Mark and Liz Standen

Mark and Liz Standen are retiring from their roles as Co-Executive Directors of Camp Kawanhee after 18 years of extraordinary leadership and dedication to the Kawanhee family. During their tenure, camp saw the addition of new staff housing, new playing fields, upgrades to the rec hall, and the creation of the Katahdin Pavilion. Beyond these improvements, their true legacy lies in the lasting impact they have had on campers, staff, alumni, and board members. Their stewardship, care, and lifelong commitment to the Kawanhee community will continue to ripple outward for years to come. The trust they built with families and parents was deeply woven into the Kawanhee experience, and their presence will be felt long after their retirement.
