MESSAGE FROM "MR. E"

A hearty "thank you" to those many parents, and other friends of Kawanhee, who have provided us with names of prospective campers! You are helping us to fill the camp each season and that's what keeps Kawanhee going. Thanks also for your thoughtfulness in taking time to express appreciation for the progress your sons have made. Here's a note that I recently received, and I'd like to share it with you: "My husband and I are impressed with the growing our son did--behaviorally, attitudinally, physically, socially, and even academically. The beautiful part is that this growth did not end or regress with the close of camp. We certainly feel that Kawanhee is the best investment we've made for our son. We thank you deeply for providing him with such a positive and dramatic experience."

KAWANHEE PARTY TIME

Two parties were held at the Estabrooks' home in Columbus, Ohio. The first was a Christmas staff party, and this included counselors, wives, girl friends, and some ex-staff members. In all, about 55 people attended the first group. The second party was for campers and their families, and again the turnout was very good with 55 to 60 attending. Thanks to all for keeping the Kawanhee spirit GOING STRONG all winter!

MESSAGE FROM MR. BIRCH

I am counting the days and checking them off on the calendar before the opening of Camp. Then I'll be meeting with the early morning dippers, the Polar Bears, new and old. I have carved and painted a beautiful POLAR BEAR on a base. It will be awarded to the camper who dips with me the most during the '86 season.

Also, I've been busy making several new shop projects to challenge our craftsmen. I have carved several colorful birds such as Cardinal, Bluejay, Bluebird, and Evening Grosbeak, and mounted them on wall plaques which in turn are stained and painted in natural backgrounds. Hope you will like them. Also, several other new projects are in the making. SEE YOU SOON.

KAWANHEE LOSES GOOD FRIEND

Friends of Kawanhee were saddened to hear of the recent death of the Rev. G. Stanley McCleave. Rev. McCleave was our camp chaplain for many summers, and his unwavering cheerfulness and helpfulness added greatly to the total spirit of Kawanhee. Rev. McCleave was an energetic and tireless worker in Campcraft and in leading mountain trips, in addition to his daily words of encouragement to all who crossed his path. Our thanks to Stan McCleave for his years of service to Kawanhee and for the positive influence of his fine Christian personality upon the Kawanhee scene.

Rev. G. Stanley McCleave, 1909 - 1985

ANNOUNCEMENT

Last year Camp Kawanhee received word from the Internal Revenue Service that our request to form a foundation was accepted. Consequently, we are now eligible to receive tax deductible donations which will be used to provide partial scholarships for boys regardless of race, color, or creed so that these boys can enroll at Kawanhee if they qualify in character and in financial need. The Kawanhee Foundation is proving to be a strengthening force for the camp, not only financially, but by encouraging the enrollment of carefully selected boys worthy of such an honor--boys who contribute positively by their own attitude and character. Any person, company, or organization wishing to donate, please make check to & mail to: CAMP KAWANHEE FOUNDATION, WELD, MAINE 04285; thank you for your contributions.
