

### \*\*\*NEW STAFF MEMBERS FOR 1989\*\*\*

Camp Kawanhee enjoys the enviable reputation of having the largest repeat factor for STAFF MEMBERS of any A.C.A. (American Camping Association) camp in New England. Each summer we do add a few new members to our staff, and so far for 1989 there are seven persons. We are happy to welcome Jack Mondell, Football Coach for the Toledo University Rockets. Jack has been coaching and teaching for 20 years, and at Kawanhee he will assist Coach Pete Belskis on the athletic field; also, Coach Mondell will oversee our weight lifting program, physical conditioning, and touch football for those campers who wish to participate. Jack served as a graduate assistant football coach under Woody Hayes with the Ohio State University 1973-74 championship teams. Jack's wife Kathy will assist in our Tennis Department, and their son Clint will be a camper. Daughter Pam will help babysit with Pete and Nan's baby, Angela Belskis. Jack will also be head counselor in Birch Lodge. We welcome too Paul Bramlett of Ft. Worth, Texas. Paul will be working as an Assistant Director in our Waterskiing Dept. (along with his good friend Chuck Compher, Jr.). Paul is a graduate of Texas Christian University with a degree in Music, and was a student of Chuck Junior's father while in High School. Paul has had many years experience in teaching skiing. Another new addition is Matt Davis, a Physical Education Major at Ohio State University. Matt will assist Paul Rotollo on our Basketball Court, and we are fortunate that Matt has ample experience--he was a camper at Denison Basketball Camp in Granville, Ohio under Bill Hosket, and prior to that, he attended the well known Notre Dame Basketball camp under Digger Philepps in South Bend, Indiana. A welcome return to Chip Hurley, former camper of nine years age; Chip is well qualified to teach Waterskiing or Sailing, and he, like Jack, Paul, and Matt will be a Lodge Counselor. We are delighted too to have Bev Leonard from Naples, Florida join us as one of our camp secretaries. Bev has considerable training in secretarial work, and in guidance counseling where she will fill in too as needed. Bev has been in the teaching profession for 15 years. Finally, we are happy to have Mark Cutler join us as an assistant in Shop to Mr. Herb Birch and Mr. Brian Birch; Mark comes to us from England--he has excellent background for being one of our lodge counselors and for assisting in Shop. Here's wishing a happy and productive summer for all of these new personnel!

## ONE CAMPER'S IMPRESSION OF THE FAMOUS MONHEGAN ISLAND TRIP

There are many special things that can be seen on Maine's Monhegan Island. First, is the fuzzy dark jade green moss that accumulates on the sunless north side of the dark, dense forest and simple buildings. On top of the gigantic jagged cliffs, a towering ruby red and snowy white lighthouse is located. Above, silverous sea gulls soar silently through the air. Below the enormous rocky formations is a rusty tugboat's resting spot, where indigo waves thunder against the magnificent silver cliffs. Finally, unique to me, is the fact that absolutely no vehicles are permitted to roam this gorgeous island in the Atlantic.

## A GOOD TIME WAS HAD BY ALL!!

February 12 was the date of a happy gathering at the home of Jane and Walter Estabrook in Columbus. The occasion was Kawanhee's Annual Camper-Parent Reunion. In all, there were 65 persons attending. In addition to Jane and Walter Estabrook were staff members including Mark Nelson, Paul Rotolo, Patty Donahey (with husband Dick and sons Richie, John and Tim), Dotty Jones-Estabrook (and her husband Jim Estabrook), and newly appointed Coach Jack Mondell and his wife Kathy (along with their son Clint and daughter Pam). Other Kawanhee friends included Sue Altmaier, "Big John" Detrick, Lorenzo and Ann Baker, Marcia Browne, Hal and Jean Myers, and Tim and Kay Hirsch. The following campers and parents also attended. Ted Coons Sr., Martha and Bob Davis, Tim Davis, Cindy Davis, Jim Garland, David and Linda Price and son David, Ernie and Mary Jane Tracy and son Jon, Lucia Findley and son Ben, Tim Horton, Ann Flaherty and son Shawn, Shyam Rajadahyaksha, Jane Graham, Sue Coomer, Chuck Hoffhine and son Ben, Roger Holtz and son David, Yong and Mija Kim and son Jeff, Dr. Gerald Rosenberg and son Chase, Ritchey and Diane Hollenbaugh with daughter Katie and son Chad, Donald and June Wetherilt with son Rupert, Herb and Kathleen Cook and son Adam.

It was unanimously agreed that the Kawanhee spirit was much in evidence as everyone shared exciting summer experiences while enjoying refreshments and viewing slides and videotape of Kawanhee activities. Kawanhee '89 was properly launched!

## \*\*\*AS KAWANHEE TURNS\*\*\*

Our famous gymnast Josh Cook is now Dr. Josh Cook--a Family Practitioner doing his tour of duty in hospitals. He is now at St. Anthony's in Columbus, Ohio. Annika Elizabeth arrived November 7 in Honolulu--the happy parents are Eric and Lisa Jensen. Charlie Ballenger is teaching piano lessons in Orlando, Florida and thinking of playing at a hotel in Orlando. Did you know that Chris Yardley could be a chef also? He hosted a big group which enjoyed skiing at Sugarloaf and checking in to see that Camp Kawanhee was doing OK this winter. Chris stayed in the kitchen so that they could enjoy gourmet food when they returned from their outings. Henry and Jane Blau are doing a great service to Weld by being leaders in the fight to keep ATV's (All Terrain Vehicles) out of Mt. Blue State Park. Most of the Weld population and Camp Kawanhee leaders have written to the authorities in Augusta to add their protests also. Tom Wojcik has been working on completing plans for a vastly improved swim dock. Peter van den Honert, Brian Gibson, and Pam Novak are very happy that this work is in the making.

Please keep the Wigwam informed of further happenings or events!
