and a final 4 big runs in the bottom of the 4th to closeout their scoring at 9. This set the stage for the dramatic finish by the Green Wave team. With eight runs scored through the first 5 innings the waves were facing their last at bats in the top of the 6th. With one out the Waves got a break when Erik Fuhrmeister was hit with a pitch sending him to first. Then Andrew Meiling and Todd Worthington followed with doubles to plate both runs to give the Waves what proved to be the winning margin. But, the Whiteheads still had one last at bat to go. They proceeded to load the bases, and with two outs and the tying and winning runs at 2nd & 3rd the game had to be suspended because of darkness. The game was completed on Thursday morning at 11:00 A.M. to a capacity crowd at Button Stadium. The stage was set, bases loaded, two outs, tying & winning runs on 2nd & 3rd and Ace pinchhitter Warren Fish of the Whiteheads at the plate. A base hit would mean a berth in the World Series for the Heads. Fish was hitting off the tee and slammed what appeared to be a hit up the middle, but at the last moment Ace pitcher of the Waves, Todd Worthington snared it and threw to Wave first baseman, Steve Paull for the final out of the game propelling the Green Waves into the World Series. Both teams showed excellent sportsmanship at the conclusion of the game and should be proud of their teams efforts. This truly was the most exciting game played this season.

That set up the next semi-final play-off game between the Red Barons and the Blackeyes. The Eyes finishing the season in 2nd place and the Barons in 3rd.

This turned out to be no contest as the Red Barons took control early

Jim Parker "rocks on" during the Birch lodge skit

Skit night, first place winner, Lynx lodge, presents "Hey Dude"

they pounded their way to a convincing 18 to 8 victory over the Black-eyes.

Edgardo Castillo completed a successful season for the Eyes as he batted .692 for the season and was crowned League Season Batting Champ.

This victory gave the Barons the right to meet the Green Waves in the KLL World Series.

KLL WORLD SERIES ROUND-UP

The series began with a close game as the Barons clung to a slim 3 to 2 lead after 2 innings. But the Baron bats came to life as they had against the Blackeyes in the semi-finals with 7 runs over the next two innings to propel them to a 10 to 5 opening game victory. With game one of the best 3 series under their belts and in their pockets the Barons came out in game two with fire in their eyes as they saw and tasted a potential KLL Championship. It turned out to be no contest as the Barons were overpowering as they plated 11 runs in only 3 innings for an 11 to 0 victory and the KLL World Series Championship, **Matt Bedell** was crowned the series batting champ going 7 for 11 in the play-offs. Robert Compher was chosen tourney MVP for his all-around catching, pitching, and hitting display in the series. For the Waves **Todd Worthington** was selected the player who exhibited the best sportsmanship throughout the season. Both of these teams have reason to be proud of their accomplishments as both were considered decided underdogs going into the play-offs.

This season has been a great success with the KLL being extremely well balanced which made for many exciting games. The baseball department would like to again thank all of those people who helped out in many ways this summer. Your efforts and service were greatly appreciated. Best of luck to all of you in your travels and endeavors throughout the year. Hope to see all of you in '87.

Yours in Baseball

HANK AARON ROUND-UP

The Hank Aaron League came to a close as the Quiche Eaters made a run at the championship by winning 3 out of their last 4 games to get into the final game against the tough Pencilnecks. The Quiche used an 11 to 4 drubbing of the Worms to get into the title game. They were led by their Captain and League M.V.P. for the season **Brian Kennedy**, who pitched and batted his team into the finals. Helping out for the Quiche were also the big bats of **Mike Wells**, **Jim Norian**, and play-off M.V.P. **John Gabriel**.

The stage was set for the final and deciding game between the Quiche and the Pencilnecks, holders of the best regular season record. The game was never in doubt after the 2nd inning when the Necks were locked in a 1 to 1 tie game. The Necks sent 11 men to the plate in the 3rd and when the dust had finally settled nine Necks had crossed homeplate and the Quiche Eaters dream of supremacy had all but vanished. The Pencilnecks went on to post a 16 to 9 victory and the 1986 Hank Aaron League Championship. Leading the Necks in the hitting department were Captain **Bernie Gehret**, **Kenny Sly Williams**, and co-captain, **Andrew Burns**, along with **Jim Osborn** and League Season batting champ, **Gregg Mullen**. For the Quiche leading hitters were **John Gabriel**, **Mike Wells**, **Yusake Koh**, **Tim Horton**, and **Jeff Stroman**.

All seemed to enjoy the Softball League this year and I believe the Season can be judged a success. A lot of fun was had by all, which made for a successful summer.

ARCHERY REPORT

It was a wonderful summer in Archery! We enjoyed our fine

Jr. A Robin Hood. Craig Wolpert earned Senior Robin Hood on his first attempt, and went on to complete the entire medal septem (15) left-handed! Two campers (Andy Graham and Erik Fuhrmeister) finished all their medals and are ready to go on to new challenges.

We had three consecutive weeks of awarding over 100 medals to young archers. We gave a total of 580 medals all summer

*****NUMBER 90 FOR BATES*****

Over the years the best known and best loved Kawanhee Staff Member in a runaway decision is Clarence F. Bateman. Ever since the early 1930 era, BATES has continued to make his indelible mark upon the lives of campers and counselors. "Bates' Bouncing Buggy" has been a familiar phrase to all Kawanheens who rode the bumpy roads to Tumbledown, Blue and other exciting Maine Tripping scenes. The lure of gold panning was always more thrilling because Bates made certain every boy arrived back at camp with at least a few flakes of the precious metal. The hundreds of Mainers befriended by Bates provided him with an invaluable source of where to go and what to do in Maine. One fascinating Indian Maine guide contracted with Bates to build bird houses, and these were re-sold by Bates to generations of Kawanhee campers and staff. The crowning achievement for Mr. Bateman was his superb P.R. job in maintaining the excellent relationship between the natives of Monhegan Island and himself. This resulted in a carryover of good will which even today enables Camp Kawanhee to be accepted happily and with open arms by the good people who live on the island--today we are still the only camp permitted to camp behind the lighthouse and remain camping on the island for five days. On August 18 Bates celebrated his 90th birthday. Perhaps we can all drop him a congratulatory card at 1329 Murrell Ave., Columbus, Ohio 43212. **BATES IN THE LAKE!**

John Welton, director of the Waterfront in the late '50's and '60's, visited Camp on August 10th. Jack and his wife are now retired and living in NY state. Their two sons, Roy and Bradley, were in Camp during this period. Roy now lives in Holland, Michigan and Bradley lives in Berkeley, CA.

Robin Wells a camper and counselor in the early '60's visited Camp this past week. Robin is a Navy career man.

Good-bye Kawanhee '86...

A KAWANHEE PRAYER

Lord,

We thank you for sharing the beauty of the mountains and forests with us this summer. We delight in living the simple life far from rush hour traffic, neon signs and police sirens.

We treasure the wildflowers, loons, blueberries and pine needles of this special place.

Give us the wisdom to preserve the beauty we find here, and the ability to return to Kawanhee when it is summer once again.

Amen.

LIGHT A CANDLE ON CHRISTMAS EVE

Its an old Kawanhee tradition to light a candle on Christmas Eve in a window facing Kawanhee. This will make you remember the Kawanhee spirit and relive memories just a few months old. It will rekindle your spirit and make you remember - its only a few months until Kawanhee '87! So light a candle facing Kawanhee on Christmas Eve!

See you next year.

But think Kawanhee '87!

ANNOUNCEMENT

As announced last year, Camp Kawanhee received word from the Internal Revenue Service that our request to form a foundation had been accepted. Consequently, we are now eligible to receive tax deductible donations which will be used to provide scholarships for boys regardless of race, color, or creed so that these boys can be enrolled at Camp Kawanhee for future seasons. The camp's Board of Directors believes that this is a very positive advancement, and will prove to be a strengthening force for Kawanhee, not only financially, but by bringing to our camp carefully selected boys who are worthy of such an honor and who will contribute positively by their own attitude and character. Any person, company, or organization wishing to donate, please make check To and Mail To:
