NEW STAFF MEMBERS FOR 1990

As in previous seasons, Camp Kawanhee continues to benefit from a very high repeat factor for Staff. Each season it is necessary to add some new counselors, and for 1990 we are most fortunate to supplement last year's leadership with the addition of several key Staff Members from Camp DeWitt which was forced to close its beautiful camp on Lake Winnepesaukee in New Hampshire because the land was sold. Mr. and Mrs. Tom Boyer will join us at Kawanhee as Assistant Directors--they successfully operated Camp DeWitt as Directors for 10 years. Jane Boyer will also be our Camp Mother. The Boyers interviewed 20 camps before selecting Kawanhee, and we are delighted to have their experience and expertise to continue strengthening Kawanhee. Their two sons, Greg and Jeff will be campers. Our new Head Cook for 1990 is Mike Lalley who has been in charge of Camp DeWitt's food program for six seasons. Mike is a Science teacher at the Pingry School in Martinsville, New Jersey and his avocation is cooking. David Wolstencroft, Kawanhee's Cook for the past 2 seasons, will not be able to return. Mike Lalley's Assistant in the Kitchen and Bakery will be Helen Bottomley, also a veteran from DeWitt. She enjoys baking and the Bakery will be reopened. Her son Jeff will join her as a camper. Albert Kenny who headed up DeWitt's Waterfront will assist Peter van den Honert, Waterfront Director. Jacques Vauclain, former head of Boating, Canoeing, and Sailing at DeWitt will head up the same departments at Kawanhee. John Taylor, former Program Director from DeWitt, will be assigned to Boating and Canoeing and head up our CIT program. Two other very fine young men from DeWitt are brothers from Scotland, Dennis and Jake Hopkins, and their experience as Soccer Coaches will enhance our Soccer program. Dennis has excellent background as a Tennis Coach too, and may be assigned to that activity. Mark Cuttler who served very ably at Kawanhee last summer is returning, and he is bringing his mother Kay Cuttler who will be in charge of the Library, and assist with driving and secretarial duties. Anna Maria Haering, sister of Max, is another addition to our Waterfront, and she is from Germany. We are happy to have these talented and highly qualified persons join us at Kawanhee!

During the Christmas Season there was a Staff party held at the Estabrooks' home and in attendance were present and past staff members along with husbands, wives, girl friends, and boy friends. Lots of Kawanhee conversation and camp stories added to the merriment and fun. A second party, also held at Estabrooks', was for campers, parents, and prospective campers along with several staff members from the Columbus area. Camp pictures, camp video, and the Ohio State-Michigan basketball game along with renewing friendships, news, and making plans for the 1990 season all provided the perfect recipe for a happy occasion! At each of the two parties there were between 50 and 60 persons in attendance. Everyone was from Columbus or surrounding area except Fly MacPeak who drove through from New Jersey so he could join us. Way to go, Fly!

AS KAWANHEE TURNS

John and Luann Detrick Weihe announce the arrival of Gordon Eldridge Weihe, 8#, on July 16, 1989. They are living in Bangkok, Thailand. Alan and Amy Spencer welcomed Anna Michelle Spencer on September 24. Anna weighed 6#9oz. All three along with sister Rachel will be back at Kawanhee this summer living in the new Abbott House. More happy news--Kirk Neiswander was married to Lorie Jo Lang on September 16, 1989 at Cleveland Heights, Ohio. Chris Yardley and Cathy Winey have announced their engagement and will be married in August. Chris hosted his annual Winter Party for Kawanhee friends in Farmington for skiing at Sugar Loaf and Chef Chris provided his usual gourmet treats. Trevor Cooke was a member of the Bexley Junior High Football Team this past fall in Columbus, Ohio. Crown Prince Felipe of Spain paid an official visit to Canada and the United States as part of his increasing responsibilities and heir to the Spanish Crown. Felipe was a camper at Kawanhee several summers ago. Kent Rigsby, a popular Columbus restaurateur, continues to expand his business by opening two additional restaurants in the Short North District. Kent was the subject of a recent issue of the popular Columbus Monthly magazine. For the best food in town, try Rigsby's! Justin Lally was pictured with his younger brother Max in the Demarest newspaper at the Oktoberfest. Andy Brown and Tim Horton advanced to the finals at the Districts in Central Ohio Sectionals in Wrestling. Congratulations to Kawanhee's Wrestling Department Assistant Coaches!! Chris Simanek, our versatile laundress from last summer, recently achieved new honors when her women's Soccer Team from Plymouth College in New Hampshire advanced to the semi-finals in the NCAA Tournaments held in San Diego, CA. Although her team lost at that point, congratulations to these girls for receiving national acclaim in Soccer! Dr. John Estabrook and his brother Jim competed in the New York Marathon last November. Both finished and most members of the Estabrook family were there to cheer them on! Richie Donahey will be taking an early spring trip to the Bahamas to compete in a National Performing Arts Contest. Rich is a student and a member of the Ensemble at Walnut Ridge High School, which is the only public school competing--all others are private schools. Kawanhee wishes the group members who will be dancing, singing, and hopefully winning all the best in the competition. B.A. Altmaier and his lovely wife Anita moved into their new home in Wilton at Thanksgiving time along with their two children Andrew and Rebecca. You might guess who the contractor was--none other than Tom Wojcik, Kawanhee's versatile Maintenance Director and also owner of Hills Pond Associates. Speaking of Altmaiers, O.J.'s and B.A.'s brother Chris is entered to run in the prestigious Boston Marathon. Along with all the Altmaiers, Kawanhee will be rooting for you, Chris!

Please keep the Wigwam informed of further news items!
