GREYS EDGE MAROONS IN FINAL SCORE AS KAWANHEE '92 COMES TO A CLOSE

The Grey Team, down by 2,000 points at the last score, waged a brilliant comeback and edged the Maroons by nearly 2,000 points as B.A. Altmaier read the final score at the Awards Ceremony. The final score was 60,281 for the Greys and 58,074 for the Maroons. This was the greatest number of points ever scored at Kawanhee. As soon as the winning score was announced, Grey Captain Michael Compher took the customary dive in the lake. This win kept the remarkable Compher brothers' winning streak alive. All three Compher brothers (Chuck, Robert, and Michael) have been Captains in the last ten years and all have won! Although on the losing end, Maroon Captain Rik Papa was one of the most spirited captains Kawanhee has had in many years. His team's final total of over 58,000 points would have won the competition in many years. It was a great year of Maroon-Grey competition led by two great captains.

B.A. would like to give special thanks to his computer experts and beauties, Kathy Mondell and Mary Birch, for all their help and support. Words can't express how much they have meant to scoremaster B.A. the past few summers. God Bless and see everyone in 10 moons.

COMPHER FAMILY HAS FOUR CAPTAINS!

Many amazing and wonderful things happen at Camp Kawanhee each year. One tradition started in 1986, when Chuck Compher, Jr. was chosen as the Maroon Captain. Chuck was the 1st son of a former captain to also serve as a captain. Chuck Compher, Sr. was the Maroon Captain in 1963. This tradition continued in 1991 when Chuck Sr.'s second son, Robert, was chosen as the Maroon Captain and again this year when Mike Compher, was picked to be the Grey Captain. This is the first time in Kawanhee history that four people from the same family have

been Team Captains at Kawanhee. It is surprising that this has not happened because many second and third generation campers have come to Kawanhee. Chuck Sr. and his wife, Barbara, are very proud of their sons. It is a real honor to be a team captain at Kawanhee, and the experience gained is extremely beneficial to prepare for the many challenges life has to offer.

ARCHERY

As I sit here in the camp computer room writing this article, I am surrounded by the pictures of every camper who came to Kawanhee this summer. I am reminded of the hard work and many accomplishments of each one in Archery. As we wrap up a record-breaking season in Archery, during which 548 medals and 30 Robin Hood awards were earned by Kawanhee campers, we hope that every boy will take with him the memory of a job well done.

A highlight of the season included the Camp Caribou invitational tournament. We took two teams of archers, both of which brought home second place trophies. Steve Johnson placed fifth overall in the individual competition. Another Kawanhee first found us playing host to Camp Caribou in an archery range combination tournament. With approximately 6,000 points scored by the two teams during this tournament, the winning margin was an astonishing 23 points with Caribou edging Kawanhee. Special mention went to Jaime Rubio, who placed first in the 13 and under individual competition and Steve Johnson who placed third overall in the 16 and under category. We concluded the inter-camp tournament action by inviting Camp Fernwood to team with some of our archers in pairs competition. Kris Hamwi and Steve Lenard were members of the two winning teams. Kawanhee was well represented in all of these tournaments by Gonzalo deArmas, Ryan Barrett, Darren Belskis, Carlos Canas, Gerrardo Carreras, Peter Cartei, Yoon Sang Chung, Adam Cook, Tim DeVoe, P.J. Donahue, David Frothingham,

three series. The next game continued with Todd Fichter pitching for the Purple and Ryan Barrett throwing for the Blue. The game was exciting but the Purple won 9-2, to win the series. For the winning Purple, Darren Belskis batted .800 and won one game pitching.

The Baseball Department wishes to thank all who participated in both leagues and we will see you in 1993!

LAPIDARY

The Lapidary Shop completed a record number of projects this season, totaling 89. The projects were quite varied and extremely well done at all levels. It was good to see that many staff members enjoyed working in the Lapidary Shop during their free periods. Many parents, friends, and sweethearts will be pleased and surprised with their lapidary gifts.

SKIT NIGHT

Lights! Camera! Action! A Hollywood movie, a Shakespeare play, no it's Kawanhee Skit night! Every year, the last week of camp, the campers entertain the camp population. Each lodge prepares a skit that they present. Todd Worthington acted as host and introduced the lodges. Crow's Nest was awarded Best Skit and the theme revolved around "So You Think You Know Kawanhee". An extra feature of the evening was a skit put on by the staff ladies of Kawanhee which was amusing to all. It was fun to see the entire camp get into the spirit of skit night.

A FIRST IN KAWANHEE HISTORY

Take a bow Jaime Rubio! Never in the seventy-two years of operation has a camper been High Point Winner two years in a row! Campers, counselors, and alumni can appreciate the effort and hard work Jaime put forth all seven weeks. Jaime focused on advanced levels this season in all activities, not just one or two. What a difficult thing to do! Jaime had fun, learned a lot, and came out on top!

GOING OF THE CHIEF

Friday evening, August 7, the ceremony of the Going of the Chief took place. All lodges assembled at Council Point along with many guests. Chief Sachem, Herb Birch, called for Chief Kawanhee. The Sachems (an elected camper from each lodge) were asked by the Chief to read their message of welcome and advice for the campers who will come in '93. This message was buried beside the Council fire to be opened at the ceremony of the Coming of the Chief in 10 moons. The Chief asked that the Council fire be lit. A fireball magically descended from one of the pines that surrounds Council Point. When it blazed brightly he spoke of the philosophy of camp and hoped each boy would take home a love of nature, improved skills, and the joy of new friends. As the Chief descended the hill for another 10 moons, we all knew his message was really what Kawanhee is all about--giving to Kawanhee during the summer and taking its memories for a winter or a lifetime.

PLAQUE ACHIEVEMENTS

Finishing a Kawanhee Plaque means completing the three levels in each of the fifteen activities in a camper's age bracket. These divisions are Junior C, Junior B, Junior A, and Senior. Junior C includes Eagle, Falcon, and Panther lodges. Junior B includes Pinetree, Deer, Hawk, Birch, and Beaver lodges. Junior A includes Moose, Lynx, and Wildcat lodges. Senior includes Bear, Loon, Crow, and Badger lodges. Usually a Kawanhee camper takes several summers to complete a plaque. Nine boys finished their Plaques this 1992 season. The spotlight shines brightly on these exemplary campers for their commendable achievements:

AS KAWANHEE TURNS

Campbell Taylor Wright (8lb. 9.2oz.) arrived June 7, '92 to join twin brothers at the Harry and Edna Wright household in Columbus, Ohio. We trust all three will be future campers at Kawanhee! Lars and Noelle Jensen and Will Fleming are visiting Weld and friends here at camp. Lars' brother Eric was also visiting camp a few weeks ago from Florida. An interesting "day-off" story: Chuck, Barb, and Liz Compher along with O.J. Altmaier were hiking at Angel Falls. Chuck was helping mom, Liz, over boulders in a stream--A couple with a baby coming downhill looked at Chuck and said, "I know you two.

Aren't you Chuck Compher from Kawanhee? And your mom, the nurse?" It was Doug Guest, a Kawanhee camper in 1963 now living in Vermont. There was no one for miles around and they had a small camp reunion! Former camper Scott Norris (his last year 1985) has just graduated this year from University of Kentucky and came to visit Kawanhee. Michael Mathews, former Maroon Captain, and his wife, Cecilia, have been in camp visiting son, Alexander. Michael brought several pictures for the Kawanhee Archives. These will be on exhibit in the Dining Hall for everyone to enjoy.

PLEASE KEEP YOUR NOTES OF INTEREST AND CHANGES OF ADDRESS COMING TO THE WIGWAM SO THAT ALUMNI CAN KEEP IN TOUCH. THANKS!

HANK AARON LEAGUE SOFTBALL

We had a really exciting season in the Hank Aaron League in 1992. The season ended on July 30, 1992 with a double header in which the undefeated Snapping Turtles had their first of two losses this season. The final standings for the regular season were Snapping Turtles 3-2, Raging Rain 3-2, and Disco Beavers 1-4. The regular season champs were the Snapping Turtles who defeated the Raging Rain in head to head competition.

The playoffs began the next week. The first game featured the Disco Beavers vs. the Raging Rain. The Beavers won 15-11. The Turtles and the Beavers went for the championship on the next night. It was a very exciting game which ended 17-16 for the Beavers.

The last game had great performances by both teams. Special mention goes to Simon Doolittle of the Snapping Turtles who was 5 for 5 with three runs, three RBI's, and one home run for the winners. Special mention also goes to Mark Osborn. He went two for four, three RBI's, 2 runs, and he drove in the winning run with a sacrifice fly in the last inning.

KLL BASEBALL

Kawanhee Little League '92 was a fantastic roller coaster ride through the whole season. But it was time to finally see who the real champions were on Sunday the 2nd of August. We had the playoffs between the second and third place teams to see who would advance to the World Series. The victors would play against the number one team, The Purple People Eaters (5-0).

The Flaming Pink Disco Bunnies (1-5) faced Ryan Barrett and the Blue Stooges (3-2) in a wonderful back and forth game. The final score was 13-9 in favor of the Blue. Winning pitcher Barrett went two for two with an RBI and Bart Ray went three for four with 3 runs and 1 RBI. For the losing Pink, Pete Kelly went two for three with two runs and two RBI's.

On Monday, the KLL World Series began with Darren Belskis pitching for the undefeated Purple People Eaters. Darren was 2-0 this season for the Purple. Bart Ray started for the Blue team. It was a close game but the Purple won 7-5. The Stooges were now down one game to move in the best two out of
