KAWANHEE SOCIAL HOUR

Two parties were held over the holidays at the Estabrooks' home in Columbus, Ohio. The first was the Staff party, and this included counselors, wives, girl friends, boy friends, babies, and some ex-staff members. In all, there were about 60 people. The second party was for campers and families and again the turnout was very good with between 55 and 60 persons attending. Thanks to all for helping to keep the Kawanhee spirit GOING STRONG all winter!

NOTICE FOR PARENTS OF BOYS RETURNING FOR 1988:

Enclosed with this Winter Wigwam you will find an order blank from Bell of Maine if you wish to use their name tapes to identify your son's clothing and personal items.

SOMETHING THAT MADE ME PROUD

by Adam Rozan

When I was at Camp there was an activity called POLAR BEAR. Nobody ever went everyday. But when I was at camp I went every day. I won the Polar Bear Award. I broke the record and I was proud!

Footnote by Adam: Polar Bear is jumping into an ice cold lake before breakfast

VIDEO COMES TO KAWANHEE

In tune with the times, Camp Kawanhee can now be brought into your living room with VCR. Thanks to the professional expertise of Polly van den Honert and Bill Koplitiz, we are offering a 14-minute videotape for your pleasure. It was filmed over the entire summer by Bill Koplitiz and then transferred to video by Polly and her crew from the Boston firm of Vizwiz-Film-Video. The music was composed and arranged by Kawanhee's own Charlie Ballenger, a graduate of Berklee School of Music in Boston. The film describes the attitudes and friendships of Kawanhee that make it such a special place. To quote Vizwiz editor Chris Janowski: "I couldn't have done the job if I hadn't come up to Kawanhee and seen it for myself!"

If you would like to order this tape, please tear off section below and return with check payable to Camp Kawanhee:
